## GAZETTE NOTICE No. 3519

THE INDUSTRIAL COURT  
CAUSE No. 57 OF 1979

## Parties:—

Kenya Union of Commercial Food & Allied Workers  
and  
Bank of India

## Issue in dispute:—

Withdrawal of raincoats to subordinate staff.

1. The Kenya Union of Commercial Food & Allied Workers shall hereinafter be referred to as the Claimants and the Bank of India shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on the 31st day of October, 1979 and relied on their written and verbal submissions.

## AWARD

3. The Notification of Dispute Form "A" dated 10th July, 1979 duly signed by the parties was received by the Court on 10th September, 1979 together with the statutory certificate signed by the Labour Commissioner.

The parties signed a collective agreement on 4th August, 1977 effective from 1st April, 1977 for a period of two years. In this agreement there is a clause dealing with uniforms for technical and subordinate staff. It is clause 28 (a) and reads as follows:

"(a) Office messengers and cleaning staff

2 jackets,  
2 trousers,

4 Shirts,

2 ties,

2 pairs of shoes.

Raincoats or capes or umbrellas to be available for use by office messengers carrying out delivery duties, but these items not be issued to individual office messengers."

At the time when the Claimants raised this dispute this agreement was in force. The Claimants, however, maintained that the Respondents had issued raincoats to each member of their subordinate staff on a biennial basis since 1954 up to 1975 after which they had discontinued this practice. The Claimants wanted the issue of raincoats to be reinstated.

The Respondents made it clear that the last issue of raincoats was made in July 1973 after which no issues had been made but pointed out that three umbrellas are made available for use of office messengers when required.

The Claimants' main argument is that the Respondents had acted wrongly in withdrawing a benefit which their members had enjoyed since 1954 notwithstanding they were a party to the aforesaid agreement on the ground that any benefits enjoyed by the workers should not be reduced just because the employer is a party to a collective agreement along with other employers which does not allow that benefit. The Claimants referred the Court to Cause No. 73 of 1975 between themselves and Pan Africa Insurance Co. Ltd. in support of their argument.

The Respondents have very strongly resisted this demand on the ground that the wording of the collective agreement effective from 1st April, 1977 was very clear in that it stated that raincoats or capes or umbrellas are to be made available for use by office messengers carrying out delivery duties but these items are not to be issued to individual office messengers.

The Court would like to point out to the Claimants that the facts in Cause No. 73 of 1975 were quite different to the facts in the present dispute. In that dispute Pan Africa Insurance Co. Ltd. wanted to join the Insurance group which would have resulted in some of the benefits which they allowed their workers to be reduced and the Claimants strongly objected to their joining the group. The Court upheld the Claimants' objections but in this dispute the Respondents are members of the Kenya Bankers' Employers Association which Association has a collective agreement with the Claimants effective from 1st April, 1977 with a clause on uniforms as set out earlier on in the award.

The Court notes that the Claimants informed the Court that during the negotiations of the said collective agreement they had put forward a suggestion which included the additional words. "But these items will be issued to individual office messengers where such practice is in existence". In view of this it is quite obvious that the Claimants decided to sacrifice these words in order to achieve uniformity on this question in all the banks in the country. If the Claimants had felt very strongly on this matter then they should have declared a dispute with the Respondents and/or the Bankers' Employers Association before signing the 1977 collective agreement. Since they did not do so the Court must uphold the inference that they gave up this demand otherwise either there should have been a proviso to the existing clause catering for their present demand or they should have declared a deadlock and the dispute should have come to the Industrial Court at that time.

The Court finds that the Claimants missed the opportunity of raising this dispute which was prior to the signing of 1977 collective agreement. There is now a properly signed and duly registered collective agreement to which both the Claimants and the Respondents are parties and the Court finds that the Claimants are not entitled to press for any benefits which are not contained therein. In these circumstances the Court is not prepared to order the Respondents to reinstate the issue of raincoats to individual members of the subordinate staff and the Claimants' demand is accordingly rejected.

Given in Nairobi this 14th day of December, 1979.

GAZETTE NOTICE NO. 3521

## THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

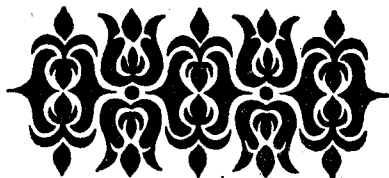

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.
