GAZETTE NOTICE NO. 8369

THE ANTI-CORRUPTION AND ECONOMIC CRIMES ACT

(No. 3 of 2003)

SECOND QUARTERLY REPORT FOR THE YEAR 2010 COVERING THE PERIOD 1ST APRIL, 2010 TO 30TH JUNE, 2010

Preamble:

The Kenya Anti-Corruption Commission is required under section 36 of the Anti-Corruption and Economic Crimes Act, 2003, to prepare quarterly reports setting out the number of reports made to the Attorney General under section 35.

Section 35 provides that:

- (1) Following an investigation, the Commission shall report to the Attorney-General on the results of the investigation.
- (2) The Commission's report shall include any recommendation the Commission may have that a person be prosecuted for corruption or economic crime.

Section 36 provides that:

- (1) The Commission shall prepare quarterly reports setting out the number of reports made to the Attorney-General under section 35 and such other statistical information relating to those reports, as the Commission considers appropriate.
- (2) A quarterly report shall indicate if a recommendation of the Commission to prosecute a person for corruption or economic crime was not accepted.
- (3) The Commission shall give a copy of each quarterly report to the Attorney-General.
- (4) The Attorney-General shall lay a copy of each quarterly report before the National Assembly.
- (5) The Commission shall cause each quarterly report to be published in the Gazette.

This report is therefore made pursuant to section 36 of the Anti-Corruption and Economic Crimes Act, 2003. The report covers the first quarter of the year 2010, and is for the period commencing 1st April, 2010 to 30th June, 2010.

INVESTIGATIONS COVERING THE PERIOD 1ST APRIL, 2010,
TO 30TH JUNE, 2010

KACC/MSA/INQ/FI/18/2009

Inquiry into allegations that unscrupulous importers and clearing agents collude with Kenya Bureau of Standards (KEBS) and Kenya Revenue Authority (KRA) officers to allow illegal importation of over age used motor vehicles into the country in contravention of Clause 2:5 of the Kenya Standard 1515:2000 code of the Kenya Bureau of Standards. The evidence gathered showed that the KRA and KEBS officers who were assigned the responsibility of ascertaining that imported vehicles complied with the Kenya Standard passed two vehicles which were over 8 years old from the date of manufacture contrary to the regulation. The investigation further established that the same officers and the clearing agents were usually compromised through bribes so as to ignore the importation requirements. A report dated 30th March, 2010 was compiled and forwarded to the Attorney-General on 1st April, 2010 recommending that the suspects be charged with wilful neglect of official duty contrary to section 128 of the Penal Code. It was further recommended that the importers be ordered to re-ship the vehicles back to their country of origin.

The Attorney-General accepted the recommendation for prosecution on 28th April, 2010.

KACC/MSA/FI/INQ.16/2009

Inquiry into allegations that an importer and a clearing agent colluded with Kenya Bureau of Standards and Kenya Revenue Authority officers to allow importation of four(4) used vehicles into Kenya in contravention of clause 2:5 of the Kenya Standard 1515:2000 code of the Kenya Bureau of Standards. Information obtained from Toyota East Africa revealed that all the four(4) vehicles were outside the age limit prescribed in Clause 2.5. Further investigations revealed that the vehicles were not inspected by the Japan based JEVIC Company, and that the certificate of roadworthiness was issued by a firm known as Car Auto Appraisal Centre (CAAC) which is not a KEBS appointed body for purposes of pre-export verification. A report dated 30th March, 2010, was compiled and forwarded to the Attorney-General on 1st April, 2010, recommending that the suspects face three(3) charges of attempting to commit an offence involving

corruption contrary to section 47A of the Anti-Corruption and Economic Crimes Act, wilful neglect of official duty contrary to section 126 of the Penal Code, and disobedience of statutory duty contrary to section 130 of the Penal Code.

The Attorney-General accepted the recommendation for prosecution on 28th April, 2010.

KACC/INQ/FI/12/2010

Inquiry into allegations of misappropriation of public funds allocated to Onjiko Secondary School. It was alleged that the said funds were siphoned into an account belonging to a Senior Officer with the Ministry of Education. Investigations established that the Principal of the said school failed to comply with the laid down procurement regulations by single sourcing a supplier to supply stationery to the School. The investigations also revealed that payments to the said supplier were made although the books were not delivered. A report was compiled and forwarded to the Attorney-General on 15th June, 2010, with the recommendation that the suspects be charged with the offences of fraudulent acquisition of public property contrary to section 45 (1) (a), making fraudulent payment from public revenue for goods not supplied contrary to section 45 (2) (a) (ii) and wilful failure to comply with applicable procurement procedures contrary to section 45 (2) (b) of the Anti-Corruption and Economic Crimes Act, 2003. The Attorney-General accepted the recommendation for prosecution on 1st July, 2010.

KACC/FI/INQ/4/2010

Inquiry into allegations that an Accounts Assistant attached to the Ministry of Education embezzled KSh. 4,508,337.10 meant for the participants of a workshop held for Teacher Advisory Centre Tutors (TAC), organized within the provisions of the framework of World Bank/Government of Kenya Education Sector Support Program (KESSP). The investigations established that the Accounts Assistant received an imprest of the sum of KSh. 4,508,337.10 to facilitate the workshop. The investigation revealed that the suspect embezzled the funds and made false payment schedules and purported to surrender the imprest using false documents. A report was compiled and forwarded to the Attorney-General on 26th May, 2010, with the recommendations for the prosecution of the suspect for the offences of fraudulent acquisition of public property contrary to section 45 (1) (a), abuse of office contrary to section 46 and deceiving Principal contrary to section 41 (2) of the ACECA, as well as false accounting by a public officer contrary to section 331 (1) and (2) of the Penal Code.

The Attorney-General accepted the recommendation for prosecution on 14th June, 2010.

