## THE INDUSTRIAL COURT

CAUSE NO. 60 OF 1982

## Parties:

Kenya Chemical Workers' Union  
and  
Pan Plastics Limited

## Issue in dispute:

Wrongful dismissal/termination of service of Mr. Gitabi.

THE Kenya Chemical Workers' Union shall hereinafter be referred to as the claimants and Pan Plastics Limited shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi on 14th April and 14th and 29th July, 1983, and relied on their written and verbal submissions. The respondents also called the following witnesses:

S. Mbogo and A. N. Shah.

## AWARD

3. The Notification of Dispute Form "A" dated 11th May, 1981, duly signed by the parties was received by the court on 12th July, 1982, together with the statutory certificate signed by the Minister for Labour and the Labour Commissioner.

In this dispute the grievant lost his job in rather unusual circumstances. In July, 1979, he was arrested in a police trap with a piece of putty with the impression of the keys to the respondents' store on it. He was taken to Ruaraka Police Post and the respondents claimed that he did not come back until 31st August, 1979. They assumed that he had absconded as no letter of termination was issued to him although the managing director stated in court that even if he had come back earlier his services would still have been terminated.

The dispute was investigated by the Ministry of Labour whose finding was that during the six-and-half years Mr. Gitabi had worked for the respondents, there had been no warning issued to him. It was the ministry's view that the respondents had no grounds to claim that he had deserted his employment as they had arranged for him to be arrested which he was on mere suspicion. The ministry found the dismissal to be wrongful and recommended four months' salary as compensation plus all his terminal benefits. The claimants accepted the finding and the recommendation but the respondents rejected them.

During the hearing another of the respondents' employees, S. Mbogo, gave evidence and described in detail how he was approached by Mr. Gitabi, who told him that they will work for the respondents for a long time and get nothing and suggested to him that they should organize to remove things from the store at night. Mr. Gitabi advised Mr. Mbogo to make a duplicate key of the store by getting a bar of soap and taking the impressions on both sides. After a week Mr. Gitabi again approached him and this time he suggested that he will give Mr. Mbogo some putty. Mr. Mbogo realizing that Mr. Gitabi was serious in his design reported the matter to the stores manager and the matter was eventually taken to the managing director. The management then decided that they should catch Mr. Gitabi redhanded and the matter was reported to the police who advised Mr. Mbogo on how to proceed about the trap with the result that he gave the putty to Mr. Gitabi, at 4 p.m. on 19th July, with an impression of a different key on both sides. At that moment police arrested Mr. Gitabi. It should be noted that the putty was the one that was brought to Mr. Mbogo by Mr. Gitabi.

The claimants did not call Mr. Gitabi to give evidence during the hearing. In these circumstances Mr. Mbogo's evidence stands unchallenged.

The court has no reason to doubt Mr. Mbogo's evidence and the court accepts that Mr. Gitabi did indeed hatch a plan to steal his employer's property. The court has come to the findings on the evidence of Mr. Mbogo, who appears to be a true witness.

This having been found to be so the court has before it two letters from Muthaiga Police Station, dated 21st December, 1979, addressed to the Provincial Labour Officer, Nairobi, in which it is confirmed "that the police station had received and investigated a report preparation to commit a felony from 19th July up to 31st August, 1979." The other letter is very recent and states that Mr. Gitabi was released on 24th July, 1979, and was required to report to the police station weekly to assist in the investigation. In the next two paragraphs it is written as follows:

"Such requirement did not arrest his fundamental right and freedom of going back to work while still bound to report to the police station once in a week. This was entirely between him and his employer.

Eventually there was not sufficient evidence to warrant a court action on the part of the suspect as mentioned above and his attendance was therefore terminated on 31st August, 1979. The outcome of the investigation was communicated to his employer."

It is obvious that a plan was hatched by Mr. Gitabi which was reported to the management, who with the assistance of the police laid a trap and caught him with a piece of putty with impressions of a key on both sides. The police, however, did not prosecute him for any offence and its inquiry was terminated on 31st August, 1979, when Mr. Gitabi reported back for work. Under these circumstances the court cannot see how while the matter was still being investigated by the police the respondents would have allowed Mr. Gitabi to resume work. So it is futile for them to have expected Mr. Gitabi to report on duty within four days. They should have in these circumstances taken steps to officially terminate Mr. Gitabi's services but they of course were hoping that he would be charged with a criminal offence, convicted and sentenced which unfortunately for them did not come about.

The court has carefully considered all aspects of this dispute and finds that Mr. Gitabi's conduct was such that any reasonable employer would lose confidence in him. He hatched a plan to rob the respondents which although did not materialize is sufficient ground for the respondents to have dismissed him.

The court finds that Mr. Gitabi deserved dismissal, but the court rules that his dismissal should be from 30th September, 1979. He should be paid up to that date. The court will be failing in its duty if it does not emphasize that dishonest workers or workers who think on those lines should not expect any sympathy from the Industrial Court.

Given in Nairobi on the 5th September, 1983.

Judge.

## THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form TM. No. 6 (in duplicate) together with a fee of KSh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified, it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.

The two applications appearing hereunder are proceeding in the name of AFRI FASHIONS LTD., a limited liability company registered under company laws of the Republic of Kenya, manufacturers, of P.O. Box 75993, Nairobi.
