THE INDUSTRIAL COURT

CAUSE No. 2 OF 1975

Parties:—

Kenya Motor Engineering and Allied Workers Union
now represented by

Amalgamated Union of Kenya Metal Workers

and

Firestone East Africa (1969) Limited

Issue in dispute:—

1. Wage increase.
2. Effective date and duration.

RULING ON INTERPRETATION APPLICATION

This is an application by the Amalgamated Union of Kenya Metal Workers for interpretation of the Court award in the above dispute. This union has succeeded the Kenya Motor Engineering and Allied Workers' Union who were the Claimants in this dispute.

F. E. Omido, the General Secretary of the Amalgamated Union, was also the General Secretary of the Kenya Motor Engineering and Allied Workers' Union.

The part of the Court award which is the subject matter of this interpretation application reads as follows:—

"After a careful consideration of all the submissions the Court awards a Sh. 50 p.m. wage increase to all employees for the first year and a similar increase for the second year based on the following minimum monthly rates for the various grades which the parties had agreed on 13th September, 1974.

Grade	Sh.
I	409
II	458
III	507
IV	585
V	673
VI	760
VII	838
VIII	916

The Court further rules that the method of wage payment made on hourly rates should continue as had been agreed by the parties previously.

The Court further awards that the effective date should be 1st October, 1974 and that it should remain in force for a period of two years from that date."

As is obvious from the above the Court award expired on 30th September, 1976.

This interpretation application which was made on 15th December, 1976 has come after the Court award has expired. This is not the only surprising feature of this interpretation application because the parties entered into a comprehensive collective agreement effective from 29th April, 1976 for a period of 24 months from that date although the Court award was to continue up to 30th September, 1976. So the parties in fact varied the Court award some five months before it was due to expire. There has also been a further development in that the parties have entered into another wage agreement effective from 1st October, 1976 to remain in force for a period of 12 months from that date.

To begin with the Court would like to make one point very clear and that is that the result of this interpretation application will apply to the Court award for the period 1st October, 1974 to 29th April, 1976 only because after that date the parties are bound by their own collective agreements as stated hereinabove.

On behalf of the Claimants it has been argued that the Court award as set out hereinabove had not been properly implemented by the Respondents in that the minimum monthly rates had not gone up as follows:—

"Prior to October 1974	On 1st October 1974	On 1st October 1975
Sh.	Sh.	Sh.
409	459	509
458	508	558
507	557	607
585	635	685
673	723	773
760	810	860
838	888	938
916	966	1,016"

The Court has been asked to order the Respondents to pay the workers arrears due to them as the result of the misinterpretation of the Court award by them.

The Respondents on the other hand have stated that they had implemented the Court award and increased the minimum monthly rates as follows:—

"Grade	Effective 1st October 1974	Effective 1st October 1975
	Sh.	Sh.
I	449	468
II	468	497
III	517	536
IV	595	614
V	673	721
VI	751	780
VII	829	848
VIII	907	936"

The Respondents felt that the Court intended that the minimum monthly rates quoted on page 4 of the Court award were to prevail with effect from 1st October, 1974 and that the Sh. 50 increase was to apply to the basic wage rates for the various grades.

The Respondents drew the Court's attention to the two collective agreements stated hereinabove and argued that it confirmed that the Claimants had accepted their interpretation of the Court award to be true.

The Respondents further raised a technical point in that the original Claimant was the Kenya Motor Engineering & Allied Workers' Union and the application had been made by the Amalgamated Union of Kenya Metal Workers and questioned the propriety of this in addition to pointing out that not only had the Court award expired but that one of the original Court members was no longer a member of the Court.

The Court is satisfied that the interpretation application is properly before the Court because the Amalgamated Union has taken over both the Kenya Motor Engineering & Allied Workers' Union and the Kenya Electrical Workers' Union. It is obvious that the Amalgamated Union has inherited all the agreements and Court awards from these two unions. Moreover, the Notification of Dispute Form "A" in this dispute was signed by F. E. Omidio as the General Secretary of the Kenya Motor Engineering & Allied Workers' Union and he continues as the General Secretary of the Amalgamated Union and has signed the interpretation application. Further notwithstanding the fact that the then Deputy to the Judge is no longer a member of the Court, the Judge and the other member are competent to hear and determine this application.

The Court award as set out hereinabove is very clear and the Court must express its very great surprise that the Respondents chose to interpret it differently. There is no ambiguity in the Court award which means that the workers were to get a Sh. 50 p.m. increase on the rates for the various grades specified on page 4 of the Court award which are as follows:—

"Grade	Sh.
I	409
II	458
III	507
IV	585
V	673
VI	760
VII	838
VIII	916"

The above minimum monthly rates were to go up as follows with effect from 1st October, 1974 and 1st October, 1975:—

Sh.	Sh.	Sh.
409	459	509
458	508	558
507	557	607
585	635	685
673	723	773
760	810	860
838	888	938
916	966	1,016

In other words the Claimants' interpretation is correct and that is what the Court had intended to award.

