## 11. CHALLENGES

### Court Cases

During the year under review the board had been seized with civil suits,

#### (a) -13 --vs Migori County Government, PSB

A contempt of court was filed by the minority groups who felt the board had not taken care of their interest in employment, but this case was dismissed.

(b) A case filed against county Government of Migori for stopping salary payment of 17 workers of former Local Authority who were irregularly engaged.

(c) Case filed against county Government of Migori for summarily dismissal of a CEC for gross misconduct.

#### (d) KNUT-vs- The Hon Attorney-General and two others

The board advertised 660 ECDE positions to be filled. However the High Court stopped the exercise country wide. This is a critical area and we are looking forward to this ban being lifted to enable the hiring of these teachers to help our children. Petition filed seeking to stop recruitment of ECDE teachers by County Governments.

In all these instances the county had legal representation defending the matters.

### Financial Challenge

- Funds located to the board is not sufficient

### Human Resource Challenge

- Insufficient employees.

### Physical Resource Challenges

- Lack of sufficient office space.
- Lack of sufficient utility vehicles.

THE KENYA WILDLIFE CONSERVATION AND

## THE KENYA WILDLIFE SERVICE (KWS)

## THE KENYA NATIONAL HIGHWAY AUTHORITY (KeNHA)

## PUBLIC NOTICE

PURSUANT to Section 38 of the Wildlife Conservation and Management Act, 2013 and in consultation with the Kenya Wildlife Service (KWS), the Kenya National Highway Authority (KeNHA) is seeking to utilize part of Nairobi National Park (NNP) for the construction of the Nairobi Southern By-pass Road.

The total protected area/wildlife habitat affected by the by-pass Road is 89 acres, along a distance of 4 km. stretching from Ole Sereni Hotel to Carnivore Restaurant. The shortest and longest distances that the By-pass Road dips into Nairobi National Park from the park boundary are 60 and 248 meters respectively. KeNHA in consultation with KWS has identified a parcel of land adjacent to NNP on the Ole Kasasi Adjudication Section along the Mbagathi Valley for purchase, acquisition and subsequent annexing to NNP in exchange of the land to be utilized by the By-pass Road

KeNHA has proposed to purchase and acquire the parcel of land and exchange the same with the section of Nairobi National Park Land that will be utilized for the By-pass Road, under the principle of "enhancing efficient wildlife conservation" to mitigate the impact of wildlife habitat loss to be caused by the By-pass road. The expected variation of Nairobi National Park boundary shall be to increase the park area by annexing the additional parcel of land for conservation as envisaged under section 38 of the Wildlife Conservation and Management Act, 2013. KeNHA has conducted the required Environmental Impact Assessments (EIA) in accordance with the provisions of the Environmental Management and Co-ordination Act (EMCA, 1999). The EIAs have shown that the proposed National Park land exchange shall greatly and positively enhance wildlife conservation in Nairobi National Park.

Pursuant to the Fourth Schedule of the Wildlife Conservation and Management Act, 2013, the General Public is hereby notified to inspect the details of this proposal at KeNHA Head office and KWS Headquarters, and provide written submission to the Director-General,

KeNHA, Blue Shield Towers, P. O. Box 49712-00100, Nairobi, and Director-General, KWS on or before 30th June, 2015. A one-day Public Consultation meeting/workshop has been organized on 3rd July, 2015 at the KWS Head office commencing 0900 hrs. during which oral presentations shall be submitted.