KACC/MSA/INQ/FI/6/2009

Inquiry into allegations of fraudulent acquisition of a road reserve within the Kenya Ports Authority, and its subsequent registration as two parcels in the name of a private company. Investigations established that the plot was part of the property owned by the defunct East African Harbours Corporation that was vested in Kenya Ports Authority vide Legal Notice No. 160 of 2001. The registration was executed using a forged Part Development Plan, beacon certificates and lease documents presented by the private company. A report was compiled and forwarded to the Attorney-General on 26th May, 2010 with recommendations that the two directors of the private company be charged with the offence of uttering a false document contrary to section 353 of the Penal Code.

The Attorney-General accepted the recommendation for prosecution on 1st July, 2010.

KACC/FI/INQ/95/2008

Inquiry into allegations that a freight and logistics company colluded with clearing agents to defraud their client as well as the government through non-payment of import duty amounting to KSh. 2,767,260.00. Investigations established that Duty and VAT payable on the consignment was KSh. 2,767,260 but the actual sum paid to KRA by the said company using fake entries and bank receipts, was KSh. 318,443. A report was compiled and forwarded to the Attorney-General on 27th May, 2010 with recommendations that the Directors and Operation Managers of the companies concerned be charged with the following offences;

- (a) Fraudulent failure to pay taxes payable to a public body contrary to section 45 (1) (d) as read with Section 48 of the Anti-Corruption and Economic Crimes Act, 2003.
- (b) Uttering a false document contrary to section 353 of the Penal Code.

(c) Conspiracy to commit an offence of corruption or economic crime contrary to section 47A(3) as read with Section 48 of the Anti-Corruption and Economic Crimes Act, 2003.

(d) Conspiracy to defraud contrary to Section 317 of the Penal Code.

The Attorney-General accepted the recommendation for prosecution on 14th June, 2010.

KACC/MSA/FI/INQ./8/2009

Inquiry into allegations of failure to adhere to Public Procurement Laws and Regulations in the procurement of seven tractors and ploughs by officials of Lamu West Constituency Development Committee. The investigations established that three officials of the Lamu West Constituency Development Fund Tractor Project Committee procured seven tractors and their accessories by way of direct procurement contrary to the provisions of the applicable law therein viz the Public Procurement and Disposal Act, 2005. They did not also involve the tender committee in the procurement of the tractors. A report was compiled and forwarded to the Attorney-General on 14th April, 2010 with the recommendation that the three officials be charged with the offence of wilful failure to comply with the law relating to procurement of goods, contrary to section 45 (2) (b) of the Anti-Corruption and Economic Crimes Act, 2003.

The Attorney-General accepted the recommendation for prosecution on 14th May, 2010.

KACC/FI/INQ/7/09

Inquiry into allegations that the Managing Director of Kenya Ports Authority (KPA) irregularly approved payment of KSh. 9 million to ten members of staff to attend a training program in the USA. Investigations established that the only authorized allowance that KPA was to bear was KSh. 2,089,600 instead of the KSh. 9,000,000 approved by the Managing Director. The ten members of staff therefore received public funds they were not entitled to. A report was compiled and forwarded to the Attorney-General on 31st May, 2010, with the recommendation that the suspect be charged with the offence of wilful failure to comply with applicable procedures and guidelines relating to management of public funds contrary to section 45(2) (b) of the ACECA. It was further recommended that the funds irregularly paid to the members of staff attending the training be recovered.

The Attorney-General accepted the recommendation for prosecution on 2nd July, 2010.

KACC/FI/INQ/35/09

Inquiry into allegations that the Director General of National Environmental Management Authority (NEMA) abused his office by irregularly paying KSh. 1,500,000 for Iko Toilet Project. Investigations established that the Director and his chief officers abused their offices and flouted financial regulations and procedures by expending NEMA's funds on a project not budgeted for. A report was forwarded to the Attorney-General on 11th June, 2010, with the recommendation that the suspects be charged with the offence of abuse of office contrary to section 46 as read with section 48 of the Anti-Corruption and Economic Crimes Act, No.3 of 2003, wilful failure to comply with the applicable procedures and guidelines relating to incurring of expenditure contrary to section 45 (2) (b) as read with section 48 of ACECA, making false statement to principal contrary to section 41 (1) as read with section 48 of ACECA, conspiracy to commit an offence of corruption contrary to section 47A (3) as read with section 48 of the ACECA, conspiracy to defraud the public contrary to section 317 of the Penal Code and fraudulent acquisition of public property contrary to section 45 (1) (a) as read with section 48 of ACECA.

The Attorney-General's response is being awaited.

KACC/MSA/INQ/FI/17/2009

Inquiry into allegations that Kenya Revenue Authority Customs Department officers at Kilindini Customs Warehouse sold by public auction container number ECMU 9724447 containing motor vehicles, used computers and personal effects by passing them off as plastic buckets and paper towels thereby fetching a much lower price than it would have had its contents been correctly declared. The investigation revealed that after the importer of the said container failed to clear the goods thereon, the container was moved to the KRA warehouse. This attracted huge costs as storage costs and a decision was made to auction the container as abandoned goods. The customs officers charged with the responsibility of verifying the contents of the container, made a false declaration of the goods. When the

misdeclared goods were auctioned, they fetched a lower amount of money than what should have been realized had the correct declaration been made. A report was compiled and forwarded to the Attorney-General on 7th June, 2010, with the recommendation that the officers involved in the fraud be charged with the offence of committing a fraud affecting the public contrary to section 127(1) as read with section 127(2) of the Penal Code; and the offence of deceiving principal contrary to section 41(2) as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003.

The Attorney-General accepted the recommendation for prosecution on 2nd July, 2010.

KACC/FI/INQ.40B/2006

Inquiry into allegations that the Nandi South District Agricultural Officer (DAO) misappropriated KSh. 5 million meant for the construction of an office block through irregular tendering and falsification of documents. The investigation established that the DAO consulted the Ministry of Public Works (MOPW) for technical advice before commencing the project. Quotations for the proposed project were floated to seven pre-qualified contractors. Upon receipt of the quotations from the contractors, they were opened and forwarded to the MOPW for technical evaluation. The District Tender Committee (DTC) awarded the contract to the second lowest bidder since the lowest bidder's quotation was found to be non-responsive. A report dated 30th March, 2010, was compiled and forwarded to the Attorney-General on 1st April, 2010, recommending that the inquiry file be closed since the money received by the Nandi South District Agricultural Officer, for construction of the Agricultural block was not misappropriated through irregular procurement and falsification of documents as alleged. All the money allocated was properly accounted for, and the building completed.

