EACC/FI/INQ/18/2012

Inquiry into allegations of irregular procurement of a private medical Centre by THE National Hospital Insurance Fund (NHIF) for the provision of Outpatient Medical Cover under the Civil Servants and Disciplined Services Medical Scheme leading to irregular payment of KSh. 116,935,000 for services not rendered or not adequately rendered.

The investigations established that sometime in 2011, the Government through the Ministry of State for Public Service (MSPS) decided to provide medical cover to civil servants and members of the disciplined forces. Pursuant to this the MSPS entered into negotiations and subsequently a contract with the NHIF was entered into. NHIF was to roll out the scheme on behalf of the Ministry. The Ministry released funds to NHIF for payment to service providers who would be contracted to provide the medical services.

Investigations further revealed that the NHIF Board approved the scheme and advised the management to ensure that the scheme was implemented in accordance with the Government Circular. It was expected that in identifying the service providers for the scheme, NHIF would advertise for interested service providers to submit their bids. Investigations however established that there was no Procurement done for the said medical scheme. Instead, NHIF unilaterally picked two service providers without following the laid down procurement procedures and awarded them the contract to provide medical care for civil servants and the members of the disciplined forces. In addition, NHIF did not comply with the accreditation guidelines before contracting the service provider. The result of this was that NHIF enlisted the services of the service provider's facilities which were not accredited.

Whereas the service provider contracted by NHIF received the full payment of KSh. 116, 935, 500, investigations revealed that the provider did not have presence in all the parts of the country where civil servants and disciplined forces members were to access the medical services. Therefore, the medical service provider received payment even for services that were not rendered since they had no facilities in some areas.

A Report was compiled and forwarded to the Director of Public Prosecutions on 1st August, 2013, with recommendations that the former Chief Executive Officer, NHIF, and the Manager, Strategy and Corporate Planning be charged with the offence of wilful failure to comply with the law relating to procurement of services contrary to section 45 (2) (b) of the Anti-Corruption and Economic Crimes Act, the two together with the Assistant Manager, Benefits and Quality Assurance be charged with the offence of abuse of office contrary to section 46 of the Anti-Corruption and Economic Crimes Act; that the three officers together with the Directors of the service provider be charged with conspiracy to defraud contrary to section 317 of the Penal Code and the General Manager Benefits and Quality Assurance, NHIF be charged with the offence of neglect of official duty contrary to section 128 of the Penal Code.

On 25th September, 2013, the DPP accepted the recommendation for prosecution of all the suspects except the General Manager, Benefits and Quality Assurance in respect of whom he directed further investigations.

EACC/FI/INQ/22/2013

Inquiry into allegations of misappropriation of KSh. 1,133,500 meant for training programmes in five constituencies in Upper Eastern province by a Senior Research and Policy Officer, Youth Enterprise Development Fund

The investigations revealed that, the officer who is working with the Youth Enterprise Development Fund as a Senior Research and Policy Officer received an imprest of 1,133,500/- to cater for trainings four districts in the Upper Eastern Province. The said imprest was to cater for reimbursement for lunch and transport for participants and

facilitation fees for facilitators at the training. Investigations established that the training was conducted. However, investigations further established that out of the total imprest received by the officer, he misappropriated a sum of KSh. 608,678. He also surrendered the imprest using false documents in an attempt to account for the money.

A Report was compiled and forwarded to the Director of Public Prosecutions on 5th August, 2013 with recommendations that the suspect be charged with the offences of fraudulent acquisition of public property contrary to section 45(1) (a) as read with section 48(1) of the Anti-Corruption and Economic Crimes Act, 2003, Abuse of office contrary to section 46 as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003 and False Accounting by a public officer contrary to section 331(1) and (2) of the penal code. It was further recommended that the Civil Litigation and Asset Tracing Department of the Commission institutes recovery proceedings in respect of the money of KSh. 608,678 which the accused fraudulently acquired.

On 27th August, 2013, the DPP accepted the recommendation for prosecution and civil recovery.

