NOTICE OF MOTION

(Under Rules 23 and 24 of the National Assembly Elections (Election Petition) Rules, 1993; the Inherent Power of the Court and all other enabling provisions of the Law)

The Petition of Roselyne Adhiambo Ochieng, Charles Otieno Atula and Mary Wangui Nderitu Presented on the 3rd Day of July, 2008.

1. The Petitioners apply for leave to withdraw this Petition upon the grounds hereinbelow.
2. The Petitioners pray that a day be appointed for the hearing of their application.

Grounds for withdrawal

- (a) That since the Petition was filed on 3rd July, 2008, no judge was appointed to hear and determine the Election Petition until one year later.
- (b) Election Petitions are required to be heard and determined expeditiously and on priority basis.
- (c) The delay in the appointment of a Judge to hear the Petition has negatively and severely impacted upon the Petitioner's case as many of the Petitioners' witnesses have been compromised and/or are unwilling to testify in the matter.
- (d) Further, due to the delay, the Petitioners and their witnesses have lost confidence in the system and no longer wish to participate in these proceedings.
- (e) Without credible, reliable and confident witnesses, the Petitioners' ability to prosecute their case is greatly limited.
- (f) In the circumstances, the Petitioners are no longer able and willing to pursue this Petition.

Which application is supported by the annexed affidavits of Roselyne Adhiambo Ochieng, Charles Otieno Atula and Mary Wangui Nderitu the Petitioners herein.

The project anticipates the following impacts and mitigation measures:

<i>Possible impacts</i>	<i>Mitigation measures</i>
Solid waste generation	<ul style="list-style-type: none"> • Use of integrated solid waste management of options i.e. source reduction, recycling, composting and re-use, combustion and sanitary landfilling. • Ensure that construction materials left over at the end of construction will be used in other projects rather than being disposed. • Dispose waste more responsibly by dumping at designated dumping sites. • Waste collection bins to be provided at designated points on site. • Reuse packaging materials such as cartons, cement bags, empty metals and plastic containers to reduce waste at the site. • Use construction materials containing recycled content when possible and in accordance with accepted standards. • Incinerator to be used for disposal of biomedical waste. • Ensure waste collected in the funeral home is collected by licensed waste handlers.
Risk of handling biomedical waste	<ul style="list-style-type: none"> • Place sharps in sealable, puncture-resistant, leak proof containers. • Place blood-soaked, dripping, or blood-caked disposable PPE and waste materials in leak proof plastic bags or impervious containers. • Close and seal containers and bags prior to removal or replacement to prevent spillage or protrusion of contents during handling, transport, or storage. • Place containers of biomedical waste in secondary bags or containers if contamination of outside surfaces occurs or if there is potential for leakage. • Avoid excessive or rough handling to prevent rupture of containers and bags.
Dust emission	<ul style="list-style-type: none"> • Avoid excavation works in extremely dry weather. • Sprinkle water on graded access routes when necessary to reduce dust generation by construction vehicles. • Ensure strict enforcement of on-site speed limit regulations. • Personal protective equipment to be worn.
Noise vibrations	<ul style="list-style-type: none"> • Sensitize construction drivers to avoid running of vehicles engines or hooting especially when passing through sensitive areas such as church, schools or hospitals. • Ensure the construction machinery are well kept in good condition • Sensitize construction driver and machinery operators to switch off engines when not being used. • Ensure all generators and heavy machines are insulated or placed in an enclosure to minimize ambient noise levels.
Oil spills	<ul style="list-style-type: none"> • A designated garage section of the site fitted with oil trapping equipments to be planned for changes. Such area will protect the soil from contamination.

<i>Possible impacts</i>	<i>Mitigation measures</i>
Fire control	<ul style="list-style-type: none"> • Fire extinguisher to be placed at strategic positions. • Escape routes to be provided. • Servicing of fire extinguishers as is necessary. • Establish and train fire marshals as per fire reduction rules.
Effluent disposal	<ul style="list-style-type: none"> • Effluent discharge shall be channeled to the main sewer line that serves the area • Effluent will be pre-treated before release d to the nearby sewer line. • All effluent to meet NEMA Standards for discharge to a sewer line.
Exposure to Infections	<ul style="list-style-type: none"> • Corpse handlers must be immunized for hepatitis B, tetanus and yellow fever. • Corpse handlers to undergo periodic screening for Tuberculosis. • Wear appropriate PPE. • Wash hands and skin with warm water and soap immediately after any contact with blood or Other Potentially Infectious Material (OPIM). • Avoid mucous membrane and skin contact. • Contain and confine blood and OPIM. • Manage sharps properly by ensuring that reusable sharps are stored in a manner to prevent lacerations or puncture wounds. • Disinfect contaminated equipment and environment and working surfaces. • Handle contaminated PPE and clothing properly i.e. • -Never wash contaminated PPE and clothing with personal laundry. • -Place contaminated reusable PPE and clothing into leak-resistant bags or containers. • Wash and dry reusable PPE and clothing according to instructions on their labels. • Brush and scrub contaminated boots and leather goods with soap and hot water. • Maintain a cleaning schedule which requires the cleaning of work surfaces, equipment surfaces, and waste containers at the end of shift or after any spill. • Clean up spills of potentially infectious materials immediately • Practice good personal hygiene. • Never consume food or beverages in areas where exposure to blood or OPIM exists. • Never store food and beverages in an area where they or their containers may become contaminated with blood or OPIM. • Refrain from handling personal items, such as pens and combs, to prevent soiling or contamination. • Use chemicals safely by following MSDS instructions.
Traffic	<ul style="list-style-type: none"> • Convoys will be discouraged to the site , only five vehicles will access the site during collection of human remains by relatives. • 60-seater hearse will not be allowed to the site.

IMPORTANT NOTICE TO SUBSCRIBERS TO THE KENYA GAZETTE

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typewritten with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Dates must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE CODE OF REGULATIONS, SECTION D—

Kenya Gazette

"D 34. (1) Communications for the *Kenya Gazette* should reach the Government Printer not later than 9 a.m. on Friday of the week before publication is desired. The Government Printer will not publish communications received after that hour until the next subsequent issue of the Gazette.

(2) Ministries will be required to pay for the *Kenya Gazette* and to meet the cost of advertising in it.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
