GAZETTE NOTICE NO. 9193

**KENYA REVENUE AUTHORITY****REPORT OF THE AUDITOR-GENERAL ON THE KENYA REVENUE AUTHORITY FOR THE YEAR ENDED 30 JUNE 2014****REPORT ON THE FINANCIAL STATEMENT**

I have audited the accompanying financial statements of Kenya Revenue Authority set out herein, which comprise the statement of financial position as at 30 June 2014, and the statement of financial performance, statement of changes in net assets, statement of cash flows, statement of comparison of budget and actual amounts and revenue collection statement for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Sections 14 and 8 of the Public Audit Act, 2003.

I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

**Management's Responsibility for the Financial Statements**

Management is responsible for preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Management is also responsible for the submission of the financial statement to the Auditor-General in accordance with the provisions of Section 13 of the Public Audit Act, 2003.

**Auditor-General's Responsibility**

My responsibility is to express an opinion on these financial statements, based on the audit and report in accordance with the provisions of Section 15 (2) and (3) of the Public Audit Act, 2003 and submit the audit report in compliance with Article 229(7) of the Constitution of Kenya. The audit was conducted in accordance with International Standards of Supreme Audit Institutions. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessment, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

**Basis for Qualified Opinion<sup>1</sup>****1.0 FINANCIAL STATEMENTS****Land without Title Deeds**

The financial statements of the Authority reflect land and building with a net book value of Kshs. 9,533,366,000 as at 30<sup>th</sup> June 2014, as disclosed in Note 8(i). Included in the balance of Kshs. 9,533,366,000 are seventeen (17) parcels of land without title deeds in various parts of the country valued at Kshs. 378,000,000 with buildings valued at Kshs. 829,050,000, which were transferred to the Authority by the Government at inception in 1995. The net book value of Kshs. 9,533,366,000, however excludes one (1) unvalued parcel of land in Machakos County without title deed and which was similarly transferred to the Authority by the Government in 1995. The balance further excludes an unvalued parcel of land in Taveta County without title deed, and another in Shimoni Kwale County, which is registered in the name of East Africa Common Services Authority. In the circumstances, it has not been possible to confirm the ownership status of the 20 parcels of land, and that the property, plant and equipment balance of Kshs. 12,315,101,000 is fairly stated as at 30 June 2014.

**Qualified Opinion**

In my opinion, except for the effect of the matter disclosed in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of the Kenya Revenue Authority as at 30 June 2014, and of its financial performance and cash flows for the year ended 30 June 2014, and of its financial performance and cash flows for the year ended, in accordance with International Public Sector Accounting Standards, and comply with Kenya Revenue Authority Act. (Cap 469) of the Laws of Kenya.

Dated the 4th August, 2015.

The statement of comparison of Budget and Actual amounts should be read in conjunction with the notes to and forming part of the financial statement set out below

**NOTES TO THE FINANCIAL STATEMENTS****1. Statement of compliance and basis of preparation**

The Authority's financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the Authority and all values are rounded to the nearest thousand (Ksh000). The accounting policies have been consistently applied to all the years presented.

The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The cash flow statement is prepared using the indirect method. The financial statements are prepared on accrual basis.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES****(a) Revenue Recognition****i) Revenue from non-exchange transactions**

In accordance with the Kenya Revenue Authority Act CAP 469, income to the Authority is "such amounts not exceeding 2% as may be determined by the Minister each financial year" of the total estimated revenue to be collected by the Authority on behalf of the Exchequer. In addition, the Authority is entitled to a Bonus of 3% of the surplus revenue collected above the estimates and also earns income from other activities.

**ii) Revenue from exchange transactions***Finance Revenue*

Finance revenue comprises interest receivable from fixed deposits and security deposits. Finance revenue is recognised as it accrues in profit or loss, using the effective yield method.

*Rental income*

Rental income is recognised on a straight line basis over the lease term.

*Commission revenue*

Commission incomes comprise agency fees charged on collections on behalf of regulatory bodies.

*Other operating income*

Other income is recognised when significant risks and rewards of ownership are transferred to the recipient and the amounts of revenue can be measured reliably.

**(b) Development funding and capital grants by the Treasury**

Grants by the Treasury in form of assets or funding for acquisition of major assets or development projects are recognized as a financing reserve when received. No repayment of the financing is expected by the Authority.

**(c) Property, Plant and Equipment**

All categories of property, plant and equipment are stated at cost or valuation less accumulated depreciation and annual impairment losses. Depreciation is calculated to write off the cost or valuation of each asset to its residual value where applicable, over the expected useful life of the asset in equal instalments. A full year's depreciation is charged in the year of purchase but no charge is made in the year of disposal.

