Box 45351-00100, Nairobi in the Republic of Kenya, is registered proprietor of that piece of land known as Kajiado/Olchoro Onyore/38, situate in the district of Kajiado North, and whereas the senior resident magistrate's court at Kajiado, has ordered that 10 acres of the said piece of land be transferred to Erenest Letoya ole Mpaayei, of P.O. Box 4822797, Nairobi, and whereas the executive officer of the said court executed on instrument of mutation in favour of Erenest Letoya ole Mpaayei, of P.O. Box 4822797, Nairobi, and whereas all efforts made to compel the registered proprietor to surrender the land title deed issued to the land registrar have failed, notice is given that after the expiration of thirty (30) days from the date hereof, provided no valid objection has been received within that period, I intend to dispense with the production of the said land title deed and proceed with the registration of the said instrument of mutation and transfer and issue a land title deed to the said Erenest Letoya ole Mpaayei, and upon such registration the land title deed issued earlier to Nellie Wanjiru Kairo shall be deemed to be cancelled and of no effect.

Dated the 8th August, 2013.

R. K. KALAMA,

THE ANTI-CORRUPTION AND ECONOMIC CRIMES ACT

(Cap. 65)

THE ETHICS AND ANTI-CORRUPTION COMMISSION ACT

(No. 22 of 2011)

SECOND QUARTERLY REPORT FOR THE YEAR 2013 COVERING THE  
PERIOD 1ST APRIL, 2013 TO 30TH JUNE, 2013

## Preamble:

The Ethics and Anti-Corruption Commission is required under section 36 of the Anti-Corruption and Economic Crimes Act, 2003, to prepare quarterly reports setting out the number of reports made to the Director of Public Prosecutions under section 35 of the Anti-Corruption and Economic Crimes Act, 2003 as read with Section 11(1) (d) of the Ethics and Anti-Corruption Commission Act, 2011.

Section 36 provides that:

1. The Commission shall prepare quarterly reports setting out the number of reports made to the Director of Public Prosecutions under section 35 and such other statistical information relating to those reports, as the Commission considers appropriate.
2. A quarterly report shall indicate if a recommendation of the Commission to prosecute a person for corruption or economic crime was not accepted.
3. The Commission shall give a copy of each quarterly report to the Attorney General.
4. The Attorney General shall lay a copy of each quarterly report before the National Assembly.
5. The Commission shall cause each quarterly report to be published in the Gazette.

This report is therefore made pursuant to section 36 of the Anti-Corruption and Economic Crimes Act, 2003. The report covers the first quarter of the year 2013 and is for the period commencing 1st April, 2013 to 30th June, 2013.

KACC/KSM/FI/INQ/06/2011

Inquiry into allegations of misappropriation of KSh. 490,000, funds allocated to Saroiyot Bridge by the Eldoret South Constituency Development Fund.

Investigations established that in the 2009/2010 financial year, A SUM OF KSh. 490,000 drawn from the Constituency Development Fund was allocated for the Saroiyot Bridge Project by the Eldoret South Constituency Development Fund Committee. The money was deposited in an account opened by the Project Management Committee (PMC) for the said project. Investigations however

established that the said PMC was a creation of four persons who put in an elaborate scheme to fraudulently dispose of the CDF funds. The four suspects purported to register a Self Help group for purposes of receiving the funds allocated for the bridge. It was established that the purported registration was irregular, since the registration number issued for Saroiyot Bridge project was for another project. The Certificate of Registration issued to the suspects for their self help group was established to be a forgery.

Investigations further revealed that after the suspects purporting to be the bona fide PMC for the Saroiyot Bridge Project received the KSh. 490,000, they withdrew the entire sum. However, the funds were not utilized for the intended purpose, which was the bridge. They jointly conspired to embezzle the money and could not account for it. The bridge which was intended for the benefit of the local community was also not constructed. The evidence revealed that the suspects were culpable for embezzlement of CDF funds.

A Report was compiled and forwarded to the DPP on 20th May, 2013 with recommendations that the suspects namely the four officials of the Saroiyot Bridge Project be charged with the offences of Fraudulent acquisition of public property contrary to section 45 (1) (b) of the Anti- Corruption and Economic Crimes Act, 2003 and Misappropriation of CDF Funds contrary to section 51 of the CDF Act.

