(b) Training, Capacity and Capacity Building

The distribution of the training opportunities by programmes and gender is as below. See (Appendix III)

Department	No. Officers Trained		
	Female	Male	Total
County Public Service Board	5	4	9
Livestock and Fisheries	0	5	5
Education and Libraries	5	2	7
Trade and Community Affairs	3	0	3
Public works and Infrastructure	0	5	5

(c) Disciplinary Cases

No serious issues were encountered during the period under review. Two chief officers were interdicted, later on reinstated, and deployed accordingly.

(d) Industrial Relations

The Board had major issues on industrial relations with the nurses Union which had issued a strike notice w.e.f 8th September but the same was handled by all parties and an agreement made for certain issues to be handled and hence the strike notice deferred up to 5th December, 2016 if the parties were not to honor the agreement. However, the issues were not honored and hence the union proceeded on strike. It should be noted that as at the time of writing the report the strike is still on.

TRANSFERS

Several officers were transferred to various counties for different reasons to the tune of 18 in total. (See Appendix IV)

INDUSTRIAL ATTACHMENTS AND INTERNSHIP

Internship and industrial attached is a key component in training. The County Public Service Board facilitated a total number of 32 (12 male and 20 female) students for internship and industrial attachment from various institutions in the County Government departments. (See Appendix V)

POLICY DOCUMENTS

The Board has finalized various policy documents which are to be subjected to public participation. The documents are as follows:

1. Code of Conduct and Ethics
2. Discipline Policy
3. Internship Policy June 2016
4. Training and Development Policy
5. Human Resource Policy and Procedures Manual
6. Recruitment and Selection Policy
7. The Taita Taveta County Public Service Board Bill, 2016

REPORT ON COUNTY STAFF ESTABLISHMENT

The County Government has a current establishment of 1416 officers as at 28th December, 2016. The Public Service is blotted and has a high wage bill above 40% personnel ratio. (See Appendix VI)

The County Public Service Board worked with County departments to determine the staffing levels as follows:

Administration and Devolution	411	83	328
Office of the Governor (County Secretary)	42	16	26
County Public Service Board	34	18	16

Performance Management

The County did not roll out performance contracts in the year under review. This was a major concern to the Board, which wrote to the department of Administration and Devolution on the matter. A consultant was procured to provide a software of the program.

I. PROMOTION AND PROTECTION OF THE VALUES AND PRINCIPLES.

(a) Professionalism and Ethics in the Public Service

The Board has continued to support professionalism by financing the continuous professional development points for its staff. The Board has also facilitated its members and officers to attend development training of the strategic leadership development program and senior management course courses, respectively.

The Board has developed Codes of Conduct and Ethics, which was forwarded to EACC for approval.

(b) Efficient, Effective and Economic Use of Resources

The County has established the County Audit Committee as per the PFM Act and also decentralized treasury to two sub-counties for efficient service delivery.

(c) Responsive, Prompt, Impartial and Equitable Service

This has been achieved by the development of Service Delivery Charters for each department and for the county Government. These documents have been subjected to public participation and was funded by UNDP.

(d) Good Governance, Transparency and Accountability

For good governance, the County has developed organizational structures, policies, laws, procedures, and systems for directing and controlling. Transparency and accountability are elements of good governance. This has been achieved by conducting ward visits by all departments to share with the public the achievements of the projects and programs. The ward administrators hold monthly Barazas in each ward for public engagement with the wananchi.

(e) Fair Competition and Merit in Appointments and Promotions

The Board has complied with the law where vacancies in the public service are advertised and merit interviews conducted. Currently, recruitment and promotion has been guided by policy developed and the relevant laws, while at the same time providing adequate and equal opportunities at all levels of public service for men and women, members of all ethnic groups and persons with disability.

(f) Provisioning for Diversity

The concept of diversity is in reference to fulfillment of the requirements for the two thirds gender representation, employment of persons with disability, employment of minority and marginalized groups, and representation of Kenya's ethnic groups in the public service. The County Government has achieved this as in gender we have 67.12 % female to 32.87% male and local 80.11 % and diasporas 19.9 %. The main challenge we have as a county is attaining the 5 % on persons with disabilities. So far we are at less than 0.5 %. Affirmative action will be the way to go in future.

(g) Public Participation in Policy Formulation and Implementation

This has been achieved by public participations done at ward levels and sub-county levels by all departments. The department of Administration and Devolution has been very instrumental in the

success of this principle. All policy and legislative documents are subjected to public participation.

