THE COUNTY GOVERNMENT ACT

(No. 17 of 2012)

COUNTY GOVERNMENT OF MURANG'A

MURANG'A COUNTY PUBLIC SERVICE BOARD

Report on the extent of Compliance with the National Values and Principles of Governance and of Public Service in the Murang'a County Public Service for the period ended 31st December, 2016.

This report was approved and adopted by the Murang'a County Public Service Board for onward transmission to the Murang'a County Assembly and to be gazetted in the county Gazette.

1.0 Introduction

The Murang'a County Public Service Board is a body corporate established by section 57 of the County Government Act, 2012 being the actualization of Article 235 of the Constitution of Kenya, 2010.

The board has perpetual succession and is capable of suing and be sued under its corporate name.

The board is composed of the following—

Titus Waithaka—*Ag. Chair*
 Mary Baaro—*Vice-Chair*
 Nancy Njoroge—*Member*
 Andrew Ngunjiri—*Member*
 Richard Kamami—*Secretary*
 Catherine Wanjiku —*Member*

1.1 Functions of the Murang'a County Public Service Board

The functions of the board as given by section 59 of the County Government Act, 2012 are as follows—

- (a) To establish and abolish offices in the County Public Service.
- (b) To appoint persons to hold or act in offices of the County Public Service including in the Boards of Cities and Urban Areas within the county and to confirm appointments.
- (c) To exercise disciplinary control over, and remove, persons holding or acting in those offices as provided for under this part;
- (d) To prepare regular reports for submission to the County Assembly on the execution of the functions of the board;
- (e) To promote in the County Public Service the values and principles referred to in Articles 10 and 232;
- (f) To evaluate and report to the County Assembly on the extent to which the values and principles referred to in Articles 10 and 232 are complied with in the County Public Service;
- (g) To facilitate the development of coherent, integrated human resource planning and budgeting for personnel emoluments in the county;
- (h) Advise the County Government on human resource management and development;
- (i) To advise County Government on implementation and monitoring of the national performance management system in the county;
- (j) Make recommendations to the Salaries and Remuneration Commission, on behalf of the County Government, on the remuneration, pensions and gratuities for County Public Service employees.

2.0 Promotion of the National values and Principles of Governance in the Public Service (Article 10 and 232 of the Kenya Constitution 2010).

This report dwells specifically on promotion of values and principles of public service referred to in Articles 10 and 232 and evaluation on the extent to which the values and principles referred to in Articles 10 and 232 are complied with in the County Public Service;

The values and principles of public service include:

- (a) High standard of professional ethics;
- (b) Efficient, effective and economic use of resources;

- (c) Responsive, prompt, effective, impartial and equitable provision of services;
- (d) Involvement of the people in the process of policy making;
- (e) Accountability for administrative acts;
- (f) Transparency and provision to the public timely, accurate information;
- (g) Fair competition and merit as the basis for appointments and promotions;
- (h) Affording adequate and equal opportunities for appointment, training and advancement at all levels at the public service.
- (i) The Murang'a County Public Service Board was constituted on 16th August, 2013. The Board in the course of executing its mandate has maintained a High standard of professional ethics; utilized the resources available to the board with efficiency, effectiveness, transparency and accountability. The Board has also endeavoured to have a good working relationship with two arms of Government.

In this calendar year, 2016, the board has undertaken the following:

1. Observance of fair competition of appointment and promotions:

In doing this the Board did the following:

- (i) Advertised the vacant posts in the print media and county website.
- (ii) Shortlisted the qualified candidates.
- (iii) Carried out interviews competitively.
- (iv) Made out appointments according to merit and in line with provisions of other relevant Laws.
- (v) Promoted officers in accordance with performance and schemes of service.

(List of appointments and promotions is attached as appendixes)

2. Observation of high standards of professional ethics:

In doing this, the board conducted training on ethics and anti-corruption prevention for management staff in the month of July, 2016. This team was tasked to train other employees.

3. Involvement of the people in the process of policy making:

In doing this the board did the following:

- (i) Visited all the health facilities with a view to evaluating provision of services in the County.
- (ii) Developed draft policies in the following areas awaiting public participation:
 - (a) Casuals.
 - (b) Training.
 - (c) Discipline.
 - (d) Internship.
 - (e) Performance Management.
 - (f) Recruitment and Selection.