On 25th June, 2013, the DPP accepted the recommendation for prosecution of the suspects.

EACC/NYR/FI/INQ/7/2011

Inquiry into allegations of embezzlement KSh. 1, 181,800 Local Authority Transfer Fund (LATF) disbursed for the construction of Karama Dispensary in Nyambene County Council and making fictitious payment for non-existing road projects.

The investigations established that in the 2010/2011 Financial Year, the Ministry of Local Government disbursed LATF funds to the County Council of Nyambene. The money was meant for the implementation of projects that included construction of dispensaries and grading of roads in specific wards. Investigations also established that the projects were to be identified by the local community. The construction of six dispensaries was identified. One such dispensary was the Karama Dispensary.

Investigations established that whereas money was specifically allocated for the said dispensary, it was purportedly diverted for road grading. This was however done without the requisite approval required from the Council and from the local community that had agreed on the construction of the dispensary. The purported change of the project was manoeuvred by the Councillor of Karama Ward who alleged that due consent had been granted. However, investigations established that the purported use of the funds meant for the dispensary to grade the roads in Karama Ward was a cover up for the Councillor and others to embezzle the money. Whereas the Councillor purported that the sum of KSh. 1,181,800 was paid to casual workers who did the manual road grading, the investigations established that no road works were carried out, nor were any casual workers paid.

Investigations further established that forged documents were used in a bid to account for the money. These included a forged Completion of Certificate presented as evidence of the purported road grading and false payment schedules for the purported casual workers. It was established that the sum of KSh. 1,181,800 was received by the Councillor with the authority and knowledge of the Council Treasurer and Clerk. The LATF funds were neither used for the construction of the dispensary as intended nor the road grading but were embezzled.

A Report was compiled and forwarded to the Director of Public Prosecutions on 10th June, 2013 with the recommendation that the suspects, namely; the former Councillor of Karama Ward, the Nyambene County Council Clerk and Treasurer be charged jointly with the offences of Abuse of Office contrary to section 46 and Fraudulent making payment from public revenue contrary to section 45(2) (a) of the Anti- Corruption and Economic Crimes Act, 2003; and the Councillor be charged with uttering false documents contrary to section 353 and false accounting by a public officer contrary to section 331 (1) of the Penal Code.

On 1st July, 2013, the DPP accepted the recommendation for prosecution.

EACC/FI/INQ/31/2012

Inquiry into allegations that a Supply Chain Management Assistant in the Ministry of Public Works, failed to account for 2,172 reams of

photocopying papers worth KSh. 4,316,000 while he was in charge of the Central Stores

The investigations established that sometime in August, 2009 the Ministry of Public Works was given the mandate to undertake documentation for the various projects under the Economic Stimulus Programme (ESP). The Ministry therefore received funds to procure 13,000 reams of photocopying papers. These reams were purchased at a cost of KSh. 4,316,000. The suspect was mandated to collect the photocopying papers from the Central Stores. Investigations revealed that he collected the reams of paper, but before he could collect all, he was transferred to another Department.

Investigations further established that even after the said transfer, the suspect without authority, returned to the stores on various dates and collected 2,172 reams of paper worth KSh.755,856. He however did not deliver them to their destination, nor did he account for them when he was asked to.

A Report was compiled and forwarded to the Director of Public Prosecutions on 10th June, 2013 with recommendations that the suspect be charged with the offence of unlawful acquisition of public property contrary to section 45 (1) (a) of the Anti- Corruption and Economic Crimes Act, 2003.

On 2nd July, 2013 the DPP accepted the recommendation for prosecution.

EACC/MSA/FI/INQ/5/13

Inquiry into allegations of irregular transfer of KSh. 2 million CDF funds allocated to Mrima Secondary School to Likoni Secondary School

The investigation revealed that the National CDF Board through the Likoni CDF Committee allocated a sum of KSh. 9 million for the construction of an administration block at Mrima School. While the CDF project was on going, the CDF Fund Manager, Likoni, the school Principal and the Chairman of the Board authorized the transfer of KSh. 2 million meant for the said project to Likoni Secondary School. Such transfer was unlawful as stipulated in the CDF Act.

However, investigations established that the said transfer by the three officials was effected after much pressure was put on them by the area M.P. It was further established that transfer of the CDF funds from one project to another was a common practice in Likoni.