The estimated useful life is as follows: -

|                              |                                     |
|------------------------------|-------------------------------------|
| Plant & Machinery            | 8 years                             |
| Equipment/Furniture/Fittings | 8 years                             |
| Boats                        | 8 years                             |
| Motor Vehicles               | 5 years (with a 10% residual value) |
| Computers                    | 3 years                             |
| Computer Software            | 3 Years                             |
| Buildings                    | 40 years                            |
| Leasehold land               | Over the remaining lease period     |

Gains or losses on property, plant and equipment are determined by reference to their carrying value and are taken into account in determining the surplus / (deficit) for the year.

**(d) Intangible Assets**

Intangible assets consist of various computer software systems purchased for use by the Authority. The Authority recognises Intangible Assets acquired separately at cost less accumulated amortisation. Amortisation is charged on a straight-line basis over their useful lives as estimated by management from time to time.

**(e) Cash and Cash equivalents**

For purposes of the cash flow statement, cash and cash equivalents comprise cash in hand and short-term deposits held with banks.

**(f) Translation of foreign currencies**

Transactions in foreign currencies during the year are converted into Kenya Shillings at rates ruling at the transaction dates. Assets and liabilities at the balance sheet date, which are expressed in foreign currencies, are translated into Kenya Shillings at the rate ruling on that date. The resulting foreign exchange gains and losses are recognized on a net basis, differences are dealt with in the income and expenditure statement in the financial year in which they arise.

**(g) Employee benefits costs****(i) Retirement benefit obligations**

The Authority operates a hybrid pension scheme with a defined contribution plan for the permanent and pensionable employees. Payments to the scheme are recognised as an expense when employees have rendered service entitling them to the contributions. The scheme is funded by contributions from both the entity and employees. The entity and all its employees also contribute to the National Social Security Fund, which is a defined contribution scheme.

**ii) Other entitlements**

Employees' entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave at the reporting date.

**(h) Inventories**

All consumable stocks held for use in operations are expensed on purchase

**(i) Receivables**

Receivables are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts. Objective evidence of impairment of the receivables is when there is significant financial difficulty of the counter party or when there is a default or delinquency in payment according to agreed terms. When a receivable is considered uncollectible it is written off. Subsequent recoveries of amounts previously written off are credited in the Statement of Financial Performance. Changes in the carrying amount of the allowance account are recognized in the Statement of Financial Performance.

**(j) Payables**

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less (or in the normal operating cycle of the business if longer). If not, they are presented as non-current liabilities.

Trade payables are recognized initially at the transaction price and subsequently measured at amortized cost using the effective interest method.

**(k) Provisions**

Provisions for liabilities are recognised when there is a present obligation (legal or constructive) resulting from a past event, and it is probable that an outflow of economic resources will be required to settle the obligation and a reliable estimate can be made of the monetary value of the obligation.

**(l) Critical Accounting Estimates and Judgements in applying the Authority's accounting policies**

In the process of applying the entity's accounting policies, management has made estimates and assumptions that affect the reported amounts of assets and liabilities within the next financial period. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. These are dealt with below:

**Critical accounting judgments in applying the Authority's policies***Impairment losses*

At each reporting date, the entity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss. Where it is not possible to estimate the recoverable amount of an individual asset, the entity estimates the recoverable amount of the cash generating unit to which the asset belongs.

*Plant and equipment*

Property and equipment is depreciated over its useful life taking into account residual values, where appropriate. The actual lives of the assets and residual values are assessed at the reporting date and may vary depending on a number of factors. In reassessing asset lives, factors such as technological innovation, product life cycles and maintenance

programmes are taken into account. Residual value assessments consider issues such as future market conditions, the remaining life of the asset and projected disposal values.

*Contingent liabilities*

The directors evaluate the status of any exposures on a regular basis to assess the probability of the entity incurring related liabilities. However, provisions are only made in the financial statements where, based on the directors' evaluation, a present obligation has been established.

**(ii) Land & buildings**

The Authority received several leasehold properties (land and buildings) from the government at inception in 1995. The Authority was not required to pay for the property hence did not incur any cost on the same. To recognize the property in its books, the Authority did a professional valuation of the land and building in 1996 and the values were adopted in the Authority's statement of financial position. This was done by recognizing land and buildings assets in the statement of Financial Position.

The Authority is yet to receive title documents for some 18 pieces of leasehold land received Government. These properties are at various stages of registration with the Commissioner of Lands. Another title deed is in the name of East African Common Services Authority (EACSA) and the process transfer of the title is ongoing. The Authority also bought one parcel of land in Taveta in 2010 for construction of a border station and is in the process of obtaining the title.