4. Affording adequate and equal opportunities for appointment, training and advancement at all levels at the public service.

In achieving this, the PSB recruited people in various vacant posts both men and women as per appendix 1 and 2.

3.0 Evaluation to the extent to which the values have been complied with:

As a way of evaluating the extent to which the values have been complied with, the board has done the following:

- (i) The board requests all candidates to comply with requirements of chapter 6 of the constitution.
- (ii) Authenticated certificated for employees and candidates who appeared for interview. This exercise is an ongoing exercise

4.0 Upcoming and On-going Programmes

The Board intends to undertake the following:

- (i) Conduct a baseline survey in the year 2017 to evaluate and report the extent to which the National values and principles referred to in articles 10 and 232 of the Constitution are complied with in the County Public Service.
- (ii) Continuous training on values and principles in public service.

5.0 Impediments faced by the Board in the Promotion of the National Values and Principles of Governance and Public Service

In the performance of its function of promotion of national values and principles of governance in the public service, the board has experienced the following challenges:

5.1 Gender Balance

The board continues to face challenges in attaining gender balance. The current workforce however is skewed towards the female gender.

5.2 Residence by Marriage Vis-A-Vis Birth

Capturing data of applicants' especially female applicants during data entry and short listing per Sub-county and wards creates confusion. At short listing stage, a candidate's identification documents may indicate that she is from a particular County, whereas at the time of interview she clarifies that she is from a different County. Such claims require proof such as Affidavit of Marriage Certificate which candidates normally lack.

Such confusion affects the allocation of appointments and balancing in the wards and sub counties.

5.3 Regional Balancing

Whereas the board would want to uphold the requirement of regional balancing within the County, there have been challenges when it comes to meeting minimum requirements as per the advertised vacancies across the county.

Sometimes the board finds out that during the shortlisting, there are no applicants from some regions in the Country.

The board supplements adverts on print media with posters within the County so as to reach a wider audience.

5.4 Diverse Communities

Murang'a County is largely not cosmopolitan. People from other ethnic communities in the county mostly as public servants, students or members of the minority business community and applicants for various vacancies from diverse communities are few.

The law require that the Dominant Ethnic Group be 70 percent and non- Dominant Ethnic Group be 30 per cent according to section 55(1) (e) of the County Governments Act, No.17 of 2012. However, certain vacancies do not attract applicants from outside the Dominant Ethnic Group. The board has strived to ensure this through

advertisements that persons from other communities apply by indicating at all times that Murang'a County is an equal opportunity employer.

5.5 Political Environment

The Board recognizes the fact that it operates within a political environment amongst others. This therefore can affect certain aspects of recruitments and selection exercise and by extension the board's activities. The board however strives to remain non-political while at the same time encourages consultation and consensus building in the discharge of its duties and delivering on its mandate.

5.6 Inadequate Infrastructure

Inadequate infrastructure is still a challenge in Murang'a County as a whole and therefore by extension affects the board's intention to attract competitive candidates and qualified personnel in its Public Service. Some of the neighboring Counties are better off when it comes to infrastructure development thereby attracting applicants due to the same. The board has noted that even some successful candidates are still compelled to seek residence in other Counties due to this challenge particularly when it comes to educational institutions, residential houses, ICT, medical facilities and road networks.

5.7 Persons with Disability

Advertised positions have so far attracted few people living with disabilities. The board has however gone out of its way to reach out to Persons Living with Disability.

5.8 Inadequate Funding

This has posed a challenge in the efficient delivery of services.

6.0 Recommendations to be implemented in the Promotion of Values and Principles

The board recommends the following be applied in order to make the national values and principles of governance and of public service be adhered to and assist in having an efficient and effective County Public Service.

Adequate budget provision be done to facilitate promotion of values and principles in public service.

7.0 Conclusion

The board would wish to conclude by assuring all stakeholders that it is committed to ensuring that the National Values and Principles of Governance in the Public Service are adhered to: -

Formulating effective measures to promote the values and principles.

Undertaking a vigorous campaign to promote them among the public officers and the general public.