(h) Devolution and Sharing of Power

The County Government has devolved further and operationalizes the sub-county and ward levels. All departments have devolved their functions to the same levels and are very vibrant.

5. Boards Future Plans

Upcoming and On-going Programmes

The Board intends to undertake the following:

- Finalize staff rationalization.
- Audit the payroll.
- Ensure performance management framework is put in place and operationalize.

6. Financial Report to County Assembly

During the financial year 2015/2016, the Board had a total budget of KSh. 43,810,345 which is inclusive of KSh. 28,525,587 for salaries and KSh. 15,284,753 for operations. (See Appendix VII)

Towards the end of Financial Year, Board prepared several vouchers for payment to the tune of KSh. 1,488,930. However, in July 2016 we learned that our vouchers were never paid and they were returned back to us. The Board wrote a letter to the Treasury demanding an explanation on this issue because Board had enough money in its vote book for the payment to be made but they did not respond. Later Treasury communicated that all pending bills should be paid using the current budget. At the time of writing this report some of our pending bills have already been paid using this year current budget. However, Treasury is disbursing very little funds to the Board which will create a challenge in the absorption ratio/ rate. In this regard the board has continuously faced many challenges for instance:

- Inadequate funding.
- Monthly requests are too small, and
- Also payments are not done in good time.

7. Challenges

(i) Residence by Marriage vis-A-vis Birth

Capturing data of applicants' especially female applicants during data entry and short listing per Sub-county and wards creates confusion. At short listing stage, a candidate's identification documents may indicate that she is from a particular County, whereas at the time of interview she clarifies that she is from a different County. Such claims require proof such as Affidavit of Marriage Certificate which candidates normally lack.

Such confusion affects the allocation of appointments and balancing in the wards and sub-counties.

(ii) Regional Balancing

Whereas the Board would want to uphold the requirement of regional balancing within the County, there have been challenges when it comes to meeting minimum requirements as per the advertised vacancies across the County.

Sometimes the Board finds out that during the short listing, there are no applicants from some regions in the County.

The Board supplements adverts on print media with posters within the County so as to reach a wider audience.

(iii) Political Interference

The Board has at times been urged by sections of the political class to recruit candidates from their regions whom in most cases do not meet the minimum requirement.

(iv) Persons with Disability

Advertised positions have so far attracted few people living with disabilities. The Board will go out of its way to reach out to Persons Living with Disability.

(v) Inadequate Funding

This has posed a challenge in the efficient delivery of services.

8. *Conclusion*

The County Public Service Board is extremely grateful for the support it has received from the County Legislature, Executive and all its stakeholders in undertaking its mandate. It has indeed been an extremely cordial working relationship. The forums for which the Board has been invited have been cordial and specifically they have resulted in fruitful consultations being made. The Board reiterates its resolve to continue offering services to the County within its mandate and as per the oath the members took. The Board reiterates its tenacity to deliver services to the people of the County transparently, impartially, objectively and professionally.

THE ENVIRONMENTAL MANAGEMENT AND CO-ORDINATION ACT

(No. 8 of 1999)

THE NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY

NOTICE TO THE PUBLIC TO SUBMIT COMMENTS ON AN ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT FOR THE PROPOSED DEVELOPMENT OF ABORETUM PARK RESIDENCIES ON PLOT L. R. NO. 4858/1 ALONG RING ROAD AT KILELESHA AREA IN NAIROBI CITY COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to Regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Ultraline Limited, is proposing to construct thirteen storied residential apartments' block on plot L.R. No. 4858/1 along Ring Road at Kileleshwa area in Nairobi City County. The project will have a total of 294No. residential units, parking spaces and associated amenities.

The following are the anticipated impacts and proposed mitigation measures:

<i>Impacts</i>	<i>Proposed Mitigation Measures</i>
Site disturbance	<ul style="list-style-type: none"> Excavate only areas to be affected by buildings. Dumping of excess excavated materials to sites designated by NEMA and Council. Restoration of sites excavated.
Building materials	<ul style="list-style-type: none"> Availability and sustainability of the extraction sites as they are non-renewable in the short term. Landscape changes e.g. displacement of animals and vegetation, poor visual quality and opening of depressions on the surface.
Soil erosion	<ul style="list-style-type: none"> Create and maintain soil traps and embankments. Landscaping after completion of construction.
Noise pollution and vibration	<ul style="list-style-type: none"> Ensure use of serviced and greased equipment. Switch off engines not in use. Construction work to be confined to between 8 a.m. to 5 p.m. Ensure use of earmuffs by machine operators.
Air quality	<ul style="list-style-type: none"> Water sprinkling of driveways or the use of biodegradable hydrant e.g. Terrasorb polymer will reduce dust emission during construction. Ensure servicing of vehicles regularly. Adherence to Air Quality Regulations, 2014.

