GAZETTE NOTICE NO. 4057

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.

GAZETTE NOTICE No. 4062

THE INDUSTRIAL COURT

CAUSE No. 34 OF 1967

Parties:—

Kenya Motor Engineering and Allied Workers' Union
and
Regal Garage (1965)

Issue in dispute:—

Wages.

1. The Kenya Motor Engineering and Allied Workers' Union shall hereinafter be referred to as the Claimants and Regal Garage (1965) shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Nairobi on the 23rd day of October 1967, and relied on their written and verbal submissions.

AWARD

After a careful consideration of all the submissions made by the Parties the Court awards that all unionizable employees should get an increase of Sh. 20 per month with effect from 1st November 1967, except the two employees Mromegi Kimani who shall get an increase of Sh. 25 per month and Ngugi Kioko who shall get an increase of Sh. 30 per month. This award shall remain in force up to 31st December 1968.

In making this award the Court was greatly influenced by the fact that the Respondents had with effect from 1st January 1967, granted increments to most of their employees varying between Sh. 10 and Sh. 20. For these reasons the Court was not inclined to award any backdating.

The Court would like to state that the Claimants are moving in the right direction in trying to secure better terms and conditions of service from this type and size of business in the motor industry as the major firms have with some justification pleaded that, they have to compete with these small firms as a result of which they lose a considerable amount of their business.

Given in Nairobi this 7th day of November 1967.

President.

GAZETTE NOTICE No. 4063

THE INDUSTRIAL COURT

CAUSE No. 38 OF 1967

Parties:—

Kenya Union of Sugar Plantation Workers
and
Madhvani Sugar Works Limited

Issue in dispute:—

The implementation of the agreement negotiated between the Kenya Union of Sugar Plantation Workers and the Kenya Sugar Employers Union (Nyanza) in the matter of wages and other terms and conditions of service.

1. The Kenya Union of Sugar Plantation Workers shall hereinafter be referred to as the Claimants and Madhvani Sugar Works Limited shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Mombasa on the 16th day of October 1967, and relied on their written and verbal submissions. The Respondents called one witness Mr. E. M. Johnson a qualified agronomist with a long background and experience in sugar industry in West Indies and two years in Kenya. This witness is employed by Projects Developments Limited who are consultants in Sugar Industry.

The members of the Court visited the Respondents' sugar estate at Ramisi on the 17th of October 1967, and saw the various sugar-cane fields and the living conditions of the workers. The representatives of both Parties accompanied the Court members on this visit.

AWARD

In Cause No. 60 of 1965 (between the same Parties) the Court had made the following award:—

"The Court awards that all the issues in dispute shall be incorporated in an agreement, to be drawn up and signed by the Parties hereto, within 14 days of the publishing of the Award provided that none of the benefits on these issues are less favourable than those found in the 'Nyanza Agreement'.

This new agreement shall be effective from 1st March 1966, and shall come to an end when the 'Nyanza Agreement' ends or is terminated by the Parties; the Court has taken this step in order to achieve uniformity on Terms and Conditions of Service within the Sugar Industry in Kenya."

The Court notes that the Respondents have not joined the Kenya Sugar Employers Union although it would have been to their interest to have joined the group. In ordering the Nyanza rates for the Respondents' employees the Court had stated that this step had been taken to achieve uniformity on Terms and Conditions of Service within the Sugar Industry in Kenya.

In previous proceedings the Respondents had not advanced the arguments which they produced this time and had merely asked for a breathing space on the ground that they had taken over a very poorly run and unproductive estate.

After a careful examination of all the arguments and the evidence produced the Court finds that it would not be appropriate at such an early stage of redevelopment at Ramisi to approve a "differential" with the Nyanza estates. The estate at Ramisi had suffered severely due to bad management and poor husbandry in the past. And while the Court acknowledges the good work that has been done and is being done by the Respondents, the Court feels that enough has not yet been done to establish that the low yield at the Coast will be permanent.

The Court must express appreciation at the way the Respondents have stepped up development at Ramisi by bringing a larger acreage under cultivation, by clearing up the estate, by increasing employment and by improved production. This has no doubt involved heavy capital investment. The Court has taken into consideration all these points in arriving at its findings. The Court has decided to award the benefits of the Nyanza Agreement to the Respondents' employees. But as the Court finds that the current Nyanza Agreement is a very unsatisfactory document and leaves much room for improvement, it is not inclined to award the same in the current dispute. The Court directs the Parties to draw up a proper agreement incorporating all the wages, terms and conditions of service as applicable in Nyanza so that the defects and anomalies that exist in the Nyanza Agreement can be rectified.

The Court wishes to stress that it is provided in the Nyanza Agreement that the workers, particularly cane cutters, should complete the tasks laid down therein and the Ramisi workers should understand it clearly. The Claimants have promised full co-operation to the Respondents in trying to improve the productivity of the estate and it is to be hoped that they will ensure that their members should cut the same quantity of cane as the Nyanza workers since they are going to enjoy the Nyanza rates. The Parties should immediately work out the system of assessing the amount of cane cut on a weight basis.

The Court rules that its award bringing up the Respondents' rates to the level of the Nyanza Agreement should be with effect from 1st September 1967, and should terminate when the Nyanza Agreement comes to an end.

Given in Nairobi this 14th day of November 1967.
