THE TRADE MARKS ACT  
(Cap 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form TM No 6 (in duplicate) together with a fee of Sh 50

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner

Representations of the marks advertised herein can be seen at the Trade Marks Registry, Kenya School of Law, Nairobi

It is strongly emphasized for tenderer's benefit that any tender not correctly addressed and endorsed will be rejected. Similarly any tender received after the stated time and date will not be considered. Further, it is emphasized strongly that no other markings such as the name of the tenderer or his return address should appear on envelope and failure to observe this the tender will be rejected. The Central Tender Board will not entertain any correspondence on the rejected tenders.

The Government is not bound to accept the lowest or any tender and reserves the right to accept any tender in whole or in part unless a tenderer expressly stipulates to the contrary. All tenders must remain valid for sixty days from 26th January, 1973.

P SHIYUKAH,  
Permanent Secretary for Works
