GAZETTE NOTICE No 416

THE ELECTRIC POWER ACT

(Cap 314)

Public Notice of an Application for Variation of Maximum Prices and Methods of Charge and Consequent Revision of byelaw 6 of Part I of the Methods of Charge (EAPL) Byelaws 1968

NOTICE is hereby given to all whom it may concern that The East African Power and Lighting Company Limited, a limited liability company incorporated in the Republic of Kenya having its registered office at Electricity House, Harambee Avenue, Nairobi, intends to make application on the 22nd day of February, 1974, to the Minister for Power and Communications under section 72 of the Electric Power Act, for the variation of certain maximum prices and methods of charge and for the consequent approval by him under section 149 of that Act of a proposed revision of byelaw 6 of Part I of the Methods of Charge (EAPL) Byelaws 1968 which if and when approved shall be incorporated therein.

The objects of and reasons for the application are to ensure that the Fuel Oil Price Surcharge, which was authorized by the Minister under the said section 72 in the year 1951 and which has been provided for under the said byelaw since that year, but which is at present applicable only on a local basis, will be applied equitably to all consumers supplied from the Company's interconnected network, taking into account changing sources of power generation and price differentials in fuel grades.

All present and future consumers on the main Kenya grid system will be affected by the grant of the application, in so far as some may gain and some may lose by equalization of the said Fuel Oil Price Surcharge. Consumers on isolated supply systems will not be affected by the grant of the application. It will not result in any gain to the Company.

Copies of the proposed text of the revision of byelaw 6 which shows the variation applied for have been deposited at the offices of the licensee and are open to public inspection during normal office hours without payment. Copies of the proposed revision may be purchased at the offices of the licensee at a price of Sh 1/50 per copy.

Any public or local authority, company, person or body of persons desirous of making any representation on or objection to this application must do so by letter addressed to the Minister for Power and Communications and marked on the outside of the cover enclosing it "Electric Power Act" on or before the expiration of 14 days from the date of the application as stated in this notice and must forward a copy of such representation or objection to the applicant.

Dated this 8th day of February, 1974

A. N. NGUGI,
*Secretary,
for and on behalf of
The East African Power and
Lighting Company Limited,
the Applicant*

THE TRADE MARKS ACT

(Cap 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T M No 6 (in duplicate) together with a fee of Sh 50

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number