THE COUNTY GOVERNMENT ACT

(No. 17 of 2012)

COUNTY GOVERNMENT OF MURANG'A

MURANG'A COUNTY PUBLIC SERVICE BOARD

REPORT ON THE EXECUTION OF THE FUNCTIONS OF THE BOARD FOR THE PERIOD ENDED 31ST DECEMBER, 2016

This report was approved and adopted by the Murang'a County Public Service Board for onward transmission to the Murang'a County Assembly.

1.0 Introduction

The Murang'a County Public Service Board is a body corporate established under section 57 of the County Government Act, 2012 being the actualization of Article 235 of the Constitution of Kenya, 2010.

The board has perpetual succession and is capable of suing and be sued under its corporate name. The board is composed of the following:

Titus Waithaka—*Ag. Chair*
 Mary Baaro—*Vice-Chair*
 Andrew Ngunjiri—*Member*
 CS. Richard Kamami—*Secretary*
 Nancy Njoroge—*Member*
 Catherine Wanjiku—*Member*

1.1 Functions of the Murang'a County Public Service Board

The functions of the Board as given by section 59 of the County Government Act, 2012 are as follows—

- (a) To establish and abolish offices in the County Public Service.
- (b) To appoint persons to hold or act in offices of the County Public Service including in the Boards of Cities and Urban Areas within the county and to confirm appointments.
- (c) To exercise disciplinary control over, and remove, persons holding or acting in those offices as provided for under this part;
- (d) To prepare regular reports for submission to the County Assembly on the execution of the functions of the board;
- (e) To promote in the County Public Service the values and principles referred to in Articles 10 and 232;
- (f) To evaluate and report to the County Assembly on the extent to which the values and principles referred to in Articles 10 and 232 are complied with in the County Public Service;
- (g) To facilitate the development of coherent, integrated human resource planning and budgeting for personnel emoluments in the county;
- (h) Advise the County Government on human resource management and development;
- (i) To advise County Government on implementation and monitoring of the national performance management system in the county;
- (j) Make recommendations to the Salaries and Remuneration Commission, on behalf of the County Government, on the remuneration, pensions and gratuities for County Public Service employees.

In the performance of its functions as given by section 59 (1) (d) of the County Government Act, 2012 i.e. "To prepare regular reports

for submission to the County Assembly on the execution of the functions of the board" the board presents the following report to the County Assembly of Murang'a.

2.0 Execution of Board Mandate

For the period ended 31st December, 2016, the board in accordance with its mandate and powers undertook the following:

1. Establishing and abolishing offices in the County Public Service and Appoint persons to hold or act in offices of the County Public Service including in the Boards of Cities and Urban Areas within the county and to confirm appointments.

In pursuit of this mandate, the board approved promotion of various Officers as attached under Appendix 11.

The board also recruited for the cadres shown as Appendix 1.

The Board was taken to court on allegations of not being properly constituted. The Court issued an injunction restraining the Board from recruiting in July 2016. The matter is expected to be concluded in the early part of the year 2017.

2. Exercise disciplinary control over, and remove, persons holding or acting in those offices as provided for under this part;

In pursuit of this mandate, the Board in 2014 issued an advisory requiring the Executive Arm of Government to constitute a County Human Resource Advisory Committee that handles matters related to discipline, promotions and training requests from the County Public Service. Recommendations from this Committee are subsequently forwarded to the Board for review and determination. Three disciplinary cases were escalated to the Board for the period in question and appropriate action taken.

3. Promotion in the County Public Service the values and principles referred to in Articles 10 and 232 and evaluation and reporting to the County Assembly the extent to which the values and principles referred to in Articles 10 and 232 are complied with in the County Public Service;

The board has prepared a separate report on this.

4. Advise the County Government on human resource management and development;

In the pursuit of this mandate—

- The board was instrumental in the development of the 2016/2017 Human Resource budget that was subsequently approved by the County Assembly.

5. To advise the County Government on implementation and monitoring of the national performance management system in the county;

In pursuit of this mandate, the board has—

- On a continuous basis, the board has monitored implementation of the performance appraisal system through the offices of CECM Public Service and Administration, County Secretary and Director Human Resource Management.

6. Make recommendations to the Salaries and Remuneration Commission, on behalf of the County Government, on the remuneration, pensions and gratuities for County Public Service employees

- In pursuit of this mandate, the Board has continuously consulted with SRC as regards this mandate more so on matters relating to remuneration of staff in county public service.

