GAZETTE NOTICE NO. 403

THE INDUSTRIAL COURT

CAUSE NO. 76 OF 1976

Parties:—

Kenya Local Government Workers' Union
and
Masaku County Council

Issue in dispute.—Failure by the Council to pay Mr. Kanessi Mulandi his terminal benefits.

1. The Kenya Local Government Workers' Union shall hereinafter be referred to as the Claimants and Masaku County Council shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on the 10th day of January, 1977, and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 12th January, 1976, duly signed by the parties was received by the Court on 4th October, along with the statutory certificate signed by the Labour Commissioner.

The terminal benefits which the Claimants are seeking on behalf of their member, Kanessi Mulandi, are his Provident Fund dues amounting to Sh. 5,801/40 less Sh. 3,069/50 which the Claimants admit the Respondents are entitled to deduct from this amount as Mr. Mulandi admitted in writing on 21st January, 1970, when he officially handed over to another person that there was a shortage of Sh. 3,069/50 against him and which he promised to pay.

The Claimants have conceded that there is no doubt that Mr. Mulandi had misbehaved and had delayed the teachers' salaries and he was therefore properly dismissed on 20th January, 1970. The letter of dismissal appears in the Respondents' submission as appendix 2.

As stated above, on 21st January, 1970, he handed over to another officer and signed the aforesaid undertaking regarding the shortage of Sh. 3,069/50 but surprisingly in another document prepared on the same date by the Salaries Officer and Receipts Cashier they reported to the Treasurer of the Respondents that the total amount missing was Sh. 5,647/55. It is obvious that Mr. Mulandi did not accept any liability in excess of Sh. 3,069/50.

On 11th March, 1970, the Respondents through an advocate demanded a sum of Sh. 5,647/55 from Mr. Mulandi made up as follows:—

	Sh.	cts.
"Amount due as per agreed in writing on 21st January, 1970"	3,069	50
The amount you have to refund to my above clients of 1969 of which particulars fully known to you	2,578	05
	Sh. 5,647	55."

The advocate, however, did not proceed to file action against Mr. Mulandi and the matter was just left there.

In the meantime, on 23rd January, 1970, Mr. Mulandi had been charged in the criminal court with stealing two amounts of Sh. 4,024 and Sh. 1,286 from the Respondents while he was employed by them as a clerk. On 10th February, 1970, he was acquitted and discharged.

The Respondents took a decision *vide* Minute No. TS28/70 regarding the terminal benefits due to Mr. Mulandi and the Minute reads as follows:—

"The Committee were informed that Kanessi Mulandi had been dismissed from the Council's service in consequence of gross misconduct and loss of Council's funds to the extent of Sh. 5,647/55 for which he had been charged and tried before the Machakos Resident Magistrate's Court. Although the defendant in this case was acquitted of the criminal charge, the Committee noted with great concern that the Council still sustained a financial loss of Sh. 5,647/55 and it was necessary for the Council to recover the loss from the officer concerned.

After a lengthy discussion, the Committee recommended that the loss be recovered from the officer's Provident Fund contributions and the balance of his refund of Provident Fund be paid over to him together with any other terminal benefits due to him.

Proposed by Councillor Nason Muthembwa.

Seconded by Councillor D. S. Mutune."

Consequent upon the aforesaid decision necessary forms were completed for refund of the dues of Mr. Mulandi from the Local Authorities Provident Fund Board (hereinafter referred to as L.A.P.F.B.). In Form PF5 the reason for closure is given as "dismissed for fraudulence" and it was stated that the relevant section of the Act applicable was 15 (1) (c) (i). The total amount in account is shown as Sh. 5,801/40 and it is stated that nil amount was due to the contributor or his legal representative and the form is dated 17th October, 1970.

On 18th January, 1971, the Secretary, L.A.P.F.B., wrote to the Respondents' Treasurer forwarding a cheque for Sh. 5,801/40 and stated as follows in the last paragraph:—

"If Mr. Kanasse was dismissed for misconduct or inefficiency his entitlement would have been Sh. 2,900/70 which is half of the total balance. But since he was dismissed in consequence of fraudulence he has to forfeit all the claim to the Council. His due excluding Council's contributions is by far less than the amount he is alleged to have misappropriated. The contributor does not qualify for any Council's due. Therefore under section 15 (1) (c) (i) of the Provident Fund Act, Mr. Kanasse has to forfeit all the entitlement to the Council."