The Commission was of the opinion that due to the fact that the area MP may have influenced the transfer but without anything on record, this is a matter that administrative action would suffice against the Fund Manager and the officials of the Mrima School.

A Report was compiled and forwarded to the DPP on 24th May, 2013 with recommendations that administrative action be taken against the three officers who authorized the transfer of funds.

On 3rd July, 2013, the DPP advised that the three officials, be charged with the offence of wilful failure to comply with the law relating to procurement contrary to section 45 (2) (b) of the Anti- Corruption and Economic Crimes Act, 2003.

EACC/NYI/FI/INQ/02/2011

Inquiry into allegations of abuse of office against public officers attached to the Nyeri District Lands Office. It was alleged by the complainant that he was unlawfully dispossessed of his land through corrupt means and in collusion with officers at the Nyeri Lands Office

The investigations revealed that several public officers at the Nyeri Lands Office colluded with private persons, approved and registered the Transfer of a parcel of land belonging to the complainant notwithstanding the subsistence of a valid Caution and a court order in respect of the same title. As a result, the complainant who was in occupation of the land was evicted from the land after it was transferred to a third party. Investigations further established that false documents were used in the Land Control Board and in the assessment of stamp duty. The Green card was also forged to facilitate the irregular transfer of the land in question.

A Report was compiled and forwarded to the DPP on 27th May, 2013 with recommendations that all the suspects be jointly charged with conspiracy to commit an offence of corruption contrary to section 47(a)(3) of the ACECA. It was further recommended that the Land registrar who assessed the stamp duty be charged with forgery contrary to section 345 of the Penal Code.

On 2nd July, 2013, the DPP accepted the recommendation for prosecution.

KACC/FI/INQ/56/2011

Inquiry into allegations of misappropriation of public funds amounting to KSh. 19 million in the construction of Manguva Water and Sanitation Project in Mwingi District

The investigations established that the Manguva Water and Sanitation Project was a project approved and funded by the Water Services Trust Fund. This was a community based project and was being implemented by a local NGO. The Water Trust was to contribute KSh. 27, 327,500 towards the project. Investigations further established that pursuant to the said funding, the NGO sourced for and identified a contractor through procurement. The contractor commenced works on the project but the dam walls that were constructed were washed away by torrential rains before completion of the project.

Investigations further established that at the time the damage occurred, the Water Services Trust Fund had already disbursed KSh. 19,585,543 to the NGO. The fund engaged an expert to conduct an investigation to establish the cause of the damage. The report by the expert revealed that the damage was as a result of poor design and construction, as well as insufficient supervision of the works. The Fund terminated the contract and stopped further disbursements. The project was taken over and completed by the National Water Conservation and Pipeline Corporation. Investigations established that the dam is being used by the community for domestic and livestock needs. The Fund also instituted a Civil Suit for the recovery of the sum of KSh. 10,163,479.15 from the NGO being payment received for uncompleted works.

The investigations did not establish any misappropriation of the money allocated for the Manguva Dam Project. They only established that the contract with the NGO was terminated after the dam was damaged before completion due to poor workmanship. No culpability was however established to warrant any criminal proceedings against the officials of the Water Services Trust Fund and the NGO.

A Report was compiled and forwarded to the Director of Public Prosecutions on 6th June, 2013 with recommendations that the inquiry file be closed.

On 2nd July, 2013, the DPP accepted the recommendation for closure of the inquiry file.

KACC/FI/INQ/19/2012

Inquiry into allegations of conspiracy between a former Chair of the Law Society of Kenya (LSK) and former Town Clerk, City Council of Nairobi to defraud the Nairobi City Council through verification of legal fees and diversion of a contract meant for the LSK to the chairman's law firm.

Investigations revealed that the Town Clerk, City Council, being concerned with the huge debts arising from legal fees in litigations against the Council, requested the former chair of LSK to carry out a verification exercise. This was to ascertain the authenticity of the legal fees being claimed by the lawyers.

Investigations further established that the verification was duly done and the LSK chair submitted the Report to the Council. The LSK chair did not charge the Council any fees for the benefit of his law firm as alleged. The investigation did not establish any conspiracy between the Town Clerk and the LSK chair to defraud the City Council of Nairobi. There was no culpability established to warrant any action against them.