3.0 CONCLUSION

The board will continue engaging all stakeholders in line with the requirements of the Constitution and County Government Act as it pursues achievement of its mandate.

(a) the merging parties shall respect all hospitality agreements' that Gulf African Petroleum Corporation has entered into with third parties on or before the 21st July, 2016 in relation to Mombasa Terminal;

(b) for three years after the date of completion of the transaction (hereinafter referred to as "the Completion Date"), the merging parties shall maintain the present policy of making hospitality at Mombasa Terminal Two available to third parties and entering into relevant hospitality agreements with third parties,

Provided that—

(i) the contractual terms are agreed between merging parties customers; and

(ii) third parties fully comply with all applicable Kenyan laws and regulations on health, safety and environmental requirements, as well as all health, safety and environmental standards and terminal policies in force in relation to Mombasa Terminal Two;

(c) the merging parties shall not terminate any of the current short-term employment contracts of Gulf African Petroleum Corporation employees whose contract of employment has a remaining period of validity of less than two years for a period twelve months from the completion date;

(d) where a short-term contract is due to expire before the end of the period specified in paragraph (c) above, the merging parties may extend the contract until the end of the twelve-month period from the completion date;

(e) the merging parties shall not terminate any permanent and pensionable long-term employment contracts of Gulf African Petroleum Corporation employees before the end of the twenty-four month period from the completion date;

(f) for the period specified in paragraph (b) above, the merging parties shall on an annual basis submit a report to the Authority to determine whether the conditions are being complied with; and

(g) these employment conditions are subject to all other provisions concerning employees provided in the Share Purchase Agreement dated 30th May, 2016 and in particular as set out in paragraph 4 of Schedule 9.2 of the Share Purchase Agreement, which remains unchanged.

Dated the 10th November, 2016.

ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT FOR THE PROPOSED INCINERATION PLANT ON PLOT L.R.NO. NAIVASHA / MWICHIRINGI BLOCK 4 / 22375 & 22376, ALONG LONGONOT – NAIVASHA ROAD AT LONGONOT AREA, NAIVASHA IN NAKURU COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The Proponent, Safety Health and Environment Consultants is proposing to develop a waste handling facility by installing an incineration plant on Plot L.R. No. Naivasha / Mwachiringi Block 4 /

22375 & 22376, along Longonot – Naivasha Road at Longonot Area Naivasha in Nakuru County. The project component will include waste reception area, waste storage area, waste disposal area, incineration facility, and offices.

The following are the anticipated impacts and proposed mitigation measures:

<i>Impacts</i>	<i>Mitigation Measures</i>
Waste management	<ul style="list-style-type: none"> Disposal of waste be done in accordance to waste regulations of 2006. Contractor to undertake safe waste disposal. Verify legality of waste disposal destination.
Waste water	<ul style="list-style-type: none"> Construct a concrete slab for holding of the scrap metals coming from the field. The waste slab should also be fitted with surface runoff traps from which the leachate should be handled as hazardous wastewater. Surface runoff and spills from the galvanizing areas should be collected and channeled into an oil interception chamber, stabilization/ sedimentation tank and a treatment facility before discharge. Appropriate design for septic system should be developed and approved for implementation. Maintain appropriate records on wastewater quality for compliance evaluation and comparison with NEMA/KEBS recommended standards on a continuous basis. Isolate domestic wastewater from process wastewater for containment in septic tanks and regular exhaustion.
Air quality	<ul style="list-style-type: none"> Vehicle speeds in the construction area will be limited to minimize dust in the area. Discourage idling of vehicles i.e. vehicle and equipment will be turned off when not in direct use to reduce exhaust emissions. Regular maintenance of construction plants and equipments. The management will sensitize the employees on sound environmental management. Provide personal protective equipment such as, nose masks, goggles to the workers on site. The construction contractor will water the site with exposed soil surfaces twice each day during dry weather. The kilns should be designed with provisions of flue gas trapping, smoke interception and stacks fitted with scrubbers (for gases) and filters for particulate matter removal.
Occupational health and safety	<ul style="list-style-type: none"> Constitute health and safety committee. Maintain safety reticulation (e.g. fire detection and fighting equipment). Train on HS issues and provide PPEs and enforce applications. Install all machines and equipment with protective guard rails at the moving parts.
Noise levels	<ul style="list-style-type: none"> Initiate a noise mapping programme and keep monitoring. Undertake a annual hearing survey of all

the workers.

