INVESTIGATION REPORTS COVERING THE PERIOD 1ST JANUARY TO 30TH MARCH, 2014

EACC/FI/INQ/25/2013

Inquiry into alleged irregular procurement of an Integrated Security Management Systems (ISMS) by the Central Bank of Kenya

The investigation revealed that Central Bank of Kenya used the International Competitive Tender method to procure the installation of an Integrated Security Management Systems (ISMS) in the bank. The total budget for the project was KSh. 800 million. Following the advertisement, Central Bank received six bids, which were evaluated in accordance with the Procurement Regulations. The Evaluation Committee recommended the award of the tender to the lowest evaluated responsive bidder. Investigations further established that the Tender Committee declined to award the tender to the lowest bidder and directed that the Evaluation Committee conduct further evaluations. Upon carrying out a second evaluation, the Evaluation Committee settled on the same bidder. The Tender Committee rejected the recommendations of the Evaluation Committee and cancelled the tender.

Investigations further revealed that when the bidder recommended for the award learnt about the cancellation, they filed a Request for Review with the Public Procurement Administration Review Board (PPARB). The PPARB ruled in favour of the said bidder and ordered the Central Bank to award the contract to the bidder recommended by the Evaluation Committee. The Central Bank's Legal Adviser advised the Bank to appeal against the decision of the PPARB. However, the bank instead chose to award the contract to the bidder recommended by the Evaluation Committee and pursuant to the decision of the PPARB.

A Report was compiled and forwarded to the Director of Public Prosecutions on 3rd January, 2014 recommending the prosecution of the Central Bank Governor for the offences of wilful failure to comply with the law relating to procurement contrary to section 45(2) (b) and attempt to commit an offence of corruption contrary to section 47A of the as read with Section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003.

On 10th January, 2014, the Director of Public Prosecutions accepted the recommendation for prosecution of the Governor of Central Bank, but with the offence of abuse of office contrary to section 46 of the Anti-Corruption and Economic Crimes Act.

KACC/FI/INQ/177/2010

Inquiry into allegations of fraud/tax evasion by the County Council of Turkana

Investigations established that various companies purchased goods worth KSh. 2.8 million and used forged Tax Withholding Certificates to retain taxes amounting KSh. 0.46 million. While purchasing the goods, they presented themselves as agents of the Turkana County Council. The goods were either purchased in the names of the suspects and or business names/companies owned by them. The Tax Withholding Certificates were purportedly used to show that the Council had been allowed by the Kenya Revenue Authority to withhold taxes whenever it purchases goods. It was established that the suspects used forged documents to fraudulently retain taxes which they never remitted to the Kenya Revenue Authority as required by the law.

A Report was compiled and forwarded to the Director of Public Prosecutions on 17th January, 2014 recommending the prosecution of the suspects for the offences of fraudulent failure to pay taxes contrary to Section 45 (1) (d) as read with Section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003.

On 24th February, 2014, the Director of Public Prosecutions returned the file and advised that further investigations be carried out before giving a final decision in the matter.

EACC/FI/INQ/43/2013

Inquiry into allegations of abuse against public officers attached to Laikipia Lands Registry

The Commission carried out investigations upon receipt of allegations that public land identified as plot numbers Laikipia/Daiga Umunde Block 4/495, 498, 499 and 811 had been irregularly allocated to private individuals and titles duly issued. Investigations revealed that Lands Officers based at the Laikipia Lands Registry irregularly alienated the six public plots and allocated them to the private individuals while knowing that the plots had been set aside for public utility. The plots had been set aside for public utilities which included polytechnic, schools, water point and dispensary.

A Report was compiled and forwarded to the Director of Public Prosecutions on 18th February, 2014 with recommendations that the suspects be charged with the offences of breach of public trust and abuse of office as provided for under section 127 of the Penal Code and section 46 as read with Section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003 respectively.

On 18th March, 2014, the Director of Public Prosecutions accepted the recommendation for prosecution.

EACC/NYI/FI/INQ/08/2013

Inquiry into allegations of abuse of office against the Nyeri County Governor

Investigations established that immediately after being sworn in, the Nyeri County Governor used his three personal cars while discharging his official duties yet he had been allocated two government vehicles. Despite the fact that all the said three vehicles were being fueled by the County Government of Nyeri, the Governor went ahead and lodged a mileage claim amounting to KSh. 1.3 million, which amount was paid.

A report was compiled and forwarded to the Director of Public Prosecutions on 13th March, 2014 recommending the prosecution of the Governor and four other officers at the Nyeri County Office who were involved in the processing of the mileage payment. On 31st March, 2014, the Director of Public Prosecutions returned the file and advised that further investigations be carried out before giving a final decision in the matter.

KACC/FI/INQ/25/2011

Inquiry into allegations of irregular allocation of public land to a private company by a former Minister in the Ministry of Lands

Investigations revealed that a parcel of land known as Nyandarua/Njabini/530 was allocated to a Training Centre under the Ministry of Agriculture in the year 1962. In the year 2005, the then Minister for Lands and Housing, without following the laid down procedures, approved the irregular allocation of 25 acres from the said parcel of land to a private company. Investigations further revealed

that the company upon getting the title document went ahead to sub-divide the land into six equal portions and used the title deeds as security for a loan facility amounting to KSh. 86.5 million. Investigations also established that the former Minister was a Director in the Company to which he irregularly allocated the public land.

A report was compiled and forwarded to the Director of Public Prosecutions on 28th January, 2014 recommending the prosecution of the former Minister and the then Director of Land Adjudication and Settlement for the offences of abuse of office contrary to section 46 and fraudulent disposal of public property contrary to section 45 (1) (a) of the Anti-Corruption and Economic Crimes Act, 2003; and breach of trust by a person employed in the public service contrary to section 128 of the Penal Code.

