GAZETTE NOTICE NO. 1870

THE INDUSTRIAL COURT

CAUSE NO. 22 OF 1971

Parties:—

Kenya Motor Engineering & Allied Workers' Union
and
Elgon Engineering Ltd.

Issue in dispute:—

“Whether or not Messrs. Elgon Engineering are responsible for the present employees' previous years' services which they worked for the firm under the name of Empire Engineering Works.”

1. The Kenya Motor Engineering & Allied Workers' Union shall hereinafter be referred to as the Claimants and Elgon Engineering Ltd. shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on the 9th day of June, 1971, and relied on their written and verbal submissions.

AWARD

3. The Respondents were incorporated on 30th August, 1965, and took over the existing business of Empire Engineering Works and continued with it at the same place in Kitale. The following were the partners carrying on business under the business name of Empire Engineering Works at Plot No. 26, Section III, Central Elgon Road, Kitale:—

Kartar Singh Udham Singh Jandu.
Sawaran Singh Udham Singh Jandu.
Harbans Singh Udham Singh Jandu.
Taranjit Singh Pritam Singh Jandu.
Sohan Singh Sira s/o Gurbachan Singh.
Niconar Ndeda s/o Oloo.

The shareholders of the Respondents are shown to be 16 with a total number of 127 shares. Out of these 127 shares, five former partners of the Empire Engineering Works except Sohan Singh Sira, own 93 shares. Of the remaining 11 shareholders, nine are the African employees of this firm and two the other Asian employees. The Court was informed during the hearing that the Claimants were not aware that their members were shareholders in the Respondents' company and held 19 shares therein among them.

The Claimants have brought this dispute to the Court for a ruling that the Respondents should take over the previous services of their employees with the Empire Engineering Works for the purpose of working out any redundant or terminal benefits to which they may be entitled. The Claimants stated that as far as they and the workers were concerned the company had never ceased to operate and only a technical change in the name had taken place. The main partners in the old firm and the shareholders in the new firm were the same persons. There appeared to be no reason why the Respondents should not accede to the Claimants' demand which was to accept the liability to their employees in respect of their services up to 31st December, 1965—the date when they took over from the Empire Engineering Works.

The Respondents on the other hand maintain that they offered fresh employment to all their employees with effect from 1st January, 1966. Therefore the legal position was quite clear in that they were not responsible for any benefits due to workers by the Empire Engineering Works.

The Court notes that the workers were served with the following letter by the Empire Engineering Works on 14th December, 1965:—

“We have to inform you that our business which has hitherto been carried on under the name of ‘Empire Engineering Works’ will cease to operate at the close of the business on the 31st December, 1965, when it will be taken over by a company which will commence its operation under the name of ‘Elgon Engineering Ltd.’

In view of the foregoing we have to notify you that your employment with us will be terminated as from the end of December, 1965, but, subject to your consent, your services, as from the 1st January, 1966, will be taken over by the new company on the same terms and conditions which you have been enjoying with us.

We take this opportunity of conveying to you our very sincere appreciation for your past services and hope that you will bring the same zeal and devotion to your work with our successor.”

It is quite clear from the above letter that the workers were informed of what was about to take place. This being so it was entirely up to them to have approached the Claimants at that time to either demand the payment of any terminal benefits due to them or to make other alternative arrangements such as the Respondents assuming responsibility in respect of all their previous services with the Empire Engineering Works.

The Claimants conceded during the hearing that they had made no representations in December, 1965, to Empire Engineering Works and the reason they gave for this was that their members had not brought to them the aforesaid letters of termination which were issued to them. This lapse on the part of the workers has put the Claimants in a difficult position in that the appropriate opportunity for settling the matter of the years of service which the workers had put in with the Empire Engineering Works has passed. In this dispute, in addition to this difficulty, there is no evidence to show that the Respondents in fact took over the obligations of Empire Engineering Works as specified in the recognition agreement between the Claimants and the Kitale Motor Engineering Group of Companies of which Empire Engineering Works were members.

The fact of the matter is that Empire Engineering Works has ceased to exist and there is no evidence before the Court to show that the Respondents took over responsibility for their past services when they offered these employees fresh employment. In these circumstances the Court has no alternative but to find that the Respondents are not responsible for the present employees' previous years of service during which they had worked for the firm of Empire Engineering Works.

The Court would like to add that it is up to these employees to seek legal advice in respect of their earned benefits, if any, against the former partners of Empire Engineering Works. If they find they have a good cause of action then they should file a case in the civil court.

The Court would also like to stress to the Claimants that they should regularize their position *vis-à-vis* the Respondents by entering into a recognition agreement with them as there appears to be no formal document specifying their relationship with the Respondents.

Given in Nairobi this 7th day of July, 1971.

SAEED R. COCKAR,
President.

J. G. GRIFFIN,
HON. B. M. KARUNGARU, M.P.,
Members.

GAZETTE NOTICE No. 1871

THE TRADE MARKS ACT (Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
