GAZETTE NOTICE NO. 681

THE ANTI-CORRUPTION AND ECONOMIC CRIMES ACT

(No. 3 of 2003)

FOURTH QUARTERLY REPORT FOR THE YEAR 2008 COVERING THE
PERIOD 1ST OCTOBER, 2008 TO 31ST DECEMBER, 2008

Preamble:

The Kenya Anti-Corruption Commission is required under section 36 of the Anti-Corruption and Economic Crimes Act, 2003, to prepare quarterly reports.

Section 35 provides that:

1. Following an investigation, the Commission shall report to the Attorney General on the results of the investigation.

2. The Commission's report shall include any recommendation the Commission may have that a person be prosecuted for corruption or economic crime.

Section 36 provides that:

1. The Commission shall prepare quarterly reports setting out the number of reports made to the Attorney General under section 35 and such other statistical information relating to those reports, as the Commission considers appropriate.
2. A quarterly report shall indicate if a recommendation of the Commission to prosecute a person for corruption or economic crime was not accepted.
3. The Commission shall give a copy of each quarterly report to the Attorney General.
4. The Attorney General shall lay a copy of each quarterly report before the National Assembly.
5. The Commission shall cause each quarterly report to be published in the Gazette.

This report is therefore made pursuant to section 36 of the Anti-Corruption and Economic Crimes Act, 2003. The report covers the fourth quarter of the year 2008 and is for the period commencing 1st October, 2008 to 31st December, 2008.

INVESTIGATIONS COVERING THE PERIOD 1ST
OCTOBER, 2008 TO 31ST DECEMBER, 2008

KACC/FI/INQ/20/06

Inquiry into allegations of procurement irregularities at the Ministry of Health involving procurement officials of the said Ministry and private suppliers. Investigations carried out covered five tenders for the supply of pharmaceuticals, medical equipments and non-pharmaceutical items. The evidence gathered disclosed that in three of the tenders, request for quotation numbers SD/KEN/RUR-HEA-2/98/25/IS for supply of start-up drugs, MOH/HQS/192/2004-05 for purchase of x-ray mobile units, MOH/HQS/193/2004-05 for purchase of various theatre items, were selectively issued to companies which a certain doctor was either the principal shareholder or otherwise closely associated with them. In particular reference to tender number SD/KEN/RUR-HEA-2/98/25/IS, it was established that documents of tender were purportedly issued to a mix of existing and non existing international companies as interested bidders. On the part of the existing companies, it was confirmed that the companies were unaware that tenders and bid documents were submitted on their behalf bearing signatures and rubber stamps of non existent company officials, bank officials, and witnessed by Advocates and Accountants. In this case the award for supply of start up drugs was made to one of the companies at the tender price of KSh. 28,738,109.40.

In reference to tender no. MOH/HQS/193/2004-05 awards for the items being procured were made to four companies associated with the doctor in the total sum of KSh. 59,557,600. In this instance documents of incorporation belonging to registered local companies were used in support of bids submitted to stage manage competition without their knowledge and consent. It was confirmed that the doctor is the controlling share holder and the sole signatory to the accounts of all the companies awarded this tender.

In the request for quotation number MOH/HQS/192/2004-05, an award in the tender price of KSh. 18,437,500 was made to a non existing company. Investigations confirmed that a cheque issued by the Ministry of Health in settlement of the bid price was deposited in the account of the said company, a firm with no known offices or any other form of physical address. It was also verified that, though not a signatory to the account, the doctor instructed the bank to transfer the funds to the account of another of his companies.

In a tender No. MOH/02/2005-06 for purchase of non-pharmaceuticals, it was ascertained that officers of the Ministry of Health's Technical Committee had evaluated and recommended seven bidders' samples as acceptable. However, the summary technical evaluation report prepared after decoding of samples and presented to Ministerial Tender Committee indicated that only one tenderer's

sample whose principal share holder is the doctor, was evaluated as being acceptable. Consequently, the contract to supply the goods was awarded to the doctor's company at KSh. 40,300,000. The same company was awarded Tender No. MOH/06/2005/2006 for purchase of Medical Equipments at KSh. 123,400,000. However, tender documents obtained from the Procurement Department of the said Ministry indicated that the tender document for one of the most eligible bidders was mutilated. The same was evaluated as lacking a brochure for equipment code No. DH 114, an x-ray general unit. Consequently a company associated with the doctor was awarded the tender by virtue of being the only responsive bidder.

