THE INDUSTRIAL COURT

CAUSE No. 44 OF 1973

Parties:—

Kenya Management Staff Association
and

Uplands Bacon Factory (K) Limited

Issue in dispute.—Wrongful redundancy of Wilson Awidha (Foreman).

1. The Kenya Management Staff Association shall hereinafter be referred to as the Claimants and Uplands Bacon Factory (K) Ltd. shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on 19th November, 1973, and 19th February, 1974, and relied on their written and verbal submissions. The following witnesses were called by the parties to give evidence in Court:—

Claimants

Wilson Awidha.

Respondents

Basil Walmsley.

Michael Kimani.

AWARD

3. On 24th September, 1973, the Court received the Notification of Dispute Form "A" dated 1st August, 1973, duly signed by the parties' representatives along with statutory certificates under sections 9 (9) (e) and (f) signed by the Labour Commissioner and the Minister for Labour.

Wilson Awidha started work with the Respondents on 13th January, 1963, as a packing clerk at a salary of Sh. 210 p.m. plus free housing and on 28th October, 1970, he was promoted to the position of supervisor at a salary scale of £600 by £40 to £1,160 p.a. During the intervening period he was promoted to other positions although a couple of warnings were given to him but he was also commended for his good work and once won a prize of Sh. 100 for a sales development suggestion. In July, 1969, when he was in sales department he narrowly escaped summary dismissal when a shortage of Sh. 829 was discovered in his sales figures. He pleaded for forgiveness and promised to make good the shortage. Because of this incident he was retransferred from sales to production department.

There were a few other incidents also in which he was adversely involved but the fact remains that he received as much recognition for his efforts as he was disciplined for his weaknesses.

On 11th September, 1972, he was suspended from duty pending further investigations on the allegation that he had wrongfully consigned goods to Dar es Salaam and Kampala. He was, however, reinstated after the goods had been returned from their respective wrong destinations unspoiled. The Respondents, however, suffered a total loss of Sh. 11,878/30 in freight charges. The Court has taken note of the fact that the Claimants state that Mr. Awidha was not responsible for this mixup and the subsequent loss.

On 13th March, 1973, Mr. Awidha received another letter of warning regarding an incident when it was alleged he interfered with an Inspector/Checker in his official duties and man-handled him. It was alleged that he was also very discourteous to the Production Manager who inquired into the incident.

On 23rd March, 1973, he was again suspended from duty because serious discrepancies and irregularities had come to light when a physical check of goods against packing slip No. 117022 dated 22nd March, 1973, was carried out. He was suspended pending the General Manager's return from Mombasa and was told to make himself readily available should he be required to answer any queries.

On 30th March, 1973, he received the following letter:—

"As a result of reorganization, which is very much overdue within the production department, it has been decided that the company will no longer require your services from 31st March, 1973.

You are therefore requested to call on the Company Secretary who will pay you whatever is due to you in accordance with your terms and conditions of your service."

The Claimants took up the matter on his behalf and have challenged the validity of the Respondents' action in terminating the services of their member Mr. Awidha on the grounds of redundancy without the prior approval of the Industrial Court as required under the provisions of the Trade Disputes Act. They reported a dispute with the Respondents on this ground to the Minister for Labour.

During the hearing the Claimants submitted that the word "reorganization" which the Respondents had used in the letter of termination implied that there was redundancy. They submitted that the Respondents had earlier issued a circular stating that redundancy was contemplated and that Mr. Awidha was in fact declared redundant.

The Claimants strongly refuted allegations of incompetency and carelessness on the part of Mr. Awidha and said that the Respondents were determined to get rid of him at any cost.

They asked the Court to declare that the redundancy was unlawful and to order Mr. Awidha's reinstatement with full benefits.

The Respondents contended that they had been more than fair with Mr. Awidha and had given him more than enough opportunities to improve on both his personal conduct and on his work but he had turned out to be a total disappointment to those who had entrusted him with responsibility.

The Respondents strongly denied that Mr. Awidha had been declared redundant and emphasized that they had used the word "reorganization" in his letter of termination so as not to prejudice his chances of securing other employment. They pointed out that Mr. Awidha's job has not been abolished and is to be filled in the near future.

For the aforesaid reasons they asked the Court to uphold the justifiable dismissal of Mr. Awidha.

The Court notes that the Claimants' action is based on the argument that Mr. Awidha was declared redundant and since Industrial Court's permission was not sought the redundancy is unlawful.

The Court, however, is satisfied on the submissions and the evidence tendered during the hearing that Mr. Awidha was not declared redundant. The Claimants' argument, that because Mr. Awidha's services were terminated due to reorganization therefore this must be a case of redundancy, is not sound. If reorganization is accompanied by or results in the reduction of staff then it would be redundancy, but reorganization can also be carried out without reducing staff.

The Court finds that the Respondents were motivated in using the word reorganization in order not to spoil Mr. Awidha's chances of getting other employment.

As far as the reasons for the termination of Mr. Awidha are concerned, they are not very relevant in view of the line of action that the Claimants have pursued. Further the issue in dispute is clear in that it is wrongful redundancy of Mr. Wilson Awidha (Foreman).

The Court would like to record that it is satisfied on the material before it that the Respondents had sufficiently sound reasons for terminating the services of Mr. Awidha.

