GAZETTE NOTICE No. 2252

## THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into

account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.

The undermentioned applications are proceeding in the name of WINDMILL HOLLAND B.V., a private limited liability company organized and existing under the laws of the Kingdom of the Netherlands, manufacturers and merchants of Maassluisdijk 103, at Vlaardingen, The Netherlands, and c/o Messrs. **INDEX TO  
MANUFACTURERS AND  
PRODUCTS****THIRD EDITION 1972****PUBLISHED BY  
MINISTRY OF COMMERCE  
AND INDUSTRY**

This edition illustrates the pace of progress  
and industrial advancement which Kenya has  
made since independence in 1963.

Besides underlining the record of industrial  
progress in recent years, the Index aims at bring-  
ing to the notice of buyers within Africa and  
overseas the diversity of products available in  
Kenya and the scope for mutually profitable  
business opportunities that exist. The Index, there-  
fore, is a standard book of reference on what  
Kenya can produce and make and should,  
therefore, be useful to businessmen and students  
for the valuable information that it contains.
