3 The term of the grant will be for 99 years from the 1st day of the month following the issue of the letter of allotment.

*Special Conditions*

1 No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the Commissioner of Lands and the local authority. The Commissioner shall not give his approval unless he is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2 The grantee shall within six months of the commencement of the term submit in triplicate to the local authority and the Commissioner of Lands plans (including block plans showing the position of the buildings and a system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the lessee proposes to erect on the land and shall within 24 months of the commencement of the term complete the erection of such buildings

and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the Commissioner.

Provided that notwithstanding anything to the contrary contained or implied by the Government Lands Act, if default shall be made in the performance or observance of any of the requirements of this condition, it shall be lawful for the Commissioner of Lands or any person authorized by him on behalf of the President to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term hereby created shall cease but without prejudice to any right of action or remedy of the President or the Commissioner of Lands in respect of any antecedent breach of any condition herein contained.

3 The grantee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

4 Should the grantee give notice in writing to the Commissioner of Lands that he/she/they is/are unable to complete the buildings within the period aforesaid, the Commissioner of Lands shall (at the grantee's expense) accept a surrender of the land comprised herein.

Provided further that if such notice as aforesaid shall be given (1) within 12 months of the commencement of the term, the Commissioner of Lands shall refund to the grantee 50 per centum of the stand premium paid in respect of the land, or (2) at any subsequent time prior to the expiration of the said building period, the Commissioner of Lands shall refund to the grantee 25 per centum of the said stand premium. 10 The grantee shall not sell or transfer the land or any part thereof or any buildings thereon for a period of seven years from the date of the commencement of the term hereby granted and thereafter may only do so with the consent of the Commissioner of Lands.

11 The grantee shall pay to the Commissioner of Lands on demand such sum as the Commissioner may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall on completion of such construction and the ascertainment of the actual proportionate cost either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

12 The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess.

13 The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any Government or local authority upon the land or the buildings erected thereon, including any contribution or other sum paid by the President in lieu thereof.

14 The President or such person or authority as may be appointed for the purpose shall have the right to enter upon the land and lay and have access to water mains, service pipes and drains, telephone or telegraph wires and electric mains of all description, whether overhead or underground, and the grantee shall not erect any building in such a way as to cover or interfere with any existing alignments of main or service pipes or telephone or telegraph wires and electric mains.

15 The Commissioner of Lands reserves the right to revise the annual ground rental payable hereunder after the expiration of the 33rd and 66th year of the term hereby granted. #### GAZETTE NOTICE No 90

#### THE TRADE MARKS ACT (Cap 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form TM No 6 (in duplicate) together with a fee of Sh 50

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant
