NOTICE OF AN APPLICATION BY THE EAST AFRICAN POWER AND LIGHTING COMPANY, LIMITED, FOR AN EXTENSION OF AREA OF SUPPLY OF DISTRIBUTING LICENCE No 19, KERICHO AND DISTRICT, DATED THE 29TH DAY OF AUGUST, 1958

NOTICE is hereby given that The East African Power and Lighting Company, Limited, a limited liability company having its registered office at Electricity House, Harambee Avenue, Nairobi, Kenya, the holder of Distributing Licence No 19 (Kericho and District), dated the 29th day of August, 1958 (hereinafter called "the Applicant") will on the 7th day of July, 1972, pursuant to the provisions of section 36 and section 129 of the Electric Power Act (Cap 314), apply to the Minister for Power and Communications to extend the provisions and the area of supply the subject of the said licence by the inclusion for the remainder of the period of the said licence and for the period of any extension or renewal thereof of the areas the particulars of which are set out in the Schedule hereto

The object of and the reasons for the application are to enable the applicant to provide a supply of electrical energy by way of general supply or otherwise to such public or local authorities, companies, persons or bodies of persons in the Scheduled Areas as may require the same. The proposed areas, the subject of the present application, will include areas covered by Distributing Licence No 26—Kisumu and adjacent areas, dated 4th July, 1968. It is the opinion of the applicant that the granting of the application will be equitable to the applicant and to consumers in every area of supply concerned or affected and no licensee or consumer in any area of supply will be unduly prejudiced thereby.

No area will be affected by the grant of the application save and except the Scheduled Areas, and the public or local authorities, companies, persons or bodies of persons who may be affected by such grant and the manner in which they may be affected is as follows —

(a) The County Council of Kipsigis and the County Council of Gusii to the extent envisaged by section 19 of the Electric Power Act

(c) Public and local authorities, companies, persons or bodies of persons desiring to give a supply of electrical energy on sale in the Scheduled Areas in that the giving of such supply will be precluded by such grant except so far as they may be authorized under section 4 of the Electric Power Act

(d) The Government of Kenya, the Rift Valley and Nyanza Provinces to the extent of their general interests in the development and welfare of the Scheduled Areas

Copies of the draft endorsement and a plan showing the Scheduled Areas may be inspected at the registered office of the applicant in Nairobi, and at its offices in Nakuru and Kisumu and at the offices of the Provincial Commissioners for Rift Valley and Nyanza Provinces during normal office hours

GAZETTE NOTICE NO 1323

THE TRADE MARKS ACT (Cap 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T M No 6 (in duplicate) together with a fee of Sh 50

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expenses of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number