KACC/FI/INQ/88/2008

Inquiry into allegations of irregular extension of Service Contract, by officials of KenGen to Great Wall Drilling Company Ltd of China for drilling of 15 production wells at Olkaria Domes

The investigation revealed that KenGen advertised for the provision of drilling services for six geothermal wells at Olkaria Domes in April 2006. Following the advertisement, KenGen received 3 bids and the Evaluation Committee settled on the lowest evaluated responsive bidder. The recommendation was placed before the Tender Committee which awarded the tender for provision of drilling services for the six geothermal wells to the Chinese Company at their quoted price.

Investigations further established that, it was a term in the Tender document that there was a possibility that the contract between the successful bidder and KenGen was a possibility for extension of the contract to drill additional wells upon successful drilling of the initial six wells. Pursuant to this clause in the contract, the successful company after drilling the initial six wells was contracted by KenGen to drill additional fifteen wells. The investigations did not reveal that the extension clause in the contract was only intended to benefit the Chinese Company. It was established that all the bidders who participated in this particular tender were aware of the extension clause to drill additional wells. The extension of the contract was also approved by the KenGen Tender Committee. There were no procurement irregularities to warrant or support any criminal charges against the officials of KenGen.

A Report was compiled and forwarded to the Director of Public Prosecutions on 2nd September, 2013, with recommendations for closure of the inquiry file.

On 1st October, 2013, the DPP returned the file and advised that further investigations be undertaken.

KACC/FI/INQ/15/2012

Inquiry into allegations of conflict of interest and abuse of office against the Top Management of the National Housing Corporation (NHC) by way of allocating themselves several housing units from Schemes developed by the Corporation

The investigations established that the members of House Allocation Committee (HAC) at NHC irregularly allocated houses developed by NHC to themselves, their friends and relatives. They neither declared their interest during the meetings in which the HAC deliberated on the allocations nor did they disqualify themselves from participating in the allocations that directly favoured them. The investigations established that the said members of the House Allocation Committee were culpable for conflict of interest and abuse of office.

A Report was compiled and forwarded to the Director of Public Prosecutions on 19th September, 2013 with recommendations that former Managing Director, the Company Secretary, the Technical Manager, Chief Estate Officer, Senior Legal Officer and the Finance Officer, all members of the National Housing Corporation, House Allocation Committee be charged with the offences of Abuse of Office contrary to section 46 of and Conflict of Interest contrary to section 42 of the Anti-Corruption and Economic Crimes Act, 2003.

On 3rd October, 2013, the DPP accepted the recommendation for prosecution.

KACC/FI/INQ/43/2011

Inquiry into allegations that an Accountant II in the Ministry of Education misappropriated a sum of KSh. 3,666,178.00 which was meant for the facilitation of workshops for Primary School Teachers at Migori Teachers Training College.

Investigations established that a workshop for primary school teachers in western Kenya facilitated by the Ministry of Education was held at Migori Teachers Training College. Investigations further established that a sum of KSh. 3,684,000 was approved for this exercise. Investigations also established that the said money was given to the Accountant as imprest to cater for transport reimbursement and for payment for the workshop facilities.

Investigations however revealed that part of the imprest in the sum of KSh. 63,000 was misappropriated by the officer assigned the task of paying reimbursements to the workshop participants. In an attempt to account for the imprest, the suspect used forged payment schedules.

A report was compiled and forwarded to the Director of Public Prosecutions on 23rd September, 2013 recommending that the suspect, an Assistant Director Quality Assurance and Standards in the Ministry of Education be charged with the offences of Fraudulent acquisition of public property contrary to section 45 (1) (a), Abuse of office contrary to Section 46 and Deceiving principal contrary to section 41 of the Anti-Corruption and Economic Crimes Act, 2003. It was further recommended that civil proceedings be instituted against the suspect to recover the sum embezzled.

On 1st October, 2013, the DPP accepted the recommendation for prosecution.