As has been pointed out above the Claimants took no action until 15th December, 1976 before moving the Court and with effect from 29th April, 1976 they have themselves agreed to the following minimum monthly rates:—

"Sh.	Sh. p.m.
I	468
II	497
III	536
IV	614
V	721
VI	780
VII	848
VIII	926"

This agreement has further been amended with effect from 1st October, 1976 as follows:—

"Grade	Sh.
I	536
II	575
III	614
VI	692
V	799
VI	858
VII	965
VIII	1,053"

In these circumstances the Court's hands are tied by a situation which has been created by the Claimants themselves in that they have varied the Court award.

Section 10 subsection (6) of the Trade Disputes Act reads as follows:—

"Subject to the provisions of this section, an award shall, as from the date that the award has effect, be an implied term of every contract of employment between the employers and employees to whom the award relates, so that the rate of wages to be paid and the terms and conditions of employment to be observed under the contract shall be in accordance with the award until it is varied by a subsequent award, or by agreement."

In view of the above subsection the Court award in this dispute continued in force until 29th April, 1976.

The Court would like to refer to the last paragraph of its award in a dispute between Kenya Motor Engineering & Allied Workers' Union and the Respondents in Cause No. 33/74—

"After careful consideration of all the submissions the Court awards that the parties should embark on fresh negotiations in order to establish the basic wage rate for all the unionizable grades in the Respondents' undertaking. Once the basic wage rates are established the Respondents will be at liberty to operate an incentive scheme in order to ensure higher productivity. In other words the guaranteed basic wage rates should be established below which no worker should get in any grade and the Respondents may operate over and above that a payment by results scheme for such department as they deem necessary."

After careful consideration of all the submissions the Court rules that for the duration between 1st October 1974 to 30th September, 1975 no employee was to get less than the following minimum monthly rates:—

"Grade	Sh.
I	459
II	508
III	557
IV	635
V	723
VI	810
VII	888
VIII	966"

The Court further rules that with effect from 1st October, 1975 up to 29th April, 1976 no employees was to get less than the following minimum monthly rates:—

Sh.
509
558
607
685
773
860
938
1,016

Having made the above interpretation the Court directs the Chief Industrial Relations Officer to ensure that the workers are paid their arrears if any, in accordance with this ruling for the period between 1st October, 1974 to 29th April, 1976.

The Court would like to emphasize that the workers will not be entitled to any benefit as a result of this Court ruling after 29th April, 1976 because their union from that date has entered into another collective agreement with the Respondents which has further been amended with effect from 1st October, 1976 as set out hereinabove. If they feel aggrieved then they have no

one to blame except themselves or their union leaders at the material time as the Court was not moved soon after the Respondents had misinterpreted the Court award which was announced on 15th April, 1975 and further they had entered into a collective agreement with the Respondents effective from 29th April 1976 whereby the minimum monthly rates are lower than what the Court had awarded. This collective agreement has further been amended effective from 1st October, 1976.

Dated this 14th day of September, 1977.

THE INDUSTRIAL COURT

CAUSE No. 16 OF 1977

Parties:—

Transport & Allied Workers' Union
and
Esmail Abdalla

Issue in dispute:—

Terminal benefits to Uba Bakari.

1. The Transport & Allied Workers Union shall hereinafter be referred to as the Claimants and Esmail Abdalla shall hereinafter be referred to as the Respondents.

2. The dispute was originally fixed for hearing on 9th May, 1977 and the Respondents were required to submit their memorandum on or before 28th April, 1977.

On 9th May, 1977 when the Court assembled for the hearing of the dispute neither the Respondents nor their representative was present in Court at 10.00 a.m. The Respondents had also not filed their written submission by then. The Court accordingly adjourned the hearing to 23rd June, 1977 and ordered that the Respondents should file their memorandum on 24th May, 1977. Later on that day i.e. 9th May the Respondents' advocate, H. Y. Jiwaji appeared before the Judge at 11.00 a.m. and stated that he was late in appearing before the Court as the train had been held up just outside Nairobi and he had to find his way to the Court in a taxi. He brought the Respondents' submission with him.

On 23rd June, 1977 the hearing of the dispute took place with the Claimants and the Respondents making their respective submissions. In the course of the proceedings the Claimants asked for adjournment stating that their member Uba Bakari was not present in Court and that he was probably held up somewhere. The Respondents objected to the adjournment on the ground that they had seen Mr. Bakari in Mombasa only two days back. After further discussion the parties sought an adjournment which was granted.

As a result of the discussions between the parties during the adjournment after the dispute had been part heard by the Court, they requested the Court to make an award by consent as they had agreed to settle to dispute.

AWARD

3. At the request and by the consent of the parties the Court awards that the Respondents should pay a sum of Sh. 2,650 to Uba Bakari on an ex-gratia basis in full and final settlement of all his claims against the Respondents.

The Court further directs that the aforesaid amount of Sh. 2,650 should be paid by the Respondents to Uba Bakari through the Provincial Labour Officer, Mombasa.

Dated this 23rd day of June, 1977.

GAZETTE NOTICE No. 2638

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.
