## DEPOSIT PROTECTION FUND BOARD

IN TERMS of section 55 of the Banking Act, the Director, Deposit Protection Fund Board presents the audited accounts of the Fund as at 30th June, 2003 as:

## STATEMENT OF DIRECTORS' RESPONSIBILITIES ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30TH JUNE, 2003

The Banking Act requires the directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Fund as at the end of the financial year and of its operating results for that year. It also requires the directors to ensure the Fund keeps proper accounting records which disclose, with reasonable accuracy, the financial position of the Fund. They are also responsible for safeguarding the assets of the Fund.

The directors accept responsibility for the annual financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Financial Reporting Standards and in the manner required by the Banking Act. The directors are of the opinion that the financial statements give a true and fair view of the state of the financial affairs of the Fund and of its operating results. The directors further accept responsibility for the maintenance of accounting records which may be relied upon in the preparation of financial statements, as well as adequate systems of internal financial control.

Nothing has come to the attention of the directors to indicate that the Fund will not remain a going concern for at least the next twelve months from the date of this statement.

Dated the 9th September, 2003.

## REPORT OF THE INDEPENDENT AUDITORS TO THE MINISTER FOR FINANCE ON THE FINANCIAL STATEMENTS OF DEPOSIT PROTECTION FUND BOARD

We have audited the financial statements set out below which have been prepared on the basis of the accounting policies set out on pages 8 and 9. We obtained all the information and explanations which we considered necessary for our audit.

## RESPECTIVE RESPONSIBILITIES OF THE DIRECTORS AND THE INDEPENDENT AUDITORS

As stated above the directors are responsible for the preparation of financial statements which give a true and fair view of the state of the affairs of the organization and of the results of its operations. Our responsibility is to express an independent opinion on the financial statements based on our audit and to report our opinion to you.

## BASIS OF OPINION

We conducted our audit in accordance with International Standards on Auditing. We planned and performed our audit so as to obtain reasonable assurance that the financial statements are free from material misstatement. An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of significant estimates and judgements made by the directors in the preparation of the financial statements and whether the accounting policies are appropriate in the organisation's circumstances, consistently applied and adequately disclosed.

As stated in note 18, the financial statements of a subsidiary company, Consolidated Bank of Kenya Limited, have not been consolidated with those of the Fund because the Banking Act restricts its investments to government securities only. Non-consolidation of the financial statements contravenes International Accounting Standard Number 27 on consolidation of financial statements and accounting for investments in subsidiaries. In addition the investment in the subsidiary contravenes the provisions of Section 37(3) of the Banking Act.

## OPINION

In our opinion, proper books of account have been kept and except for the matter referred to in the preceding paragraph, the financial statements which are in agreement therewith, give a true and fair view of the state of the financial affairs of the Deposit Protection Fund Board at 30 June 2003 and of the surplus and the cash flows for the year then ended and comply with International Financial Reporting Standards and the Banking Act, in all other respects.

Dated the 10th September, 2003.

## DEPOSIT PROTECTION FUND BOARD

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30TH JUNE, 2003

## 1. ACCOUNTING POLICIES

(a) *Accounting convention*

The financial statements have been prepared under the historical cost convention.

(b) *Revenue recognition*

Interest derived from investments in Treasury bills, Treasury bonds or other Government Securities in which the Fund is required to invest in accordance with Section 37 (3) of the Banking Act, 1989 is apportioned over the life of the respective investments. Income is realised on the expired portion of the life of the investments.

Contributions levied on the contributory institutions are credited to income in the period in which they become receivable.

(c) *Payments to depositors*

Provisions for payments to protected depositors are recognised in the financial statements in the period the contributory institutions are placed under liquidation.

(d) *Taxation*

Income received by the Fund is not subject to taxation. The necessary exemption has been obtained from the Commissioner of Income Tax *vide* Exemption Certificate Serial No. 01608. Therefore, no provision for taxation is made in the financial statements.

