GAZETTE NOTICE No. 1367

THE INDUSTRIAL COURT

CAUSE No. 82 OF 1982

*Parties:*Kenya Union of Domestic, Hotels, Educational Institutions,
Hospitals and Allied Workers

and

Association for the Physically Disabled of Kenya

Issues in dispute:

- House allowance.
- Annual leave travelling allowance.
- Medical treatment.
- Salary and wages.

THE Kenya Union of Domestic, Hotels, Educational Institutions, Hospitals and Allied Workers shall hereinafter be referred to as the claimants and the Association for the Physically Disabled of Kenya shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi, on 20th December, 1982, and 25th February, 1983, and relied on their written and verbal submissions.

AWARD

3. The Notification of Dispute Form "A" dated 24th February, 1982, duly signed by the parties was received by the court on 17th August, together with the statutory certificate signed by the Labour Commissioner.

The respondents are a charitable organization and derive their funds from donors both locally and in some cases overseas. In addition, until last year, they used to get grants in aid from the government and the Nairobi City Council. These grants, however, were not received by them in 1982. Instead they received K.Sh. 150,000 from the national fund for the disabled. It is interesting to note that out of the revenue needed by the respondents to run their various activities only 10 per cent is from grants in aid and the remaining 90 per cent is from private donors.

The respondents' main concern is the rehabilitation of the physically disabled in Kenya especially young children.

The parties entered into a recognition agreement on 29th April, 1981, with the claimants insisting that this recognition agreement covers all respondents' employees working in their Nairobi branch workshop, Mombasa Likoni workshop, Machakos School for Physically Disabled and Nyabundo Rehabilitation Centre. Their demand is that the award should cover employees at all these places. The respondents, however, have resisted this demand strongly and have pleaded with the court to make its award applicable to their Nairobi activities only.

The court and the parties had before it the reports compiled by the Division of Manpower Planning and Development at the court's request.

The claimants have formulated an elaborate job classification divided into four groups and have demanded minimum wages ranging from K.Sh. 1,200 per month for cleaners to K.Sh. 3,500 per month for physiotherapists. As against this the respondents are paying currently minimum wage as follows:

Title	15 per cent		
	Basic minimum K.Sh.	House allowance K.Sh.	Total p.m. K.Sh.
Artisan grade 3 ...	816.00	122.40	938.40
Ungraded artisan ...	648.00	97.20	745.20
Stamp cleaner ...	480.00	72.00	552.00
Messenger ...	480.00	72.00	552.00
General clerk ...	741.00	111.15	852.15
Physio aide ...	480.00	72.00	552.00
Night watchman ...	536.00	80.40	616.40
Driver light van ...	816.00	122.40	938.40

The claimants in addition to the above extraordinarily high minimum wage of K.Sh. 1,200 have also demanded a further increase of 25 per cent for the first year and another 25 per cent for the second year with effect from 1st May, 1981. The respondents have offered 4 per cent wage increase for the first year and another 4 per cent for the second year.

On housing the claimants are demanding a house allowance of K.Sh. 250 p.m. in addition to the monthly wage for all the employees. The respondents had been paying their employees a consolidated wage from 1976 but since August 1982, they had deconsolidated the wages by identifying 15 per cent of their wages as house allowance.

These two items are by far the most important ones in this dispute and while the court sympathizes with the claimants' aspirations and demands on behalf of their members unfortunately the respondents are not in possessions of funds to meet these demands. The respondents are not as such a profit-making organization. And if they do get some income in their workshop that again goes for the welfare activities which they undertake.

The court accepts the fact that the disabled and able workers should get the same remuneration for the same amount of work they do. There should be no discrimination against disabled workers in this regard.

After a careful consideration of all the submissions made by the parties the court awards with effect from 1st August, 1982, a wage increase of 12 per cent to all the respondents' Nairobi employees on their deconsolidated wages. The court awards a further wage increase of 10 per cent with effect from 1st August, 1983, on the wages as at 31st July, 1983. The court rejects the claimants' job classification and the minimum wages as demanded by them as the court cannot see any justification for this sort of sophistication being introduced in a charitable organization for the time being.

In addition to the 15 per cent deconsolidated housing element the court awards a house allowance to each employee of K.Sh. 50 p.m. with effect from 1st August, 1982.

Annual leave travelling allowance

The court awards a leave travelling allowance of K.Sh. 100 to all the respondents' employees when they proceed on leave. The court feels that the claimants' demand of K.Sh. 300 is very much on the high side.

Medical treatment

The claimants' demand is that the medical treatment should be given as prescribed in the Employment Act (Medical Treatment Rules of 1977) except in emergency cases where an employee shall be allowed to attend a private hospital/dispensary and all expenses incurred should be met by the respondents. The respondents have strongly resisted this demand and in view of the financial set up of the respondents, the court is not inclined to make an award as demanded by the claimants. The court rules that the workers should take advantage of the free medical treatment offered in government and in local authority hospitals and health centres.

The court has carefully considered the question of whether its award should extend to the respondents' undertaking outside Nairobi but in view of the fact that the other institutions although under the name of the respondents are autonomous bodies the court feels that the claimants should negotiate collective agreements with them individually. The court is aware that in the respondents' annual report all their accounts are consolidated but the fact remains that the accounts of each of their sections out of Nairobi are prepared separately. Their incomes are also separate from the head office to a large extent.

The court accordingly rules that its award should apply to respondents Nairobi activities only.

Given in Nairobi on the 5th April, 1983.

Judge.

GAZETTE NOTICE No. 1368

THE TRADE MARKS ACT
(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form TM. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

These became due on 1st January, 1983, and are payable at City Hall, Nairobi, by the 31st May, 1983. If any rates remain unpaid after the 31st May, 1983, interest at the rate of one per centum per month or part thereof will be payable to the city council on the amount unpaid.

The rates are a debt to the City Council of Nairobi and whilst every effort shall be made to deliver a demand note to every rateable owner of the property, failure to receive the same will not be held to absolve the debtor from any liability or penalty for rates remaining unpaid after 31st May, 1983.

Remission of Rates, 1983

Prior to 1965, the City Council of Nairobi gave remission on certain classes of property. Due to changes in legislation, the majority of these received automatic relief from 1965. This relief was continued in 1966, and will be continued for the life of the current valuation roll, provided the use of the property does not change during this time. Application for remission may, however, still be made for properties which received remission prior to 1965, but did not obtain relief in 1965 or 1966 under the amended legislation. Forms of application may be obtained from City Treasurer's office, City Hall, during normal working hours and must be returned before 31st May, 1983. Applications received after this date will not be considered. Those who have already applied need not apply again.

Dated the 28th March, 1983.

TO THE KENYA GAZETTE

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplements*, etc.:

- (1) The *Kenya Gazette* contains notices of a general nature which do not affect legislation. They are therefore submitted to the Government Printer directly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the notice or Act, each page being numbered, and should be typewritten with double spacing. Copy should be clear, legible and contain a minimum of alterations.

Particular attention should be paid to the following points:

- (i) Signatures must be clarified by means of rubber-stamping or typing the name of the signer in capital letters.
- (ii) Dates must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.