Surface drainage

- Train, provide ear muffs/corks and enforce compliance.
- During construction, the design of the drainage system should ensure that surface flow is drained suitably into the public drains provided to control flooding within the site.
- Drainage channels should be installed in all areas that generate or receive surface water such as car parking, drive ways and along the building block-edges of the roofs.
- Channels should be covered by approved materials to prevent occurrence of accidents and entry of dirt that would compromise flow of run-off.
- Drainage channels should ensure safe disposal of run-off/surface water and should be self-cleaning.
- Paving of the sideways, driveways and other open area should be done using pervious materials to encourage recharge and thus reducing water runoff volume.

The full report of the proposed project is available for inspection during working hours at:

(a) Director-General, NEMA, Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.

(b) Principal Secretary, Ministry of Environment and Mineral Resources, NHIF Building, Community, P.O. Box 30126-00100, Nairobi.

(c) County Director of Environment, Nakuru County.

The National Environment Management Authority invites members of the public to submit oral or written comments within thirty (30) days from the date of publication of this notice to the Director-General, NEMA, to assist the Authority in the decision making process of the plan.

THE NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY

ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT FOR THE PROPOSED RESIDENTIAL APARTMENTS ON PLOT L.R. NO. 330/168, ALONG MBAAZI AVENUE AT THOMPSON ESTATE, LAVINGTON AREA IN NAIROBI CITY COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, AHCOF Investments (Kenya) Company Limited is proposing to develop a residential serviced building (160No. apartment units) on Plot L.R. No. 330/168 located along Mbaazi Avenue opposite the entrance of Heritage Court, Thompson Estate, Nairobi City County. The proposed objective of the project is to enhance provision of quality housing facilities and contribute to the government's housing policy. The project will comprise of the three blocks with Block A, B, C having No 40, 80, 40 residential serviced units respectively. Thus the total units are 160. The ground floor will be used for parking having 130 parking bays. It will also have generator and transformer rooms, underground water tank, control

room, 5No stores, refuse room, gatehouse and a pump room; the mezzanine floor will be used for parking and will comprise of 56No. parking bays and 2No stores; 1st floor comprises of: 8 typical 2 bedroom units with each unit having a lounge, kitchenette, washrooms and 2No bedrooms, 8 typical 1bedroom units with each unit having a lounge, kitchenette, washrooms and 1 bedroom. Gym, swimming pool, changing rooms and a lounge; 2nd to 10th floor levels will be typical and will comprise of: 8 typical 2 bedroom units with each unit having a lounge, kitchenette, washrooms and 2No bedrooms. 8 typical 1bedroom units with each unit having a lounge, kitchenette, washrooms and 1 bedroom and Other features include; 2No lift shafts on each block, staircases, children play area, electrical and mechanical ducts and landscaped gardens/green spaces

The following are the anticipated impacts and proposed mitigation measures:

<i>Impacts</i>	<i>Mitigation Measures</i>
Demolition of existing structures	<ul style="list-style-type: none"> • Apply for demolition permit from relevant authorities such as NCC and NEMA before commencing the demolition. • Engage a registered private contractor to carry out the demolition. • Provide workers with personal protective equipment (PPE). • The demolition exercise will be limited at day time only. • All personnel working on the project will be trained prior to commencing the demolition. • Comply with EMCA (Noise and excessive vibration pollution control) Regulations 2009.
De-vegetation resulting from site clearance and excavation	<ul style="list-style-type: none"> • Ensure proper demarcation and delineation of the project area to be affected by construction works. • Apply for tree cutting permit from relevant authorities before cutting of any tree. • Preserve all trees located at the boundary of the plot.
Soil erosion	<ul style="list-style-type: none"> • Ensure management of excavation activities. • Observe Efficiency of erosion control measures. • Control activities especially during rainy seasons. • Provide soil erosion control and conservation structures where necessary. • Compact loose soils to minimise wind erosion. • Control earthworks.
Air pollution	<ul style="list-style-type: none"> • Dust suppression with water-sprays during the construction phase on dusty areas. • All personnel working on the project will be trained prior to starting construction on methods for minimizing air quality impacts during construction. • Drivers of construction including bulldozers, earth-movers etc will be under strict instructions to minimize unnecessary trips, refill petrol fuel tanks in the afternoon and minimize idling of engines. • Careful screening of construction site to contain and arrest construction-related dust. • Exposed stockpiles of e.g. sand, will be enclosed, covered, and watered daily. • Ensure construction machinery and