- Solid waste generation
 - Ensure waste materials are disposed of on Council and NEMA approved sites.
 - Ensure re-use of materials that can be re-used.
 - Use of the 3rs – Reduce, Re-use, Re-cycle.
 - Adherence to Waste Management Regulations, 2006.
- Disturbance of traffic flow
 - Proper signage.
 - Awareness creation.
 - Education to truck drivers.
- Energy consumption
 - Use electricity sparingly since high consumption of electricity negatively impacts on these natural resources and their sustainability.
 - Use of standby generators.
- Occupational health and safety
 - Provide first aid kits on site.
 - Proper signage and warning to public of heavy vehicle turning.
 - Ensuring building strength and stability.
 - Provide clean water and food to the workers.
 - The contractor to abide by all construction conditions especially clause B12 which stipulates health safety and workforce welfare.
 - Comply with the provisions of OSHA, 2007.

The full report of the proposed project is available for inspection during working hours at:

- Director-General, NEMA, Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.

GAZETTE NOTICE No. 6341

THE ENVIRONMENTAL MANAGEMENT AND CO-ORDINATION ACT

(No. 8 of 1999)

THE NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY

NOTICE TO THE PUBLIC TO SUBMIT COMMENTS ON AN
ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED LOT 3 ANNUITY ROAD PROJECT FOR
RHAMU-MANDERA ROAD (75KM) LOCATED IN MANDERA
COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to Regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Kenya National Highways Authority is proposing to construct a 75 km Class B Road from Rhamu to Mandera Town. The road will open the North Eastern part of Kenya. The proposed road project is part of the LOT 3-annuity road project in Kenya under the Public Private Partnership (PPP). It navigates from West (Kenyan Horn) to the East, parallel to the Kenya-Ethiopian boarder. Most of the area traversed by the road is on trust land vested on county government and the road reserve is 40 meters.

The following are the anticipated impacts and proposed mitigation measures:

Impacts	Proposed mitigation measures
Loss of vegetation cover and biodiversity	<ul style="list-style-type: none"> • Siting roads and support facilities to avoid critical terrestrial habitat by utilizing existing transport corridors. • Design and construct wildlife migration channels to avoid or minimize habitat fragmentation. • Minimize clearing and disruption of riparian vegetation. • Provide adequate protection against scour and erosion and give consideration to the onset of the rainy season with respect to construction schedules. • Minimize removal of indigenous plant species and replant indigenous plant species in disturbed areas. • Explore opportunities for habitat enhancement through placement of nesting boxes in rights of-way, bat boxes underneath bridges
Noise pollution and excessive vibrations	<ul style="list-style-type: none"> • Sensitize drivers of construction vehicles and machinery operators to switch off engines or machinery that are not being used. • Ensure that all vehicles and construction machinery are kept in good condition all the time to avoid excessive noise generation. • Ensure that all workers wear ear muffs and other personal protective gear/equipment when working in noisy sections. • Ensure machines are switched off when not in use. • Undertake loud noise and vibration level activities during off-peak hours during the day (i.e. between 8.00 am and 5.00 pm). • Comply with the provisions of Noise and excessive Vibration Pollution Control Regulations of 2009
Air pollution	<ul style="list-style-type: none"> • Consideration of design options for the reduction of traffic congestion. • Sprinkling of water on dry and dusty surfaces regularly including the access roads. • Add suitable soil stabilisers on access roads to control dust. • Use of waste water to sprinkle at the construction site so as to reduce excessive dust. • Adherence to personal protective clothing such as dust masks. • Enforce onsite speed limit regulations. • Ensure machines and vehicles are properly and regularly maintained. • Adherence to Air Quality Regulations, 2014.

