GAZETTE NOTICE No. 1864

THE INDUSTRIAL COURT

CAUSE No. 15 OF 1974

Parties:—

Kenya Union of Commercial Food and Allied Workers
and
Unga Limited

Issue in dispute.—Wrongful dismissal of Mr. Geoffrey Kwaheria.

1. The Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the Claimants and Unga Limited shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on the 25th day of April, 1974, and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 24th November, 1973, together with the statutory certificates from the Minister for Labour and the Labour Commissioner, was received by the Industrial Court on 1st March, 1974.

Mr. Geoffrey Kwaheria started working for the Respondents' Nairobi mill on 1st April, 1969. He was employed as a fitter and was in possession of a Trade Test Certificate Grade I. His duties were those of a maintenance/fitter and he was required to service all the machines. On 10th January, 1972, he was suspended for an alleged offence of failing to comply with proper instructions and on 11th January, 1972, he was served with a letter of dismissal for serious offences. The letter read as follows:—

"I regret to inform you that as you have broken the company's regulations by committing the serious offence of refusal to obey proper instructions in that on 6th January, 1972, you were instructed and advised on three times to work on B.D.R. machine which you refused and caused loss to the company on production for one solid hour (memo. or agreement paragraph 13 (f) refer) your services are no longer required by this company and this letter serves to advise you of your immediate dismissal."

On 14th January, 1972, the Claimants' General Secretary intervened in the matter and wanted to know the reason for Mr. Kwaheria's dismissal as he had denied having refused to obey instructions to work on a B.D.R. machine. The General Secretary also wrote that Mr. Kwaheria was employed as a fitter and therefore an explanation was needed why he was not given a letter telling him whether he was being transferred permanently on to the B.D.R. machine or if he was to work there only temporarily. He also demanded Mr. Kwaheria's reinstatement.

Subsequently Mr. Kwaheria made an appeal to the General Manager of the Respondents and he was informed on 4th April, 1972, that after the appeal has been heard the findings were that there was full justification for his dismissal which was to stand.

The matter then ended in the Ministry of Labour and an investigator was appointed. The Permanent Secretary informed the parties on 10th March, 1973, of his recommendations which are produced below:—

"Summary.—There is no doubt that Mr. Geoffrey Kwaheria refused to obey a lawful order. He made a voluntary statement in which he is reported to have said that he knew he was being disobedient but he was sure that the job was new to him. This proves that he was aware he was disobeying an order which could lead to his instant dismissal.

Recommendation.—Having taken all the factors into account it is considered that the action taken by the management was justified."

During the hearing the Claimants stressed that Mr. Kwaheria's request to be informed in writing about the circumstances under which he was being asked to work on the B.D.R. machine was reasonable and did not amount to gross misconduct. In fact it was not even a minor offence. They reiterated that Mr. Kwaheria did not refuse a lawful order but he wanted to know whether he was going to B.D.R. machine permanently or temporarily. He never asked for an increase in salary but just wanted a letter to satisfy himself as to what he was actually supposed to do. He had, however, asked to be given in writing whether or not he would be paid an acting allowance.

The Respondents maintained that Mr. Kwaheria had been asked to work on the B.D.R. machine for maintenance work only for as short a time as it would take to obtain a Grade I fitter from the labour exchange but Mr. Kwaheria refused to co-operate and a shopsteward was informed of this fact but this again had no effect and it was finally decided to suspend him and later he was dismissed.

The Court notes that about the middle of August, 1971, the Respondents installed a high speed B.D.R. packing machine at their Nairobi mill. The machine required a machine operator with mechanical skill to operate and maintain it. A person was employed for this purpose but unfortunately he left his employment in the beginning of January, 1972. The Respondents' Branch Manager was of the opinion that Mr. Kwaheria had the necessary qualification, experience and mental ability for this purpose and that it would further his progress within the undertaking. Accordingly Mr. Kwaheria was asked if he would like to be trained as a machine operator. However, he rejected this suggestion. This was on or about 3rd or 4th January, 1972. Because of Mr. Kwaheria's refusal a trainee miller was given this job until a suitable operator could be obtained.