**(iii) Fully depreciated assets**

Included in the assets are fully depreciated assets comprising of Motor Vehicles whose original cost was Kshs 451,489,258 with a residual value of Kshs 45,148,925, Motor Boats whose cost is Kshs 16,091,088, Computers whose cost is Kshs 1,329,466,725, Office Equipment of Kshs 172,648,521, Laboratory Equipment Kshs 17,500,090, Plant and Machinery Kshs 659,703,883 and Furniture and Fittings of Kshs. 170,883,090 whose book value is nil. **FINANCIAL RISK & CAPITAL MANAGEMENT**

The Authority's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Authority's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk.

The Authority's financial risk management objectives and policies are detailed below:

**(i) Credit risk**

The Authority has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as agency and other receivables.

The carrying amount of financial assets recorded in the financial statements representing the Authority's maximum exposure to credit risk is made up as follows:

|                        | Fully Performing<br>Kshs 000 | Past Due<br>Kshs 000 | Impaired<br>Kshs 000 |

| <b>At 30 June 2014</b> |                              |                      |                      |
| Receivables            | 476,025                      | -                    | -                    |
| Bank Balances          | 7,122,465                    | -                    | -                    |
| <b>At 30 June 2013</b> |                              |                      |                      |
| Receivables            | 707,877                      | -                    | -                    |
| Bank Balances          | 3,025,385                    | -                    | -                    |

The credit risk associated with these receivables is minimal hence no allowance for uncollectible amounts has been recognised in the financial statements.

**(ii) Market risk**

The board has put in place an internal audit function to assist it in assessing the risk faced by the Authority on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the Authority's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit Committee.

The Authority's Finance Department is responsible for the development of detailed risk management policies (subject to review and approval by Finance Committee) and for the day to day implementation of those policies.

There has been no change to the Authority's exposure to market risks or the manner in which it manages and measures the risk.

**(a) Foreign currency risk**

The Authority has transactional currency exposures. Such exposure arises from foreign denominated bank balances.

The carrying amount of the Authority's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

|                                  | Ksh<br>Shs '000 | Others<br>Shs '000 | Total<br>Shs '000 |

| Financial assets (Bank balances) | 93,136          | -                  | 93,136            |
| Payables                         | -               | -                  | -                 |
| Net foreign currency liability   | 93,136          | -                  | 93,136            |

**(b) Interest rate risk**

Interest rate risk is the risk that the Authority's financial condition may be adversely affected as a result of changes in interest rate levels. The Authority's interest rate risk arises from fixed and security deposits. This exposes the Authority to cash flow interest rate risk.

**Management of interest rate risk**

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

**Sensitivity analysis**

The Authority analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year.

Using the end of the year figures, the sensitivity analysis indicates the impact on the statement of financial performance if current floating interest rates increase/decrease by five percentage (5% as a decrease/increase of KShs. 18,061,000 (2012: KShs.9,324,000 ).

**(iii) Price risk**

The Authority does not hold investments that would be subject to price risk; hence this risk not relevant.

**25. CONTINGENT LIABILITIES**

These include:-

- An amount of Kshs. 2 million included in utility deposits representing a bank guarantee to Kenya Power and Lighting for Times Tower power supply.
- An amount of Kshs 1,297,759 representing a guarantee to Telkom Kenya Limited for supply of telephone facilities in the Times Tower building.
- Pending legal cases and court awards against the Authority estimated at Kshs 4,454,051,492 at the financial year end. The Treasury is expected to meet the cost of settling the awards should they materialize.

**26. COMPARATIVES**

Where necessary, comparatives have been adjusted to conform to changes in presentation in the current year.

(4) Subject to Section 13 (2), a State Officer who receives a gift or donation shall declare the gift or donation to the Office within fourteen (14) days of receipt of the gift.

(5) The Office shall maintain a register of all gifts received by State officers as provided for in the regulations.

#### 15. Wrongful or unlawful acquisition of property

A State officer shall not use the office to wrongfully or unlawfully acquire or influence the acquisition of property.

#### 16. Conflict of interest

(1) A State officer shall use the best efforts to avoid being in a situation where his or her personal interests conflict or appear to conflict with the State officer's official duties.

(2) Without limiting the generality of subsection (1), a State officer shall not hold shares or have any other interest in a corporation, partnership or other body, directly or through another person, if holding those shares or having that interest would result in a conflict of the State officer's personal interests and the officer's official duties.

(3) A State officer whose personal interest conflict with his/her official duties shall declare the personal interests to the Office and the Commission.

(4) The Commission may give directions on the appropriate action to be taken by the State officer to avoid the conflict of interest and the State officer shall comply with the directions; and refrain from participating in any deliberations with respect to the matter. Any direction issued by the Commission under this subsection shall be in writing.