Solid waste generation	<ul style="list-style-type: none"> • Maximizing the rate of recycling of road resurfacing waste either in the aggregate (e.g. reclaimed asphalt pavement or reclaimed concrete material) or as a base. • Incorporate recyclable materials to reduce the volume and cost of new asphalt and concrete mixes. • Collect animal carcasses in a timely manner and disposing them through prompt burial or other environmentally safe methods. • Managing sediment and sludge removed from storm drainage systems maintenance activities as a hazardous or non-hazardous waste based on an assessment of its characteristics. • Grinding of removed, old road surface material and re-use in paving, or stockpiling the reclaim for road bed or other uses. • Adherence to Waste Management Regulations, 2006 	development infrastructure	<p>infrastructural public utilities already existing along the proposed road corridor.</p> <ul style="list-style-type: none"> • Undertake an integrated system of planning for infrastructure development along the corridor for future developments. • Ensure effective stakeholder participation in the design of the highway.
Soil erosion	<ul style="list-style-type: none"> • Ensure surface runoff generated on impervious surface is not channeled directly to steep slopes. • Provide grassed water ways along the access roads. • Construct flow breaks on roadside drainage channels. • Promote harvesting of surface runoff for landscaping purposes. 	Disruption and loss of businesses	<ul style="list-style-type: none"> • Provide support to squatters to establish small-scale businesses in other suitable locations in affected towns. • Educate squatters on the need to maintain free road reserve. • Provide comprehensive health and safety education to squatters in affected towns. • Promote other sources of livelihood among the local communities
Discharge of waste water	<ul style="list-style-type: none"> • Construct standard septic tanks linked to a constructed wetland system. • Promote recycling of wastewater. • Ensure wastewater is channeled and treated in sewerage plants. • Ensure regular maintenance of plumbing system to avoid leakage of wastewater. • Discharge of partially treated sewage into the sewerage system. • Ensure regular maintenance of plumbing system and septic tanks to avoid spillage of raw sewage. • Comply with EMCA 1999 Waste Management and Water Quality Regulations, 2006. 	Increased spread of STD, HIV and AIDS	<ul style="list-style-type: none"> • Develop a comprehensive STDs, HIV and AIDS control programme. • Control of prostitution in main towns situated along the highway in collaboration with the police and county governments. • Provision of STDs, HIV and AIDS prevention measures to workers. • Creation of awareness of STDs, HIV/AIDS in workers' camps.
Disturbance to wildlife	<ul style="list-style-type: none"> • Utilize existing transport corridors for the new road project and its support facilities to avoid critical terrestrial and aquatic habitat disturbance. • Design and construction of wildlife migration channels to avoid or minimize habitat fragmentation. • Avoidance or modification of construction activities during the breeding season and other sensitive seasons or times of day to account for potentially negative effects. • Minimize clearance and disruption of riparian vegetation. • Minimize removal of indigenous plant species, and replant indigenous plant species in disturbed areas. • Explore opportunities for habitat enhancement through reduced clearance to conserve or restore native species. • Comply with Wildlife Conservation and Management Act, 2007. 	Increased security risk and wildlife-human conflicts	<ul style="list-style-type: none"> • Thoroughly screen workers, suppliers and distributors. • Ensure 24-hour surveillance by engaging the services of day and night guards. • Accord the local people the first priority in employment. • Ensure close liaison with the local Police Department
Interference of existing	<ul style="list-style-type: none"> • Compensate for the relocation of other 	Displacement of local communities	<ul style="list-style-type: none"> • The affected communities will be compensated appropriately according to existing best practices. • The proponent will need to ensure that the final designs of the highway will be realigned to ensure that displacements are minimized as much as possible. • Ensure that the Resettlement Action Plan is done appropriately professionally
		Occupational health and safety	<ul style="list-style-type: none"> • Development of a Fleet Management Plan for road construction that includes measures to ensure work zone safety. • Establishment of work zones to separate workers on foot from traffic and equipment by routing of traffic to alternative roads. • Use protective barriers to shield workers from traffic vehicles, regulation of traffic flow by warning lights, design of the work space to eliminate or decrease blind spots, and ensure reduction of maximum vehicle speeds in work zones. • Training of workers in safety issues related to their activities. Comply with the provisions of OSHA, 2007.

The full report of the proposed project is available for inspection during working hours at:

(a) Director-General, NEMA, Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.

**IMPORTANT NOTICE TO SUBSCRIBERS TO
THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typewritten with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE CODE OF REGULATIONS, SECTION D—

Kenya Gazette

"D 34. (1) Communications for the *Kenya Gazette* should reach the Government Printer not later than 9 a.m. on Friday of the week before publication is desired. The Government Printer will not publish communications received after that hour until the next subsequent issue of the Gazette.

(2) Ministries will be required to pay for the *Kenya Gazette* and to meet the cost of advertising in it.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
