GAZETTE NOTICE NO. 9740

THE KENYA COMMUNICATIONS ACT

(No. 2 of 1998)

AND

THE KENYA COMMUNICATIONS REGULATIONS, 2001

CHANGE OF BILLING METHOD FOR TELKOM KENYA'S LOCAL BASIC VOICE SERVICES

The Communications Commission of Kenya (hereinafter referred to as the Commission) wishes to inform the public that Telkom Kenya Limited (TKL) has applied for approval to change its billing method for local basic voice services from per three (3) minute billing to per one (1) minute billing. According to its local basic services licence, Telkom Kenya Limited has been under an obligation to charge per three minutes for each local call since 1999/2000.

According to Telkom Kenya Limited, the proposed change of billing method is consistent with trends both in the sector and "best practices" worldwide. Further, the implementation of the proposed per minute billing, will have numerous advantages as it will allow users more flexibility in controlling their expenditures by paying for exactly what they use when making local calls. The practice currently obtains within the long distance and international basic call service streams

and hence will make Telkom Kenya Limited, have a uniform billing method for better customer care. The migration to the per minute billing method is also in preparation to move into per second billing in the near future as is currently the practice in the mobile industry.

The migration to the per minute billing for local calls is proposed to be effective by 1st July, 2006, and Telkom Kenya Limited is expected to migrate to the per second billing as currently practiced in the mobile telecommunications industry.

The proposed change of billing method is likely to affect the public, local authorities, companies, persons or body of persons within the Republic of Kenya.

Pursuant to regulation 93 of the Kenya Communications Regulations, 2001, the Commission is inviting any person or local authority, company or body of persons, desirous of making any representation on or raising any objection to the proposed per minute billing method to do so by a letter addressed to the Director-General, Communications Commission of Kenya, 3rd Floor, C.C.K. Headquarters, Waiyaki Way, opposite Kianda School, P.O. Box 14448-00800, Nairobi, indicating "Change of TKL Billing Method" on the outside of the cover enclosing it on or before the expiry of sixty (60) days of the date of this notice. A copy of the representation or objection should also be forwarded to Telkom Kenya Limited.

Dated the 24th November, 2005.

Director-General.