The Attorney-General accepted the recommendation for closure on 28th May, 2010.

KACC/FI/INQ/14/09

Inquiry into allegations of fraudulent alterations of Revenue figures by Central Bank (CBK) officers resulting to a probable revenue loss of KSh. 523,649,826. It was further alleged that CBK officials manipulated the transfer vouchers made from the Central Bank of Kenya Revenue Deposit Account to the Exchequer account at Treasury. It was further alleged that the Transfer vouchers were not original and that they contained cancelled amounts and altered figures, and were not authorized. The investigation showed that satisfactory explanations for and documents supporting the alterations and cancellations were provided. The investigation did not show that there was any loss of revenue as alleged or at all. A report was compiled and forwarded to the Attorney-General on 14th April, 2010 recommending the closure of the inquiry.

The Attorney-General accepted the recommendation for closure on 31st May, 2010.

KACC/MSA/INQ/FI/2/2009

Inquiry into allegations of fraudulent acquisition of land belonging to ICDC by a private developer. The investigation revealed that, contrary to the allegations that land belonging to ICDC had been fraudulently acquired, what existed was a partnership between the developer and ICDC to jointly set up a container freight station on the plot belonging to ICDC. The land is still fully owned by ICDC and has not been illegally acquired. A report was compiled and forwarded to the Attorney-General on 15th June, 2010, recommending the closure of the inquiry file.

The Attorney-General accepted the recommendation for closure on 2nd July, 2010.

KACC/FI/INQ/57/09

Inquiry into allegations of abuse of office against the Managing Director of Kenya Bureau of Standards (KEBS), by clearing 6350 metric tonnes of contaminated maize imported by the National Cereals and Produce Board (NCPB). The investigations revealed that after the government approved the importation of maize to replenish the available stocks, 6350 metric tonnes was shipped into the country. Doubts arose as to the suitability for consumption of some of the maize consignment. KEBS was consulted and after examining the maize, found some of it to be contaminated. While consultation was on going as to what to do with the contaminated maize, NCPB had the maize offloaded and stored in the KRA warehouses. After it was decided that the maize be resold to an external buyer who was to reship it out of the country, KRA made it a condition precedent that for

it to release the maize, warehouse rent had to be paid. NCPB paid the rent amounting to KSh. 48 million. The investigation revealed that it was the conflicting decisions by KEBS on the issue of the contaminated maize that led to NCPB paying the money to KRA. The management of NCPB could not be faulted for making the payment to KRA, as no offence was disclosed. A report was compiled and forwarded to the Attorney-General on 4th May, 2010 with recommendations that the file be closed and further that NCPB be advised to continue pursuing the waiver of the rent paid from Treasury in order for KRA to refund the money paid to it by NCPB on account of go down rent.

The Attorney-General accepted the recommendation for closure on 2nd July, 2010.

KACC/FI/INQ/40/2009

Inquiry into allegations that public officers requested the National Cereals and Produce Board(NCPB) management to favour some customers in the sale of maize during a period of scarcity. The investigations revealed that the Strategic Grain Reserve Fund Trustees comprising 3 line Ministries had authorized the sale of the Strategic Grain Reserve maize through the NCPB, between the period December 2007 and October 2008. During this period, the country was experiencing a serious shortage of maize and a number of prominent personalities took advantage of the prevailing situation to write introductory notes cum letters to the NCPB Management seeking their help in the allocation and sale of maize to persons and companies that were known to them. A total of 3.4 million bags of maize were sold to various individuals and/or companies during the material period. Evidence obtained did not show that the holders of the introductory note/letters were more advantaged than those who did not have them. Moreover, the discretion as to whom to allocate and sell the maize largely remained in the hands of the NCPB Management. No evidence of culpable wrongdoing against any of the public officers who wrote notes to NCPB has been obtained to warrant any action against them. A report was compiled and forwarded to the Attorney-General on 20th April, 2010 with the recommendation that the inquiry file be closed. It was further recommended that KACC's Preventive Services Directorate do examine the practices and procedures of NCPB with a view to advising them on administrative loopholes which may be conducive to corrupt practices.

The Attorney-General accepted the recommendation for closure on 14th May, 2010.

KACC/FI/INQ/30/09

Inquiry into allegations that the management of the National Aids Control Council(NACC) fraudulently paid a total sum of KSh. 1.4 million to a service provider for the development of a 4-year MIS Strategic Plan, services which were not rendered. The investigations revealed that the idea of NACC developing an MIS Strategic Plan was mooted in August 2005 and was subsequently budgeted for by the Council in the financial year 2007-2008. NACC's Tender Committee awarded the tender for the development of the Strategic Plan to the service provider. Contrary to the allegations made, the strategic plan was in deed prepared satisfactorily and NACC paid for the services in terms of the contract with the consultants. There was no evidence of wrongdoing against any of the officials of NACC. A report was compiled and forwarded to the Attorney-General on 26th May, 2010, with the recommendation that the inquiry file be closed.

The Attorney-General accepted the recommendation for closure on 2nd July, 2010.

KACC/FI/INQ/80/2009

Inquiry into allegations that the Managing Director of Mumias Sugar Company, offered bribes to witnesses in a criminal case in which he was the complainant. Investigations established that the evidence was not sufficient to prove the allegations of corruption or conspiracy to subvert justice made against the Managing Director. A report was compiled and forwarded to the Attorney-General on 11th June, 2010, with the recommendation that the inquiry file be closed.

The Attorney-General accepted the recommendation for closure on 2nd July, 2010.