(5) Notwithstanding any directions to the contrary under subsection (4), a State officer shall not award or influence the award of a contract to;

- (a) himself or herself;
- (b) the State officer's spouse or child;
- (c) a business associate or agent; or
- (d) a corporation, private company, partnership or other body in which the officer has a substantial or controlling interest.

(6) Where the State officer is present at a meeting, and an issue which is likely to result in a conflict of interest is to be discussed, the State officer shall declare the interest at the beginning of the meeting or before the issue is deliberated upon.

(7) A declaration of a conflict of interest under subsection (6) above shall be recorded in the minutes of that meeting.

(8) The Office shall maintain a register of conflicts of interest in the prescribed form in which an affected State officer shall register the particulars of the registrable interests, stating the nature and extent of the conflict.

(9) For purposes of subsection (8), the registrable interests shall include:-

- (a) The interests set out in the Second Schedule of the Act;
- (b) Any application for employment or other form of engagement with the Office, by a family member or friend of the State Officer or by a corporation associated with the State Officer;

(c) Any other matter which, in the opinion of the State Officer, taking into account the circumstances thereof, is necessary for registration as a conflict of interest.

(10) The Office shall keep the register of conflicts of interest for five years after the last entry in each volume of the register;

(11) The Office shall prepare a report of the registered interests within thirty days after the close of a financial year;

(12) A State Officer shall ensure that an entry of registrable interests under subsection (7) is updated and to notify the Office of any changes in the registrable interests, within one month of each change occurring.

#### 17. Participation in tenders invited by the Office

(1) A State officer shall not participate in a tender for the supply goods or services to the Office.

(2) Notwithstanding subsection (1), a company or entity associated with the State Officer shall not be construed as trading with the Office unless:

- (a) The State officer has a controlling shareholding in the company or entity; or
- (b) The State Officer is a Director of the Company.

#### 18. Public Collections

(1) A State officer shall not solicit for contributions from the Office or any other person or entity for a public purpose unless the President has, by notice in the Gazette, declared a national disaster and allowed a public collection for the purpose of the national disaster in accordance with the law.

(2) A State officer shall not participate in a public collection of funds in a way that reflects adversely on that State officer's integrity, impartiality or interferes with the performance of the official duties.

(3) Nothing in this clause shall be constructed as prohibiting a state officer from making voluntary contribution.

#### 19. Bank accounts outside Kenya

(1) Subject to Article 76 (2) of the Constitution or any other written law, a State officer shall not open or continue to operate a bank account outside Kenya without the approval of the Commission.

(2) A State officer who has reasonable grounds for opening or operating a bank account outside Kenya shall apply to the Commission for approval to open or operate a bank account.

(3) A State officer who operates or controls the operation of a bank account outside Kenya shall submit statements of the account annually to the Commission and authorize the Commission to verify the statements and any other relevant information from the foreign financial institution in which the account is held.

(4) Subject to subsections (1) and (2), a person who is appointed as a State officer in the Office and has a bank account outside Kenya shall, upon such appointment, close the bank account within six months.

(5) Subject to subsection (4), a State officer may open or continue to operate a bank account outside Kenya as may be authorized by the Commission in writing.

#### 20. Acting for foreigners

(1) A State officer shall not be an agent of, or further the interests of a foreign government, organization or individual in a manner that may be detrimental to the security interests of Kenya, except when acting in the course of official duty.

(2) For the purposes of this section—

- (a) an individual is a foreigner if the individual is not a citizen of Kenya; and
- (b) an organization is foreign if it is established outside Kenya or is owned or controlled by a foreign government, organization or individual.

## 21. Care of property

(1) A State officer shall take all reasonable steps to ensure that public property in the officer's custody, possession or control is taken care of and is in good repair and condition

(2) A State officer shall not use public property, funds or services that are acquired in the course of or as a result of the official duties, for activities that are not related to the official work of the State officer.

(3) A State officer shall return to the Office all the public property in their custody, possession or control at the end of the appointment term.

(4) A State officer who contravenes subsection (2) or (3) shall, in addition to any other penalties provided for under the Constitution, the Act or any other law, be personally liable for any loss or damage to the public property.

## 22. Misuse of official information

(1) A State officer shall not directly or indirectly use or allow any person under the officer's authority to use any information obtained through or in connection with the office, which is not available in the public domain, for the furthering of any private interest, whether financial or otherwise.

(2) A State Officer shall not be deemed to have violated the requirements of subsection (1), if the information is given:

- (a) Pursuant to a court order.
- (b) For purposes of educational, research, literary, scientific or other purposes not prohibited by law.
- (c) In compliance with Article 35 of the Constitution and the relevant law.

## 23. Political neutrality

(1) A State officer, shall not, in the performance of his /her duties

- (a) act as an agent for, or further the interests of a political party or candidate in an election; or
- (b) manifest support for or opposition to any political party or candidate in an election.