A Report was compiled and forwarded to the Director of Public Prosecutions on 19th April, 2013 with recommendations that the inquiry file be closed.

On 13th June, 2013, the DPP accepted the recommendation for closure of the inquiry file.

KACC/FI/INQ/155/2010

Inquiry into allegations that officials of the Municipal Council of Nanyuki (Council) fraudulently and without following the laid down public procurement procedures irregularly bought 93 acres of land for cemetery at a cost of KSh. 4,185,000.

Investigations established that sometime in 2008, a need arose for the Council to acquire alternative land for cemetery purposes since the existing cemetery was full. The purchase was recommended by the Department of Public Health. Approval for the purchase of land was

given by the relevant committee of the Council. Investigations further established that the procurement process was commenced and an Expression of Interest for the sale of the cemetery land was advertised in the newspapers. Evaluation of the bids received was carried out and the Tender Committee awarded the tender to the most responsive and lowest evaluated bidder who was to sell the Council 93 acres of land.

Investigations also established that the land was valued by the Ministry of Lands and its suitability for use as a cemetery ascertained by the Public Health Department. The seller was duly paid the sum of KSh. 4,185,000 after entering into and signing an agreement with the Council. The investigations did not reveal irregularities or non-compliance with the Public Procurement and Disposal Act and the Regulations in the purchase of the land nor was the price exaggerated. No culpability was established on the part of the Council officers who were involved in the purchase of the cemetery land to warrant any action being taken against any of them. The Council did not also incur any financial loss in the said purchase.

A Report was compiled and forwarded to the Director of Public Prosecutions on 26th June, 2013 with recommendations that the file be closed.

On 2nd July, 2013, the DPP accepted the recommendation for closure of the inquiry file.

KACC/FI/INQ/43/2011

Inquiry into allegations that the Nairobi Water and Sewerage Company Limited (NWSCL) has been paying debt collection fees for accounts that do not exist or accounts that have already been settled.

Investigations established that in its 2009/2010 Annual Business Plan, the Company prioritized sustainable revenue growth. To achieve this, it decided to outsource debt collection services for purposes of recovering debts that stood at KSh. 5 billion. An invitation for bids to provide consultancy services for debt collection was advertised. Several bids were received and after due procurement was followed; the successful firms were awarded the contract. Investigations further established that the firms commenced the debt collection exercise in the various regions under the supervision of the Regional Managers who were to allocate the cut off period for debt collection.

Investigations further established that the contracted firms performed the task of debt collection and invoiced the NWSCL for services rendered. The firms were duly paid at the agreed commission rate. There was no evidence to show that NWSCL paid the debt collectors for services not rendered, nor that any public money was lost in the exercise.

A Report was compiled and forwarded to the Director of Public Prosecutions on 13th June 2013 with the recommendation that the inquiry file be closed.

On 2nd July, 2013, the DPP returned the file for further investigations.

EACC/FI/INQ/28/2012

Inquiry into allegations of irregular procurement of a school bus by the management of Kimati Secondary School using funds from the Bumula Constituency Development Fund.

Investigations established that sometime in 2005, the school purchased a school bus for KSh. 1.5 million. The school borrowed money from other schools to pay for the bus. The school also received KSh. 600,000 from the Bumula CDF. The bus after sometime developed mechanical problems and was therefore disposed of. Investigations further established that the school purchased a new bus after the disposal of the old one.

Investigations also established that at the time of the purchase and disposal of the buses, the school did not have a Tender Committee or Disposal Committee to approve the sale and disposal. It was evident that the Board of Governors (BOG), the school Principal and the PTA resolved to buy a bus and also dispose of the old one. They also used KSh. 600,000 CDF funds allocated for the school laboratory to pay for the bus. This was contrary to the public procurement procedures and the Constituency Development Fund Act.

Nonetheless, the investigations did not establish any loss of public funds or personal financial gain on the part of either the school Principal or the BOG members. It was however evident that the management of the Board and the school Principal were not well conversant with the public procurement laws and regulations.

A Report was compiled and forwarded to the Director of Public Prosecutions on 17th June, 2013 with recommendations that; the current and former Principal of the school and the Board of Governors be warned against non-compliance with procurement laws and regulations, the Ministry of Education be advised to train school principals of public schools of the requirements and need to comply with the Public Procurement Law and Regulations in their procurements and use of CDF funds; and the Commission (EACC) to educate and create awareness in public schools on the issues of procurement.