EACC/GSA/FI/INQ/7/2011

Inquiry into allegations that land belonging to Garissa Municipal Council namely Garissa Township Block II/96 was fraudulently leased out to a private person to the detriment of the Government and people of Kenya

The investigations established that the land was allocated to a private person and a Certificate of Lease registered on 30/6/1997 was issued to him. Whereas the allegation made was that the land was part of a road reserve of the Thika-Garissa road and therefore not available for alienation, investigations established that the land was outside the road reserve area, described as the area inside the 30 metres width on either side of the road. Investigations however established that although the land was outside the road reserve area, it was still part of Government land. Therefore for any allocation to take effect, the process of alienation of Government land was applicable.

Investigations further established that the due process of alienation of public land as prescribed under the Government Land Act (Now repealed) was not followed in allocating this particular parcel of land to the private person.

A Report was compiled and forwarded to the Director of Public Prosecutions on 19th July, 2013 recommending that the file be closed and that the Civil Litigation and Asset Recovery Department of the Commission demands from the allottee of the said land, the surrender of the title and in default civil proceedings be instituted.

On 21st August, 2013, the DPP returned the file and advised that further investigations be undertaken.

CR.INQ. FILE NO. 7/2013

Inquiry into allegations of corruption against an Assistant Chief, Lenana sub-Location

The investigations commenced after a report was made to the Commission that the suspect, who is an Assistant Chief, Lenana Sub-Location had solicited for a benefit from members of a Self Help Group in Lenana as an inducement so as to allow the group to continue operating a car wash along Ngong Road. Since none of the complainants who reported the solicitation was involved in the investigations, one of the officers of the Commission posed as the Chairman of the Self Help Group. The suspect solicited for a benefit of KSh. 20,000 which he later reduced to Kshs. 15,000 from the officer. He also received a benefit from the said officer. In view of the fact that the person who made the report against the suspect did not record a statement and was not involved in the investigation, the Commission

was of the opinion that the evidence would not be sufficient to sustain corruption charges against the suspect.

A Report was compiled and forwarded to the Director of Public Prosecutions on 20th September 2013 with recommendations that administrative action be taken against the suspect since he had used his office to improperly enrich himself in contravention of the provisions of section 11(1) of the Public Officer Ethics Act.

On 1st October, 2013, the DPP accepted the recommendation for administrative action.

CR.141/284/2013

Investigations further established that the officer received a benefit.

A Report was compiled and forwarded to the DPP on 30th August 2013 with recommendations that the suspect be charged with the offences of corruptly soliciting for and receiving a benefit under section 39 (3) (a) as read with Section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003 and that he should therefore be prosecuted accordingly.

On 2nd October, 2013, the DPP accepted the recommendation for prosecution.

Investigations did not manifestly indicate the solicitation of a benefit by the officer to sustain any corruption charges against him.

A report was compiled and forwarded to the Director of Public Prosecutions on 16th July, 2013 with recommendations that, due to lack of evidence to sustain any criminal charges, the file be closed.

On 3rd September, 2013, the DPP accepted the recommendation for closure. He however further advised that the matter be referred to the Inspector General of Police for appropriate administrative action to be taken against the Police Officer.

EACC/INQ/3/2013

The investigation established that the suspect who was an employee in the Office of the Prime Minister identified a hotel in Embu to host a training for trainers in a programme organized by the Department of Public Sector Reforms and Performance Contracting and which was sponsored by the United Nations Development Programme (UNDP). Investigations further established that the officer in cahoots with an employee of the hotel hatched a plan to get a 10% commission from the hotel once UNDP made payments. In this regard,

the officer received a sum of KSh. 76,600 from the Hotel as a commission for facilitating the procurement of the hotel. Investigations also established that after the matter reached the office of the Permanent Secretary, the officer refunded back the entire sum to the hotel cashier.

The Commission was of the opinion that the officer's conduct went against the tenets of the provisions of the Public Officers Ethics Act, 2003 which requires a public officer to carry out his duties in a manner that maintains public confidence in the integrity of his public office.

A Report was compiled and forwarded to the Director of Public Prosecutions on 7th August, 2013 with recommendations that administrative action be taken against the accused for acting contrary to Section 11 of the Public Officers and Ethics Act, 2003.

On 5th September, 2013, the DPP accepted the recommendation for administrative action.
