GAZETTE NOTICE No. 1048

THE TRADE MARKS ACT
(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on Form TM. No. 6 (in duplicate) together with a fee of KSh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified, it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.

That in compliance with section 16 (3) of the Rating Act (Cap. 267), interest shall be charged and become payable at the rate of one per centum per month on any rate levied

Remission of rates, 1984:

Prior to 1965, the City Council of Nairobi gave remission on certain classes of property. Due to changes in legislation, the majority of these received automatic relief from 1965. This relief was continued in 1966, and will be continued for the life of the current valuation roll, provided the use of the property does not change during this time.

Application for remission may, however, still be made for properties which received remission prior to 1965, but did not obtain relief in 1965 or 1966 under the amended legislation. Forms of application may be obtained from City Treasurer's office, City Hall, during normal working hours and must be returned before 31st March, 1984. Applications received after this date will not be considered. Those who have already applied need not apply again.

City Hall,
9th March, 1984.

Secretary,
Nairobi City Commission.

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette*, *Supplements*, etc.:

- (1) The *Kenya Gazette* contains notices of a general nature which do not affect legislation. They are therefore submitted to the Government Printer directly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the notice or Act, each page being numbered, and should be typewritten with double spacing. Copy should be clear, legible and contain a minimum of alterations.

Particular attention should be paid to the following points:

- (i) Signatures must be clarified by means of rubber-stamping or typing the name of the signer in capital letters.
- (ii) Dates must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.