On 28th June, 2013, the DPP accepted the recommendation for administrative action.

EACC/KSM/OPS/INQ/5/2012

Inquiry into allegations of corruption against a Zonal Quality Assurance and Standards officer in Ombeyi Zone, Muhoroni District. It was alleged that the suspect solicited for a benefit from the complainant as an inducement to help hi gain entry to a Teachers Training College.

The investigation revealed that the suspect who is an employee of the Ministry of Education corruptly solicited for and received a benefit of KSh. 10,000 from the complainant as an inducement to facilitate his selection to join a Teachers Training College as a P1 Trainee Teacher. She was arrested upon receipt of the benefit.

A Report was compiled and forwarded to the DPP on 20th May, 2013 with recommendations that the suspect be charged with the offences of corruptly soliciting for and receiving a benefit contrary to section 39 (3) (a) of the Anti- Corruption and Economic Crimes Act, 2003.

On 21st June, 2013, the DPP accepted the recommendation for prosecution.

EACC/40476/2013

Inquiry into allegations of corruption against an Advocate based in Nyeri County. It was alleged that the Advocate corruptly solicited for a benefit from the complainant as an inducement to assist her obtain a favourable judgement in a case in which she was the complainant.

The investigations established that the advocate solicited for the money and indeed received a sum of KSh. 8,000 given to him by the complainant in a trap operation. However, whereas the advocate received the money, the Commission was of the opinion that an offence under section 39 (3) (a) of the Anti- Corruption and Economic Crimes Act, 2003 would not be sustained since the essential elements of the offence under the said section were not established.

A Report was compiled and forwarded to the Director of Public Prosecutions on 3rd May, 2013, with the recommendations that the matter concerning the Advocate be referred to the Advocates Disciplinary Committee, Law Society of Kenya for disciplinary action to be taken against the Advocate.

On 27th June, 2013, the DPP returned the file for further investigations.

EACC CR.720/40/2013 COURT FILE NAKURU ACC.NO. 1/2013

Inquiry into allegations that an Inspector with the Kenya Forest Service, Maralal, corruptly solicited for a benefit of KSh. 60,000 from the complainant as an inducement to issue him with a Forest Produce Movement Permit.

The investigations established that the suspect solicited for and received a benefit from the complainant. He was arrested and charged before the Nakuru Anti- Corruption Court.

A report was compiled and forwarded to the Director of Public Prosecutions on 17th April, 2013 with recommendations that the accused be charged with the offence of corruptly soliciting for and receiving a benefit contrary to section 39 (3) (a) of the Anti- Corruption and Economic Crimes Act, 2003.

On 24th June, 2013, the DPP accepted the recommendation for prosecution.

**THE NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY**

**ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT  
FOR THE PROPOSED DEVELOPMENT OF A PETROL SERVICE  
STATION ON PLOT L.R. NO. NTIMA/IGOKI/3334, IN MERU  
COUNTY**

**INVITATION OF PUBLIC COMMENTS**

PURSUANT to regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The Proponent (Gulf Energy Limited) intends to construct on a 0.101 hectare plot; a petroleum service station consisting of three underground storage tanks each with a capacity of 40,000 liters for diesel, gasoline and kerosene respectively. There will also be dispensing pumps, car wash, tyre centre, shops and stores, an ablution block, acceleration and deceleration lanes and other associated civil and electrical works.

The following are the anticipated impacts and proposed mitigation measures:

