NOTICE is given that PowerGen Renewable Energy East Africa, a limited liability Company having its registered office at Karen Plains Arcade, Nairobi in the Republic of Kenya, "the Applicant", pursuant to the provisions of section 28 of the Energy Act, 2006, will on 1st June, 2016, make an application to the Energy Regulatory Commission for the electric power for a Permit for distribution and supply of electricity to selected customers near Olare Town in Homa Bay County.

The project consists of distribution networks, service lines and other wiring for the supply of electricity to households and small commercial establishments. The grant of the Permit will not have adverse effect on any public or local authorities, companies, persons or bodies of persons within the areas of the undertaking.

A copy of the application (subject to confidentiality considerations) will be available (once lodged) for inspection by the public at the registered office of the applicant.

Any public or local authority, company, person or body of persons desirous of making any representation on or objection to the application must do so by a letter addressed to the Energy Regulatory Commission and marked on the outside of the cover enclosing it "Energy Act", on or before the expiration of thirty (30) days from the date of application and a copy of such representation or objection must be forwarded to the registered office of the applicant.

Dated the 1st June, 2016

MARK WOPICHO,
Director, PowerGen Renewable
Energy East Africa Limited.

THE ENVIRONMENTAL MANAGEMENT AND CO-ORDINATION ACT

(No. 8 of 1999)

THE NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY
ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED NYANGWETA SUGAR FACTORY AT
NYANGWETA, SOUTH MUGIRANGO SUB COUNTY, KISII
COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The Proponent, Ministry of Agriculture, Livestock, Fisheries and Cooperative Development in Kisii County Government is proposing to construct a sugar factory that will have a milling plant, spirit distillery for local and international market as well generation of electricity for both the factory use and sale to the national grid.

The following are the anticipated impacts and proposed mitigation measures:

Impact	Proposed Mitigation measure
Objective	<ul style="list-style-type: none"> To minimize solid waste generation ensuring efficient solid waste management
Increased solid waste generation	<ul style="list-style-type: none"> Use of an integrated solid waste management system i.e. through a hierarchy of options like: Source reduction, Recycling, Reuse, and Land filling. Use of durable, long-lasting materials to reduce, the amount of construction waste generated overtime. Use construction materials containing recycled content where possible and in accordance with accepted standards. Reuse packaging material such as cartons, cement bags, empty metal and plastic containers. Dispose waste more responsibly by dumping at designated dumping sites or landfills only. Waste collection bins to be provided at designated points on site. Provide facilities for proper handling and storage of construction materials.
Objective	<ul style="list-style-type: none"> To minimize impacts of dust and exhaust emissions
Dust emission	<ul style="list-style-type: none"> Avoid excavation works in extremely dry weathers Personal protective equipment to be worn Post signs that limit vehicles speed onto unpaved roads and over disturbed soils. Cover stockpiles of sand, soil and similar materials or surround them with wind breaks. Ensure strict enforcement of on-site speed limit regulations. Sprinkle water on access routes when necessary to reduce dust generation by construction vehicles.
Exhaust emission	<ul style="list-style-type: none"> Vehicle idling time shall be minimized Sensitize truck drivers to avoid unnecessary racing of vehicle engines at loading/offloading points and parking areas. Construction equipment to be maintained properly tuned and maintained as per the manufacturers specification. The engine size of the construction

	<ul style="list-style-type: none"> equipment shall be the minimum practical size.
Objective	<ul style="list-style-type: none"> Construction equipment operating simultaneously to be minimized through efficient management practices.
Noise and vibration	<ul style="list-style-type: none"> To minimize impacts of noise and vibration Prescribe noise reduction measures if appropriate e.g restricted working hours, transport hours and noise buffering. Consult with the surrounding community on the permissible noise levels and best working hours. The noisy construction works will be planned to be during the day. Use best available technology. Sensitize construction vehicle drivers and machinery operators to switch off engines of vehicles or machinery not being used. Ensure that construction machinery is kept in good condition to reduce noise generation.
Objective	<ul style="list-style-type: none"> To minimize of energy consumption
Increase energy consumption	<ul style="list-style-type: none"> Monitor energy use during construction and set targets for reduction of energy use. Ensure electrical equipment and appliances are switched off when not being used. Ensure planning of transportation of materials to ensure that fossil fuels (diesel, petrol) are not consumed in excessive amounts. Install energy saving fluorescent tubes and bulbs at all lighting points instead of bulbs which consume higher electric energy.
Objective	<ul style="list-style-type: none"> To minimize water consumption and ensure efficient water use
Increase water demand	<ul style="list-style-type: none"> Ensure that water is sourced from a sustainable source and from licensed water vendors. Recycling waste water and using it for other purposes. Harvesting rain water during rainy seasons.
Objectives	<ul style="list-style-type: none"> To minimize incidences and accidents
Increased incidences and accidents	<ul style="list-style-type: none"> Registration of all workplaces by the Director, Directorate of Occupational Health and Safety (DOHSS). Comply with all standards and legally required health and safety regulations as set out by the occupational Safety and Health Act (Part XI: Section 96) as pertains to construction activities. Demarcate all works which may pose a employee and other site workers. Erect warning signs Place portable fire extinguishers at suitable locations. Training all staff on fire safety policy and procedures Allocate a fire assembly point and mark all fire exits within the site.
Objective	<ul style="list-style-type: none"> To minimize impacts of hazardous waste
Hazardous waste	<ul style="list-style-type: none"> Incorporate all potential contaminants in the construction environmental management plan (CEMP). Maintain vehicles and machinery routinely inspected to minimize the risk

of fuel/oil leaks.

Objective	<ul style="list-style-type: none"> All fuels, chemical and hazardous liquids would be stored away from drainage lines, within an impervious banded area. Refuel construction plant, vehicles and equipment at off-site, or in a designated refueling area
Community impacts	<ul style="list-style-type: none"> To minimize on community Initiate good public relation between the proponent, contractor and the community. Erect and maintain information boards in the position, quantity, design and dimensions of the proposed sugar factory. Keep "Complaints Register" on Site.

The full report of the proposed project is available for inspection during working hours at:

(a) Director-General, NEMA, Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.

(b) Principal Secretary, Ministry of Environment and Mineral Resources, N.H.I.F. Building, Community, P.O. Box 30126-00100, Nairobi.

(c) County Director of Environment, Kisii County.

The National Environment Management Authority invites members of the public to submit oral or written comments within thirty (30) days from the date of publication of this notice to the Director-General, NEMA, to assist the Authority in the decision making process of the plan.

**IMPORTANT NOTICE TO SUBSCRIBERS TO
THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typewritten with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE CODE OF REGULATIONS, SECTION D—

Kenya Gazette

"D 34. (1) Communications for the *Kenya Gazette* should reach the Government Printer not later than 9 a.m. on Friday of the week before publication is desired. The Government Printer will not publish communications received after that hour until the next subsequent issue of the Gazette.

(2) Ministries will be required to pay for the *Kenya Gazette* and to meet the cost of advertising in it.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
