5. *Procedure in Submitting Declarations*

(1) A state officer shall submit a declaration in the Form set out in the Schedule to the Act.

(2) The Committee may use such measures as may be appropriate to facilitate a state officer to acquire the form referred to in sub-paragraph (1).

(3) The Committee may publish the declaration form in a format that may permit the declaration form—

(a) to be rendered in digital format; or

(b) to be downloaded from a website and printed out in paper format.

(4) Where a state officer is required to make an initial, two-year or final declaration, the Speaker or Designated Member may issue a notification to the state officer not less than thirty (30) days before the due date for the declaration,

(5) For avoidance of doubt, failure to provide a declaration form or to issue a notification under this paragraph shall not be construed as a waiver of the responsibility of the state officer to submit a declaration under the Act.

6. *Completion and Submission of Declarations*

(1) A state officer shall complete and submit the declaration form to the committee’s secretariat.

## 7. Register of Declarations

(1) The Committee shall maintain a register containing details of each state officer who is required to make a declaration in accordance with the Act. The register shall include—

- (a) Name; personal number; designation; position; ward;
- (b) Date the state officer submitted the declaration form;
- (c) type of declaration (initial, two-year or final);
- (d) Name and signature of the member acknowledging receipt of the declaration;
- (e) Total number of state officers who have submitted declarations as at the due date;
- (f) Total number of state officers required to submit declarations; and
- (g) Any remarks relating to the declarations.

(2) A register under this part may be maintained in separate documents.

## 8. Reports on Compliance

1. The Committee shall submit to the Commission a report containing the following information:

- (a) in relation to two-year declaration —
- (b) the number of state officers on the payroll as at 31st October of the year of declaration;
- (c) a certified copy of the register maintained in accordance with paragraph 6;
- (d) the total number of state officers who have complied with the requirement for declarations;
- (e) the total number of state officers who have not complied with the requirement for declarations;
- (f) action taken by the Committee in relation to any state officer who has not complied;
- (g) any relevant remarks on the submissions.
- (h) in relation to the initial and final declaration;
  - (i) Number of state officers required to make a declaration;
  - (ii) The number of state officers who have complied with the requirement for declaration;
  - (iii) Number of state officers who have not complied with the requirement for declarations;
  - (iv) Action taken in relation to any state officer who has not complied;
- (v) Any relevant remarks on the submissions.

2. The report under this part shall;

- (a) In relation to a two-year declaration, be submitted to the Commission, not later than 31st July, of the year following the declaration;
- (b) In relation to initial and final declarations, be submitted to the Commission not later than 31st July following the end of the financial year within which the declarations were made.

## PART III—PROCEDURE IN RELATION TO CLARIFICATIONS

### 9. Requests for Clarification

1. The Speaker or the Designated Member shall review each declaration to ascertain if any of the following conditions exist—

- (a) on the face of the declaration, or in light of any other information the Committee may have, there is reason to suspect the declaration may be false or incomplete;
- (b) the assets of the declarant appear disproportionate to his or her known income;
- (c) the income, assets or liabilities of the declarant raise concerns of impropriety or conflict of interest.

(2) If it is suspected that any of the conditions in subparagraph (1) exist, the Speaker or Designated Member shall give the declarant an opportunity to make a clarification in accordance with section 28(1) of the Act.

(3) Request for a clarification shall be made in writing.

(4) The Speaker or Designated Member shall, in the register of declarations, document the particulars of clarification sought, the mode of communication, the time given to respond, the date and particulars of response, if any.

(5) If no explanation is given, or if after considering any explanation the declarant may give, the Speaker or Designated Member is of the opinion that the conditions in subparagraph (1) (b) still exist, the Speaker or Designated Member may, in addition to any other action including investigations and commencement of civil proceedings, take disciplinary or other appropriate action against the state officer.

## PART IV—PROCEDURE FOR THE ACCESS OR PUBLICATION OF INFORMATION IN A DECLARATION

### 10. Access and Publication of Information in a Declaration

(1) The Committee or any other person shall not disclose, access, acquire or publish the information in the declaration form except as may be provided in the Act, the Regulations, these Procedures, or any other written law.

(2) A person who wishes to gain access or to publish information in relation to a declaration under the Act shall—

- (a) apply to the Committee in the form set out in Appendix I; and
- (b) demonstrate to the Committee that he or she has a legitimate interest in the information; and
- (c) demonstrate to the Committee that the access to or publication of that information shall be for a good cause and in furtherance of the objectives of the Act.

(3) Where the information is intended to be disclosed or publicized, the applicant shall expressly state so in the application.

(4) Where a person has made an application to the Committee in accordance with this paragraph—

- (a) the Committee shall issue the applicant with an acknowledgement in the form set out in Appendix II;
- (b) the Committee shall inform the declarant of the application in writing;
- (c) the Committee shall give the declarant an opportunity to make a representation in writing in relation to the application within 14 days; and
- (d) the Committee shall take into consideration the representation by the state officer while determining the application.

(5) The Committee shall determine an application made in accordance with this paragraph and communicate its decision in writing to the applicant within thirty (30) days of receipt of the application.

