GAZETTE NOTICE No. 8065

THE URBAN AREAS AND CITIES ACT

(No. 13 of 2011)

CHARTER FOR MARSABIT MUNICIPALITY

Preamble

WHEREAS—

Article 2 (1) of the Constitution provides that the Constitution is the supreme law of the Republic of Kenya and binds all persons and all State organs at both levels of government;

Article 184 of the Constitution of Kenya 2010 mandated parliament to enact legislation to provide *inter alia* the criteria for classifying areas as urban areas and cities, establishing the principles of governance and management of urban areas and cities and to provide for participation by residents in the governance of urban areas and cities within one (1) year of the promulgation of the Constitution;

Parliament enacted the Urban Areas and Cities Act in the year 2011 which legislation had an effective date falling after the first elections held under the Constitution of Kenya, 2010;

Section 9 (1) of the Urban Areas and Cities Act, 2011, empowers the Governor, on the resolution of the County Assembly, to confer on a qualifying town, the status of a Municipality by grant of a Charter;

Section 72 of the Interpretations and General Provisions Act allows for substantial conformity of any instruments required to be in a prescribed form under any statute in Kenya

AND—

The County Assembly of Marsabit having duly approved the proposed Charter for conferment of special municipal status on Marsabit Town.

NOW therefore in exercise of the powers conferred by section 9 (1) and section 9 (4) of the Urban Areas and Cities Act, (No. 13 of 2011), as complemented by section 72 of the Interpretations and General Provisions Act (Chapter 2) and all other enabling provisions of law, the County Governor of Marsabit hereby grants Marsabit Township a Municipal Charter as set out in the Schedule below—

THE CROPS (SUGAR) (GENERAL) REGULATIONS, 2018 AND THE CROPS (SUGAR) (IMPORTS, EXPORTS AND BY-PRODUCTS) REGULATIONS, 2018

NOTIFICATION OF REGULATORY IMPACT ASSESSMENT ON THE DRAFT REGULATIONS FOR THE SUGAR INDUSTRY

Background and Introduction

The Agriculture and Food Authority (AFA) is a public institution established under the Agriculture and Food Authority Act, 2013 and is mandated by law to administer the Crops Act, 2013 and to exercise the functions set out in that Act and under the Agriculture and Food Authority Act, 2013.

Section 40 of the Crops Act and section 46 of the Agriculture and Food Authority Act empowers the Cabinet Secretary responsible for agriculture to make regulations to implement the legislative provisions in consultation with the Authority and the County Governments.

Policy Statement

It is the Government's commitment to accelerate the growth and development of agriculture in general, enhance productivity and incomes of farmers and the rural population, improve investment climate and efficiency of agribusiness and develop agricultural crops as export crops that will augment the foreign exchange earnings of the country, through promotion of the production, processing, marketing, and distribution of crops in suitable areas of the country. The sugar industry is one of the key sub-sectors targeted by the Government for legislative and policy reforms.

The Government is in the process of reforming the sugar industry through strengthening the legal and regulatory framework to achieve its policy objectives stated above.

Draft Regulations and Regulatory Impact Statement

To drive the sugar industry reform agenda, and to operationalize parts of the Crops Act, the Cabinet Secretary, has in consultation with the Agriculture and Food Authority and County Governments and various stakeholders over a considerable period of time, prepared The Crops (Sugar) (General) Regulations, 2018 and the Crops (Sugar) (Imports, Exports and By-Products) Regulations, 2018.

Section 6 of the Statutory Instruments Act provides that if a proposed statutory instrument is likely to impose significant costs on the community or a part of the community, the regulation making authority shall, prior to making the statutory instrument, prepare a

regulatory impact statement about the instrument. The Cabinet Secretary for Agriculture, Livestock, Fisheries and Irrigation has prepared a regulatory impact statement on the Regulations. Copies of the Draft Regulations and the Regulatory Impact Statement may be obtained or inspected online at www.afa.go.ke or may be obtained from or inspected at AFA on payment of copying charges at the AFA Head Office, Tea House, Naivasha Road, off Ngong Road, Nairobi, during working hours.

Invitation of Comments

Section 8 of the Statutory Instruments Act requires that before making a statutory instrument, the regulation-making authority shall publish notice to all persons likely to be affected by the regulations a notification of regulatory impact assessment.

The Authority therefore invites written comments for consideration from the general public and sugar industry stakeholders on the Draft Regulations. The comments should be addressed to:

ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED CONSTRUCTION OF MITUBIRI
SANITARY LANDFILL IN MAKUYU LOCATION, MITUBIRI
SUB-LOCATION, MARAGUA SUB-COUNTY, MURANG'A
COUNTY OF THE NAIROBI METROPOLITAN REGION

INVITATION OF PUBLIC COMMENTS

Pursuant to Regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Ministry of Transport, Infrastructure, Housing and Urban Development, is proposing to develop a regional sanitary landfill on a private land located in Mitubiri/Wempa/Block 1/6824 situated in Mitubiri area, Murang'a County. The proposed project will mainly involve civil and mechanical works. Civil works will constitute excavation, construction of buildings, cells and drainage channels among others. Mechanical works will include installation of Landfill Gas treatment system and weighbridge while electrical works will include hooking the site to KPLC electricity supply line.