The file was forwarded to the Attorney-General on 18th December 2008 with the recommendation that Procurement Officers at the Ministry of Health be charged for involvement in fraudulent dealings with the Director (who is a doctor) of various companies registered for the purpose of carrying out irregular procurement and supplies. Advice of the Attorney-General is awaited.

KACC/AT/INQ/9/2006

Inquiry into allegations that the former Chief Executive Officer of the Kenya Sugar Board with the complicity of the Legal Officer was engaged in corrupt dealings with regard to the outsourcing of legal services. It was alleged that despite existence of three law firms on the Kenya Sugar Board Panel, the Chief Executive Officer gave legal work to only one firm of advocates. As a result, the said law firm benefited in terms of legal fees in excess of KSh. 100 million. The investigation established that though the procurement of the services of the advocates was sanctioned by the Tender Committee, there was some element of neglect of duty by the two suspects in their handling of the fee note for KSh. 26 million that was presented by the firm of advocates. In consequence thereof, Kenya Sugar Board incurred expenses in challenging an *ex parte* taxation and to ward off an attachment and sale of its goods.

The file was forwarded to the Attorney-General on the 2nd October, 2008 with a recommendation that appropriate administrative action be taken by the Kenya Sugar Board against the Chief Executive Officer and the Legal Officer of the Kenya Sugar Board. The advice of the Attorney-General is awaited.

KACC/AT/INQ/28A/2006

Inquiry into allegations of abuse of office against the management of the Lake Basin Development Authority (LBDA). It had been alleged that certain advocates acting in concert with the past management of LBDA, fraudulently and without authority, executed and recorded a consent order in court requiring the said LBDA to pay a firm of Consulting Engineers the sum of KSh. 80,000,000. The investigations revealed a number of shady dealings through which the Authority lost large sums of money. The conspiracy to defraud LBDA involved a number of individuals both within and without the Authority.

The file was forwarded to the Honourable Attorney-General on 22nd October, 2008 with the recommendation to charge two advocates involved in the transaction, two directors of the Consulting Engineering firm, the Consulting Engineering company, and the LBDA's Managing Director with various offences of conspiracy to defraud, fraudulent attempt to dispose off public property as well as fraudulent acquisition of public property. It was further recommended that a sum of KSh. 2,000,000 improperly paid to an advocate be recovered through civil action and the advocates involved in the transaction be referred to the Law Society of Kenya's Disciplinary Committee for disciplinary action. The file was returned on 8th January 2009 with a recommendation that further investigations be undertaken. The same are being carried out.

KACC/FI/INQ/105/05

Inquiry into allegations of abuse of office against the officials of the Prisons Department's Nairobi Remand and Allocation Prison (NRAP) in that they misappropriated KSh. 40 Million meant for the construction of staff houses. The investigation revealed various instances where the procurement procedures as set out in the Exchequer and Audit (Public Procurement) Regulations, 2001 were not followed by NRAP Officers when procuring building materials for the staff houses. This was by verbally instructing suppliers to deliver goods in total disregard to competitive bidding and even where there

was competitive bidding, failing to issue Local Purchase Orders as required by Regulation 37 (4) of the Procurement Regulations.

The file was forwarded to the Attorney-General on 22nd December, 2008 with the recommendation that the Officer in Charge of Prison and the Procurement Officer of NRAP be charged with various counts of failure to comply with the law relating to procurement contrary to Section 45 (2) (b) of the Anti-Corruption and Economic Crimes Act, No. 3 of 2003. Advice of the Attorney-General is awaited.

