revealed that the Managing Director and the Company Secretary wilfully failed to comply with the guidelines given by the Board of Directors of KPC and failed to seek approval of the sale from the Ministry of Energy. There was however no evidence implicating the Chairman of the Board of Directors in the transaction.

The file was forwarded to the Attorney-General on 14th July, 2008 with recommendation that the Managing Director and Company Secretary of KPC be charged with the offence of wilful failure to comply with applicable procedures and guidelines relating to disposal of public property contrary to section 45 (2) (b) of ACECA. Advice of the Attorney-General is awaited.

KACC/F/INQ/09/2008

Inquiry into allegations of embezzlement of KSh. 2,784,594 belonging to the National Museums of Kenya by a former Acting Financial Controller. Investigations established the fraudulent appropriation of the funds by the Financial Controller.

The file was forwarded to the Attorney-General on 14th July, 2008 with recommendation that the Acting Financial Controller be charged with three counts of the offence of fraudulent acquisition of public property contrary to section 45 (1) (a) of ACECA and alternative charges of abuse of office contrary to section 46 of ACECA. The file was returned on 4th September, 2008, with recommendation that further investigations be undertaken.

KACC/MSA/INQ/F/7/2008

Inquiry into an allegation that the Managing Director of the Mombasa Water and Sewerage Company Limited flouted procurement rules by awarding the 2007/2008 tender for the provision of general insurance services for the company's assets to a company that had been disqualified during the evaluation process for not meeting mandatory requirements for the particular procurement. Investigations established that the procurement processes were not followed as the company that was awarded the contract was not the successful bidder.

The file was forwarded to the Attorney-General on 1st July, 2008 with recommendation that the Managing Director of Mombasa Sewerage and Water Company be charged with abuse of office contrary to section 46 of ACECA. It was further recommended that he be charged with an alternative charge of wilful failure to comply with the law applicable to tendering of contracts contrary to section 45 (2) (b) of ACECA. The file was returned on 11th September 2008 for further investigations.

KACC/F/103A/05

Inquiry into allegations of irregular advance of KSh. 900,000 to the Finance and Administration Manager of Kenya Wine Agencies Limited (KWAL) by the Managing Director. Investigations established that the Managing Director approved a loan to the Finance Manager to purchase a car even before he had qualified for the Car Loan Scheme for Managers or a salary advance. KWAL ended up losing the money.

The file was forwarded to the Attorney-General on 14th July, 2008 with recommendation that the Managing Director of KWAL be charged with the offence of abuse of office contrary to section 46 of ACECA for conferring a benefit on the Finance and Administration Manager. The recommendation was accepted on 20th August, 2008.

KACC/AT/INQ/33/05

Inquiry into allegations that an employee of Kenya Revenue Authority, Customs Department and formerly a Revenue Officer at Jomo Kenyatta International Airport was living beyond her means. The investigation had been prompted by a report to Langata Police Station that the employee had been robbed of KSh. 1.6 million from her house. The suspect availed an agreement to the KACC investigator to establish that she had been given the money by her friend for purposes of buying a house. The agreement was however established to be false. She had also submitted false information in her wealth declaration forms.

The file was forwarded to the Attorney-General on 1st July, 2008 with the recommendation that the suspect be charged with submitting a false declaration of income, assets and liabilities under the Public Officer Ethics Act, 2003 and deceiving an investigator of KACC by presenting to him a false agreement contrary to section 66 (1) (b) as read with section 66 (2) of ACECA. Advice of the Attorney-General is awaited.

KACC/INQ/AT/15/2006

Inquiry into allegations of irregular allocation of plot number Mombasa/Block/XV/210, a public utility plot within Majengo Estate of Mombasa Municipality. The investigation established that the said parcel of land was a subdivision of an older block title known as section XV/1/M.I (Mombasa Island). Over time, the parcels of land were leased out to several tenants who proceeded to settle on the land and provision for open spaces and roads was made in a layout plan lodged with the Municipal Council sometimes in 1973. Following intervention of the Government, the tenants were settled on the land on a willing buyer willing seller basis and it was at this stage that portions previously marked as roads and open spaces were subdivided under a new subdivision scheme which largely adopted the 1973 scheme. The open spaces were never surrendered to the Government or the Municipal Council of Mombasa. The disputed open space was therefore private land and cannot be investigated or recovered by the Commission as public property under section 7(1) (h) of the Anti-Corruption and Economic Crimes Act, 2003. Nevertheless some anomalies raised serious doubts as to the accuracy, fidelity and completeness of the survey done by a private surveyor. The issues arising were referred to the Land Surveyor's Board to establish whether the said private surveyor or any other licensed surveyor was guilty of professional misconduct and take appropriate disciplinary action as empowered by section 17 of the Surveyors Act (Cap 299, laws of Kenya).

The file was forwarded to the Attorney-General on 2nd September, 2008 with recommendation that the same be closed. The recommendation for closure was accepted on 3rd October, 2008.

KACC/F/INQ/82A/2005

Inquiry into allegations of massive loss of revenue by Telkom Kenya Limited through middle men referred to as Tier 2 carriers, contracted by Telkom for the conveyance of telecommunication traffic on its behalf at a commission where there was no bilateral link between Telkom and the so called traditional or Tier 1 carriers. It was further alleged that the loss was on account of illegal interconnection agreements that Telkom entered into with some Tier 2 operators which had no equipment of their own and thus used the equipment of Telkom. Investigations established that the allegations were unfounded and that, to the contrary, Telkom earned US \$ 5.5 million from the contracts which would otherwise have been lost to the internet service providers. It was further established that the contracts were terminated in 2003 when their viability was brought into question. Though irregularities were detected in respect of one of the contracts, no charges were proposed since the suspect has since died.

The file was forwarded to the Attorney-General on 4th September 2008 with the recommendation that the same be closed. Advice of the Attorney-General is awaited.

KACC/AT/INQ/37/2006

Inquiry into allegations of overpayment to a construction company for landscaping and construction of a sports field in Garissa Primary Teachers Training College. It was alleged that the construction company received an overpayment of KSh. 57,230,433 in respect of the landscaping contract. Investigations conducted by the Commission confirmed the allegation. However, no criminal offence was detected.

The file was forwarded to the Attorney-General on the 15th July, 2008 with a recommendation that the inquiry file be closed and that the overpayment established to be KSh. 63,215,331.07, be recovered by the Commission's Civil Litigation and Asset Recovery Department on behalf of the Government of Kenya. The recommendation was accepted by the Attorney-General on 15th October, 2008.

KACC/INQ/F/11/2004

Inquiry into an allegation that a Senior Labour Inspector with the Ministry of Labour obtained for a benefit of KSh. 600,000 as an inducement to agree with the computations of dues owed to the workers of a garment manufacturing company and to have a warrant of arrest issued against the Managing Director thereof and also have his passport retained. The investigation established that the Labour officer did engage in corrupt conduct, but the evidence available was not sufficient to sustain a criminal case.

The file was forwarded to the Attorney-General on 30th September, 2008 with the recommendation that administrative action
