KENYA REVENUE AUTHORITY

FINANCIAL STATEMENTS 2004/2005

REPORT OF THE CONTROLLER AND AUDITOR GENERAL ON THE FINANCIAL STATEMENTS OF THE KENYA REVENUE AUTHORITY FOR THE YEAR ENDED 30TH JUNE, 2005

I have audited the Financial Statements of the Kenya Revenue Authority for the year ended 30 June 2005 in accordance with the provisions of Section 8 of the Public Audit Act, 2003 and Section 18 of the Kenya Revenue Authority Act Cap 469. I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of the audit. The financial statements are in agreement with the books of account.

RESPECTIVE RESPONSIBILITIES OF THE MANAGEMENT AND THE CONTROLLER AND AUDITOR-GENERAL

The Management of the Kenya Revenue Authority is responsible for preparation of financial statements which give a true and fair view of the Authority's statement of affairs and its operating results. My responsibility is to express an independent opinion on the statements based on my audit.

BASIS OF OPINION

The audit was carried out in accordance with the International Standards on Auditing. Those standards require that the audit be planned and performed with a view to obtaining reasonable assurance that the financial statements are free from material misstatements. An audit includes an examination, on a test basis, of evidence supporting the amounts and disclosures in the statements, assessment of the accounting principles applied and significant estimates made by management as well as an evaluation of the overall presentation of the statements. I believe the audit provides a reasonable basis for my opinion.

QUALIFICATION

- (i) As indicated in Note 3(ii) to the financial statements, there are several pieces of land whose carrying value is KSh.85,085,000 for which the Authority is yet to acquire title deeds. There are also twenty four (24) pieces of land and some buildings spread across the county which have not been valued and therefore their value has not been incorporated in these statements. Further, the ownership of the Times Tower building by the Authority remains unrecognised in law as no title deed for the property has been issued to the Authority.
- (ii) As reported previously an amount of KSh.4,223,712,000.00 is shown in the Balance Sheet as due from Treasury on account of Commissions, Bonuses, Special Project Funds and Agency Payments. The amount has been outstanding for a considerably long period, and its recoverability is therefore doubtful.

OPINION

Except for the foregoing reservations in my opinion, the financial statements present fairly, the financial state of affairs of the Authority as at 30 June 2005 and of the results of its operations and cash flow for the year then ended.

Dated the 21st March, 2006

E. N. MWAI,
Controller and Auditor-General,
Nairobi.

NOTES TO THE FINANCIAL STATEMENTS

1. ESTABLISHMENT

Kenya Revenue Authority was established by an Act of Parliament, The Kenya Revenue Authority Act, CAP 469. The Authority's main aims and objectives are the assessment and collection of revenue, administration, enforcement of laws relating to and accounting for revenue collected under the Act.

2. ACCOUNTING POLICIES

(a) Basis of preparation of the Accounts

The accounts are prepared in accordance with and comply with International Accounting Standards. They are presented in Kenya Shillings (Kshs) rounded to the nearest thousand shillings and prepared under the historical cost convention modified by the inclusion of certain fixed assets on a revalued basis.

(b) Revenue Recognition

In accordance with the Kenya Revenue Authority Act CAP 469, income to the Authority is 1.5% of total estimated revenue to be collected by the Authority on behalf of the Exchequer. Income is recognised in the Income and Expenditure statement on accrual basis. In addition, the Authority is entitled to a Bonus of 3% of the surplus revenue collected above the estimates and also earns income from appropriation in aid and other activities.

(c) Property, Plant and Equipment

Property, plant and equipment are stated at cost or valuation less accumulated depreciation. No depreciation is provided on land. Depreciation is calculated to write off the cost or valuation of each asset to its residual value where applicable, over the expected useful life of the asset in equal installments. A full year's depreciation is charged in the year of purchase but no charge is made in the year of disposal.

The estimated useful life is as follows: -

Plant & Machinery	8 years
Equipment/Furniture/Fittings	8 years
Boats	8 years
Motor Vehicles	5 years
Computers	4 years
Buildings	40 years

Gains or losses on property, plant and equipment are determined by reference to their carrying value and are taken into account in determining the surplus / (deficit) for the year.

(d) Translation of foreign currencies

Transactions in foreign currencies during the year are converted into Kenya Shillings at rates ruling at the transaction dates. Assets and liabilities at the balance sheet date, which are expressed in foreign currencies, are translated into Kenya Shillings at the rate ruling on that date. The resulting differences are dealt with in the income and expenditure statement in the financial year in which they arise.

(e) Retirement Benefits Obligations

The Authority operates a contributory defined benefit pension scheme for the permanent and pensionable employees. The pension costs relating to this scheme are assessed in accordance with advice of a qualified actuary. The assets of the scheme are held in a separate trustee-administered fund. The cost of providing pension and other post-retirement benefits for employees is charged to the income and expenditure account.

(f) Cash and Cash equivalents.

For purposes of the cash flow statement, cash and cash equivalents comprise cash in hand and short-term deposits held with banks.

(g) Leave Allowance Provision

Employee entitlements to annual leave are recognized when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by the employees up to the balance sheet date.

(h) Taxation

The Authority is exempt from taxation on investment income.
