GAZETTE NOTICE No. 6140

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 1,500 (local application) or US \$75 (foreign application).

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.

Special Conditions

No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the local authority. The local authority shall not give its approval unless it is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

Provided further that if such notice as aforesaid shall be given—

(a) within twelve (12) months of the commencement of the term of lease, the county council shall refund to the grantee 50 per cent of the stand premium paid in respect of the land;

The grantee shall pay to the local authority, on demand such sum as the local authority may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall, on completion of such construction and the ascertainment of the actual proportionate cost, either pay (within seven (7) days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

11. The grantee shall from time to time pay to the local authority, on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the local authority may assess.

13. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever descriptions as may be imposed, charged or assessed by any Government or local authority upon the land or the buildings erected thereon, including any contribution or other sum paid by the local authority or the county council in lieu thereof.