(6) For the avoidance of doubt, the Committee shall not release or part with the original declaration made by any state officer in satisfying the requirement of this paragraph, unless required for investigation by a law enforcement agency or by any written law.

PROVIDED that where an original declaration is released under 10(4) above the Committee shall always retain a certified copy of the declaration.

(7) The Committee shall maintain a register of applications and decisions made under this paragraph setting out:-

- (a) the name of each applicant;
- (b) the date each application was received;
- (c) the name and personal number of the state officer who is the subject of the application;
- (d) the designation, position and ward of the state officer;

- Give any other information you may consider relevant and useful to your request

FOR THE PROPOSED ASBESTOS CORRUGATED SHEETS  
DISPOSAL SITE ON A PORTION OF L.R. NO. 12502 EAST  
MACKINNON ROAD, TARU, KWALE COUNTY

INVITATION OF PUBLIC COMMENTS

Pursuant to Regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Agro Processors International (K) Limited, is proposing establish an asbestos corrugated sheets disposal site establishment and management of an asbestos corrugated sheets disposal site. The strategy for disposal will be a pit burial at a depth of 3meters which will be excavated and lined with high density polyethylene (HDP) to prevent soil and underground water contamination. The disposal of the sheets will be sectional, using and closing up filled up sections on a portion of land reference number 12502 East Mackinnon Road, Taru, Kwale County. The project will be set on a portion of land measuring 3 acres within the sisal plantation

The following are the anticipated impacts and proposed mitigation measures.

<i>Impacts</i>	<i>Proposed Mitigation Measures</i>
Environmental degradation	<ul style="list-style-type: none"> <li>• Proponent has adequate land for disposal.</li> <li>• Landscaping the site.</li> <li>• Retain excavated soil for backfilling the site.</li> </ul>

Contamination of surface and ground water

- Fence the disposal site.
- Train workers on asbestos handling.
- Excavation to 3metres.
- Place drainage channels to divert rainwater from the site.
- Comply with the Waste Management Regulations.

Waste generation by vehicles

- License vehicles transporting asbestos waste.
- Transport sheets in an enclosed vehicle.
- Comply with the Waste Management Regulations.

The full report of the proposed project is available for inspection during working hours at:

- Director-General, NEMA, Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.

INVITATION OF PUBLIC COMMENTS

Pursuant to Regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Klzz Property Holdings Company Limited, is proposing to construct a 15 storey residential apartment block comprising 130 apartment units on plot L.R No 2/175 located in Kilimani Estate off Elgeyo Marakwet Road. The proposed development will mainly comprise of apartment units, residential amenities including a gymnasium, clubhouse, swimming pool, car park and associated ancillary facilities within the proposed plot. The plot covers a total area of approx. 0.323 hectares.

The following are the anticipated impacts and proposed mitigation measures:

*Impacts*

*Proposed Mitigation Measures*

Vegetation disturbance

- Ensure proper demarcation and delineation of the project area to be affected by construction works.

FOR THE PROPOSED BENEDICT XVI CATHOLIC HOSPITAL  
MORTUARY ON L.R. No. LAIKIPIA/NYAHURURU/7265  
NYAHURURU, LAIKIPIA COUNTY

## INVITATION OF PUBLIC COMMENTS

Pursuant to Regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent Catholic Diocese Of Nyahururu, is proposing to construct a mortuary at Benedict XVI Catholic Hospital located on plot L.R. No. Laikipia/Nyahururu/7265, which is 10.80 Ha (26.7 acres).

The following are the anticipated impacts and proposed mitigation measures:

<i>Impacts</i>	<i>Proposed Mitigation Measures</i>
Noise and excessive vibration	<ul style="list-style-type: none"> <li>• Use modern equipment, which produces the least noise. Any unavoidably noisy equipment should be identified and located in an area where it has least impact.</li> <li>• Use noise shielding screens. The operation of such machinery restricted to when it is actually required.</li> <li>• For mobile equipment fit efficient silencers and enclose engine compartments in vehicles.</li> <li>• Carefully select fixed plant site for remoteness from sensitive areas.</li> <li>• Raise barriers around noisy equipment.</li> </ul>
Air pollution	<ul style="list-style-type: none"> <li>• Active earth work areas, stockpiles and loads of soil being transported must be watered to reduce dust.</li> <li>• All areas disturbed during closure of the site that are not required for a specific activity must be re-vegetated.</li> <li>• Diesel exhaust emissions from heavy</li> </ul>

