These became due on 1st January, 1985, and are payable at City Hall, Nairobi, by 31st May, 1985. If any rates remain unpaid after 31st May, 1985, interest at the rate of 1 per cent per month or part thereof will be payable to the City Commission on the amount unpaid.

The rates are debt to the City Commission and whilst every effort shall be made to deliver a demand note to every rateable owner of the property, failure to receive the same will not be held to absolve the debtor from any liability or penalty for rates remaining unpaid after 31st May, 1985.

Remission of rates, 1985:

Prior to 1965, the City Council of Nairobi gave remission on certain classes of property. Due to changes in legislation, the majority of these received automatic relief from 1965. This relief was continued in 1966, and will be continued for the life of the current valuation roll, provided the use of the property does not change during this time.

Application for remission may, however, still be made for properties which received remission prior to 1965, but did not obtain relief in 1965 or 1966 under the amended legislation. Forms of application may be obtained from City Treasurer's office, City Hall, during normal working hours and must be returned before 31st May, 1985. Applications received after this date will not be considered. Those who have already applied need not apply again.