<i>Possible Impacts</i>	<i>Proposed Mitigation Measures</i>
Increased energy demand	<ul style="list-style-type: none"> <li>Develop an energy management plan;</li> <li>Construction machinery and vehicles should be maintained and used in accordance with manufacturer's specifications, to maximize efficiency and lower use of energy;</li> <li>Construction workers should be sensitized on the importance of energy management.</li> </ul>
Waste water and waste oil	<ul style="list-style-type: none"> <li>Carefully collect used oil in drums and dispose of by licensed refuse contractor;</li> <li>Adhere to Water quality regulations - Legal Notice 120 Wastewater of 2006;</li> <li>Conduct wastewater monitoring on monthly basis and submit the results to NEMA;</li> <li>Document and train staff in the emergency spill response plan.</li> </ul>
Air and Noise pollution	<ul style="list-style-type: none"> <li>Workers shall be trained on management of air pollution from vehicles and machinery.</li> <li>All construction machinery shall be properly maintained and serviced;</li> <li>Cover vehicles delivering soil materials to reduce spills and windblown dust.</li> <li>Dust generating activities shall not be carried out during times of strong winds;</li> <li>Water shall be applied whenever dust emissions are visible at the site.</li> <li>Ensure that the generators are maintained to manufacturers specifications</li> <li>Ensure that tank vents are located away from sensitive receptors;</li> <li>Conduct solvent vapour monitoring.</li> </ul>
Loss of vegetation	<ul style="list-style-type: none"> <li>Design and landscaping for flower beds.</li> <li>Preparation of the flower and ornamental tree beds.</li> <li>Planting of appropriate flowers and trees.</li> <li>Employ a flower gardener to keep and maintain the flowers and trees</li> </ul>
Water and soil	<ul style="list-style-type: none"> <li>No grey water runoff or uncontrolled</li> </ul>

contamination

discharges from the site shall be permitted;

- Water containing pollutants such as cements, concrete, lime, chemicals and fuels shall be discharged into a conservancy tank for removal from site;
- Potential pollutants of any kind and in any form shall be kept, stored and used in such a manner that any escape can be contained and the water table not endangered;
- Wash areas shall be placed and constructed in such a manner so as to ensure that the surrounding areas (including groundwater) are not polluted;
- Reasonable measures shall be taken to control storm water and the erosive effects;
- No construction materials shall be stockpiled within areas that are at risk of flooding;
- Plastic sheeting, sandbags or geo-fabrics shall be used to prevent the migration of fines.

Soil erosion

- Earthworks should be controlled so that undeveloped areas are not disturbed.
- Wherever possible, earthworks should be carried out during the dry season to prevent soil from being washed away by the rain.
- Excavated materials and excess earth will be kept at appropriate sites approved by the supervising engineer in such a manner as to facilitate natural water discharge;
- The Contractor shall protect areas susceptible to erosion by installing necessary temporary and permanent drainage works as soon as possible.

Waste generation

- Develop a solid waste management plan prior to project commencing.
- Waste should not be burned on site or dumped in undesignated waste disposal areas;
- Minimize waste production by utilizing best available techniques for site preparation;
- Clearly designate and construct an appropriate waste collection facility;
- Re-use construction waste to the maximum extent possible;
- Proper handling and storage procedures for hazardous ;
- Segregate waste at source;
- Monitor waste volumes;
- Identify licensed waste disposal contractor to remove from site.
- Carefully collect used oil in drums and dispose of by licensed refuse contractor.

Public, occupational health and safety

- Develop a site safety action plan detailing safety equipment, emergency procedures, restrictions on site, safety inspections and controls;
- All workmen should be provided with personal protective equipment;
- The Contractor shall have a foreman with knowledge on health, safety and environment regulations;
- All injuries that occur on site must be

	<ul style="list-style-type: none"> <li>recorded in the accident registers and corrective actions for their prevention be instigated as appropriate;</li> <li>Site personnel should be encouraged to report "near-miss incidents" in order to avoid potential problems and increase safety awareness;</li> <li>The contractor shall take an active role in civic and public health education HIV/AIDS awareness campaigns to his employees and the community.</li> </ul>
Fire and safety	<ul style="list-style-type: none"> <li>Provision and placement of appropriate fire extinguishers and training of personnel to handle emergency situations;</li> <li>Provision of fully equipped First Aid box on site at all times;</li> <li>Display warning signs at suitable locations;</li> <li>Prohibit unauthorized persons at the station;</li> <li>Weatherproof fittings for all lighting and power points located outside the fuel station.</li> <li>Mark and sign-post all emergency exits;</li> <li>Ensure safety warnings are prominently displayed on site, such as "No smoking", "No naked flames";</li> </ul>
Leakage of tanks and product lines	<ul style="list-style-type: none"> <li>Insure against the consequences of a spill contaminating groundwater or soil;</li> <li>Monitor daily reconciliation of wet stock and inventory records;</li> <li>In case of suspect losses, institute tank and line integrity testing;</li> <li>Conduct a soil gas survey to check the extent of contamination from the leaks.</li> </ul>
Road traffic and safety implications	<ul style="list-style-type: none"> <li>Plan and implement traffic management programme on a daily basis;</li> <li>Comply with all applicable legislation and by-laws on road safety and transport.</li> <li>Movement of construction vehicles timed to avoid peak periods.</li> <li>Provide temporary road signs or notices to indicate on-going works;</li> </ul>
Security concerns	<ul style="list-style-type: none"> <li>Provision of security at all the times by security guides.</li> <li>Ensure adequate lighting within and around the premises.</li> <li>Regular checks and maintenance of security lights</li> </ul>
Decommissioning	<ul style="list-style-type: none"> <li>All building materials, machinery, tools and equipments not being used for other purposes must be disposed to the contractors yard, recycled and reused as much as possible</li> <li>Disposal of waste should be to an approved dumping site and method applicable.</li> <li>Where possible biomass waster such as wood fuel could be donated to charitable organization, individuals and organization</li> <li>Initiate an landscape maintenance program that will revitalize the site vegetation better than was before.</li> <li>Encourage use of indigenous species of vegetation for landscaping</li> </ul>