(2) Engage in any political activity that may compromise or be seen to compromise the political neutrality of the office subject to any laws relating to elections.

## 24. Impartiality

A State officer shall, at all times, carry out the duties of the Office with impartiality and objectivity in accordance with Articles 10, 27, 73(2)(b) and 232 of the Constitution and shall not practice favouritism, nepotism, tribalism, cronyism, religious bias or engage in corrupt or unethical practices.

## 25. Giving of advice

A State officer who has a duty to give advice shall give honest, accurate and impartial advice without fear or favour.

## 26. Gainful employment

(1) Subject to subsection (2), a full time State officer shall not participate in any other gainful employment.

(2) In this section, "gainful employment" means work that a person can pursue and perform for money or other form of compensation or remuneration which is inherently incompatible with the responsibilities of the State office or which results in the impairment of the judgement of the State officer in the execution of the functions of the State office or results in a conflict of interest.

## 27. Offers of future employment

(1) A State officer shall not allow himself or herself to be influenced in the performance of their duties by plans or expectations for or offers of future employment or benefits.

(2) A State officer shall disclose, in writing, to the Commission, all offers of future employment or benefits that could place the State officer in a situation of conflict of interest.

## 28. Former State Officer in the Office

A former State officer shall not be engaged by the Office in a matter in which the State Officer was originally engaged in as a State officer, for at least two years after leaving the Office.

## 29. Misleading the public

A State Officer shall not knowingly give false or misleading information to any person.

## 30. Falsification of records

A State officer shall not falsify any records or misrepresent information to the public.

## 31. Conduct of private affairs

A State officer shall conduct their private affairs in a manner that maintains public confidence in the integrity of the Office.

## 32. Bullying/Harassment

(1) A State officer shall not bully another State Officer, a member of staff or any other person;

For purposes of subsection (1), "bullying" includes repeated offensive behavior which is vindictive, cruel, malicious or humiliating whether or not is intended to undermine a person and, "harassment" includes unwanted and unwelcome words, deeds, actions, gestures, or behaviors that make the State officer, member of staff or other person feel uncomfortable. All employees and members of public shall be treated with respect and dignity.

## 33. Acting through others

(1) A State officer shall not —

- (a) cause anything to be done through another person that would constitute a contravention of this Code, the Constitution or any other law if done by the State officer; or
- (b) allow or direct a person under their supervision or control to do anything that is in contravention of this Code, the Constitution or any other law.

(2) Subsection (1) (b) shall not apply where anything is done without the State officer's knowledge or consent or if the State officer has taken reasonable steps to prevent it.

(3) A State officer who acts under an unlawful direction shall be responsible for his or her actions.

## 34. Reporting improper orders

(1) If a State officer considers that anything required of them is in contravention of the Code or is otherwise improper or unethical, the State officer shall report the matter to Parliament.

(2) Parliament shall investigate the report and take appropriate action within ninety days of receiving the report.

## 35. Confidentiality

Subject to Article 35 of the Constitution and any other relevant law, a State Officer shall not disclose or cause to be disclosed any information in his custody to any unauthorized person.

## 36. Duty to prevent occurrence of corruption or unethical practice in the Office

A State Officer who believes or has reason to believe that a corrupt act or unethical malpractice has occurred or is about to occur in the Office shall take all necessary measures to prevent it from continuing or materializing in addition to any other appropriate action.

## 37. Promotion of ethics; integrity and best practices in the Office

State officers in the Office shall collectively and individually take measures to ensure that staff of the Office uphold and practice the highest attainable degree of integrity in the performance of their duties.

## 38. Dress Code

A State Officer shall maintain appropriate standard of dressing and personal hygiene at all times.

## 39. Breach of Code

(1) Any person may lodge a complaint alleging a breach of this Code by a State Officer to Parliament.

(2) Breach of this Code amounts to misconduct for which the State Officer may be subjected to disciplinary proceedings including removal from office.

(3) Where a breach of this Code amounts to a violation of the Constitution, the State Officer may be removed from office in accordance with Article 251 of the Constitution;

## 40. Implementation of the Code

The Controller of Budget shall take personal responsibility for compliance with the provisions of this Code

## 41. Review

The Office may, from time to time and with the approval of the Commission, amend this Code.

## COMMITMENT TO THE CODE

I AGNES ODHIAMBO holder of National ID/Passport No. 4827782 and Post Office Box 70145-00400, Nairobi, Kenya having been duly appointed as the Controller of Budget, do hereby confirm that I have read and understood the Leadership and Integrity Code for the Office of the Controller of Budget and hereby commit to abide by the provisions of the Code at all times.