KACC/FI/INQ/56/2007

Inquiry into an allegation that part of the sum of KSh. 242 million paid by Zep-Re (PTA Reinsurance Co.) for the purchase of United Insurance Towers to Kenya Reinsurance Corporation Ltd to the tune of KSh. 7,260,000 was misappropriated by the former Managing Director in collusion with the Managing Partner of a law firm that had been instructed to handle the transaction in the guise that it was payment made to agents employed in the sale transaction. The investigation confirmed the misappropriation as there were no agents involved in the transaction.

The file was forwarded to the Attorney-General on the 29th October, 2008 with a recommendation that the former Managing Director of Kenya Reinsurance Corporation and a partner to the law firm be prosecuted for fraudulent acquisition of public property under section 45 (1) (a) of the Anti-Corruption and Economic Crimes Act, 2003. The recommendation was accepted on 6th January, 2009.

KACC/FI/49/2007

Inquiry into allegations of malpractices in the use of a sum of KSh. 22,729,310/- being part of money disbursed to Kibwezi CDF in the years 2004/05 and 2005/06. Investigations revealed that the questioned funds were utilized in a food-for-work programme initiated by the Kibwezi Constituency Development Committee in response to requests made by the constituents to alleviate imminent famine in the region. The additional funds from the emergency and bursary accounts were pooled into the food-for-work-programme with the authority of the National Management Committee. In spite of the fact that the food-for-work-programme appeared to have worked well, there were no proper accounting records maintained by the Kibwezi CDC making it difficult to monitor distribution of foodstuffs and evaluate its effectiveness. There was an overall effect of re-allocation of funds from one project to another contrary to the provisions section 9(2) of the CDF Act. It was further noted that appropriate recommendations for enhancement of human resource capacity at the Kibwezi CDC offices had been made by an audit team under the auspices of the National Management Committee. Despite the fact that the food-for-work-programme largely worked well, the procurement process was noted to have been conducted in favour of a few suppliers who had a close relationship with the members of Kibwezi CDC. A separate investigation into the procurement was initiated by the Commission.

The file was forwarded to the Attorney-General on 17th November, 2008 with the recommendation that the inquiry file on the food-for-work-programme be closed. The recommendation was accepted on 5th January, 2009.

KACC/FI/INQ/93B/2005

Inquiry into allegations of abuse of office against a former Minister for Energy, the Managing Director of Kenya Pipeline Corporation (KPC) and the Chief Security Officer, KPC. The allegations were that the former Minister used his influence at the Ministry to secure the award of a tender to a security firm for the provision of security services to KPC premises in Lamu, Kipevu and Miritini, in the Coast Province. KPC was a parastatal that fell within the Minister's docket. A further allegation was that the Minister's father had been receiving a monthly commission from the security firm through an account at a bank located along Nyerere Road, Nairobi for onward transmission to the Minister. The investigation established that the role played by the Minister in influencing the tender award in favour of the security firm, if any, was not documented and no witness made any allegation of the existence of the same. There was no tangible evidence that the Minister influenced the tender award, neither was there evidence that the payments that the Minister's father received were commission payments directed to the Minister from the security firm.

The file was forwarded to the Attorney-General on 22nd October, 2008 with the recommendation that the same be closed. The recommendation was accepted on 31st December 2008.

KACC/FI/INQ/60A/06

Inquiry into allegations of irregular procurement of second hand CAT 140G graders through single sourcing from Associated Equipment Company (PTY) Limited of South Africa by South Nyanza Sugar Company Limited (SONY). The investigation was prompted by an audit carried out by the Inspectorate of State Corporations and the same revealed that the Managing Director of SONY failed to follow the procurement guidelines issued by the Directorate of Procurement when undertaking the procurement of the second hand graders. The graders were never delivered to SONY though a down payment was made.

The file was forwarded to the Attorney-General on 29th December, 2009 with the recommendation that the Managing Director of SONY be charged with the offence of wilful failure to comply with applicable procedures and guidelines relating to procurement. Advice of the Attorney-General is awaited.