KACC/ INQ/FI/85/2009

Inquiry into allegations that officials of the National Social Security Fund(NSSF) irregularly procured 30 obsolete and defective internet servers which could not therefore be put to use. It was further alleged that the servers were procured from the same firm that prepared the tender specifications, and that they were being concealed

at Bruce House to avoid detection of the irregularity. The investigations established that contrary to the said allegations, the servers were regularly procured, duly delivered, installed and commissioned and are being utilized by the respective branches of NSSF to their satisfaction. A report was compiled and forwarded to the Attorney-General on 16th June, 2010, recommending closure of the inquiry file.

The Attorney-General accepted the recommendation for closure on 2nd July, 2010.

KACC/AT/INQ/53 (b)/2008

Inquiry into allegations that a former Chief Executive Officer of Miwani Sugar fraudulently made payments of KSh. 330 million to a commercial Bank to clear an outstanding loan on behalf of Miwani Sugar Company Ltd(in receivership). The investigations revealed that the negotiations that culminated in the payment of KSh. 330 million to the commercial bank were initiated, sanctioned and approved by the Ministry of Agriculture and the Kenya Sugar Board, in consultation with other key government ministries and the creditors of Miwani Sugar Company. It was not an initiative or personal decision of the CEO, nor was it fictitious as alleged. There was no evidence that the CEO breached any law or was otherwise culpable to warrant any action against him. A report was compiled and forwarded to the Attorney-General on 26th May, 2010, recommending the closure of the file.

The Attorney-General accepted the recommendation for closure on 14th June, 2010.

KACC/FI/INQ/54/2010

Inquiry into allegations of abuse of office and conflict of interest against the Permanent Secretary, office of the Prime Minister, in influencing the allocation of Strategic Grain Reserve Maize(SGR) to a certain company. The investigation revealed that the company was incorporated in 2004 and the PS was a director in the said company. However, the company never proceeded with the objects for which it was incorporated. The investigation revealed that, the PS's associate decided to use the company's name to apply for allocation of maize. The evidence gathered did not reveal that the PS either knew of his associate's application or influenced the allocation of maize to the company. He also did not write any introductory letter for the company to be allocated maize. No evidence of culpable wrong doing was ascertained to warrant any action against the PS. A report was compiled and forwarded to the Attorney-General on 28th June, 2010, recommending closure of the inquiry file.

The Attorney-General's response is awaited.

KACC/FI/INQ/53/2010

Inquiry into allegations that the Chief of Staff in the office of the Prime Minister, influenced the award of a contract to supply 75,000 metric tonnes of maize to a South African company. The investigations revealed that after the Cabinet approved the import of maize by the National Cereals and Produce Board(NCPB), several supplier firms were identified through tendering and negotiation with the suppliers. The investigation revealed that the award of the contract to the South African firm to supply maize was done in accordance with the provisions of the Public Procurement and Disposal Act, 2005. Contrary to the allegations made against the Chief of Staff in the Prime Minister's office, the investigation showed no indication that the said officer influenced the award of the contract to supply maize to the aforementioned company. There was no evidence of culpability on the part of the said public officer to necessitate either criminal or administrative action against him. A report was compiled and forwarded to the Attorney-General on 28th June, 2010 recommending closure of the inquiry file.

The Attorney-General's response is awaited.

KACC/FI/INQ/92/08

Inquiry into allegations of irregular sale of 3.4 million bags of maize from the Strategic Grain Reserve(SGR). The investigations revealed that the cabinet authorized the importation of maize duty free through NCPB to address the food shortage that was being experienced after a prolonged drought and the post election violence. The government further directed the implementation of a subsidized maize scheme by selling the stock from the Strategic Grain Reserve. The trustees of the SGR Trust Fund who were the Permanent Secretaries, Ministry of Agriculture, Ministry of Finance and Ministry of State for Special Programmes were to oversee the process and give guidelines on the sale of the SGR maize by NCPB. The investigations

revealed that while authorizing NCPB to dispose off the SGR maize, the trustees did not give guidelines and policies to operationalize the sale of the maize. Owing to the lack of supervision by the Trustees, unscrupulous businessmen, middlemen and other interested persons bought maize from NCPB at subsidised prices and later sold it at exorbitant prices. The investigation also showed that there were weaknesses in the regulation and sale of the SGR maize stock. Whereas the evidence obtained did not disclose any offence, it was observed that the three trustees of the SGR failed to carry out their duties as required. A report was compiled and forwarded to the Attorney-General on 30th June, 2010, recommending that administrative action be taken against the following persons;

- The three trustees of the SGR Trust Fund.
- The managing Director, NCPB
- The General Manager Sales and Operations, NCPB
- The Sale and Marketing Manager, NCPB

The Attorney-General's response is awaited.

KACC/INQ/FI/58/2010

Inquiry into allegations of irregular award of tender by the National Cereals and Produce Board(NCPB) for the supply of 75,000 metric tonnes of maize to two private companies. The specific allegation was that the Chief of Staff in the office of the Prime Minister influenced the award of the tender for the supply of maize in respect of the two firms. The investigation has revealed that after the Cabinet approved the importation of maize by the National Cereals and Produce Board(NCPB), several supplier firms were identified through tendering and negotiation with the suppliers. The investigation revealed that the award of the contract to the said firms to supply maize was done in accordance with the provisions of the Public Procurement and Disposal Act, 2005. There was no evidence obtained to show that the Chief of Staff in the office of the Prime Minister influenced the award of the contract to the two firms. No culpability on the part of the said public officer has been ascertained to necessitate either criminal or administrative action against him. A report was compiled and forwarded to the Attorney-General on 30th June, 2010 recommending closure of the inquiry file.

The Attorney-General's response is awaited.

KACC/FI/INQ/57/2010

Inquiry into allegations of irregular sale of 150,000 bags of Strategic Grain Reserve(SGR) maize to a trader at a profit in contravention of a directive issued by the Cabinet. The investigation revealed that the National Cereals and Produce Board(NCPB) was authorized to sell maize from the SGR. The trader purchased maize from NCPB at the government subsidized prices and sold it to millers at a profit, thus defeating the purpose of the subsidy that was intended to benefit the consumers. The investigation further revealed that there were no procedures or guidelines to guide the allocation and sale of maize by NCPB. No register of millers was maintained by NCPB, and therefore anybody posing as a miller would successfully apply for the allocation. However, the investigation did not disclose any evidence of culpability on the part of the officers at NCPB or the trader. A report was compiled and forwarded to the Attorney-General on 30th June, 2010, recommending closure of the inquiry file.

