## ILLEGAL OPERATION OF WATER SERVICE, CHEPALUNGU

IT HAS come to the attention of the Water Services Regulatory Board (WASREB) that a privately owned entity named "Chepalungu Water Company" is purporting to possess the public owned water

projects of Chepalungu and Sigor from the Chemosit Water and Sanitation Company.

WASREB as the issuer of licences in the water services sector advises public agencies and the public that:

1. Chemosit Water and Sanitation Company is the Water Service Provider legally licensed under section 55 and 56 of the Water Act 2002 to provide Water Services in Bomet, Bureti and parts of Kericho, more specifically Litein water supply, Chebangang water supply, Sotik water supply, Bomet water supply, Longisa water supply, Chepalungu water supply, Sotik water supply, Bargeywet water supply, Londiani water supply, Kipkelion water supply, Sigor water supply, Kipsitet water supply and Chesanande water supply and other planned public projects.

2. Chemosit Water and Sanitation Company was formed after a public stakeholder participation process in accordance with guidelines issued by WASREB. Kipsigis County Council, Litein Town Council, Londiani Town Council, Kipkelion Town Council, Bureti County Council, Sotik Town Council, Bomet Municipal Council participated to form the company that will provide water service in those areas incrementally and was registered as C.133880 on 15th January 2007 by the Registrar of Companies.

3. The public and public agencies such as the CDF and the Local Authorities are advised to only deal with Chemosit if they are desirous of obtaining water services or are making contributions towards water projects as this is the only legal way to ensure that funds given are properly accounted for and are used for achieving the goal of universal access to safe water in the area. Any dealings with Chepalungu shall be at own risk.

4. "Chepalungu Company" is not licensed as a water services provider under section 55 and 56 of the Water Act 2002. It does not have a Service Provision Agreement with Lake Victoria South Water Services Board and has no control over the publicly funded assets of Chepalungu and Sigor water supplies or any other publicly funded water assets.

5. The promoters or owners are warned to stop causing confusion as they have no legal right to neither interfere with the operations of Chemosit Water and Sanitation Company nor interfere with consumers who are lawfully paying their bills. Failure to obey this warning will lead to arrest and prosecution for failing to obey the Water Act 2002.

6. Consumers served by Chemosit should continue to pay their bills to the company so as to ensure water services are provided in a sustainable manner.