(e) *Property and equipment*

Depreciation on property and equipment is calculated at rates estimated to write off the cost of the assets concerned over their expected useful lives on the reducing balance basis except for computers whose policy is on straight line basis.

The annual rates in use are:

Furniture and fittings	12.5% p.a.
Office and kitchen equipment	20.0% p.a.
Motor vehicles	25.0% p.a.
Computers	33 1/3 % p.a.

Leasehold buildings are written off over the estimated useful life of the building, or the remaining lease term, whichever is less.

(f) *Investments*

All investments are initially recognised at cost, being the fair value of the consideration given and including acquisition charges associated with the investment.

After initial recognition, investments which are classified as long-term investments and are intended to be held to maturity, such as bonds, are subsequently measured at amortised cost. Amortised cost is calculated by taking into account any discount or premium on acquisition, over the period to maturity. For investments carried at amortized cost, any gain or loss is recognised in income when the investment is derecognized or impaired, as well as through the amortisation process.

Investment in equity which is unquoted and for which there is no comparable listed company, fair value is determined by the directors. Provision is made for any permanent diminution in value of investment.

(g) *Retirement benefit costs.*

The Fund's employees are eligible for retirement benefits under a defined benefit plan provided through a separate fund. The defined benefit plan is funded by the Fund and the Central Bank, the main sponsor. The retirement benefit asset is wholly recognised in the financial statements of the Central Bank while the Fund recognises contributions to the fund as if it were a defined contribution scheme by charging them to the profit and loss account in the year to which they relate. The amount of contributions for the year were KSh. 10,212,927 (2002 – KSh. 10,300,987)

The actuarial valuations of the scheme are performed using the Projected Unit Credit Method and resulting assets or liabilities recognised in the financial statements of Central Bank of Kenya. The Fund staff are seconded from the Central Bank and as such it is not possible to account for their proportionate share of the defined benefit obligation.

The Fund also contributes to a statutory defined contribution Pension Scheme, the National Social Security Fund (NSSF). Contributions are determined by local statute and are currently limited to KSh. 200 per employee. The Contributions are charged to income and expenditure account in the year to which they relate.

(h) *Employee entitlements.*

The monetary liability for employees accrued leave entitlement at the balance sheet date is recognized as an expense accrual.

(i) *Leases.*

Operating lease rental payments are taken to income and expenditure account on a straight-line basis over the term of the lease.

## 17. RISK MANAGEMENT

## CURRENCY RISK

The organization operates wholly within Kenya and its assets and liabilities are reported in the local currency. It does not transact in foreign currencies.

## INTEREST RATE RISK

Excess funds held by the organization are invested in Government of Kenya Treasury bills and Treasury bonds. No interest rate risk exposure is envisaged.

## LIQUIDITY RISK

The organisation holds a significant portion of investments in Government securities that are readily convertible. No significant risk is envisaged.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30TH JUNE, 2003—(Contd.)

## 18. CONSOLIDATION

The Fund owns 51% of a subsidiary company, Consolidated Bank of Kenya Limited. The financial statements of the subsidiary have not been consolidated with those of the Fund because the Banking Act restricts the organisation's investments to government securities only. The Fund intends to dispose their investment in the subsidiary once its performance improves, as outright disposal may not realise much.

## 19. RELATED PARTY TRANSACTIONS

The Fund and Central Bank are related parties, performing connected duties of bank supervision and deposit protection respectively. No trading is carried with Central Bank. The following transactions however take place between the two organisations:

- a) The Central Bank pays some operating expenses on behalf of the Fund. These are fully reimbursed.
- b) The staff of the Fund are contractually employees of Central Bank but seconded to the Fund. Salaries of these staff are met by Central Bank and fully reimbursed by the Fund.
- c) Central Bank is also the sponsor of the Staff Pension Fund to which the Fund contributes on behalf of employees seconded to it from Central Bank.