It seems quite probable that the Respondents' Management, particularly the Mill Manager and his Assistant, were unhappy at this rebuff from Mr. Kwaheria and on 5th January, 1972, Mr. Kwaheria was asked to carry out the servicing requirements on this machine as the trainee miller did not have any mechanical knowledge and was unable to carry out the maintenance work and the normal service on the machine.

The Court has formed the impression that while Mr. Kwaheria is not necessarily a politician and a militant trade unionist, he certainly is a type of person who likes to be told precisely and in no uncertain terms what his instructions are. He no doubt has carried this attitude to the extreme and in the absence of any special circumstances would certainly amount to unreasonable conduct.

However if the circumstances surrounding the whole incident are viewed in the light of the fact that Mr. Kwaheria had spurned an opportunity of making progress in the undertaking when he was given an opportunity to be trained to operate the B.D.R. machine explains the rather extraordinary conduct of Mr. Kwaheria in asking for written instructions when he was asked to maintain and service the said B.D.R. machine. He thought it was just another excuse to get him to the B.D.R. machine.

The parties did not put forward any explanation as to why Mr. Kwaheria refused to be trained on the B.D.R. machine. It may seem odd and probably it was rather unwise on Mr. Kwaheria's part to forego such an opportunity for advancement but the fact remains that he refused the offer to be trained as an operator for the B.D.R. machine. Having done this he was naturally very suspicious when he was asked to go and work on the machine although the Respondents contended that the work required was mere servicing. At this stage the whole issue could have been clarified by a written instruction.

Mr. Kwaheria's behaviour in rejecting an opportunity to improve his prospects is very odd indeed but the fact remains that if a worker does not want promotion he should not be victimized.

After careful consideration of all the submissions the Court finds that whereas under normal circumstances a refusal to obey a lawful order does amount to gross misconduct giving the employer the right to summarily dismiss an employee, in this case the surrounding circumstances leading to Mr. Kwaheria's insistence to be told in writing the detailed instructions under which he was being asked to go to B.D.R. machine and also the work which he was required to do was not all that unreasonable. The Court would like to make it clear that under normal circumstances it would indeed be ridiculous for an employee to ask for written instructions for every little job that he was required to do.

The Court finds that Mr. Kwaheria's statement he is alleged to have made voluntarily on 8th March, 1972, does not materially alter the facts of this dispute. Neither does the question of whether or not Mr. Kwaheria was present at work on 8th, 9th and 10th January, 1972, as the whole matter during these days was taking shape and Mr. Kwaheria was no doubt confused and the Management were contemplating what action to take against him.

The Court has come to the conclusion that the Respondents' decision to terminate Mr. Kwaheria's services is wrongful but having considered all the circumstances of the case the Court is not prepared to order his reinstatement. The Court, however, awards that he be paid three months' salary by way of compensation for wrongful dismissal.

Given in Nairobi this 10th day of June, 1974.

Judge.

J. ABUOGA,

2. A plan of the plots may be seen at the Public Map Office situated in the Lands Department Building, City Square, Nairobi, or at the office of the Town Clerk, Kericho Town Council, or may be obtained from the Public Map Office, P.O. Box 30089, Nairobi, on payment of Sh. 3 post free.

3. Applications should be submitted to the Commissioner of Lands, Nairobi, through the Town Clerk, Kericho Town Council. Applications must be on prescribed forms which are available from Lands Department, and at the office of the Town Clerk, Kericho Town Council.

4. Applications must be sent so as to reach to the Town Clerk to Council not later than noon on the 5th July, 1974.

5. Applications must not be sent direct to the Commissioner of Lands.

6. Applicants must enclose with their applications their cheque for Sh. 1,000 as a deposit, which will be dealt with as follows:—

- (a) If the applicant is offered and takes up and pays for the plot within a period of seven days as required in paragraph 5 below, the deposit will be credited to him.
- (b) If the application is unsuccessful the applicant's deposit will be returned to him.
- (c) If the application is successful and the applicant fails to take up and pay for the plot offered to him within a period of 14 days as required in paragraph 5 of the General Conditions, the Commissioner of Lands may declare the deposit forfeited and the applicant shall have no further claim thereto.