- Provide a landscape design respective of space usage, view, shade and privacy protection

The full report of the proposed project is available for inspection during working hours at:

(No. 8 of 1999)

THE NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY

## ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT FOR THE PROPOSED IMPROVEMENT AND DUALLING OUTER-RING ROAD C59, NAIROBI COUNTY

### INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The Proponent (Kenya Urban Roads Authority) is proposing to upgrade to bitumen standards Outer-Ring Road (C59) to dual carriageway of 2x2 lanes, in Nairobi County.

The following are the anticipated impacts and proposed mitigation measures:

#### Environmental Impacts Mitigation Measures

- Land Degradation and
- Comprehensive environment impact assessment study shall be undertaken for

#### Soil Loss

all construction camp sites and approved by NEMA before occupation.

- Construction wastes (including asphalt residuals, oils/grease, top soils, vegetation and other materials) be disposed off in approved dumping areas.
- Milled asphalt from Outer Rings Road be re-utilized on same roads or elsewhere.
- Prepare a management and rehabilitation plan for construction camp sites as well as the materials sites.

#### Air Quality

- Construction camps and materials sites be rehabilitated back to their original conditions upon project completion.

- Ensure constant watering of construction surfaces and dry materials during to keep dust low throughout the project areas and the deviation routes.

- Similar measures will be necessary at the material sites as well as the access road for the delivery trucks.

- Maintain construction machinery and vehicles at reasonable state of service to minimize unnecessary exhaust emission into the atmosphere.

#### Noise and vibrations

- Inform the neighboring communities of any unusual construction activities with high noise levels on time, expected duration and any safety precautions.

- Establish a constant link with the affected communities in this regard.

- Utilize low noise machinery for the construction to the extent possible (Noise levels be below 35dBA to the nearest receptors by days).

- Undertake assessment of building structures within the work areas with respect to their capacity to withstand compaction vibrations.

- Limited blasting for hard stone quarries shall only be done after approval by the relevant authorities and also effective public information.

- Provide all construction workers with relevant safety gear including ear corks at all times while at work and enforce application.

- Working at night within settled and built up areas will be upon issuance of necessary permits from the National Environment Management Authority (NEMA).

#### Drainage

- Following the obvious blockage of natural drainage along sections of the project road, it might require limited disruption of settlements for safe drainage outfalls.

- Provision of adequate drainage system on sections of the project road may require that deep cuts are provided for effective drainage system.

#### Topography and Physiology

- Material sites should be rehabilitated to near the original status as soon as they are exhausted to restore the micro-topographical outlook.

- Road sections with significant cuttings should be done such as not to lose compatibility with the adjoining land.

- Any raised structures should be attractive and easy to use by the road

**IMPORTANT NOTICE TO SUBSCRIBERS TO  
THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette*, *Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typewritten with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Dates must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE CODE OF REGULATIONS, SECTION D—

*Kenya Gazette*

"D 34. (1) Communications for the *Kenya Gazette* should reach the Government Printer not later than 9 a.m. on Friday of the week before publication is desired. The Government Printer will not publish communications received after that hour until the next subsequent issue of the Gazette.

(2) Ministries will be required to pay for the *Kenya Gazette* and to meet the cost of advertising in it.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