On 12th March 2014, the DPP accepted the recommendation for prosecution.

EACC/ELD/FI/INQ/08/2012

Inquiry into allegations of irregular procurement of a bus by the Principal of Moi Girls High School, Eldoret at a cost of KSh. 11.45 million

The investigations established that the Parents Teachers Association (PTA) of Moi Girls High School during its annual meeting held on 6th November 2010 approved the purchase of a 62-67 seater school bus as part of projects for the year 2011. Despite the School Bus Sub-Committee having identified a company that would have sold a bus to the school at the lowest price, the Principal went ahead and awarded the contract to a supplier who had quoted the highest price of KSh. 11.45 million. This was done unilaterally without involving the school's Tender Committee and in breach of the public procurement procedures and regulations. Investigations also established that the Principal and the School Accountant approved the release of funds for the bus that was irregularly purchased.

A report was compiled and forwarded to the Director of Public Prosecutions on 13th February, 2014 recommending the prosecution of the school Principal and Accountant for the offences of abuse of office contrary to section 46 and failure to comply with the law relating to public procurement procedures contrary to section 45 (2) (b) of the Anti-Corruption and Economic Crimes Act, 2003.

On 13th March, 2014, the DPP accepted the recommendation for prosecution.

EACC/FI/INQ/51/2013

Inquiry into allegations that the Eldoret South Constituency Development Fund Tender Committee irregularly awarded a tender for the construction of the Kamuyu-Ndungulu road project to a private company.

Investigations established that in the financial year 2010/2011, the Eldoret South Constituency Development Committee (CDFC) prioritized the rehabilitation of several roads including the Kamuyu-Ndungulu road. The National CDF Board approved the project and allocated a sum of KSh. 2.5 million. The Eldoret South Constituency Development Fund Committee, through an open tendering process, awarded the contract for the construction of the road to a private company. Investigations revealed that the tendering process was done in accordance with the provisions of the Public Procurement and Disposals Act, 2005. No culpability was established on the part of the officials of the CDFC.

A report was compiled and forwarded to the Director of Public Prosecutions on 17th February, 2014 recommending for the closure of the file.

On 10th March, 2014, the DPP accepted the recommendation for closure.

EACC/MSA/PI/003/2013

Inquiry into allegations that the Managing Director, Mombasa Water Supply and Sanitation Company Limited fraudulently obtained a benefit of KSh. 124, 750 from the Company.

The Investigations established that the Managing Director received an invitation to attend 13th African Utility Week in South Africa. To facilitate travelling and accommodation, an imprest amounting to KSh. 277, 750 was processed and paid to her. On returning from the trip, she surrendered the imprest but was not able to account for KSh. 76, 500 being the unsupported expenditure.

A report was compiled and forwarded to the Director of Public Prosecutions on 17th February, 2014 recommending for the closure of the file.

On 24th March, 2014, the DPP accepted the recommendation for closure.

EACC/GSA/INQ/5/2011

Inquiry into allegations of misappropriation and mismanagement of public funds; and flouting of procurement rules and regulations by the officers of the County Council of Garissa during the extension of the council's offices.

The investigation established that in the year 2008, the officials of the County Council of Garissa resolved to expand their offices after experiencing shortage of working space. Investigations revealed that the then Council Clerk and all members of the Tender and Evaluation Committees flouted procurement regulations in the procurement of services for the extension of the Council's office. However, the evidence gathered was not sufficient to prove criminal charges against them. This was due to the fact that some of those indicated to have attended the Tender Committee and Tender Evaluation Committee meetings denied doing so. Further, the original contract document, the Tender Opening Committee Attendance Register and the duly signed minutes of the Tender Committee meetings of 9th March, 2009 and 13th March, 2009 could not be traced despite effort made.

A report was compiled to the Director of Public Prosecutions on the 26th February, 2014 recommending that administrative action be taken against the officers involved.

On 25th March, 2014, the DPP accepted the recommendation for administrative action.

EACC/PI/INQ/29/2013

Inquiry into allegations of irregularities in the recruitment of Principal Secretaries by the Public Service Commission.

Investigations established that the Public Service Commission (PSC) advertised for the position of Principal Secretaries indicating all the necessary qualifications. The Commission used the said requirements/qualifications in short listing, interviewing and recommending for the appointment by the President of several candidates. Investigations further revealed that the qualifications for the position of Principal Secretary were not specified in law nor was the procedure to be followed by the PSC in discharging its mandate under Article 153 (3) of the Constitution and the Public Service Commission Act. The PSC therefore devised its own method. No culpability was established on the part of the Commission to warrant any criminal charges against the Chairperson, Commissioners and any employee of the PSC.

A report was compiled and forwarded to the Director of Public Prosecutions on 21st January, 2014 recommending for the closure of the inquiry file.

On 28th March, 2014, the Director of Public Prosecutions accepted the recommendation for closure. He further concurred with the Commission's proposal that the procedure to be followed by the PSC in discharging its mandate should be defined and specified in law; and the Leadership and Integrity Act should be amended to provide for offences and penalties for violation of the provisions of the Act.

The two exhibitions were the International Tourism Bourse (ITB) held in Berlin and the World Travel Market (WTM) trade fair held in London, UK. In the financial year 2013/2014, the sum of Euros 660, 000 was allocated for the project. The Board intended to replace old exhibition stands which were procured in the 2008. The Board awarded the contract to a private company through Open International Tender at a cost of Euro 620, 000. The investigations established that the tendering process was carried out in accordance with the provisions of the Public

Procurement and Disposals Act, 2005. No culpability was established on any employee of the Board in regard to the said procurement.