Noise pollution	<ul style="list-style-type: none"> • equipment are well maintained to reduce exhaust gas emission. • Control speed and operation of construction vehicles. • Use of Suppressors on noisy equipment or noise shields for instance corrugated iron sheet structures. • Sensitize drivers of construction machinery on effects of noise. • Trucks used at construction site shall be routed away from noise sensitive areas where feasible. • Maintain plant equipment to suppress frictional noise. • Construction activities to be restricted to daytime i.e. 8am to 5.00 p.m. • Workers in the vicinity or involved in high-level noise to wear respective safety & protective gear. • Comply with EMCA (Noise and excessive vibration pollution control) Regulations 2009.
Traffic and Road safety	<ul style="list-style-type: none"> • Enforce speed limits for construction vehicles especially along the roads leading to the site. • Provide bill boards at the site/entrance to notify motorists and general public about the development. • Ensure that the vehicles comply with axle load limits. • Ferry building materials during off-peak hours. • Employ traffic marshals to control traffic in and out of site. • Employ well trained and experienced drivers.
Oil pollution	<ul style="list-style-type: none"> • Proper storage, handling and disposal of new oil and used oil and related wastes. • Maintain construction plant and equipment to avoid leaks. • Maintenance of construction vehicles to be carried out in the contractors yard (off the site). • Provide oil interceptors along the drains leading from car wash and service bays.
Storm water drainage	<ul style="list-style-type: none"> • Proper installation of drainage structures/facility. • Install cascades to break the impact of water flowing in the drains. • Ensure efficiency of drainage structures through proper design and maintenance • Provide gratings to the drainage channels.
Health and safety of workers	<ul style="list-style-type: none"> • All workers will be sensitized before construction begins, on how to control accidents related to construction. • A comprehensive contingency plan will be prepared before construction begins, on accident response. • Keep record of the public emergency service telephone numbers including: Police, Fire brigade, Ambulance. • Accordingly, adherence to safety procedures will be enforced. • Provide first aid kits at strategic places in the site. • All workers to wear protective gear

	<ul style="list-style-type: none"> during construction e.g. helmets. • Provide clean water and food to the workers. • Construction work will be limited to daytime only. • All workers will be adequately insured against accidents. • Sensitize workers on the importance of NHIF and NSSF. • Ensure that the workers are registered with NHIF and NSSF and remits appropriate fee.
Fire outbreak	<ul style="list-style-type: none"> • Install fire fighting equipment as provided elsewhere in the report. • Sensitize the residents on fire risks i.e. conduct regular fire drills. • Adapt effective emergency response plan. • Maintain fire fighting machinery regularly. • Provide emergency numbers at strategic points.
Solid and liquid waste	<ul style="list-style-type: none"> • Ensure proper solid waste disposal and collection facilities. • Ensure effective wastewater management. • Design of sewerage system should be as provided in the approved plans. • Wastes to be collected regularly to control air pollution and vermin/insects etc. • Receptacles will be provided for waste storage prior to collection. • Sensitize workers on the 5 R's of waste management i.e. reduction, recycling, reuse, repurpose and refuse. • Refuse collection vehicles will be covered to prevent scatter of wastes by wind. • Wastes will be collected by a licensed operator to avoid illegal final dumping at unauthorized sites. • All persons involved in refuse collection shall be in full protective attire. • As provided for by the Building Code, a temporary latrine will be provided on site to be used by construction workers
Increased water demand	<ul style="list-style-type: none"> • Management of water usage. Avoid unnecessary wastage. • recycling or reuse of water where possible. • Make use of rain harvesting techniques such as roof catchments to provide water. • Employ services of waters vendors to supplement the council's water supply. • Drill a borehole.
Vegetation	<ul style="list-style-type: none"> • Design and implement an appropriate landscaping and tree planting program to help in re-vegetation of part of the project area after construction. • Introduction and maintenance of vegetation (trees, shrubs and grass) on open spaces and around the site. • Planting and grassing should be done just before the rains or irrigated on dry spells.

