GAZETTE NOTICE NO. 3401

**THE TRADE MARKS ACT**

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.

GAZETTE NOTICE No. 3405

## THE INDUSTRIAL COURT

CAUSE No. 8 OF 1967

Parties:—

Kenya Union of Commercial Food and Allied Workers  
and

Kenya Bankers (Employers) Association

Issue in dispute:—

Redundancy and Severance Pay.

1. The Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the Claimants and Kenya Bankers (Employers) Association shall hereinafter be referred to as the Respondents.

2. The hearing of this dispute commenced in Nairobi on the 25th day of April 1967, when the Court constituted of the President, Dr. Otieno representing workers and Mr. Watts representing employers. After the hearing had lasted the best part of that day it was adjourned to 22nd and 23rd May 1967, but the hearing could not take place on these dates because Mr. Watts was indisposed. The hearing was accordingly adjourned to 28th and 29th June 1967. In the meantime Mr. Watts informed the Court that he would not be able to sit on the Court for a long time due to health reasons and the President, therefore, invited Mr. Deacon to take his place. Accordingly on 28th June 1967, the Parties were requested to recommence the hearing from the beginning which they did.

The Parties relied on their written and verbal submissions and on evidence obtained through exchange of letters between them prior to the commencement of the hearing.

## AWARD

The Court could not help but notice that the very ordinary issue in dispute had evoked such heated controversy and that the Parties should contest it so vigorously. The reason for this is obviously the fear of Kenyanization/Localization lurking in the minds of the Asian employees in the Banks. The Respondents stated that there appeared to be no prospects of any redundancy in the Banks unless there was a severe economic recession. The Court has no reason to think otherwise and the issue is therefore largely academic.

The Claimants denied that they were trying to create a blue-print for compensation in the event of Kenyanization/Localization taking place in the Banks. The Respondents also, on the other hand, denied categorically that they had any intention of relating the award on this issue to any compensation they may have to pay as a result of Kenyanization/Localization. They made it quite clear that the two issues—redundancy and severance pay and compensation for loss of career—were completely different and separate issues and had no connexion whatsoever one with the other. This assurance should allay the fears of the Bank employees.

In view of the aforesaid it is right and proper that the issue in dispute should be viewed in its true perspective.

First on the question of the application of the principle of set-off of the employer's contribution to a provident fund scheme against the benefit on this issue, the Court has very carefully considered Mr. Bhailal Patel's able arguments on it. His arguments and authorities no doubt support the current practice in India where retrenchment compensation is different from a retirement benefit and the concepts on which these two benefits are granted are deemed to be essentially different. But in Kenya the Industrial Court has created its own precedents which reflect the thinking in the country and other countries much nearer to us like Tanzania, Sudan and Ghana. This principle is firmly established in Kenya as it is considered a fair and equitable arrangement. The Industrial Court has decided in Cause No. 4 of 1965 (Kenya Shoe and Leather Workers' Union and Zimmermann Limited) that the employee is entitled to only one of these two benefits and he should get the one which is more advantageous to him. The Court has decided not to depart from this ruling.

On the other submission of the Claimants that if the provident fund contributions were to be set-off against the benefit on this issue, then the Court would be making an award on a non-negotiable item, the Court must point out that that is not so, because whether or not the set-off is applied will in no way affect the rules or workings of any pension or provident fund scheme. They will continue exactly as at present and the set-off in itself will have no bearing whatsoever on such scheme. The only thing on which the "set-off" will have a bearing is the amount of severance pay payable to a redundant employee, which is an entirely different matter altogether.

Having over-ruled the Claimants on the question of "set-off" the Court finds that there is some merit in the arguments put forward by them on the question of the amount of severance pay.

After a careful consideration of all the submissions made by the Parties the Court makes the following award on the issue of redundancy and severance pay in respect of clerical and subordinate staff:—

(a) Redundancy is understood to mean, and means the involuntary loss of employment through no fault of the employee cause either by an excess of manpower or by the financial inability on the part of the employer to continue paying salaries.

(b) Where it is necessary to terminate the employment of an employee on the grounds of redundancy, severance pay shall be granted at the rate of half-a-month's pay for every completed year of service in respect of those employees with five years' service or less and one month's pay for each completed year of service for others provided that:

(1) Where the employer has an established pension fund or scheme and the employee is granted any pension on the cessation of his employment:

(i) If the sum produced by multiplying the annual amount of such pension by a factor of twelve and one-half ( $12\frac{1}{2}$ ) equals or exceeds the amount of severance pay calculated in accordance with paragraph (b) above, the employer shall be exempt from liability to pay any severance pay to such employee, or

(ii) if the sum produced by multiplying the annual amount of such pension by a factor of twelve and one-half ( $12\frac{1}{2}$ ) is less than the amount of the severance pay calculated in accordance with paragraph (b) above, the amount of severance pay so calculated shall be reduced by the amount so produced.