As Mr. Mulandi was not paid his Provident Fund dues the Claimants reported the dispute to the Minister for Labour on the issue of wrongful dismissal, and the Chief Industrial Relations Officer recommended after an investigation was carried out that Mr. Mulandi's dismissal should be reduced to normal termination of employment and he should be paid all his terminal benefits including the payment of Provident Fund entitlements. This recommendation was issued to the parties on 21st May, 1974, the Claimants having reported the dispute to the Minister for Labour on 10th October, 1973.

The Claimants pressed for a payment to Mr. Mulandi in accordance with the Chief Industrial Relations Officer's recommendation but did not meet with any success.

In between, Mr. Mulandi started corresponding direct with the Respondents after having asked the Claimants' General Secretary to re-start his dispute with the Claimants after reading about an Industrial Court ruling in another case which he thought was similar to his. The Respondents informed him after giving him all the calculations that he had been paid all his dues and that he had no further claims against them and they asked the Claimants to treat the matter as closed. In these calculations they had deducted a sum of Sh. 5,647/55 which they stated was by way of recovery of shortages.

It is interesting to note that on 28th October, 1974, the Respondents at a meeting resolved to pay Mr. Mulandi his Provident Fund and this Minute reads as follows:—

"The Acting Clerk read a letter to the Committee from Ministry of Labour of 21st May, 1974, about payments of Mr. Kanessi Mulandi who was dismissed from Council's service few years back.

After a long discussion it was—

Proposed by Councillor D. Mutiso,

Seconded by Councillor Samuel Maingi

That as recommended by the Chief Industrial Relations Officer, Mulandi be paid all his terminal benefits including payment of Provident Fund entitlement.

Carried unanimously."

The Claimants have based their case mainly on this resolution which they said rescinded the Respondents' earlier resolution under Minute TS 28/70. They maintained that Mr. Mulandi is entitled to full dues from the Provident Fund less the amount which he admitted he owed to the Respondents.

The Claimants further argued that when monies were paid out from the Provident Fund under a normal termination then Form PF5 is used which had been used in the case of Mr. Mulandi and if it had been a case of termination due to gross misconduct then Form PF4 would have been used but this form had not been used in this case.

The Claimants also submitted that the L.A.P.F.B. under the chairmanship of their General Secretary, Mr. Karebe, had made recommendations to the Minister that full payment should be made to Mr. Mulandi and the Minister had powers to waive certain provisions of the Local Authorities Provident Fund Act which powers he exercised as a result of which a cheque was sent to the Respondents for Mr. Mulandi. The Respondents were, therefore, wrong in saying that Mr. Mulandi was not entitled to any dues under the Provident Fund Act.

The Respondents have relied on section 15 (1) (c) of the Act in resisting this claim. This section reads as follows:—

"15. (1) Subject to the provisions of this Ordinance, a contributor who voluntarily resigns from, is dismissed from or leaves the service of a local authority for any reason or in any circumstances other than those specified in section 14 of this Ordinance shall be paid such proportion of the balance standing to the credit of his account in the Fund as is specified hereunder, according to the circumstances—

(c) in the case of dismissal from the service of a local authority for misconduct or inefficiency, one half of the credit balance in the contributor's account:

Provided that—

- (i) where the dismissal is in consequence of an offence of a fraudulent character, or of grave misconduct, the person dismissed shall forfeit all claim to any payment under this Ordinance;
- (ii) notwithstanding paragraph (i) of this proviso, the Board may, on the recommendation of the local authority, return to him out of the Fund, or pay to his wife or family out of the Fund, a sum equal to the amount of all his contributions thereto under this Ordinance, or to such part thereof as the local authority shall think fit."

The Respondents argued that there is no doubt that Mr. Mulandi had been dismissed for having misappropriated their funds and therefore he had forfeited all claim to any payment from the Provident Fund. In any case at the most if he was to get anything under (c) (ii) he was entitled to his share of the contributions which in this case were Sh. 2,900/70. If the Court were to find that Mr. Mulandi was entitled to his share of the contributions even then the Respondents had nothing to pay him because he owed them a sum of Sh. 3,069/50 in respect of which he had given a written undertaking.

