(Rule 23, Election Petition Rules)

NOTICE

To:

GODFREY NDENGA
THE ELECTORAL COMMISSION
ABUBAKAR MOHAMMED A. BADAWY
OTIENO KAJIANG & Co., ADVOCATES

NOTICE is given that the above petitioner did on 27th April, 1993, lodge at the office of the Registrar of the High Court an application for leave to withdraw the petition of which application the following is a copy.

The petitioner applies for leave to withdraw his petition upon the following grounds:

1. Your petitioner was at the time of filing the petition a member of Ford-Kenya (herein called "the Party") but has since defected to the Kenya African National Union and no longer desires to challenge the election of a member of Parliament of his own party.
2. Your petitioner is a family friend of the second respondent and was the second respondent's campaign manager during the 1988 elections. The petition was filed on the heat of the moment following the elections. After careful reconsideration of the matter the petitioner is satisfied that the petition is not necessary for the peace, stability and development of the constituency.
3. The petitioner has no complaint against the second respondent and is satisfied that in the unlikely event of the petition succeeding the ensuing by-election will plunge the constituency into unnecessary election fever, hatred, animosity and will retard development.
4. The petitioner is willing to abide time and try his luck during the next elections. His supporters have endorsed this strategy.

And the petitioner prays that a day may be appointed for the hearing of his application.

Dated the 27th April, 1993.

E. C. TSUMA,
Petitioner.

THE ELECTORAL COMMISSION (*Second Respondent*)

ZACHAEUS RICHARD CHESONI (*Third Respondent*)

REUBEN BEGNIMWANGA RYANGA (*Fourth Respondent*)

HABEL NYAMU (*Fifth Respondent*)

FRANCIS IGWATON ACHUKA (*Sixth Respondent*)

In the election petition for the Turkana South Constituency in which Francis Kokoi Ekuniot is the petitioner and Kipchumba A. T. Bullut and others the respondents.

NOTICE is given that the above petitioner did on 28th April, 1993, lodge at the office of the registrar of the High Court an application for leave to withdraw the petition of which application the following is a copy.

The petition of Francis Kokoi Ekuniot presented the 1st February, 1993.

The petitioner applies for leave to withdraw his petition upon the following grounds:

- (a) He has already rejoined the ruling party KANU and he does not wish to prosecute the present petition which touches the election of the sixth respondent who is a KANU member nor does he wish to prosecute it against the other respondents generally.
- (b) That he honestly believes that if he continues with this petition it will interfere with peace and unity which is necessary for the fast development of Turkana South Constituency.
- (c) That he filed this petition under pressure and misled advise from some opposition leaders as to the full import of an election petition and that he does not agree with most of the grounds cited in the petition.
- (d) That all the candidates in the said general election for the said constituency and almost all the voters have defected back (rejoined) the ruling party KANU and it would be of no tangible value to prosecute this petition.

And take further notice that under the National Assembly Elections (Election Petition) Rules any person who might have been a petitioner in respect of the said election may within seven (7) days after the date of publication of this notice give notice in writing to the registrar of the High Court of this intention on the hearing of the application to be substituted as a petitioner.

Dated the 28th April, 1993.

Petitioner.

GAZETTE NOTICE No. 1726

THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 1,500 (local applications) or US \$75 foreign application.

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, KIPO, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.