The following are the anticipated impacts and proposed mitigation measures:

<i>Impacts</i>	<i>Proposed Mitigation Measures</i>
Air pollution	<ul style="list-style-type: none"> • Use best management practices to minimize dust generation. These include: re-vegetating areas where vegetation has been removed; keep to the minimum areas where earthwork activities will take place, dust suppression on roads during dry weather conditions and pavement, speed limits. • Construct buffer zone with protective berms. • Maintain heavy equipment used at the Site and waste hauling vehicles to ensure their exhaust emissions meet the emissions standards prescribed in EMCA (Air Quality) Regulations, 2014.

<i>Impacts</i>	<i>Proposed Mitigation Measures</i>
Noise and excessive vibration	<ul style="list-style-type: none"> • Strictly adhering to designated working hours (day time). • Sensitizing construction truck drivers and equipment operators to switch off idle engines. • Using modern, well-maintained and regularly serviced vehicles. • Ensuring that all generators and heavy-duty equipment be insulated or placed in enclosures to minimize ambient noise levels. • Comply with EMCA (Noise and Excessive Vibration Pollution Control) Regulations 2009.
Surface and groundwater pollution	<ul style="list-style-type: none"> • Develop traps, barriers, vegetation planting, terracing and leveling the project site to reduce run-off velocity. • Construction vehicles to be restricted to designated areas to avoid soil compaction within the project site, while any compacted areas will be ripped to reduce run-off. • Develop a site-specific construction environmental management plan (CEMP).
Ecology	<ul style="list-style-type: none"> • Disturbance to habitats should be strictly controlled. • Rehabilitate degraded habitats within the site and support habitat conservation in nearby areas Protect wetland habitat. • Ensure proper management of the landfill to avoid effluent discharge into the environment. • Re-vegetation of the project site after construction plant adoptable and sustainable tree species.
Traffic impacts	<ul style="list-style-type: none"> • Develop a Traffic Management Plan. • Strict traffic regulations should be put in place. • Traffic signs should be posted along site access roads. • Design of the site layout to ensure that trafficked areas, such as the location of parking, the entrance gate and the weighbridge, are away from dangerous areas. The layout will also ensure smooth flow of traffic within the project. • Any particularly dangerous areas, such as disposal areas for leachate ponds, should have signs to indicate the danger posed. • Speed limits should adhered to along the access roads.
Storm water Run-off management	<ul style="list-style-type: none"> • Provide proper storm water drainage from the paved roads. • Construct interception drains that direct storm water away from the areas where waste is to be disposed. • Provide regular inspection and maintenance of the drains. • Provide tanks for rain water harvesting.

*Impacts**Social aspect**Proposed Mitigation Measures*

- Regular documentation of responses to questions and grievances submitted by the community adjacent to the project.
- Creation of awareness on what and how the landfill operates.
- Avail a copy of ESIA report at the land fill offices access to the local community who might have concerns with the operation of the landfill.
- Develop and implement stakeholder engagement plan.
- Apply the world bank grievance mechanism in conflict management.
- Review the number of locally sourced materials including workforce to protect the proponent's social license to operate.
- Develop a continuous awareness campaign and training plan for the workers and neighbors (stakeholders).
- Prioritizes job opportunities for the local community first then compensate the deficit with the influx population.
- Developing standard operating procedures for landfill management.
- Enclosing waste on transit.
- Implement all necessary measures to ensure health and safety of workers and the general public during operation of the project as stipulated in OSHA 2007.
- Ensuring strict access to site to authorized personnel only.
- Compacting and applying cover on waste daily to minimize odor and prevent attraction of vermins and insects.
- Develop pest management plan.

*Population/demographic movement and employment**Public and workers health and safety*

The full report of the proposed project is available for inspection during working hours at:

(a) Director-General, NEMA, Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.

(b) Principal Secretary, Ministry of Environment and Mineral Resources, NHIF Building, Community, P.O. Box 30521, Nairobi.

(c) County Director of Environment, Murang'a County.

The National Environment Management Authority invites members of the public to submit oral or written comments within thirty (30) days from the date of publication of this notice to the Director-General, NEMA, to assist the Authority in the decision making process of the plan.

**IMPORTANT NOTICE TO SUBSCRIBERS TO
THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typewritten with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE CODE OF REGULATIONS, SECTION D—

Kenya Gazette

"D 34. (1) Communications for the *Kenya Gazette* should reach the Government Printer not later than 9 a.m. on Friday of the week before publication is desired. The Government Printer will not publish communications received after that hour until the next subsequent issue of the Gazette.

(2) Ministries will be required to pay for the *Kenya Gazette* and to meet the cost of advertising in it.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