### THE ENVIRONMENTAL MANAGEMENT AND CO-ORDINATION ACT

(No. 8 of 1999)

### THE NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY

NOTICE TO THE PUBLIC TO SUBMIT COMMENTS ON AN  
ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT FOR THE  
PROPOSED SANITARY LANDFILL DEVELOPMENT, PROJECT AT THE  
EXISTING KANG'OKI DUMPSITE, THIKA SUB COUNTY IN KIAMBU  
COUNTY

PURSUANT to Regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The Proponent, County Government of Kiambu, is proposing a Sanitary Landfill Development Project at the Existing Kang'oki Dumpsite, Thika Sub County in Kiambu County.

The Project involves the construction of terraced levels (2m cell lifts) approximately to a maximum height of 10 m. At every 10 m interval, storm water cut-off trench will be constructed at the foot of the next level. The trench will divert external uncontaminated water around the waste work face and will form part of the next level excavations for cover material. The base of every lift is sloped towards the internal drainage system in the center of the work area. Runoff will be diverted into the clean water trenches of the internal drainage system. The runoff diverted around the landfill will be discharged into the natural environment downstream of the landfill.

The following are the anticipated impacts and proposed mitigation measures:

| Environmental/Social Impact | Proposed Mitigation Measures  |
|-----------------------------|---|
| Air Pollution               | <ul style="list-style-type: none"> <li>Covering the site with sieves/ gunny bags to minimize pollution.</li> <li>Control speed and operation of construction vehicles.</li> <li>Prohibit idling of vehicles.</li> <li>Spray water on excavated areas.</li> <li>Maintenance of construction plant and equipment.</li> <li>Sensitize construction workers.</li> <li>All bare areas should be landscaped after construction.</li> <li>Workers should be provided with dust masks while working in the site.</li> <li>Conduct air quality analysis periodically.</li> </ul> |

#### Water contamination

- Regular monitoring of the color of the leachate Conduct water quality analysis on the adjacent water sources.
- A drainage system in the landfill cell which will drain all new leachate from the landfill cell.
- To prevent the production of new leachate, surface waters should be separated as much as possible from the pollution source.
- To reduce the infiltration in the landfill mass, wastes should be covered by impermeable layers (clay layer of 0.5m;  $K < 1.10-9$  m/s).
- Every effort should be made to ensure that any chemicals or hazardous substances do not contaminate the soil or water on-site.
- Site staff should not be permitted to use any stream, river, other open water body, or natural water source adjacent to or within the designated site for the purposes of bathing, washing of clothing, or for any construction or related activities. Municipal water (or another source approved by the environment management specialist) should instead be used for all activities such as washing of equipment or disposal of any type of waste, dust suppression, concrete mixing, compacting etc.
- All concrete mixing must take place on a designated, impermeable surface.
- No vehicles transporting cover materials to the site may be washed on-site.
- No vehicles transporting, placing, or compacting asphalt or any other bituminous product may be washed on-site.
- All substances required for vehicle maintenance and repair must be stored in sealed containers until they can be disposed of removed from the site.
- Hazardous substance/ materials are to be transported in sealed containers or bags.

#### Soil erosion and compaction

- Provide soils conservation structures on the areas prone to soil erosion to reduce impact of run off.
- All bare areas should be well landscaped after completion.
- The proponent at the decommissioning phase will rehabilitate the land by loosening the soil.
- The contractor will always use a pre-determined route to the site.
- Unnecessary heavy machines will be avoided.
- Use of cheap tools like jacks, forks, mattocks and shovels will be encouraged to do the ground breaking.
- Operations will be timed to take place during the dry season when the soils are dry to reduce the risk of soil compaction.
- Avoid unnecessary movement of soil materials from the site.
- Provide soil conservation structures on the areas prone to soil erosion mostly to reduce impact by the run-off.

- Control construction activities especially during rainy conditions.
- Re-surface surface areas after completion of the project and introduce appropriate vegetation.
- Provide suitable storm water drainage channels to effectively discharge water to safe areas. Channels need to be regularly maintained and repaired to avoid point discharge in case of breakages or blockages.
- Conduct landscaping after the project completion to maximally control any possible chance of soil movement.

**Waste water (Run-off)**

- Construction of well-maintained drains to effectively manage surface run off.
- Presence of well-maintained sanitary facilities for the workers and visitors to the site.
- During construction, the design of the drainage system should ensure that surface flow is drained suitably into the existing drainage channels or the sewer system.
- Drainage channels should be installed in all areas that generate or receive surface water such as car parking, drive ways and along the building block-edges of the roofs.
- Channels should be covered by approved materials to prevent occurrence of accidents and entry of dirt that would compromise flow of run off.
- Drainage channels should ensure safe disposal of runoff/surface water and should be self-cleaning.
- Paving of the sidewalks, driveways and other open area should be done using pervious materials to encourage recharge and thus reducing water runoff volume.
- The proponent should ensure that regular checks for the sewer line are done to avoid blockages or damages of pipes.

