GAZETTE NOTICE No. 5943

THE ADVOCATES ACT

(Cap. 16)

THE 11TH REPORT OF THE COMPLAINTS COMMISSION

PURSUANT to section 53 (9) of the Advocates Act and rule 12 of the Advocates (Complaints Commission) Rules, 1991, it is notified for general information that between 1st July, 1993 and 30th September, 1993, the Complaints Commission received a total of one hundred and seventy-two (172) new complaints by professional misconduct or otherwise against advocates and firms of advocates and that as of 30th September, 1993, one hundred and forty-three (143) cases were disposed of and eight hundred and seven (807) cases were pending.

The grounds for and nature of the new complaints are as shown below:

Nature of Complaints	No. of Complaint
(a) Failure to account	40
(b) Failure to keep client informed	15
(c) Delay	19
(d) Non-attendance at court by advocates	10
(e) Failure to honour an undertaking	1
(f) Touting	1
(g) Unlawful attachment of property and/or executions	1
(h) Acting without or contrary to clients' instructions	13
(i) Negligence	17
(j) Issuing dishonoured cheques	5
(k) Overcharging	11
(l) Failure to render professional service	3
(m) Withholding client's files/documents	1
(n) Sharp on unethical practices	2
(o) Withholding funds	24
(p) Practising without a certificate	1
(q) False representation	1
(r) Miscellaneous	7

172

It is to be noted that the number of complaints does not necessarily correspond with the number of advocates and firms of advocates complained against as several complaints are often filed against one advocate or firm of advocates.

During the said period, the complaints filed against advocates and firms of advocates were disposed of in the following manner:

The manner of disposal of finalized complaints	No. of complaints disposed of
(a) Abandoned	17
(b) Rejected	41
(c) Settled	36
(d) Awarded compensation	2
(e) Withdrawn	9
(f) Closed	18
(g) Referred to the disciplinary committee	17
(h) Referred to the courts	3
	143

Almost invariably the cases referred to the disciplinary committee include the extra charge of "failure to answer to correspondence from the complaints commission".

During the report period the disciplinary committee finalized 17 cases referred to it by the commission.

The number of outstanding complaints, filed with the commission against advocates and firms of advocates as of 30th September, 1993, is eight hundred and seven (807) made up as follows:

1990	10
1991	59
1992	289
1993	449
Total	807

Dated the 25th October, 1993.

Commissioner.

GAZETTE NOTICE No. 5944

THE TRADE MARKS ACT (Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 1,500 (local applications) or US \$75 (foreign applications).

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an applicant for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Office, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.