The Court is satisfied that Mr. Mulandi was dismissed for gross misconduct and in fact although a wrong form may have been filled by the relevant authority the reason on Form PF5 is given as "dismissed for fraudulence".

The Court has to decide if the Respondents, or the Claimants for that matter, can override the statutory provisions. The Respondents passed a resolution on 28th October, 1974, which is stated hereinabove and resolved that Mr. Mulandi should be paid all his terminal benefits including payment of Provident Fund entitlement and the Court finds that since Mr. Mulandi had been dismissed from the Respondents' service for misconduct he is entitled to only one half of the credit balance in his account which is Sh. 2,900/70 as the parties cannot under any circumstances override the statutory provisions which were properly explained to the Respondents' Treasurer by the Secretary of the L.A.P.F.B. on 18th January, 1971.

The circumstances and the facts in Cause No. 58/73 on which the Claimants have relied are not on all fours with the present dispute and the Court finds that that dispute is not relevant to this one.

The Court must record that the Claimants did not pursue this dispute on the basis of Mr. Mulandi's wrongful dismissal and they are asking for the payment to be made to him of Sh. 5,801/40 the total amount to his credit in the Provident Fund including the Respondents' contributions less Sh. 3,069/50 leaving a balance of Sh. 2,731/90.

The Court finds that at the most under the circumstances of this dispute Mr. Mulandi could be entitled to a sum of Sh. 2,900/70 from the Provident Fund but since he caused a shortage amounting to Sh. 3,069/50 as stated above and he undertook to make it good to the Respondents, the Court finds that he is not entitled to any further terminal benefits. The Claimants' demand is accordingly rejected.

The Court would like to add a rider to this award as both the parties did not make any submissions on a point which the Court feels is of considerable importance in disputes concerning claims connected with dues from the Local Authorities Provident Fund. Section 23 of the L.A.P.F. Act reads as follows:—

"Any question concerning the rights or liabilities of an employee of a local authority, or of a person claiming to be treated as such any employee, under any of the provisions of this Act or of any regulations made under this Act, shall be decided in the first instance by the authority concerned, and, if the employee or person aforesaid is dissatisfied with any such decision or with the authority's failure to come to a decision, shall be determined by the Minister, and the Minister's determination shall be final."

A close scrutiny of this section reveals that the Minister's determination is final on any question concerning the rights or liabilities of an employee of the Local Authority under any of the provisions of this Act. That being the position it is indeed questionable if the Industrial Court has any jurisdiction over claims of this nature. The Court would like the parties to examine this provision carefully for future reference.

The Claimants at one stage during the proceedings asserted that the Minister had waived certain provisions of the Act in order to enable Mr. Mulandi to get all his dues from the Provident Fund. No documentary evidence, however, was produced to show any such waiver. The Claimants wrote a letter to the Court on 1st February, 1977, and stated therein as follows:—

"Please refer to our telephone conversation, when you requested us to send the Minister's waiver. This is not possible to obtain as we do not have access to Ministry's documents or Minutes. When we promised to send such a document we expected co-operation from the Ministry.

"The argument was however based on procedure of payments as a result of Minutes of the Council, Minute 33/74 (see page 3 Union memo.). It appears that the Minister did consent to the Minutes because the action taken in January (see appendix 14 employers memo.) agrees with what the Minutes was seeking. The full amount could not have been paid to Mr. Mulandi without Minister's consent otherwise a surcharge would have been made on the Council officers for irregular expenditure. The only question is the deduction of an amount different to what Mr. Mulandi agreed during the handover-takeover after his dismissal."

The Court is not prepared to find that what the Claimants have stated in their letter can constitute a waiver by the Minister of any provisions of the Act in favour of Mr. Mulandi.

Given in Nairobi this 14th day of February, 1977.

GAZETTE NOTICE No. 406

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.

THIRD EDITION 1972

**PUBLISHED BY

This edition illustrates the pace of progress and industrial advancement which Kenya has made since independence in 1963.

Besides underlining the record of industrial progress in recent years, the Index aims at bringing to the notice of buyers within Africa and overseas the diversity of products available in Kenya and the scope for mutually profitable business opportunities that exist. The Index, therefore, is a standard book of reference on what Kenya can produce and make and should, therefore, be useful to businessmen and students for the valuable information that it contains.