The Attorney-General's response is awaited.

KACC CR.032/52/09 CF KISUMU ACC NO. 566/09

PART II

THE ENERGY (SOLAR WATER HEATING) REGULATIONS, 2010

1. These Regulations may be cited as the Energy (Solar Water Heating) Regulations, 2010.

2. (1) In these Regulations, unless the context otherwise requires—

“Act” means the Energy Act, No 12 of 2006;

“Active solar water heating system” means a solar water heating system that employs a pump to circulate water through a solar collector to a storage tank or to the point of use;

“Cogeneration” means the production of electricity and heat in one single process for dual output streams.

“Commission” means the Energy Regulatory Commission established under section 4 of the Act;

“Direct solar water-heating system” means a solar water heating system in which water is heated directly in the collector;

“Indirect solar water-heating system” means a solar water heating system in which a heat transfer fluid in the collector transfers heat to the water through a heat exchanger;

“Kenya Standard” means the specification or code of practice declared by the National Standards Council under section 9 of the Standards Act;

“Licensee” means the holder of a licence issued under these Regulations and the word “licensed” has a corresponding meaning;

“Minister” means the minister for the time being responsible for energy;

“Passive solar water heating system” means a solar water heating system that employs natural convection to circulate water through a solar collector to a storage tank or to the point of use;

“Premises” means existing, new or alterations and extensions to existing residential or commercial buildings or structures, including but not limited to—

- (a) Small domestic houses as defined in the building code made under the Local Government Act;
- (b) All other domestic dwellings or residential houses;
- (c) Commercial buildings such as Hotels, Lodges, Clubs, Restaurants, Cafeterias, Laundries, eating places and similar premises;
- (d) Health institutions such as Hospitals, Health Centres and clinics and similar medical facilities;
- (e) Educational institutions such as universities, colleges, boarding schools and similar institutions;

“Renewable energy” means all non-fossil sources including, but not limited to biomass, geothermal, small hydro-power, solar, wind, sewage treatment and plant gas;

“solar collectors” include evacuated tube collectors, and glazed and unglazed flat plate collectors;

“solar water heating system”(SWH) means a device or system that uses sunlight to heat water and comprises of solar collectors, storage tanks, controls, installation hardware and fittings.

(2) In these Regulations, unless the context otherwise requires—

(a) any reference to a numbered Regulation or Schedule is a reference to the Regulation or Schedule bearing that number in

these Regulations;

(b) any reference to a numbered paragraph is a reference to the paragraph bearing that number in the Regulation in which the reference occurs;

(c) words importing the singular include the plural and vice versa;

(d) and words importing a gender include any gender;

(3) Any reference to a statute shall include any statutory amendments, modification or re-enactment thereof and subsidiary legislation made thereunder.

3. (1) All premises within the jurisdiction of a local authority with hot water requirements of a capacity exceeding 100 litres per day shall install and use SWH.

(2) Within a period of 5 years from the date of gazettment of these Regulations, all existing premises with hot water requirements of a capacity exceeding 100 litres per day shall install and use SWH.

(3) A person who contravenes the provisions of this Regulation commits an offence and shall, on conviction, be liable to a fine not exceeding two million shillings, or to a term of imprisonment of two years, or to both.

Provided that the provisions of Regulation 3 (3) shall not apply to existing premises.

4. (1) The Commission may grant an exemption from these Regulations to—

(a) Premises with hot water requirements not exceeding 100 litres per day;

(b) Premises with technical limitations such as high rise buildings with insufficient roof area;

(c) Premises incapable of incorporating SWH due to their special circumstances.

(d) Premises supplied with hot water from a cogeneration plant in or proximate to the premises;

(e) Premises utilising electricity generated from renewable energy and the excess is used to heat water as a dump load.

(f) Such other premises as the Commission may determine.

(2) An application for an exemption shall be made to the Commission before submission of the building plans for approval to the relevant local authority in the Form 1 set out in the First Schedule;

(3) The Commission shall process all applications for an exemption within forty five days and inform the applicant and the relevant local authority;

(4) The Commission shall, where it refuses to grant an exemption, give the applicant reasons for the refusal.

5 (1) All premises shall have a minimum annual solar contribution of 60% to the premises hot water demand.

(2) The daily hot water demand shall be calculated using the specific hot water demand values in the Form 2 set out in the Second Schedule.

6. (1) A developer of a housing estate, a promoter of the construction, an owner of the premises or an Architect and an electro-mechanical engineer shall comply with these Regulations.

(2) An Architect and an Engineer shall incorporate SWH in all new premises designs and extensions or alterations to existing premises.

(3) An owner or occupier of premises installed with SWH shall use and carry out operation, maintenance and repairs required to keep the installation in good and efficient working condition.

(4) An electric power distributor or supplier shall not provide electricity supply to premises that have not installed SWH in accordance with these Regulations.

(5) A person who contravenes the provisions of this Regulation commits an offence and shall, on conviction, be liable to a fine not exceeding two million shillings, or to a term of imprisonment of two years, or to both.

7 (1) The Commission or its agent may carry out inspection, in relation to the installation of SWH in premises, in accordance with section 24 of the Act.

(2) Where the Commission finds that the provisions of these Regulations have been contravened by the owner or occupier of the premises or that a condition has arisen that has the potential of

contravention of these Regulations, the Commission or its agent may issue a compliance notice thereof.

(3) A notice issued under this Regulation shall state:

(a) the provisions of the Regulations that have been contravened;

(b) the measures that shall be taken to rectify the contravention;

(c) the period within which the notice shall be complied with.

