GAZETTE NOTICE No. 4517

THE INDUSTRIAL COURT

CAUSE No. 42 OF 1967

Parties:—

Kenya Union of Commercial Food and Allied Workers
and

James Warren and Company (Africa) Limited

Issue in dispute:—

Leave Allowance v/s Leave Travelling Allowance.

1. The Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the Claimants and James Warren and Company (Africa) Limited shall hereinafter be referred to as the Respondents.

2. The Parties were heard in Nairobi on the 7th day of December 1967, and relied on their written and verbal submissions.

AWARD

The agreement made between the Parties on 8th March 1967, which was with effect from 1st October 1966, for a period of 12 months from that date has been revised by the Parties and wage increases have been granted with effect from 1st October 1967. This new agreement is to remain in force for a period of two years and the employees will receive another wage increase at the beginning of the second year of the operation of the agreement. During the revision of the first agreement the Claimants were entitled to raise the question of leave travelling allowance and did so. After discussions the following was recorded during the Joint Negotiating Committee meeting held on 3rd November 1967:—

Company: The Company representative maintained that the present clause 5 in the operative agreement as far as he was concerned needed no change.

Union: The representative of the Union maintained that he was not prepared to accept the present clause 5 to remain the same and therefore, demanded leave travelling allowance of Sh. 120 in cash.

No agreement could be reached on this item. Both Parties agreed to refer this to Industrial Court for arbitration."

This fringe benefit has gradually changed in character over the last few years. Whereas some years back it was primarily meant to pay for the travelling expenses of an employee and/or certain members of his family, now it is considered a pure and simple leave allowance leaving it up to the employee to spend it as he wishes. In the industrial sector the bulk of the precedents is in favour of a leave allowance and after a careful consideration of all the submissions in the present dispute the Court can find no reason why the Respondents should not pay a leave allowance to their employees when they proceed on annual paid leave. In view of this the Court awards that the present clause 5 should be cancelled and in its place the Respondents should pay a sum of Sh. 60 per annum to each of their employees when they proceed on their annual paid leave.

Given in Nairobi this 20th day of December 1967.

SAEED R. COCKAR,
President.