KACC/AT/INQ/02/05

Inquiry into allegations that the Principal Accountant of the Ministry of Home Affairs is corrupt and has unexplained wealth. Though the investigations established that the Principal Accountant has substantial property, the same did not reveal any fraudulent dealings by the officer and his wife. The investigation however established that the Principal Accountant failed to declare a number of assets as required by the Public Officer Ethics Act and in some instances grossly undervalued the same.

The file was forwarded to the Attorney-General on 17th December, 2008 with the recommendation that the Principal Accountant of the Ministry of Home Affairs be charged with the offence of submitting a false declaration of income, assets and liabilities in contravention of the Public Officer Ethics Act, No. 4 of 2003. Advice of the Attorney-General is awaited.

KACC/AT/INQ/8/06

Inquiry into allegations of theft of famine relief maize from the Kapenguria National Cereals and Produce Board Depot (NCPB). Investigations confirmed that some 1,700 x 90 kg. bags of maize were irregularly obtained from the Depot on the pretext that the allocation of the maize to the District Commissioner, West Pokot, risked cancellation if not collected before the impending annual stock-taking exercise. Save for some 300 bags that were traced at the instance of members of the public, the rest of the maize was fraudulently disposed of.

The file was forwarded to the Attorney-General on 21st October, 2008 with the recommendation that the Depot Manager, the DO I, the District Officer, Kapenguria and two NCPB Store Clerks be charged with fraudulent disposal of public property contrary to section 45 (1) (b) of the Anti-Corruption and Economic Crimes Act, 2003. The recommendation was accepted on 31st December 2008.

KACC/FI/INQ/13/08

Inquiry into allegations of bid rigging of a job evaluation tender in favour of a certain company by the Sports Stadia Management Board. The investigation established that the procurement was undertaken in accordance with the Exchequer and Audit (Public Procurement) Regulations 2001 which were in force at the time and the choice of mode of procurement of request for quotations/ proposals was in order. There was also no evidence that the Assistant Director, Human Resource and Administration of Sports Stadia Management Board advised the company to irregularly adjust the price from KSh. 2,988,000 to KSh. 2,088,000.

The file was forwarded to the Attorney-General on 2nd October, 2008 with the recommendation that the file be closed. Advice of the Attorney-General is awaited.

KACC/FI/INQ/28/2008

Inquiry into allegations that three officers of the National Aids Control Council (NACC), fraudulently obtained imprests for training on Risk Management, which training never took place. The imprest

was to cater for training on Risk Management in the South Rift, Nyanza and Coast Regions. However, although the three officers received the money, the evidence gathered revealed that they did not conduct the training as alleged. Instead, they surrendered the imprest and attached several documents to indicate that the trainings had allegedly been held at various hotels, and fabricated lists of participants were also attached. The alleged participants recorded statements and confirmed that they neither attended any workshops, nor received any payments or signed the schedules as indicated in the payment schedules.

The file was forwarded to the Attorney-General on 18th December, 2008 with the recommendation that the three NACC officers be charged with three counts of fraudulent acquisition of public property contrary to section 45 (1) (a) of the Anti-Corruption and Economic Crimes Act and three counts of uttering a false document contrary to section 353 of the Penal Code. Advice of the Attorney-General is awaited.

KACC/AT/INQ/34/2007

Inquiry into allegations of irregularities in the award of a contract for the maintenance of Elugongo-Bungasi Road in Mumias Constituency to a construction company. It was alleged that the contractor was paid before completing the works and that the District Accountant received a bribe from the said contractor on the day he processed the payment to the contractor. Investigations established that the award of the contract was carried out regularly and though the contractor was paid the contract sum before completing the works, the works were satisfactorily completed. However, an overpayment was made to the contractor and the same was not deducted from the payments made to the said contractor.

The file was forwarded to the Attorney-General on 2nd October 2008 with the recommendation that the overpayment made to the contractor be recovered. The recommendation was accepted on 31st December 2008.

KACC/FI/INQ/01/2008

Inquiry into allegations that the District Officer, Ndia Division, and an Administration Police Inspector embezzled funds realized from the private hire of the services of Administration Police Officers under their charge. Investigations conducted by the Commission established that the District Officer wilfully failed to comply with applicable procedures and guidelines relating to the management of public revenue, and that he also fraudulently acquired public property.