(4) A person who contravenes a notice issued pursuant to an inspection, and after the expiry of the stipulated time, shall, on conviction, be liable to a penalty not exceeding Kenya Shillings ten thousand for residential premises and thirty thousand for all other premises for each day or part thereof that the contravention continues.

8 (1) No person shall use or employ for or in connection with any of the purposes of SWH any mode, material or apparatus other than that which complies with the Kenya Standard.

(2) A Solar collector shall be of the unglazed flat plate, glazed flat plate or evacuated tube collector technologies.

(3) A glazed and evacuated tube collector shall be used in all installations except installations for heating swimming pools which may use unglazed collectors.

(4) Solar collector panels shall be insulated to improve their thermal efficiency performance.

(5) SWH may be active or passive, direct or indirect.

Provided that for water heating systems with a hot water demand of a capacity exceeding 1000 litres per day, an active system shall be required and in the case of a hot water demand of a capacity not exceeding 1000 litres per day, a passive system may be used.

(6) The storage capacity of SWH shall be equal to or more than 1.5 times the daily hot water demand of the installation.

(7) Hot water storage tanks shall be insulated.

(8) All components selected for use in the installation of SWH shall be corrosion resistant.

(9) Selection of components for plumbing works in SWH shall be in accordance with the planning and building code made under the Local Government.

9. (1) Back up water heater systems utilizing traditional fuels, that is, electricity, gas, or similar fuels, may be installed in the buildings to ensure adequate hot water supply at all times. The back up systems may be integrated into SWH system or be separate.

(2) The conventional back-up system shall be designed to supplement SWH. It shall operate only when strictly necessary to supply the energy deficit from solar collectors due to adverse weather conditions or SWH defects.

10. (1) Solar collectors shall be installed at an angle between 10° and 20° from horizontal plane and/or facing the equator;

Provided that the solar collector area shall be increased by 10% for tilt angles of up to 30° and 20% for tilt angles of up to 40° for technical or aesthetic reasons and/or increased by 10% if the deviation from the direction of the equator is above 25°.

(2) The design, installation, repair and maintenance of SWH shall be in accordance with the Code of Practice – Solar Water Heating For Domestic Hot Water, Kenya Standard KS 1860:2008

(3) The design, installation, repair and maintenance of SWH shall also be in accordance with the building code made under the Local Government Act.

11. (1) A person shall not carry out any SWH installation work unless the person is licensed by the Commission as a SWH technician or a contractor:

(2) To be licensed by the Commission as a SWH technician a person must have—

(a) a minimum of Grade 2 level of training in plumbing or welding works; and

(b) a minimum of 3 years experience in plumbing or welding works.

(3) To be licensed by the Commission as a SWH contractor a person must—

(a) have in his employment, a licensed SWH technician; and

(b) be registered by the Ministry of Public Works.

(4) A person desirous to be licensed as a SWH technician or a

Type of Building Premises	Specific Daily Hot Water Demand (DHWD) in litres per day at 60 °C
Domestic residential houses	30 per person
Educational institutions such as colleges and boarding schools	5 per student
Health institutions such as Hospitals, Health Centres, clinics and similar medical facilities	50 per bed
Hotels, Hostels, Lodges and similar premises providing boarding services	40 per bed
Restaurants, Cafeterias and similar eating places	5 per meal
Laundries	5 per kilo of clothes

contractor shall make an application in the Form 3 set out in the Third Schedule, and such application shall be accompanied by application fees of Ksh 500 for SWH technicians and Ksh 1,000 for contractors.

(5) The Commission may require and cause such applicant, for the purpose of ascertaining his ability to undertake, engage in or perform SWH installation work, to be examined, in such manner as it may determine, upon any matter or thing in connection with his application

(6) The Commission shall process all applications expeditiously and in any case, not later than ninety days from the date of the application, and it may -

(a) grant the licence applied for accordingly, either without conditions or subject to such conditions as it may deem fit, or

(b) refuse to grant the licence applied for, giving reasons thereof.

(7) A licence issued under this Regulation shall be valid for two years from the date of issue.

12 (1) An application for renewal of a licence shall be made at least thirty days before the expiry date of the current licence and must be accompanied by the applicable fee.

(2) A person who contravenes paragraph (1) shall be liable to a penalty equivalent to twenty five percent of the applicable fee.

(3) Where, upon application, it is shown to the satisfaction of the Commission that a licence has been lost, destroyed or defaced, the Commission may issue a duplicate licence upon payment of the applicable fee.

13. (1) The Commission shall maintain a register of all licensed SWH technicians and contractors for the time being licensed under these Regulations.

(2) The contents of the register shall be available for inspection by the public.

(3) All SWH technicians and contractors registered by the Commission shall be required to keep records of all installed solar water heating systems, specifying the location, capacity and type

(4) A person who contravenes the provisions of paragraph (3) commits an offence and shall, on conviction, be liable to a fine not exceeding two million shillings, or to a term of imprisonment of two years, or to both.

14 The incorporation of SWH in premises shall comply with all other relevant technical, legal and regulatory requirements applicable in Kenya.

15 Where any default in or contravention of any of the provisions of these Regulations is made for which no fine or penalty is expressly stated, the person so defaulting or contravening shall, on conviction, be liable to a fine not exceeding one million shillings, or to a term of imprisonment of one year, or to both.

SECOND SCHEDULE

FORM 2

HOT WATER DEMAND CALCULATIONS (r. 5)

- (a) Hot Water Demand calculations at other temperatures (T) shall be adjusted for the 60 °C reference temperature. For the purposes of making the adjustment, the following equation shall be used—

$D(T) = D(T_{60}) \times (T-15)/45$ The equation assumes that the cold water temperature (inlet water temperature) is 15 °C and a linear relationship. 45 °C is the difference between 60 °C and 15 °C.

- (b) For buildings with seasonal variations in hot water demand such as Hotels, game Lodges, and similar premises, the

demand may be adjusted by an annual occupancy rate of factor of not less than 70%.