**Fire preparedness**

- There should be a member of staff who is trained in fire preparedness and response who is always within the development.
- Delineate a fire marshal for the resort to coordinate proceedings in case of a fire emergency.
- Firefighting drills carried out regularly.
- Firefighting emergency response plan.
- Ensure firefighting equipment are in place and regularly maintained, serviced and inspected.
- Train workers on fire fighting skills.
- Fire hazard signs and directions to emergency exit, route to follow and assembly point in case of any fire incidence.

**Occupational health and safety**

- The site shall be registered with the Directorate of Occupational Health and Safety.
- All workers MUST be provided with full protective gear. These include working boots, overalls, helmets, goggles, earmuffs, masks and gloves.
- All visitors, Consultants and inspectors coming into the construction site, MUST

be issued with the appropriate PPEs including helmets, overcoats, goggles etc.

- Construction crew at the site will be sensitized on social issues such as drugs, alcohol diseases.
- A first aid kit should be provided within the site. This should be fully equipped at all times and should be managed by qualified person.
- The contractor should have workmen's compensation cover. It should comply with the workmen's compensation act, as well as ordinances, regulations and union agreements.
- Food handlers preparing food the workers at the site should be controlled and monitored to ensure that food is hygienically prepared.

The full report of the proposed project is available for inspection during working hours at:

**GAZETTE NOTICE NO. 9205****THE ENVIRONMENTAL MANAGEMENT AND CO-ORDINATION ACT**

(No. 8 of 1999)

**NOTICE TO THE PUBLIC SUBMIT COMMENTS ON THE DRAFT STRATEGIC ENVIRONMENTAL ASSESSMENT REPORT IN THE MASTERPLAN FOR LEATHER INDUSTRIAL PARK**

Pursuant to Section 57 (A) of the Environmental Management and Coordination (Amended) Act, 2015, Regulations 42 and 43 of the Environmental (Impact Assessment and Audit) Regulations Legal Notice No.101 of 2003 and the National Guidelines for Strategic Environmental Assessment, the National Environmental Management Authority (NEMA) has received a Draft Strategic Environmental Assessment Report For The Masterplan For Leather Industrial Park. The SEA findings are also expected to integrate the existing sectoral plans and programs to establish sustainable economic zone development mechanisms.

The Export Processing Zones Authority (EPZA), a State corporation of the Government of Kenya under the Ministry of Industrialization and Enterprise Development (MoIED) is the owner of the Master plan. The plan is a Kenya Vision 2030 flagship project aimed at boosting the Manufacturing Sector GDP towards securing the overall goal of transforming the country into a newly industrialized middle income economy providing high quality life for all citizens by the year 2030.

The Master plan for the Leather Industrial Park is situated on LR No. 23961, a 301.1ha EPZA property located within the Kinanie Division of Athi River Sub-county within Machakos County. The site is situated about 16 kilometres east of Athi River Town and can be accessed through the Mutonguni (C434) Rd connecting Mombasa

Road to the Kangundo Road. On the ground, the sites franks Mbagathi River adjacent to the EPZA operated sewage treatment plant located about 4km East of the Kinanie Center.

The land use plan for Leather Industrial Park at Kinanie has taken into account the following:

- (i) Planning jurisdictions within the area,
- (ii) Promotion of the economic contribution of the Leather Sector in Kenya,
- (iii) The need to provide for forward and backward linkages in leather value addition,
- (iv) Need to optimize on pre-existing resources,
- (v) Minimization of adverse social and environmental impacts

Design of the Master plan for the Leather Industrial Park allows for components as follows:

- Tanneries
- Value Addition Parks
- An Administrative Center
- Research and Development Center
- SMEs
- Trade Center
- Power Sub station
- Transmission line
- Logistics and Customs Offices
- Residential Area
- Internal Infrastructure
- Common Effluent Treatment Plant including a sanitary landfill site

The primary goal of the SEA Study in the Leather Industrial Park is to provide a clear but flexible framework to ensure harmonious integration of the Master plan into local and national planning initiatives with minimal environmental and social shocks. The SEA seeks to secure development of a Leather City that is technically sound, economically sustainable and socially acceptable with benefits accruing to Kinanie, County and National Government Levels.

Specifically, this SEA Study targets objectives as follows:

- (i) To identify environmental and social priorities and key linkages between environmental protection and trade growth in the Master plan area and beyond;
- (ii) To assess likely significant effects of Leather Industrial Park development on these environmental and social priorities and key linkages;
- (iii) To formulate a set of measures to address these priority concerns and to take advantage of opportunities that will emerge from Leather Industrial Park development, considering institutional and financial conditions needed for implementing such proposal; and,
- (iv) To recommend mechanisms that will enable future adjustments to maintain and promote sustainable and equitable economic/trade growth in response to phased and gradual development of the Leather Industrial Park.

