In default of payment within the specified time the Commissioner of Lands may cancel the allocation and the applicant shall have no further claim to the grant of the plot.

8. The grant will be issued in the name of the allottee as stated in the letter of application.

The term will be for a period of 99 years from the first day of the month following notification of approval of the application.

*Special Conditions*

1. No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the Commissioner of Lands and the local authority. The Commissioner shall not give his approval unless he is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2. The grantee shall within six months of the commencement of the term submit in triplicate to the local authority and the Commissioner of Lands plans (including block plans showing the positions of the buildings and a system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the grantee proposes to erect on the land and shall within 24 months of the commencement of the term complete the erection of such buildings and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the Commissioner:

Provided that if default shall be made in the performance or observance of any of the requirements of this condition it shall be lawful for the Commissioner of Lands or any person authorized by him on behalf of the President to re-enter into and upon the land or any part thereof in the name of the whole

and thereupon the term hereby created shall cease but without prejudice to any right of action or remedy of the President or the Commissioner in respect of any antecedent breach of any condition herein contained.

3. The grantee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

4. Should the grantee give notice in writing to the Commissioner of Lands that he/she/they is/are unable to complete the buildings within the period aforesaid, the Commissioner of Lands shall (at the grantee's expense) accept a surrender of land comprised herein:

Provided further that if such notice as aforesaid shall be given (1) within 12 months of the commencement of the term, the Commissioner of Lands shall refund to the grantee 50 per centum of the stand premium paid in respect of the land, or (2) at any subsequent time prior to the expiration of the building period, the Commissioner of Lands shall refund to the grantee 25 per centum of the said stand premium. In the event of notice being given after the expiration of the said building period no refund shall be made.

5. The land and buildings shall only be used for saw-milling purposes but residence for a caretaker may be permitted.

6. The buildings shall not cover more than 75 per centum of the area of the land or such lesser area as may be laid down by the local authority in its by-laws.

7. The land shall not be used for the purposes of any trade or business which the Commissioner of Lands considers to be dangerous or offensive.

8. The grantee shall not subdivide the land.

9. The grantee shall not sell, transfer, sublet, charge or part with the possession of the land or any part thereof except with the prior consent in writing of the President: no application for such consent (except in respect of a loan required for building purposes) will be considered until Special Condition No. 2 has been performed.

10. The grantee shall pay to the Commissioner of Lands on demand such sum as the Commissioner may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall, on completion of such construction and ascertainment of the actual proportionate cost, either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

11. The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess.

12. Should the Commissioner of Lands at any time require the said roads to be constructed to a higher standard, the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess.

13. The grantee shall pay such rates, taxes, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any Government or local authority upon the land or the buildings erected thereon, including any contribution or other sum paid by the President in lieu thereof.

14. The President or such person or authority as may be appointed for the purpose shall have the right to enter upon the land and lay and have access to water mains, service pipes and drains, telephone or telegraph wires and electric mains of all descriptions, whether overhead or underground, and the grantee shall not erect any buildings in such a way as to cover or interfere with any existing alignments of mains or service pipes or telephone or telegraph wires and electric mains.

15. There shall be only one combined access and egress to the plot.

16. The Commissioner of Lands reserves the right to revise the annual ground rental of Sh. 960 payable hereunder after the expiration of the 33rd and 66th year of the term hereby granted. GAZETTE NOTICE No. 2207

### THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.

The undermentioned applications are proceeding in the name of FARBERWERKE HOECHST AG, vormalis Meister Lucius & Bruning, a joint stock company organized under the laws of Germany, manufacturers and merchants, of 6230 Frankfurt (M), Hoechst, Germany, and c/o Messrs.