- (c) In calculating demand, it shall be assumed that the daily hot water demand is constant, through out the year.
- (d) In calculating demand for domestic residential houses, the number of persons shall be taken to be equal to the number of bedrooms plus one.
- (e) In calculating the heat load of SWH system, heat losses in the hot water distribution system shall be taken into account.

THE ENVIRONMENTAL MANAGEMENT AND CO-ORDINATION ACT

(No. 8 of 1999)

THE NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY

ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT FOR THE PROPOSED VOI-TAVETA 132Kv SINGLE CIRCUIT TRANSMISSION LINE

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of Environmental (Impact Assessment and Audit) Regulations, the National Environment Management Authority, (NEMA) has received an environmental impact assessment study report for the proposed Voi-Taveta 132kV Single Circuit Transmission Line.

The construction of the transmission line will involve the following activities:

- Valuation and compensation of affected people's property and resettlement;
- Land acquisition to accommodate the 110km transmission line;
- Clearing of the transmission line's 30m wide Right of Way (ROW) along the 110km route;
- Excavation of the foundations of the tower pads;
- Construction of tower pad foundation;
- Mounting of the towers on the pads and
- Stringing of the conductors over the entire distance;
- Rehabilitation of any disturbed areas;

The Proposed site starts from Voi Town located on the Mombasa-Nairobi Highway and runs westwards through Mwatate, Maktau to Taveta town covering a total distance of 110 km. crossing through three (3) new created districts namely Voi, Mwatate and Taveta which resulted from the subdivision of the former Taita Taveta District, Coast Province.

The project anticipates the following impacts and mitigation measures:

Possible Impacts	Mitigation Measures
Loss of habitat, flora and fauna	<ul style="list-style-type: none"> • Utilize appropriate clearing techniques (e.g. Hand clearing as opposed to mechanized clearing) by using human labour as opposed to heavy machinery; • Maintain native ground cover and low growing vegetation beneath along the Right Of Way (ROW) by selective removal of tall-growing tree species and allowing low-lying grasses and shrubs in transmission line rights-of-way; • Minimizing clearing and disruption to riparian vegetation; • Use of discontinuous maintenance roads to reduce access to wild lands and encroachment.
Soil Erosion	<ul style="list-style-type: none"> • Soils excavated for the construction of the towers shall be used for backfilling; • Soils shall not be left exposed to wind/water for long; • Riverine vegetation shall be minimally disturbed during the construction to reduce soil erosion and safeguard the riverbank; • Excavation activities to be done preferably during the dry season to avoid soil erosion and siltation of streams;

Possible Impacts

Mitigation Measures

Air Pollution	<ul style="list-style-type: none"> Control speed of construction vehicles; Minimize idling of vehicles; Water shall be sprayed during the construction phase on excavated areas to reduce dust emission; Ensure regular maintenance of plant and equipment; Provision of dust masks for use while working - in dusty conditions; Use of serviceable vehicles and machinery to avoid excessive smoke emission.
Noise pollution	<ul style="list-style-type: none"> Noise reduction/ hearing protection devices when working with noisy equipment; Use serviceable equipment with low noise emission; Instruct truck and machinery operators to avoid raving of engines.
Solid Waste Management	<ul style="list-style-type: none"> Provide solid waste collection facility (disposal container) for the temporary storage of waste prior to disposal at an appropriate and designated location; Provide storage yards with solid waste disposal facilities such as waste bins/chutes; Liaise with the local authorities on suitable dumping sites for spoils.
Risk of fire	<ul style="list-style-type: none"> Monitor the ROW vegetation that is more susceptible to fire No burning of any materials wherever should be permitted at the site
Human Disturbance	<ul style="list-style-type: none"> Provide appropriate relocation options to displaced persons; Ensure displaced persons are informed about their options and rights pertaining to resettlement; offered choices and provided with alternatives; Provide prompt compensation at full replacement cost for losses of assets attributable directly to the project; offer support after displacement, for a transition period, based on a reasonable estimate of the time likely/to be needed to restore their livelihood and standards of living; Provide development assistance in addition to compensation measures.

THE NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY

ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT FOR THE PROPOSED RESETTLEMENT PROGRAMME IN CHEPYUK PHASE II AND III SETTLEMENT SCHEME IN MOUNT ELGON DISTRICT

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of Environmental (Impact Assessment and Audit) Regulations, the National Environment Management Authority, (NEMA) has received an environmental impact assessment study report for the proposed resettlement programme.

The project is for the proposed degazettement and excision of Chepyuk Phase II and III Settlement Scheme from Mt. Elgon Forest Reserve which has been considered by the Government for the purposes of resettlement among other tasks. A total of 7,750 hectares were authorized by the Government to comprise Chepyuk Settlement Scheme Phase I, II and III.

The proposed project is located in Chepyuk Location, Kopsiro Division in Mt. Elgon District, Western Province. Phase II lies in Korongotuny, and partly in Kabura Sub-locations while Phase III lies in Emia and Chepyuk, Kaimugul and partly Kabura Sub-locations.

The project anticipates the following impacts and mitigation measures:

Possible Impacts	Mitigation Measures
Waster generation	<ul style="list-style-type: none"> • Ensure the collection of all waste in a designated area. The waste shall also be sorted to separate re-usable/recyclable waste from the rest. • Non-reusable/recyclable waste shall be disposed in the designated dumping site.
Air quality	<ul style="list-style-type: none"> • Ensure that all machinery and vehicles are regularly serviced and well maintained. • Dust generated during excavation and delivery of construction inputs shall be managed through sprinkling of the site with water. • Ensure that transport of materials and wastes is done in covered trucks to contain any dust. • Different Environment Impact Assessment for each factory to be constructed be done.
Water resources	<ul style="list-style-type: none"> • Ensure all debris due to construction are well disposed or backfilled. • Ensure conservation of environmental hotspots like wetlands. • Delineating and protecting wetlands and environmental hot spots. • The community to be educated on conservation of riparian reserves and shown where not to cultivate. • Surveyors to take into consideration riparian reserves. • Latrines should be dug to the standard height and the right places far from the river valleys. • All the water springs to be protected, cattle drinking points be constructed.
Noise pollution	<ul style="list-style-type: none"> • Measures shall be put in place to prevent unnecessary noise from the equipment and tools used in order to avoid discomfort and nuisance among the construction workers.
Soil erosion and pollution	<ul style="list-style-type: none"> • Ensure the minimal soil is excavated or disturbed. The excavated soil shall also be used as much as possible at the site in landscaping purposes to reduce the soil transferred from the site. • Educate, train and encourage the community to practice good methods of cultivation and land management including terracing to enhance soil conservation. • Demarcate riparian zones for conservation. • Safe use of agro chemicals and disposal
Forest	<ul style="list-style-type: none"> • Fence and protect the forest from encroachment. • Avoid disturbances as much as possible. • The beneficiaries to practice farm plantation to provide them with firewood energy. • Introduce alternative sources of energy.
Possible Impacts	Mitigation Measures
Waste water management	<ul style="list-style-type: none"> • Proper disposal of waste water

