GAZETTE NOTICE No. 1776

THE INDUSTRIAL COURT

CAUSE No. 60 OF 1984

Parties:

Kenya Union of Commercial Food and Allied Workers
 and
 B.A.T. Kenya Limited

Issue in dispute:

Dismissal of Abdalla Mohamed.

THE Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the claimants and B.A.T. Kenya Limited shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi, on 26th February and 9th April, 1985, and in addition to relying on their written and verbal submissions called the following witnesses:

Claimants.—Ali Abdalla Mohamed.

Respondents.—Issac Mugira.

AWARD

3. The Notification of Dispute Form "A" dated 1st February, 1984, duly signed by the parties was received by the court on 5th July, 1984, together with the statutory certificates signed by the Minister for Labour and the Labour Commissioner.

Abdalla Mohamed was employed by the respondents as a driver, on 2nd February, 1967. And between 1967 to 1981, Mohamed had earned two promotions, first as assistant mobile cinema operator in 1972 and in 1981 he was made a salesman for North-Eastern Province. At the time he was dismissed by the respondents he was earning a salary of KSh. 2,150 per month and a field allowance of KSh. 184.78 plus a house allowance of KSh. 230 per month. His responsibility was to sell cigarettes and he had two drivers and two vehicles under him.

The claimants told the court that they were aware of the offences committed by their member and he had asked the respondents to show leniency to Mr. Mohamed, a request which was turned down by the respondents. In order to obtain that leniency from the court, the claimants pointed out several factors in support of their demands. The claimants told the court that Mr. Mohamed had worked for the respondent for about 14 years with a clean record and that he had only one warning. They went further to say that during this period, he had worked his way up, first as an ordinary driver and thereafter as a salesman. The claimants again told the court that the respondents had confidence in him, as he was allowed to charter a plane to fly to North-Eastern Province to collect money realized from the sale of cigarettes and the was entrusted to carry large sums of money to the tune of five hundred thousand shillings. Lastly the claimants informed the court that the dealers' money of which Mr. Mohamed had been accused to have misused had been refunded on full by him. Therefore, the claimants submitted, their member deserves reinstatement and paid what is due to him in form of compensation.

The respondents countered the claimants' demands by telling the court that when Mr. Mohamed committed the first offence by misusing dealers' money amounting to KSh. 17,083.60 without the authority of the respondents, he was appropriately warned and pardoned. This first offence was committed in August, 1981, and the respondents went further to tell the court that it did not take more than two months before he committed an offence similar to the first one. The respondents told the court that Mr. Mohamed had written to the respondents accepting the two offences he had committed. The second offence was that he had converted dealers' money amounting to KSh. 14,661 to his own use and further he could not account for KSh. 2,327 belonging to another cigarette stockist and the total amount misused was KSh. 16,988. Lastly the respondents requested the court to reject all the claimants' demands.

The court has weighed all the written and verbal submissions by both parties and is not convinced that Mr. Mohamed was promptly paid his float of KSh. 13,000 whenever he was on safari as the respondents could not produce in court payment vouchers signed by him to have received the money, but nevertheless the court was convinced that he had exceeded his credit limit of KSh. 13,000 to which he was entitled. He was allowed previously to use dealers money when necessary. The court notes that Mr. Mohamed had exceeded his limit by spending dealers money as on one occasion he spent KSh. 17,083.60 and on another occasion he spent KSh. 16,988 without authority. The court also has taken into account the number of years this man had worked for the respondents, also the trust and confidence the respondents had in him as he was entrusted to carry large sums of money realized from the sale of cigarettes and the system in force for many years before the marketing manager changed it. The court feels that the dismissal meted to Mr. Mohamed under the circumstances was too harsh as he had refunded all the money to the dealers and the court turns it into normal termination and awards the following to be paid to him:

Full salary for the month of October, 1984.

Salary in lieu of notice in accordance with parties collective agreement.

Accrued leave.

Full provident fund including employers contribution.

Leave allowance.

Any other payment which may be due to him.

Given in Nairobi on the 24th April, 1985.

GAZETTE NOTICE No. 1777

THE INDUSTRIAL COURT

CAUSE No. 84 OF 1984

Parties:

Kenya Union of Domestic, Hotels, Educational Institutions
Hospitals and Allied Workers

and

St. Augustine Preparatory School

Issue in dispute:

Termination of Sarah Ponga.

THE Kenya Union of Domestic, Hotels, Educational Institutions, Hospital and Allied Workers shall hereinafter be referred to as the claimants and St. Augustine Preparatory School shall hereinafter be referred to as the respondents.

2. The parties were heard in Nairobi, on 3rd April, 1985, and relied on their verbal and written submissions.

AWARD

3. The Notification of Dispute Form "A" duly signed by the parties and the statutory certificates signed by the Labour Commissioner and the Minister for Labour were received by the court on 20th August, 1984.

The grievant, Sarah Ponga was employed by the respondents on 1st March, 1977, as a matron. The respondents run a boarding school which cares for children aged between 4 and 14 years and Mrs. Ponga was responsible for them. Her services were terminated on 23rd May, 1978, after one year only on the grounds that she was negligent and had failed to carry out instructions issued by a doctor.

The claimants in this dispute argued that their member Mrs. Ponga did not neglect her duties nor did she fail to carry out the instructions given to her by a doctor. The claimants blamed the then acting headmistress who had problems with the grievant several times. The claimants stated that the acting headmistress at that time was pregnant and that these problems arose from pregnancy dislike and as a result of it Mrs. Ponga suffered a wrongful termination.

The respondents argued that on employment, Mrs. Ponga was put on three months' probation and that she was never confirmed due to her inefficiency. The respondents also pointed out that the nature of work which involved caring for young children, needed a matron with a motherly love which Mrs. Ponga lacked. The respondents further stated that Mrs. Ponga's inefficient handling of children coupled with her persistent absenteeism, could not be tolerated by them.

The court notes that the termination letter was written by the headmaster Mr. Parmar, who the claimants submitted had no trouble with the grievant. The court also finds that Mrs. Ponga was not trained in this line of work but had gained experience through her previous employment. After careful consideration, the court finds that Mrs. Ponga was not given a hearing by the respondents before termination, a denial which offended natural justice, she therefore suffered a wrongful termination. Since she had worked for one year only, the court awards that she be paid one month's salary as compensation for wrongful termination in addition to the other terminal benefits offered by the respondents.

Given in Nairobi on the 19th April, 1985.

GAZETTE NOTICE NO. 1778

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the class may, within 60 days from the date of this Gazette, lodge notice of opposition on Form TM. No. 6 (in duplicate) together with a fee of KSh. 50.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified, it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

IMPORTANT NOTICE TO SUBSCRIBERS TO THE KENYA GAZETTE

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplements*, etc.:

- (1) The *Kenya Gazette* contains notices of a general nature which do not affect legislation. They are therefore submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the notice or Act, each page being numbered, and should be typewritten with double spacing. Copy should be clear, legible and contain a minimum of alterations.

Particular attention should be paid to the following points:

- (i) Signatures must be clarified by means of rubber-stamping or typing the name of the signer in capital letters.
- (ii) Dates must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.
