## GAZETTE NOTICE No. 7915

**THE CONSTITUTION OF KENYA REVIEW ACT**  
(Cap. 3A)

**GUIDELINES FOR THE OPERATIONALIZATION OF THE  
CONSTITUENCY CONSTITUTIONAL FORUMS**

PURSUANT to section 34 of the Constitution of Kenya Review Act and regulation 27 of the Constitution of Kenya Review (General) Regulations, 2001, it is notified for the information of the public that the Constitution of Kenya Review Commission has issued the guidelines set out in the schedule hereto, for the operationalization of the Constituency Constitutional Forums.

**SCHEDULE**

Establishment of  
Constituency  
Constitutional  
Forums.

1. (1) The Constitution of Kenya Review Act provides that the Constituency shall be the primary site for community participation in the Constitutional Review Process. In furtherance of this objective, the Constitution of Kenya Review Commission is required to visit all constituencies in the Republic to hold hearings for the purpose of eliciting views and opinions of Kenyans in reviewing the Constitution. Accordingly, there is to be established for every constituency, a forum

## SCHEDULE—(Contd.)

which shall be known as the Constituency Constitutional Forum. This is the forum at the constituency level for the debate, discussion, collection and collation of views of the members of the public on proposals to alter the Constitution.

(2) The Forum is intended to be for the residents of the constituency, but it is to be open for the attendance of any person. All residents of a constituency constitute the Constituency Constitutional Forum. The forum is intended to provide the opportunity for citizens to debate reform proposals, generate awareness on constitutional issues as part of civic education and to facilitate and organize formal meetings at which the Constitution of Kenya Review Commission shall harvest views and opinions on constitutional reform.

Establishment of  
Constituency  
Constitutional  
Committee.

2. The Constituency Constitutional Forum is not an entity. It is a forum for participation of the people in the constitutional review process at the constituency level. For this reason, there should be established in every constituency a committee which will co-ordinate and facilitate the activities of the Constituency Constitutional Forum. This is the Constituency Constitutional Committee.

Composition of  
Constituency  
Constitutional  
Committees.

3. (1) The Commission proposes that the Constituency Constitutional Committee be composed as follows—

- (a) the Member of Parliament for the Constituency;
- (b) the chairperson of the county council in which the constituency is situated or a councillor designated by him or her;
- (c) seven other members;
- (d) the District Co-ordinator.

(2) The seven members referred to in subparagraph (1) (c) above should be agreed upon by a panel ("the appointing panel") consisting of the Member of Parliament, the District Co-ordinator and one or more commissioners of the Constitution of Kenya Review Commission, designated by that Commission.

Criteria of  
Appointment.

4. (1) The membership of the Committee should be as broad and representative of the people of the constituency as possible. In making the appointments therefore, the appointing panel should as much as reasonably practicable ensure diversity in the composition of the Committee. They should take into account ethnicity, age, religion, professional or occupational background and any other factors which may be relevant in the particular circumstances of the constituency in question.

(2) The appointing panel should wherever possible having regard to all the circumstances strive to appoint to the Committee persons who have attained at least the Kenya Certificate of Secondary Education or its equivalent.

(3) At least one-third of the members of the Committee should be women.

Functions of  
the Constituency  
Constitutional  
Committee.

5. (1) The Constituency Constitutional Committee is to be a non-executive body. Its functions are facilitative and advisory. These functions aim at enhancing the effective participation in and ownership of the constitutional review process by the people at the constituency level.

(2) The District Co-ordinator is to be the accounting officer of the Committee. He or she is the link between the Commission and the Committee.

(3) The specific functions of the Committee are proposed to be to—

GAZETTE NOTICE NO. 8030

## THE TRADE MARKS ACT

(Cap. 506)

NOTICE is given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within sixty (60) days from the date of this Gazette, lodge notice of opposition on form TM. No. 6 (in duplicate) together with a fee of KSh. 1,500 (local application) or US\$ 75 (foreign application).

Notice is also given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, Kenya Industrial Property Office, Weights and Measures Building, Kapiti Road, off Mombasa Road, Nairobi.

Applications for registration in part A of the register are shown with the official number unaccompanied by any letter. Applications for part B are distinguished by the letter B prefixed to the official number.