Record Keeping	<ul style="list-style-type: none"> • Collection, analysis and document of relevant environmental data of the site.
Internal Audits	<ul style="list-style-type: none"> • Monitoring will involve measurements, observations, evaluations, assessment of changes in water quality, Emergency plans, waste management, Noise levels, contractor safety etc.
Security	<ul style="list-style-type: none"> • Provide security guards and facilities during construction period. • The gate should always be controlled by the security men. • Construct a gate house.
Increase in STI infections	<ul style="list-style-type: none"> • Sensitization of local communities and staff working on the project on dangers of free lifestyle.

KIAMBU COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The Proponent, Cytonn Investment Partners Ten LLP is proposing to construct a comprehensive development encompassing residential apartments, a retail center and a club house development on plot No. Kiambaa/Ruaka/520 Ruaka, Kiambaa Sub-county, Kiambu County. The development will comprise of 4No. blocks with a total of 243No. two and three bedroom units. Other project components include; retail center, parking spaces, waste water treatment plant, a club house and a sky-walk connecting adjacent blocks.

The following are the anticipated impacts and proposed mitigation measures:

<i>Impacts</i>	<i>Proposed mitigation measures</i>
Solid waste	<ul style="list-style-type: none"> • Provision of dustbins to temporarily hold the waste before disposal. • Solid waste generated at the site is disposed off appropriately at authorized dumping sites regularly.

- Proper handling and storage of construction materials to reduce the amount of waste caused by damage or exposure to the elements.
 - Solid waste generated on site must not find its way to the river at the rear end of the proposed site.
- Storm water
- Construction of proper drainage systems across the estate.
 - Prevention of pollution during construction activities to minimize effects that may arise during surface runoff.
 - Instituting water saving strategies to minimize water use.
 - The drainage systems must be properly maintained to ensure no solid waste is carried away to the river to protect its aquatic ecosystem.
- Air and noise pollution
- Limiting construction traffic movement and operation to efficient and necessary activities.
 - Routine maintenance of vehicles and other machinery to be used during construction process to reduce any chances of emissions.
 - Minimizing transportation activities to day time only.
 - The road leading to the site be sprinkled with water to mitigate excessive dust emission.
 - Limiting construction activities to day time only.
 - Sensitize construction drivers and machinery operators to switch off engines when not being used.
- Soil erosion
- Excavating only necessary area.
 - Containment of soil heaps to prevent erosion caused by runoff.
 - Reduce the use of heavy machinery whenever possible.
 - Use of light machinery at the site during construction process.
 - Re-vegetate exposed areas on the site through proper landscaping.
- Effluent discharge
- Effluent discharge shall be channeled to the main sewer line that serves the area.
 - Consider recycling the waste water from the estate and reusing it before direct disposal.
 - All effluent to meet NEMA standards for discharge.
- Visual impacts
- Maintaining the existing live fence to acceptable standards and improve it significantly to enhance scenic beauty of the area.
 - Landscaping and gardening to restore biodiversity and aesthetic qualities of the project site.
- Ecosystem disturbance
- Ensure that all the drainage systems within the estate are properly maintained and cleaned to avoid solid waste being washed away into the river.
 - Ensure proper demarcation and delineation of the project area to be affected by construction works.
 - Designate access routes and parking within the site.
 - Preserve the existing trees within the project site and if possible plant more trees of fast maturity period within the

site.

- Design and implement an appropriate landscaping programme to help in re-vegetation of part of the project area after construction.

**IMPORTANT NOTICE TO SUBSCRIBERS TO
THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typewritten with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE CODE OF REGULATIONS, SECTION D—

Kenya Gazette

"D 34. (1) Communications for the *Kenya Gazette* should reach the Government Printer not later than 9 a.m. on Friday of the week before publication is desired. The Government Printer will not publish communications received after that hour until the next subsequent issue of the Gazette.

(2) Ministries will be required to pay for the *Kenya Gazette* and to meet the cost of advertising in it.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
