THE INDUSTRIAL COURT

CAUSE No. 24 OF 1967

Parties:—

Kenya Union of Commercial Food and Allied Workers
and

The Old Mutual Life Assurance Society

Issue in dispute:—

Gratuity for Mr. Michael Gachie.

1. The Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the Claimants and The Old Mutual Life Assurance Society shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Nairobi on the 26th day of July 1967, and relied on their written and verbal submissions. The Respondents called Mr. Adam Kutahi, an Assistant Executive Officer of the Federation of Kenya Employers as a witness.

AWARD

The Court has very carefully considered the submissions made by the Parties in this dispute and finds that the addendum to the main agreement is not a satisfactory document and leaves much room for improvement. To begin with although it is stated that an employee would receive gratuity on retirement from service the Court could find no evidence of the Parties having agreed to an age of retirement. Further it is not clear that if an employee is to be paid gratuity on retirement what is the purpose of laying down a qualifying period of five years. The fact that the Respondents have every intention of paying gratuity to an employee whom they discharge after having completed five years of service, is also not included. However, in spite of these obvious defects in the addendum to the main agreement the Court is satisfied that the word "retirement" in this agreement has been used in its generally accepted meaning and the Claimants were perfectly aware that no gratuity would be paid in the event of an employee resigning. Even if the Court was to find in the Claimants' favour on this point, the fact remains that Mr. Gachie resigned on 1st March 1966, and left the service on the same day after collecting his salary for February and leave pay whereas the agreement on which the Claimants are basing their claim was not signed until 4th April 1967. In these circumstances Mr. Gachie cannot benefit from this agreement. The Court, therefore, rejects the Claimants' demand.

Given in Nairobi this 18th day of August 1967.

SAEED R. COCKAR,
President.
N. N. NDUATI,
CHARLES MUNENE,
Members.

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