The key potential negative impacts and recommended mitigation measures in implementing the Master plan for the Leather Industrial Park are highlighted below:

| Category                      | Nature of Impact   | Recommendations   |
|-------------------------------|--|---|
| Pre-existing impacts/concerns | Nuisances (odour, dust) and hazards posed by operation of sewerage disposal activities in Kinanie. | EPZA to continue mobilizing the support of other stakeholders in resolving concerns associated with operation of the sewerage plant including regulation of independent sewerage service providers. |
|                               | Pollution concerns posed by non-authorised connections to the EPZA sewer line.                     | NEMA to exploit available options in reigning in enforcing requirements of Legal Notice 120 of EMCA.  |

| Category  | Nature of Impact  | Recommendations  |
|---|---|--|
|   | Pollution load from non-treated sewerage effluent from Athi-river based factories.  | As above   |
| General Concerns  | Potential to induce non planned development at Kinanie.   | Proponent to collaborate with the Machakos County Government to ensure adoption of zoned development at Kinanie in line with Cap 264.  |
|   | Cumulative degradation of habitat for wildlife in Kinanie Division.   | Remaining herds of herbivores to be accommodated within the confines of the Leather Industrial Park towards maintaining minimum viable populations.  |
| Impacts associated with operation of tanneries and other investments at Kinanie | Cumulative pressure on the limited surface and groundwater resource base of Athi River basin.   | Proponent to collaborate with sectoral Lead agencies (Wrmā, Tanathi, Mavwasco, Awsb (Nairobi Wssco) to develop a masterplan providing for water Demand Management in the Leather Industrial Park and associated Leather City.  |
|   | Cumulative pollution loading in the Mbagathi-Athi system currently already polluted by draining Nairobi, Thika, Athi River, Machakos and Kitui Towns. | <ul style="list-style-type: none"> <li>• Adoption of a Leather Industrial Park Model which is heavy on value addition and lean on tannery development at Kinanie.</li> <li>• Each Investment to undergo mandatory EIA cycle</li> <li>• Upfront development of a Common Effluent Treatment Plant and Sanitary Landfill to be operated in line with LNs 120/121 of EMCA</li> <li>• Participatory monitoring of activities of all investors.</li> </ul> |
|   | Erosion of environmental quality at Kinanie due to solid, liquid and atmospheric pollutants generated in the Leather Industrial Park.                 | As above   |
|   | Introduction of invasive/alien species in construction materials  | Screening of sites targeted for material exploitation  |
| Social and economic impacts   | Degradation of local labour-force due to poor wages and working conditions.   | <ul style="list-style-type: none"> <li>• Participatory vetting of potential investors.</li> <li>• Adherence to OSHA, 2007.</li> <li>• Adoption of an institutional framework allowing for local participation.</li> </ul>  |

| Category       | Nature of Impact  | Recommendations   |
|----------------|---|---|
|                | Inadequate domestic market for value added leather and leather products can hurt investors who currently process wet blue grade leather for export. | The EPZA and partners in the Leather Industrial Park should aggressively address all barriers to market penetration for locally produced finished leather and leather products. |
|                | Marginalization of current players in the leather value chain.  | Adoption of a Leather Industrial Park model that accommodates current players including access to quality inputs.   |
| Other concerns | Possible disconnect with other sectoral laws, strategies.   | Development and implementation of the Master plan for Leather Industrial Park will conform to reigning policy-legal framework at both County and National Government Level.     |

The full Draft Strategic Environmental Assessment for the Master Plan for the Leather Industrial Park is available for inspection during working hours at is available for inspection during working hours at:

- Cabinet Secretary, Ministry of Environment, Natural Resources and Regional Development Authorities, N.H.I.F. Building, P.O. Box 30126-00100, Nairobi.
- Director General, NEMA, Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.
- County Director of Environment, Machakos County.

The National Environment Management Authority invites members of the public to submit oral or written comments within thirty (30) days from the date of publication of this notice to the Director-General, NEMA, to assist the Authority in the decision making process of the plan.

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc..

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typewritten with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE CODE OF REGULATIONS, SECTION D—

*Kenya Gazette*

"D 34. (1) Communications for the *Kenya Gazette* should reach the Government Printer not later than 9 a.m. on Friday of the week before publication is desired. The Government Printer will not publish communications received after that hour until the next subsequent issue of the Gazette.

(2) Ministries will be required to pay for the *Kenya Gazette* and to meet the cost of advertising in it.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
