9. The grantee shall not sell, transfer, sublet, charge or part with the possession of the land or any part thereof or any building thereon except with prior consent in writing of the town council and the Commissioner of Lands. No application for such consent (except in respect of a loan required for building purposes) will be considered until special condition No. 2 has been performed.

10. The grantee shall pay to the local authority, on demand such sum as the local authority may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall, on completion of such construction and the ascertainment of the actual proportionate cost, either pay (within seven (7) days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

11. The grantee shall from time to time pay to the local authority, on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the local authority may assess.

12. Should the local authority at any time require the said roads to be constructed to a higher standard, the grantee shall pay to the local authority, on demand, such proportion of the cost of such construction as the local authority may assess.

13. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever descriptions as may be imposed, charged or assessed by any Government or local authority upon the land or the buildings erected thereon, including any contribution or other sum paid by the local authority or the town council in lieu thereof.

14. The town council or such person or authority as may be appointed for the purpose shall have the right to enter upon the land and lay and have access to water mains, of all descriptions whether overhead or underground and/or interfere with any existing alignment of mains or service pipes or telephone or telegraph wires and electric mains.

15. The local authority reserves the right to revise the annual ground rent payable hereunder at the expiration of thirty-third (33rd) and sixty-sixth (66th) year of the term.