(2) Where the employer has an established Provident Fund or Scheme and the employee is granted any benefits from such fund or scheme on the cessation of his employment:

(i) If the payment made from the fund or scheme, after deducting any contributions made thereto by the employee, equals or exceeds the amount of severance pay calculated in accordance with paragraph (b) above, the employer shall be exempt from liability to pay any severance pay to such employee, or

(ii) if the payment made from the fund or scheme, after deducting any contributions made thereto by the employee, is less than the amount of severance pay calculated in accordance with paragraph (b) above, the amount of severance pay so calculated shall be reduced by the amount of payment made after making such deductions aforesaid.

(c) In addition to any severance pay that may be granted in the terms of this award, the redundant employee shall be entitled to one month's notice or one month's salary in lieu thereof.

(d) The Claimants shall be informed of the reasons for, and the extent of, intended redundancy.

(e) The principle shall be adopted of "last in, first out" in the particular category of employees affected subject to all other factors such as skill, relative merit, ability and reliability being equal, provided that it is considered on Kenya-wide basis.

(f) Within 12 months from the date of discharge on the grounds of redundancy the employer shall give preference to such persons in the event of engaging new staff of a similar grade.

(g) Where an employee is entitled to other benefits, i.e. leave, leave pay, etc., a *pro rata* compensation shall be made at the time of discharge on account of redundancy.

(h) Salary for the purpose of calculating severance pay shall be the salary of an employee on the date the employee ceases to be in the employment of the Bank.

(i) The effective date of these provisions shall be deemed to commence from the date of engagement of the employee.

GAZETTE NOTICE No. 3406

THE INDUSTRIAL COURT  
CAUSE No. 20 OF 1967

Parties:—

Kenya Union of Commercial Food and Allied Workers  
and  
The Maize and Produce Board

Issue in dispute:—

To consider the Union's contention that their claims against the West Kenya Marketing Board, which is now defunct, may be made against the Maize and Produce Board and the Employer's contention that the Maize and Produce Board has absolutely no responsibility for any actions of the late West Kenya Marketing Board.

1. The Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the Claimants and The Maize and Produce Board shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Nairobi on 21st June and 12th July 1967, and relied on their written and verbal submissions. In addition the Court called upon the Permanent Secretary, Ministry of Agriculture and Animal Husbandry, to come and give certain factual information relevant to the dispute.

## AWARD

It should be made clear from the outset that at this stage the Court is not concerned with the merits or demerits of the Claimants' various claims against the now defunct West Kenya Marketing Board. The Court has been asked simply to decide whether or not the Respondents should entertain the Claimants' demands which they had against the West Kenya Marketing Board.

Mr. Mlamba, the Permanent Secretary to the Ministry of Agriculture and Animal Husbandry, quite clearly stated that although the assets and liabilities of the West Kenya Marketing Board had not yet been transferred legally to the Respondents, the Respondents had taken them over administratively. In view of this statement the Court is satisfied that the Respondents are *de facto* successors to the West Kenya Marketing Board although no winding up order has yet been made. No indication was given as to when a winding up order, if at all would be made although it is now over a year since the West Kenya Marketing Board ceased to exist.

The Court finds that to deny the Claimants the right to make representations to the Respondents who have, in fact, taken over the assets and liabilities of the West Kenya Marketing Board, could lead to disruption of the industrial relations and would not be in the interest of either Party concerned. Since the Respondents have assumed *de facto* responsibility for the affairs of the West Kenya Marketing Board, the Court rules that they should negotiate with the Claimants concerning their grievances which they had against the West Kenya Marketing Board. The fact that the Respondents are not employers of the workers in respect of whom the Claimants have some grievances is not relevant. The Respondents have to go into the claims because they are administratively handling the assets of the now defunct West Kenya Marketing Board. It should also be noted that Mr. Mlamba accepted that in the absence of a winding up order, his Ministry was responsible for the West Kenya Marketing Board affairs, but he himself cleared the position by saying that the Respondents were administratively handling the assets. Finally the Court is reinforced in this decision by the letter from the Permanent Secretary which he wrote to the Secretary-General of the Claimants on 1st October 1966, in which he stated as follows:—

"Please refer to your letter of 22nd August 1966, and your inquiry concerning whom you should contact in respect of discussion of grievances in the Maize Marketing Board, the Kenya Agricultural Produce Marketing Board and the West Kenya Marketing Board.

I can now inform you that Mr. J. E. Opembe has been appointed General Manager of the Maize and Produce Board, which is the amalgamation of the three boards mentioned in the previous paragraph. Any discussions therefore on staff matters concerning any of those three former boards should be conducted with Mr. Opembe.

I should be grateful, therefore, if you will refer all your current disputes to Mr. Opembe in order that discussion can take place on a new basis."