The Court, while confirming that Mr. Awidha is entitled to one month's notice and all other benefits due to him, rejects the Claimants' demands asking for his reinstatement.

Given in Nairobi this 25th day of March, 1974.

5. Applications must not be sent direct to the Commissioner of Lands.

6. Applicants must enclose with their applications their cheque for Sh. 1,000 as a deposit, which will be dealt with as follows:—

- If the applicant is offered and takes up and pays for a plot within a period of 14 days as required in paragraph 5 below, the deposit will be credited to him.
- If the application is unsuccessful, the applicant's deposit will be refunded to him.

(c) If the application is successful and the applicant fails to take up and pay for the plot offered to him within a period of 14 days as required in paragraph 5 of the General Conditions, the Commissioner of Lands may declare the deposit forfeited and the applicant shall have no further claim thereto.

General Conditions

1. The ordinary conditions applicable to township grants of this nature except as varied hereby shall apply to this grant.
2. The grant will be made under the provisions of the Government Lands Act (Cap. 280 of the Laws of Kenya), and title will be issued under the Registration of Titles Act (Cap. 281).
3. The grant will be issued in the name of the allottee as stated in the letter of application.
4. The term of the grant will be for 99 years from the first day of the month following the notification of the approval of the grant.

In default of payment within the specified time, the Commissioner of Lands may cancel the allocation and the applicant shall have no further claim to the grant of the plot.

Special Conditions

1. No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the Commissioner of Lands and the local authority. The Commissioner shall not give his approval unless he is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2. The grantee shall within six months of the commencement of the term submit in triplicate to the local authority and the Commissioner of Lands plans (including block plans showing the positions of the buildings and a system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the grantee proposes to erect on the land and shall within 24 months of the commencement of the term complete the erection of such buildings and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the Commissioner:

Provided that notwithstanding anything to the contrary contained in or implied by the Government Lands Act (Cap. 280), if default shall be made in the performance or observance of any of the requirements of this condition it shall be lawful for the Commissioner of Lands or any person authorized by him on behalf of the President to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term hereby created shall cease but without prejudice to any right of action or remedy of the President or the Commissioner in respect of any antecedent breach of any conditions herein contained.

3. The grantee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

4. Should the grantee give notice in writing to the Commissioner of Lands that he/she/they is/are unable to complete the buildings within the period aforesaid, the Commissioner of Lands shall (at the grantee's expense) accept surrender of the land comprised herein:

Provided further that if such notice as aforesaid shall be given (1) within 12 months of the commencement of the term, the Commissioner of Lands shall refund to the grantee 50 per centum of the stand premium paid in respect of the land, or (2) at any subsequent time prior to the expiration of the said building period, the Commissioner of Lands shall refund to the grantee 25 per centum of the said stand premium. In the event of notice being given after the expiration of the said building period, no refund shall be made.

5. The land and the buildings shall only be used for shops, offices and flats (excluding the sale of petrol).

6. The buildings shall not cover more than 75 per centum of the area of the land if used for shop and/or office purposes only or such lesser area of the land as may be laid down by the local authority in its by-laws, and not more than 50 per centum of the area of the land if used for combined purposes of shops, offices and flats or such lesser area as may be laid down by the local authority in its by-laws.

7. The land shall not be used for the purpose of any trade or business which the Commissioner of Lands considers to be dangerous or offensive.

8. The grantee shall not subdivide the land.

9. The grantee shall not sell, transfer, sublet, charge or part with the possession of the land or any part thereof or any buildings thereon except with the prior consent in writing of the President; no application for such consent (except in respect of a loan required for building purposes) will be considered until Special Condition No. 2 has been performed.

10. The grantee shall pay to the Commissioner of Lands on demand such sums as the Commissioner may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall on completion of such construction and the ascertainment of the actual proportionate cost either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

11. The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess.

12. Should the Commissioner of Lands at any time require the said roads to be constructed to a higher standard the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess.

13. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any Government or local authority upon the land or the buildings erected thereon, including any contribution or other sum paid by the President in lieu thereof.

14. The President or such person or authority as may be appointed for the purpose shall have the right to enter upon the land and lay and have access to water mains, service pipes and drains, telephone or telegraph wires and electric mains of all descriptions whether overhead or underground, and the grantee shall not erect any buildings in such a way as to cover or interfere with any existing alignments of main or service pipes or telephone or telegraph wires and electric mains.

15. The Commissioner of Lands reserves the right to revise the annual ground rental payable hereunder after the expiration of the 33rd and 66th year of the term hereby granted. Such rental will be at a rate of 4 per cent of the unimproved freehold value of land as assessed by the Commissioner of Lands.

GAZETTE NOTICE No. 1041

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.

MINISTRY OF COMMERCE
AND INDUSTRY**

This edition illustrates the pace of progress
and industrial advancement which Kenya has
made since independence in 1963.

Besides underlining the record of industrial
progress in recent years, the Index aims at bring-
ing to the notice of buyers within Africa and
overseas the diversity of products available in
Kenya and the scope for mutually profitable
business opportunities that exist. The Index, there-
fore, is a standard book of reference on what
Kenya can produce and make and should,
therefore, be useful to businessmen and students
for the valuable information that it contains.