<i>Impacts</i>	<i>Proposed Mitigation Measures</i>
	<p>machinery on site (excavators, front end loaders and hauling trucks) must be controlled and minimised by regular checks and servicing of vehicles.</p> <ul style="list-style-type: none"> <li>• Any demolition machine found to be emitting excessive smoke should be withdrawn from operation and given mechanical attention.</li> </ul>
Solid waste generation	<ul style="list-style-type: none"> <li>• Consider waste minimization practices.</li> <li>• Segregate waste at the point of generation.</li> <li>• All waste to be handled and managed in accordance with the EMCA (Waste management) Regulations of 2006.</li> <li>• Packaging containers for sharps should be puncture-proof.</li> <li>• Waste should be labeled appropriately, noting the substance class, packaging symbol (e.g. infectious waste, radioactive waste), waste category, mass/volume, place of origin within hospital, and final destination.</li> <li>• Transport vehicles should be dedicated to waste and the vehicle compartments carrying waste sealed.</li> </ul>
Waste water generation	<ul style="list-style-type: none"> <li>• Process waste water must be treated with chemical disinfectants, neutralized and then flushed into the sewage system.</li> <li>• Chemical waste should first be neutralized with appropriate reagents and then flushed into the sewer system.</li> <li>• The treated effluent being discharged to the sewer line should conform to the limits as provided for under Environmental Management Co-ordination (Water Quality) Regulations, 2006; Standards for effluent discharge into public sewers-Schedule five.</li> <li>• Sewage from health care facilities should never be used for agricultural, aqua-cultural, drinking water, or recreational purposes.</li> <li>• Ensure that sewerage discharge pipes are not blocked or damaged.</li> </ul>
Increased water demand	<ul style="list-style-type: none"> <li>• Water abstractions should be acquired from Water Resources Management Authority (WRMA).</li> <li>• Monitor water use</li> <li>• Indigenous vegetation to be used for landscaping to minimise watering requirements.</li> <li>• Cleaning methods utilised for the cleaning of vehicles, floors, containers, yards etc. must aim to minimize water use.</li> <li>• Maintenance of proper pressure within fire water systems to limit water use.</li> <li>• Practice rain water harvesting.</li> <li>• Conducting of regular audits of water systems to identify and rectify any possible water leakages.</li> <li>• Implementing a system for the proper metering and measurement of water use to enable proper performance review and management.</li> </ul>
Increased surface/storm runoff generation	<ul style="list-style-type: none"> <li>• Ensure that no surface wastewater is directed into the sewer system to avoid overloading the sewerage system.</li> <li>• Monitor effluent quality regularly to ensure that the stipulated discharge rules and standards are not violated.</li> </ul>

<i>Impacts</i>	<i>Proposed Mitigation Measures</i>
Increased risk of occupational health and safety incidences	<ul style="list-style-type: none"> <li>Harvest rainwater from roof for non-portable uses e.g. cleaning and watering plants.</li> <li>Conduct basic occupational training programs and specialty courses as needed.</li> <li>Ensure that workers are oriented to the specific hazards of individual work assignments.</li> <li>Training should generally be provided to management, supervisors, workers, and occasional visitors to areas of risks and hazards.</li> <li>Provide adequate lighting in all workrooms.</li> <li>Provision of fire-fighting equipment in strategic and well labelled sites.</li> <li>Conduct drills at reasonable intervals to test the disaster preparedness level at the workplace, using the results to improve the response mechanisms.</li> <li>Orient all staff on safe work practices and guidelines and ensure that they adhere to them.</li> <li>Training staff on how to prevent and manage incidences. This should involve proper handling of electricity, water etc. and sensitization on various modes of escape, conduct and responsibility during such incidences.</li> <li>Regular safety drills to constantly follow on various possible incidences.</li> <li>Use signage to warn staff and/ or visitors of dangerous places. The signage must be visible and placed strategically.</li> <li>Set up (fire) assembly points.</li> <li>Develop evacuation procedures to handle emergency situations.</li> </ul>
Increased traffic volume	<ul style="list-style-type: none"> <li>Designate vehicle registration and checkpoint inside the premise to avert unnecessary traffic snarl up along adjacent roads caused by vehicles waiting to access the hospital.</li> <li>Dedicated exits and entries.</li> </ul>
Accidental leaks and spillages	<ul style="list-style-type: none"> <li>Ensure employees are aware of the procedure for dealing with spills and leaks.</li> <li>The source of the spill should be isolated and the spillage contained using sand berms, sandbags, sawdust and/or absorbent material.</li> <li>Accident areas should be cordoned off and secured.</li> <li>Notify the relevant authorities of any spills that occur.</li> <li>Ensure that the necessary materials and equipment for dealing with the spills and leaks are available on site at all times.</li> </ul>
Livelihood and economic loss	<ul style="list-style-type: none"> <li>Businesses associated with the development should be notified of intention of decommissioning in good time to relevant adjustment.</li> <li>Redeployment of the affected workers where feasible should be undertaken.</li> </ul>

**IMPORTANT NOTICE TO SUBSCRIBERS TO  
THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette*, *Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the Central Government. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly.
- (4) *Act Supplement* contains Acts passed by the National Assembly.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typewritten with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE CODE OF REGULATIONS, SECTION D—

*Kenya Gazette*

"D 34. (1) Communications for the *Kenya Gazette* should reach the Government Printer not later than 9 a.m. on Friday of the week before publication is desired. The Government Printer will not publish communications received after that hour until the next subsequent issue of the Gazette.

(2) Ministries will be required to pay for the *Kenya Gazette* and to meet the cost of advertising in it.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
