## THE TRADE MARKS ACT

(Cap 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T M No 6 (in duplicate) together with a fee of Sh 50

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours the colours are as far as possible indicated in the accompanying representations of the mark in the usual heraldic manner

##### THE INDUSTRIAL COURT

CAUSE NO 19 OF 1967

Parties —

Tailors and Textile Workers' Union  
and

The E A Bag and Cordage Company Limited

Issues in dispute —

Wage Increase  
Overtime Rates  
Leave Facilities  
Duration of Agreement

1 The Tailors and Textile Workers' Union shall hereinafter be referred to as the Claimants and The E A Bag and Cordage Company Limited shall hereinafter be referred to as the Respondents

2 The Parties were heard in Nairobi on the 8th day of June 1967, and relied on their written and verbal submissions

#### AWARD

6 The Court has very carefully considered the Respondents' request for buying out the extra benefits which the workers are enjoying under the issues of overtime rates and leave facilities, but is not prepared to grant it. It should be noted that the Court had rejected a similar demand last year and that both these benefits were awarded by a sole Arbitrator in 1964 who had in turn based his award on the arrangement he found in force at that time. Furthermore the Respondents, particularly on the issue of overtime, did not present sufficiently detailed information to the Court on which the Court could have considered a variation of the existing arrangement. In view of this, the Court rejects the Respondents' demands on the issues of overtime rates and leave facilities, but wishes to state that there would be no objection to the Parties voluntarily agreeing to a buying-out scheme.

On the issue of wages the Court awards the following new rates —

	Sh per month
Group A	665/-
Group B	465/-
Group C	285/-
Group D	212/50
Group E	172/50
Group F	152/50
Group G	140/50

Duration of Agreement—The Court rules that this award shall be with effect from 1st April 1967, and shall remain in force for a period of 18 months from that date

Given in Nairobi this 29th day of June 1967
