GAZETTE NOTICE No. 2445

THE INDUSTRIAL COURT

CAUSE No. 22 OF 1968

Parties:—

Kenya Union of Commercial Food and Allied Workers
and
Jaygee Products Limited

Issues in dispute:—

- (1) Wages.
- (2) Annual leave.
- (3) Leave allowance.
- (4) Maternity leave.
- (5) Gratuity for women employees.
- (6) Effective date and duration.
- (7) Overtime rates.
- (8) Rates of pay paid to casual employees.

1. The Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the Claimants and Jaygee Products Limited shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on the 2nd day of July 1968, and relied on their written and verbal submissions.

AWARD

In this dispute the first six issues arise out of the Claimants' demands and the remaining two result from the Respondents' demand for reducing the benefits being enjoyed by the workers at present under these items.

During the hearing it became apparent that no discussions had taken place on the fringe benefits as only the issue of wages was discussed at the two meetings held between the Parties after the Claimants had submitted their demands. The Court is satisfied that the present level of the various fringe benefits is reasonable and should not be disturbed. By far the most important issue in this dispute is the one relating to wages. Since 1965 when the Industrial Court made an award on wages and other items between the same Parties in Cause No. 34 of 1965, the wages have gone up as follows:—

- (a) From 1st September 1965, for a period of 12 months the workers received on an average an increase of Sh. 40 per month as a result of the aforesaid award in Cause No. 34 of 1965.
- (b) As from 1st September 1966, the Parties themselves freely negotiated a wage increase of Sh. 25 per month for all Unionizable employees for a period of 18 months, i.e. until 1st March 1968.

It is clear from this that the workers have received reasonable increases since September 1965. The Respondents have now made a strong plea that this time they are not in a position to grant an increase like the ones they have granted in the past due to

the various reasons which appear at length hereinabove under their main submissions.

The Court has very carefully considered the submissions made by the Parties and has decided to make the following award:—

- (1) *Wages*.—The Court awards a wage increase of Sh. 10 per month to all Unionizable employees.
- (2) *Annual leave*.—Nil award.
- (3) *Leave allowance*.—Nil award.
- (4) *Maternity leave*.—Nil award.
- (5) *Gratuity for women employees*.—Nil award.

(6) *Effective date and duration*.—The Court rules that the effective date of its award should be 1st April 1968, and that it should remain in force for a period of 18 months from that date.

On the issues of overtime rates and the rates of pay paid to casual employees the Court awards that the present rates should continue.

Given in Nairobi this 24th day of July 1968.

President.

GAZETTE NOTICE No. 2453

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

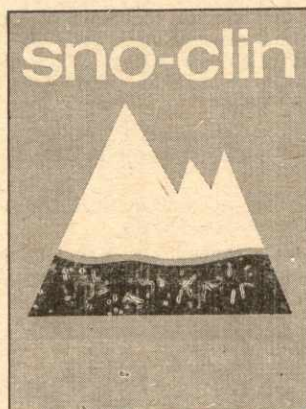

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