General Conditions

1. The ordinary conditions applicable to township grants of this nature except as varied hereby shall apply to this grant.
2. The grant will be made under the provisions of the Government Lands Act (Cap. 280 of the Laws of Kenya), and title will be issued under the Registration of Titles Act (Cap. 281).
3. The grant will be issued in the name of the allottee as stated in the letter of application.
4. The term of the grant will be for 99 years from the first day of the month following the notification of the approval of the grant.

5. Each allottee of a plot shall pay to the Commissioner of Lands within 14 days of notification that his application has been approved, the initial estimated amount for the construction of roads and drains to serve the plot, the assessed stand premium and proportion of annual rent, together with the survey fees payable in respect of the preparation and registration of the grant (Sh. 225) and the stamp duty in respect of the grant, approximately 2 per cent of the stand premium and annual rent. In default of payment within the specified time the Commissioner of Lands may cancel the allocation and the applicant shall have no further claim to the grant of the plot.

Special Conditions

1. No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the Commissioner of Lands and the local authority. The Commissioner shall not give his approval unless he is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2. The grantee shall within six months of the commencement of the term submit in triplicate to the local authority and the Commissioner of Lands plans (including block plans showing the position of the buildings and a system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the grantee proposed to erect on the land and shall within 24 months of the commencement of the term complete the erection of such buildings and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the Commissioner:

Provided that notwithstanding anything to the contrary contained in or implied by the Government Lands Act (Cap 280), if default shall be made in the performance or observance of any of the requirements of this condition, it shall be lawful of the Commissioner of Lands or any person authorized by him on behalf of the President to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term hereby created shall cease but without prejudice to any right of action or remedy of the President or the Commissioner in respect of any antecedent breach of any condition herein contained.

3. The grantee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

4. Should the grantee give notice in writing to the Commissioner of Lands that he/she/they is/are unable to complete the

buildings within the period aforesaid, the Commissioner of Lands shall (at the grantee's expense) accept a surrender of the land comprised herein:

Provided further that if such notice as aforesaid shall be given (1) within 12 months of the commencement of the term, the Commissioner of Lands shall refund to the grantee 50 per centum of the stand premium paid in respect of land, or (2) at any subsequent time prior to the expiration of the said building period, the Commissioner of Lands shall refund to the grantee 25 per centum of the said stand premium. In the event of notice being given after the expiration of the said building period, no refund shall be made.

5. The land and the buildings shall only be used for private residential purposes and not more than one dwelling-house shall be erected on the land.

6. The buildings shall not cover more than 50 per centum of the area of the land or such lesser area as may be laid down by the local authority in its by-laws.

7. The land shall not be used for the purposes of any trade or business which the Commissioner of Lands considers dangerous or offensive.

8. The grantee shall not subdivide the land.

9. The grantee shall not sell, transfer, sublet, charge or part with the possession of the land or any part thereof except with the prior consent in writing of the Commissioner of Lands: no application for such consent (except in respect of a loan required for building purposes) will be considered until Special Condition No. 2 has been performed.

10. The grantee shall pay to the Commissioner of Lands on demand such sum as the Commissioner may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall on completion of such construction and the ascertainment of the actual proportionate cost either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

11. The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving the land as the Commissioner may assess.

12. Should the Commissioner of Lands at any time require the said roads to be constructed to a higher standard, the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess.

13. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any Government or local authority upon the land or the buildings erected thereon including any contribution or other sum paid by the President in lieu thereof.

14. The President or such person or authority as may be appointed for the purpose shall have the right to enter upon the land and lay down and have access to water mains, service pipes and drains, telephone or telegraph wires and electric mains of all descriptions, whether overhead or underground, and the grantee shall not erect any buildings in such a way as to cover or interfere with any existing alignments of main, service pipes, telephone or telegraph wires and electric mains.

15. The Commissioner of Lands reserves the right to revise the annual ground rental payable hereunder after the expiration of the 33rd and 66th years of the term hereby granted. Such rental will be at a rate of 4 per cent of the unimproved freehold value of the land as assessed by the Commissioner of Lands.

GAZETTE NOTICE No. 1879

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.

The undermentioned applications are proceeding in the name of TEXACO INC., a corporation organized and existing under the laws of the State of Delaware, United States of America, manufacturers and merchants, of 135 East 42nd Street, City of New York, State of New York 10017, United States of America.