- Solid waste management • Introduce solid waste receptacles.
- Sort out waste at source
 - Promote, reduces re-use and recycling of the waste.
 - Built incinerators.
 - Designate disposal sites.

The full report of the proposed project is available for inspection during working hours at:

THE NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY

ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT FOR THE PROPOSED LAKE VICTORIA ECOLODGE IN KISUMU IMPALA SANCTUARY, KENYA

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of Environmental (Impact Assessment and Audit) Regulations, the National Environment Management Authority, (NEMA) has received an environmental impact assessment study report for the proposed Lake Victoria Eco-Lodge.

The proposed project will be 24-bed high-end luxury eco-lodge at the site to offer tourist accommodation, catering services and act as a base for various tourist activities within the Sanctuary and will include:

- Reception and lounge,
- Restaurant and bar,
- Visitor information and interpretation Centre,
- Gift shop
- "Obama" Dhow

The proposed project is located within the Kisumu Impala Sanctuary in Nyanza Province.

The project anticipates the following impacts and mitigation measures:

Possible Impacts	Mitigation Measures
Soil erosion	<ul style="list-style-type: none"> • Localize soil compaction • Limit excavation for reticulation and landscaping
Noise pollution	<ul style="list-style-type: none"> • Optimal scheduling of transport to minimize movements in and out of the park

Possible Impacts	Mitigation Measures
	<ul style="list-style-type: none"> • Sensitize vehicle drivers to avoid hooting and raving of engines

	<ul style="list-style-type: none"> • Maintenance of plant and machinery • Instituting a modicum of silence for construction workers • Use of double-skinned silenced generator • Adherence to minimum speed limit by vehicles
Storm water management	<ul style="list-style-type: none"> • Use of precast open channels, culverts and headwalls to channel storm water
Visual intrusion	<ul style="list-style-type: none"> • Use of materials that will reflect local elements and blend with the natural surroundings. • All built environments will be camouflaged and hidden from a casual observer • The structures will use local materials sourced from outside the Sanctuary. • The setting of the facilities will ensure that they do not reflect sunlight to avoid glare. • Brightness of security lights will be just sufficient to deter animals and give light for walking around.
Solid waste management	<ul style="list-style-type: none"> • Sorting of solid waste at source • Collection of solid waste and storage in vermin proof containers • Disposal in offsite approved garbage dumps • Recycling of biodegradable solid waste • Storage of solid waste in vermin proof storage facilities. • Encourage recycling and re-use of construction material left-over
Air pollution	<ul style="list-style-type: none"> • Regular wetting surfaces to be worked on • Adherence to recommended speed limits of <40KPH • Surface treatment of access roads to approved standards. • Ensure strict enforcement of on-site speed limit regulations • Avoid excavation works in extremely dry weathers • Sprinkle water on graded access routes whenever necessary to reduce dust generation by vehicles • Use of scrubbers, catalytic reactors to mitigate air pollution from the factory
Loss of Biodiversity	<ul style="list-style-type: none"> • Due to loss of some fauna and flora species, landscaping and re-vegetation with indigenous species will be encouraged • Encourage catch and release fishing • Proper selection of routes and sites for visitor and staff activities away from known wildlife mating, roosting and nesting sites
Possible Impacts	<p><i>Mitigation Measures</i></p> <ul style="list-style-type: none"> • Visitor education and briefing on human/wildlife interaction • Use of local plant species in landscaping

Waste water management	<ul style="list-style-type: none"> • Use of BioBox biological sewage treatment system.
Petrochemical contamination	<ul style="list-style-type: none"> • Have fuel storage facility located away from other activities and fire sources; • Have fuel tanks constructed from standard globally accepted materials; • Pay attention to soil types when locating fuel tanks to ensure they are not sited where corrosion could easily occur; • Restrict movement around this facility by providing a perimeter fence and putting in place signage on facility use and procedures
Security	<ul style="list-style-type: none"> • Imposing security patrols by game rangers especially at night
Occupational Health and Safety	<ul style="list-style-type: none"> • Education and instruction on safety procedures, details and contact of rescue personnel • Supply employee with proper working clothes and equipment • Staff and visitor education and briefing on human/wildlife interaction • Discourage feeding through guest and staff education on proper conduct • Staff activities to be confined to specific designated areas • Staff education on chemical and material handling. • Regular fire drills and staff education on fire safety and first aid • Maintain serviceable fire equipment • Insurance against fire risk

The full report of the proposed project is available for inspection during working hours at:

- (a) Director-General, the National Environment Management Authority (NEMA), Kapiti Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.

**IMPORTANT NOTICE TO SUBSCRIBERS TO
THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette*, *Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typewritten with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Dates must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE CODE OF REGULATIONS, SECTION D—

Kenya Gazette

"D 34. (1) Communications for the *Kenya Gazette* should reach the Government Printer not later than 9 a.m. on Friday of the week before publication is desired. The Government Printer will not publish communications received after that hour until the next subsequent issue of the Gazette.

(2) Ministries will be required to pay for the *Kenya Gazette* and to meet the cost of advertising in it.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