The file was forwarded to the Attorney-General on the 3rd November, 2008 with the recommendation that the District Officer, Ndia Division be prosecuted for the offences of wilful failure to comply with applicable procedures and guidelines relating to the management of funds contrary to section 45 (2) (b) and abuse of office, contrary to section 46 of the Anti-Corruption and Economic Crimes Act, 2008. KACC/FI/INQ/59B/2007

Inquiry into allegations of conflict of interest against the District Cashier, Narok North District. The investigation commenced after the Commission received a report that Government employees based in Narok North District were trading with their employers through their private companies. Specifically, it was alleged that the District Cashier was supplying stationery to the District Treasury and the District Commissioner's office through her company. Investigations revealed that in deed, the District Cashier supplied stationery to the District Treasury and to the DC's office through her company, Osinoni Investment. She thus knowingly held a direct private interest in a company that supplied stationery to her employer. This amounted to conflict of interest.

The file was forwarded to the Attorney-General on 3rd November 2008 with the recommendation that the District Cashier, Narok North District be charged with three counts of conflict of interest contrary to section 42 (3) as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003. Investigations established that the Executive Director was entitled to make mileage claims, but import duty had not been paid for the motor vehicles registration numbers KAH 454K and KAJ 105Z which he used to lodge the mileage claims.

The file was forwarded to the Attorney-General on 17th December 2008 with the recommendation that the same be closed with regard to false mileage claims as mileage was payable to the Executive Director. It was however recommended that the issue of tax evasion be referred to Kenya Revenue Authority. Advice of the Attorney-General is awaited.

KACC CR 142/21/2008: NAIROBI ACC 7/2008

Inquiry into allegations that an Administrator with KANU Party and a Councillor of the City Council of Nairobi had solicited for a benefit in order to facilitate the complainant's nomination as a Councillor in the City Council of Nairobi. It was reported that the Administrator made the initial demand in a meeting held on 19th February 2008, between himself and the complainant. The Administrator with KANU Party held himself out as the Personal Assistant to the then Minister for Local Government and alleged that he was working on the final list of persons to be nominated as Councillors. However, investigations established that he was an Administrator with KANU Party. The Councillor of the City Council of Nairobi held a meeting with the complainant and he encouraged her to pay the bribe and promised to act as the link between her and the KANU Party Administrator. The investigations established the solicitation and receipt of the trap money. Both the KANU Party Administrator and the Councillor of the City Council of Nairobi were arrested and charged with the offences of soliciting and receiving a benefit contrary to section 39(3)(a) as read with section 48(1) of the Anti-Corruption and Economic Crimes Act, 2003. In spite of the available evidence, the complainant vanished under circumstances suggesting that she was greatly apprehensive of her security following threats to her life.

The file was forwarded to the Attorney-General on 3rd November 2008 with a recommendation that the case pending before court be withdrawn under section 87 (a) of the Criminal Procedure Code to secure an opportunity to revive the charges in future. The file was returned on 12th January, 2009 with a request that further information be availed on the matter.

The two Revenue Officers were charged with the offence of corruption in office contrary to section 3 (1) of the defunct Prevention of Corruption Act (Cap. 65 Laws of Kenya). After the repeal of the said Act, the matter was terminated. However, following the Attorney-General's request, the matter was subjected to further consideration and evaluated with a view to determine the possibility of pressing fresh charges against the said Revenue Officers. In spite of the fact that there was good evidence in support of the case, it was observed by the Commission that the trap money used had been utilized in other trap cases. It was therefore not possible to revive the case.

The file was forwarded to the Attorney-General on 9th October 2008 recommending that the inquiry be marked as closed. The recommendation was accepted on 5th January 2009.

one who solicited for and received the benefit from the complainant. It was recommended that the charge against two of the officers be dropped and the officer who solicited for and received the benefit be charged instead. The case is pending before Nairobi Anti-Corruption Court.
