THE INDUSTRIAL COURT

CAUSE NO. 35 OF 1974

Parties:

Kenya Motor Engineering and Allied Workers' Union
and
Hughes Limited, Nakuru Branch

Issue in dispute:—

Employer's wording.—The alleged wrongful and unjustified termination of service of Mr. Clement Kwame.

Union's wording.—Wrongful and unjustified termination of services of Mr. Clement Kwame.

1. The Kenya Motor Engineering and Allied Workers' Union shall hereinafter be referred to as Claimants and Hughes Limited, Nakuru Branch shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on 2nd September, 1974 and relied on their written and verbal submissions. The Respondents also called the following witnesses to give evidence on oath—

Hussein Bhanji
J. J. Cox.

AWARD

3. The Notification of Dispute Form "A" dated 20th June, 1974, duly signed by the parties with their respective versions of the issue in dispute was received by the Court along with the statutory certificates signed by the Minister for Labour and the Labour Commissioner on 10th July, 1974.

Mr. Clement Kwame's services were terminated summarily on 5th April, 1972, by the Respondents. He was the Claimants' chief shopsteward at the Respondents Nakuru branch.

The incident leading to Mr. Kwame's dismissal took place on 4th April, 1972, when he did not report for duty after the Easter weekend. The Service Manager, Mr. Bhanji became suspicious because on the previous day which was a holiday Mr. Kwame and the proprietor of Umoja Driving School had gone to his house for certain spare parts. He therefore decided at about 9.30 a.m. to go and look for Mr. Kwame first at his house and then at the premises of Umoja Driving School where he found Mr. Kwame's tool box open with a few spanners out near a Ford Anglia with its bonnet open. Mr. Kwame, however, was not seen.

Mr. Bhanji then went back to his office and came back with one Mr. Julius Macharia and this time went in the office where he looked around and quite incidentally found Mr. Kwame sitting under the table with his head covered by both hands. Mr. Kwame did not say anything and was speechless.

Later on after a couple of hours Mr. Kwame is alleged to have made a statement to Mr. Cox in the presence of Mr. Bhanji and Mr. Macharia. After making the statement he refused to sign it.

The statement as recorded by Mr. Cox read as follows:—

"Mr. Kwame states that he absented himself from duty on Tuesday, 4th April, 1972, because he owed another man some money which he could not pay and so he agreed to repair his car during working hours with this Company. He failed to report his absence to the Company."

The next day he was dismissed.

The Claimants have challenged the dismissal on the grounds that:—

1. There was no evidence that he had been working on another vehicle.
2. There was no evidence that he was working for reward.
3. There was no evidence that if he was working as alleged, that the owner of the vehicle was a regular customer of the Respondents and
4. That he should have been questioned about his absence and not summarily dismissed.

The Claimants further deny that Mr. Kwame made any statement to Mr. Cox and further rely on the following clause in the collective agreement submitting that action should have been taken against Mr. Kwame under it.

"Any employee who is absent for 7 consecutive days, or a total of 10 days in any one calendar year without permission, will be deemed to have left his employment and will not be allowed to return to his work-place except where he produces satisfactory evidence that such absence was warranted."

The matter had been reported to the Minister for Labour as a dispute by the Claimants where unfortunately a long delay took place. An investigator was appointed and as a result the Chief Industrial Relations Officer forwarded his "Findings and Recommendations" to the parties. These were as follows:

"Findings:—"

- (a) It can be argued that the case at Marshalls involving Mr. Opiyo is similar to this case of Mr. Kwame. However, there is one important fact which must not be overlooked and that is, Mr. Opiyo was found actually working on a vehicle while Mr. Kwame was found on the premises of Umoja Driving School hiding under the table as evidenced by Bhanji and Macharia.
- (b) There is a possibility that Mr. Kwame went to ask for money and on seeing them hid for fear that he could be reported for having been seen there.

Recommendation.—Considering the long service, Mr. Kwame had rendered to the Company faithfully and taking into account the circumstantial aspect of this case, I recommend that Mr. Kwame's instant dismissal be reduced to normal termination of service and he be paid his terminal benefits as contained in union/employer collective agreement."

The Respondents rejected this recommendation and maintained that their action under the circumstances was proper and justified.

During the hearing the Claimants did not call any witness and the Respondents called Mr. Bhanji and Mr. Cox to give evidence and Mr. Macharia was also present and available to give evidence if necessary.

Both the witnesses substantially confirmed on oath the incident leading to Mr. Kwame's dismissal.

The Court has carefully considered the parties' submissions and the evidence tendered in support thereof in coming to his conclusions.

The Court finds it very significant that Mr. Kwame was not called to give evidence during the hearing. In fact he was not even present in Court during the hearing.

The Court would like to make it clear that the question of conflicting interests and application of clause 33 is not relevant to the present dispute because that refers to an employee's activities after working hours during his leisure time. That being so the points submitted by the Claimants in support of their case failed as Mr. Kwame was found in suspicious circumstances at another place during working hours.

The circumstances leading to this dispute quite clearly show that Mr. Kwame absented himself from duty on 4th April, 1974 and his tool box which was open was found near a car with its bonnet open at the Umoja Driving School and Mr. Kwame himself was found sitting under the table covering his head with both hands.

The Court has no hesitation in finding that all these facts are properly proved and that Mr. Kwame did indeed commit a serious misconduct as the Court cannot disregard the obvious inference from the aforesaid set of circumstances.

The Court has considered Mr. Kwame's long service with the Respondents and the fact that he was the Claimants chief shopsteward and finds that it is not a case of victimization of a union official.

For the foregoing reasons the Court finds that the Respondents action in summarily terminating Mr. Kwame's services was fully justified and the Claimants demands are accordingly rejected.

Given in Nairobi this 2nd day of October, 1974.

GAZETTE NOTICE No. 3253

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
