He congratulated all the stakeholders for their involvement and participation in making the exercise of signing Recognition Agreement a success.

CHALLENGES

(1) Financial Constrains

The County Public Service Board usually has a work plan of its annual activities. However, the major challenge it faces in executing its activities as planned is inadequate finances. The funds are disbursed in piece meal and in most times late. There has generally been a decrease in the County Public Service Board's annual budgetary allocation in each subsequent financial year. This has made it hard to execute its mandates as planned and we seek the intervention of the County Assembly.

(2) The Board Secretariat Staff

The Board is limited in terms of workforce. The structure provides for additional staff but due to a limited budget, it has been unable to recruit. This has adversely affected the Board operations.

(3) Office Space

The building that the Board currently occupies is not adequate for its operations. It has got few offices, a small boardroom and inadequate abolition facilities.

(4) Inter-County Transfers

Most of the people of Vihiga County working in other counties are requesting for intercounty transfers with non-residents of Vihiga County and this depletes the one third minority reserved for non-residents of Vihiga County.

(5) Mainstreaming of People with Special Needs

In an effort to ensure inclusiveness as required by the Constitution of Kenya, the County Public Service Board in its job advertisements encourages women, youth and people with disabilities to apply for jobs. It has been a big challenge to attain this threshold since in most cases, the said category does not apply for jobs, in cases where they do, they lack the minimum job requirements.

(6) Gender Balance

Male and female candidates excel in different professional skills and capabilities. Some technical professions attract fewer female applicants than male applicants. This becomes a challenge in trying to achieve gender balance.

WAY FORWARD

(1) The Board would like to appeal to the members of the County Assembly to support it and enhance its Budget. During the Financial Year 2015/16, it was allocated KSh. 54, 216,780.

(2) For 2015/16, the County Public Service Board had initially proposed KSh. 103,562,000 which was forwarded to the Cabinet and was reviewed downwards to KSh. 85,516,780 and when presented to the County Assembly Budget Committee it was further reviewed downwards to KSh. 46,792,161.

(3) For 2016/17, the County Public Service Board had a proposed budget of KSh. 78,386,769. However, the approved budget is KSh. 49,131,769. This is inadequate for the Board to run its operations smoothly and it has raised a supplementary budget. We appeal strongly for your support.

(4) For technical jobs especially those in medical field, there are less applicants from within the County hence it's important to encourage parents to support and encourage their children to train in this fields.

(5) The Board intends to recruit more staff in its secretariat for effective and efficient service delivery.

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette*, *Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typewritten with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.
