## GAZETTE NOTICE NO 1481

## THE INDUSTRIAL COURT

CAUSE No 45 OF 1977

Parties —

Kenya Union of Commercial Food and Allied Workers  
and

Standard Bank Limited

Interpretation Application  
Ruling

THE Court announced its award in the above dispute on 28th March, 1978. The last two paragraphs of the Court award read as follows —

'It is a fact that in the past when several collective agreements had been negotiated and which had since expired the Claimants and the Respondents have had two salary scales only for section Heads and for Clerical Staff. The latest of such collective agreements is effective from 1st April, 1977 for a period of two years. In these circumstances the Court finds that it would not be desirable to introduce another salary scale for the Check Clerks during the lifetime of the current collective agreement. The Court however, finds that the Check Clerks are entitled to higher remuneration than the Clerks and awards that with effect from 1st April, 1978 all the Check Clerks should get Sh 175 p.m. over and above their monthly remuneration. The parties will be at liberty if they so wish to work out a new scale for the Check Clerks on the expiry of the current collective agreement.'

In making this award the Court has paid particular attention to the Respondents' plea that this could be a dangerous precedent but the Court having set out reasons for its award is of the view that if a category of workers are performing higher duties than the category in which they are placed then they are entitled to be paid higher.'

Both the parties have come forward with their own interpretation of the Court award.

The Respondents maintain that the Sh 175 which has been awarded to the Check Clerks by the Court is a special allowance to be paid to them separately and is not to be incorporated into their salaries.

The Claimants on the other hand are of the opinion that the Sh 175 awarded by the Court should be incorporated into the salaries of the Check Clerks and should not be paid separately as an allowance as interpreted by the Respondents.

After an exchange of correspondence between the parties the Respondents made an application to the Court for an interpretation of the Court award and the parties were heard by the Court on 12th May when they made their submissions in support of their respective interpretations.

The Court cannot accept the Respondents' interpretation of the Court award and finds that the Claimants' interpretation is the proper interpretation of the Court award.

The Court would like to point out that it found that the Check Clerks were entitled to higher remuneration than the Clerks and awarded that with effect from 1st April, 1978 all the Check Clerks should get Sh 175 p.m. over and above their monthly remuneration. The Court then proceeded to add the words "the parties will be at liberty if they so wish to work out a new scale for the Check Clerks on the expiry of the current collective agreement".

The Court would like to clarify that the Sh 175 awarded to the Check Clerks is to be part of their salary and it will be up to the parties either to continue their salary on this basis or to work out a new scale as mentioned by the Court in its award on the expiry of the current collective agreement. The Court has left the parties with two options of either paying the Check Clerks salaries higher than the other Clerks by a certain amount which to begin with the Court has assessed at Sh 175 p.m. or, if they so wish, to work out a new salary scale for the Check Clerks when the current collective agreement expires.

After careful consideration of the parties' submissions and for the foregoing reasons the Court confirms that the Claimants' interpretation of the Court award is correct.

GAZETTE NOTICE No 1490

**THE TRADE MARKS ACT**  
(Cap 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T M No 6 (in duplicate) together with a fee of Sh 50

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi
