(*No. 47 of 2013*)

EL KARAMA WILDLIFE CONSERVANCY MANAGEMENT PLAN, 2022-2032

IN EXERCISE of the powers conferred by section 44 (3) of the Wildlife Conservation and Management Act, 2013, the Cabinet Secretary for Tourism and Wildlife gazettes the Plan in the Schedule hereto:

SCHEDULE

The El Karama Wildlife Conservancy Management Plan 2022–2032 (hereinafter referred to as “the Plan”) defines the goals, objectives, and actions that El Karama Wildlife Conservancy (hereinafter referred to as “the Conservancy”) has designed to address conservation, tourism development and management, livestock production and management, and operations and security issues in the Conservancy.

The Plan emphasises that all activities within the Conservancy shall be in accordance with the Plan and the Wildlife Conservation and Management Act, 2013.

The Plan is a dynamic document that shall be subject to periodic reviews, depending on emerging issues and new knowledge.

The Plan addresses threats to the Conservancy’s values through the following major management intervention measures:

- (a) Implementing the zoning scheme outlined in the Plan; and
- (b) Implementing management actions under the four management programmes.

The Plan's zoning scheme and management programmes are outlined in the following sections:

1. Zoning Scheme

The Conservancy has been divided into three land use zones: Conservation, Tourism and Livestock Zone, Exclusive Use Zone, and Fodder Production Zone. The purpose of the Conservation, Tourism and Livestock Zone is to conserve biodiversity, and promote livestock production and tourism, while that of the Fodder Production Zone is to produce livestock fodder for the Conservancy's livestock and for sale. The Exclusive Use Zone provides areas for the development of the Conservancy administration and tourism-support infrastructure, and habitat restoration.

2. Management Programmes

The Plan has four broad management programmes: Wildlife Conservation and Management Programme, Tourism Development and Management Programme, Livestock Production and Management Programme, and Operations and Security Programme. Under each of these programmes, there is an overall goal that the programme aims to achieve, and the management objectives and actions that the conservancy management will undertake to achieve the programme goal.

2.1 Wildlife Conservation and Management Programme

The goal of this programme is to sustainably conserve the Conservancy's wildlife and its habitats by: improving protection and management of the Conservancy's natural habitats to support harmonious coexistence between wildlife, livestock, and tourism; improving species management to ensure healthy and sustainable populations of select wildlife species; and establishing and maintaining a viable Black Rhino population.

2.2 Tourism Development And Management Programme

The purpose of this programme is to promote High Value-Low Volume sustainable tourism that offers memorable visitor experience and supports conservation by: developing and diversifying the Conservancy's tourism facilities, attractions, and activities; and improving visitor management to enhance experience.

2.3 Livestock Development and Management Programme

The overall goal of this programme is to develop a sustainable livestock enterprise that supports the Conservancy's operations by improving and diversifying livestock production and management.

2.4 Operations and security programme

The purpose of this programme is to improve the Conservancy's management effectiveness in the delivery of the Conservancy's vision and goals by: strengthening relationships between the Conservancy and its stakeholders; strengthening Conservancy management resources; and improving effectiveness and efficiency of the Conservancy's security operations.

Plan Implementation, Monitoring and Evaluation

As prescribed under the Fifth Schedule of the Wildlife Conservation and Management Act, 2013, the Conservancy Managing Director will produce and share with the Director-General, Kenya Wildlife Service an annual compliance report on plan implementation, while the Conservancy Board will oversee production of a third-party management report on plan evaluation every five (5) years.

The Plan is deposited at the offices of the Director-General, Kenya Wildlife Service along Langata Road, and Managing Director, El Karama Wildlife Conservancy whose addresses are provided below:

COUNTY GOVERNMENT OF KITUI

COUNTY PUBLIC SERVICE BOARD

REPORT ON THE EXTENT OF COMPLIANCE WITH VALUES AND PRINCIPLES IN THE KITUI COUNTY PUBLIC SERVICE

DECEMBER 2021

Foreword

The Kitui County Public Service Board is established under section 57 of the County Governments Act, 2012.

The County Public Service Board is required, under section 59 (1) (f) of the County Governments Act, 2012, to evaluate and report to the County Assembly on the extent to which the values and principles referred to in Articles 10 and 232 are complied with in the County public service.

Under the Constitution, the public service has specific obligations whose objective is to provide a solid base for the effective and

efficient delivery of public services. One of these foundations is expressed in terms of the values and principles as articulated in Articles 10 and 232 of the Constitution. The evaluation on the extent to which the public service has complied with these values and principles provides a mechanism for confirming the progress realized in the fulfillment of the obligations.

The report has analyzed the current situation for the values and principles and the actions taken by the Board to increase the levels of compliance. Findings in this evaluation report show that, during the period under review, the County Government continued to realize considerable levels of compliance.

While the County has made great efforts in improvement of levels of compliance with values and principles, there is still a lot to be done. The Board would wish to request for co-operation from various arms of the County Government in the journey of promoting values and principles.

I take this opportunity to thank the County Executive, with the leadership of H.E the Governor, and the County Assembly for their unwavering efforts in instilling a culture of continuous improvement on compliance with values and principles in the County Government of Kitui.

FLORENCE M. MAKINDI,
Chairperson, Kitui County Public Service Board.

CHAPTER ONE—THE EXTENT OF COMPLIANCE WITH VALUES AND PRINCIPLES

Preface

This chapter enumerates the activities that demonstrate the extent to which the values and principles referred to in Articles 10 and 232 are complied with in the County public service. It also explains the actions taken by the Board in the promotion of the specific values and principles.

The Extent of Compliance

2.1 Article 10: National Values And Principles of Governance

- (a) Patriotism, National Unity, Sharing and Devolution of Power, the Rule of Law, Democracy and Participation of the People

Situational Analysis

The County Government has been unable to meet the 30% requirement on ethnic minority which could have enhanced National unity. This has been due to the region being a hardship area and as a result not attractive to job seekers from other parts of Kenya. Political ethnic profiling has also contributed to people tending to serve in their ethnic backyards, this has resulted to more officers requesting for transfer of services to other counties.

Action Taken

The Board continues to advocate for patriotism and as a result, County colours and symbols are incorporated in all official County documents, information, education and communication materials, projects' branding, directional signage to County offices and painting of County Government buildings. The National and the County flags are being hoisted within the County Government offices and singing of National and County anthems is highly emphasised. The County Government continues to participate in National holidays while ensuring that County offices have portraits of the President of the Republic of Kenya.

The Board has, and continues to draw the attention of the County employees to the documents uploaded on the County website which include the Constitution of Kenya 2010, Kitui County Human Resource and Procedures Manual 2018 and other relevant laws.

The Board continues to encourage job applications from all parts of the Country through making advertisement of job opportunities in high circulating National newspapers and in Kitui County Website (a standard policy). The Board has always advocated for better working conditions for all employees across the County.

It in this year that, the Board recruited the first lot of County Directors among other posts that were not in the Kitui County Public Service.

Democracy and participation of the people has been and continues to be realised through policy formulation forums; the education forums, public participation on Finance Bill and other stakeholder consultative meetings on development which are highly publicised. The County Government has developed a program for Community Level Infrastructure Development where each Ward is allocated a certain budget for activities they consider important through public participation forums.

- (b) Human Dignity, Equity, Social Justice, Inclusiveness, Equality, Human Rights, Non-discrimination and Protection of the Marginalised

Situational Analysis

Review on the compliance regarding human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalised was not done during this calendar year (2021), the new Board was sworn in towards the middle of the year (30th April, 2021) and had a backlog of work to dispense. However, from the 2020 calendar year review, the social amenities within the County Government offices were still deficient. Some ablution blocks were lacking gender labels.

Analysis of the composition of the County public service was done. It was established that the legal requirements for youth and gender in appointments had been met; however, there is still need for concerted effort to address the requirements for persons with disability and the marginalised.

Action Taken

The County Government to constructing more ablution blocks in public places like markets, schools, offices and bus parks and create awareness to the general public to construct pit latrines in their homes in an effort to ensure that Kitui County realise zero open defecation to promote human dignity.

The Board is fully committed to continuous monitoring of compliance to ensure that the ratio of male to female employees remains within the constitutional threshold. The Board has liaised with the National Association of Persons with Disability to keep them abreast with all the adverts in an effort to bridge the gap of meeting the constitutional threshold on recruitment of persons with disability.

The Board has enhanced the methods of advertising for job vacancies, including use of County Website, social platforms and distributing copies of the adverts through County Administration (Ward and Village Administrators) to ensure that more potential applicants from all regions get the information and in good time. Affirmative action is being undertaken to address the disadvantaged groups such as minority ethnic communities in the County, (e.g. the Tharaka, Arab, Somali, Muslim) persons with disabilities, youth and women.

Universal Health Coverage programme (Afya bora); H.E the Governor has partnered with National Health Insurance Fund (NHIF) to ease health expenses incurred by Kitui people, where the County Government is Selecting one person per Household to be registered with NHIF and pay the half year amount while the rest is paid by the County Government of Kitui, thus improving the citizens' access to timely and affordable healthcare at such a time the Covid 19 pandemic has invaded our Country.

The County is mainstreaming HIV/AIDS, gender and disability in implementing various policies as can be reflected in the segmentation of County contracts and also in appointments. The County Government is working with development partners and faith based organizations such as Centre for Health Solutions, Christian Blind Mission (CBM), Centre for Disease Control (CDC) and Christian Health Association of Kenya (CHAK) to address HIV/AIDS among other health care issues.

The County Government has continued to prioritise projects on water such as roof water harvesting systems (Water Tanks), drilling of bore holes, construction / De-silting of earth and sand dams as well as water reservoirs to ensure that County residents, especially those in arid and marginalised regions, have access to portable water for drinking and other purposes.

- (c) Good Governance, Integrity, Transparency and Accountability

Situational Analysis

County Ministries/Departments have developed service charters in both English and Kiswahili versions. The mechanisms for monitoring integrity, transparency and accountability in the County public service are in place.

Action Taken

The Board has advised on the need to implement the service charters fully. The complaints handling procedure has been streamlined in the County Government and employees have been sensitised on complaints handling. There are suggestion boxes in every Ministry for officers and general public to channel their grievances.

In order to enhance transparency and accountability, each project goes through the process of public participation to ensure involvement of the people in development issues.

*(d) Sustainable Development**Situational analysis*

Kitui County Integrated Development Plan (KCIDP), which highlights the development needs of the County, has continuously guided the County development projects. The development projects contained in this document have been evaluated based on their sustainability. As a result, the projects initiated are considered viable and sustainable.

Action taken

The County Government continues to implement projects in compliance with the KCIDP which is modelled on the Kenya Vision 2030 and the Sustainable Development Goals. The County Public Service Board has successfully continued to provide the human resource necessary for the implementation of planned activities.

Food and water, health, education, youth and women empowerment and wealth creation are the five pillars of H.E the Governor's manifesto meant to not only spur the growth of the County economy but also improve the citizens' livelihoods.

The County Government has established Kitui County Textile Centre (KICOTEC); the first ever garment factory by a County Government in Kenya. The facility has employed over 300 youths from the County. The factory targets income from local and national productions that will play a key role in boosting the economy. The gains from KICOTEC will support other services of the county like provision of clean water, affordable healthcare and education. Owing to the success of the pilot KICOTEC factory, the County Government is in the process of establishing two more branches.

The County Government has established a Kitui County Development Centre (KICOYDEC), the Centre Manufacture Construction Materials such as Cabros, Interlocking stabilised soil blocks, Fencing Posts, Roads carbs, U-drain channels, Mark posts and Baluster (Balcony stand) to help realize H.E the Governor's manifesto pillar on youth and women empowerment as well as wealth creation.

In the wake of Covid 19 pandemic, the County under Ministry of Health has also established Kitui Pharma Industries which major on certain disinfectants such as Hand sanitizers, Hand wash, Jink (Bleach and coloured), Formalin (for Kitui County Morgues), Fumigants for Corona Virus and Methylated Spirit. This has created job opportunities for Kitui Youth as well as promoting public health in major towns of Kitui County, this has reduced the number of people conducting Covid 19 Virus in the County.

The County Government has also established the Kitui Food Industries, a Value Addition Plant for Milk and some fruits, Milk is processed to Yoghurts and Ice-creams, Mango fruits to Mango Juice and Tomatoes to Tomato paste. This has empowered Kitui youth and women as well as creating employment and wealth for the County.

The County has established ternary (Leather Industry) for making of leather shoes and sporting balls, the industry has created employment for many youth as well as promoting sporting activities in the County as the local football clubs can acquire several balls locally at a subsidised price.

The County has established empowerment fund by the name Kitui County Empowerment Fund (KCEF) which targets youth, women Persons with Disability (PWDs) and general public with a special interest on youth, Women and PWDs. They are encouraged to form Groups, Community Based Organisations (CBO) and Co-operatives so as to benefit from the funds, the fund has helped realization of manifesto pillar on youth, women and other disadvantaged group empowerment.

The County Government organised an exhibition to show case all the products from Government supported institutions in Kitui County and were also displayed during the 7th Annual Devolution Conference held at Makueni County in the month of November to boost marketing for sustainability purposes.

2.2 ARTICLE 232: VALUES AND PRINCIPLES OF PUBLIC SERVICE*(a) High Standards of Professional Ethics**Situational Analysis*

Standards of professional ethics were evaluated on the basis of code of conduct and ethics for officers in the public service; training for skills development; membership to professional bodies and declaration of income, assets and liabilities.

There was moderate compliance with professional ethics following continuous sensitization workshops and training.

Action taken

Sensitisation programmes on values and principles aimed at creating awareness, development of teamwork, improvement of service delivery and overall culture change in the County public service were undertaken.

To increase access to knowledge on the officers' professionalism, the Board has been drawing the attention of the County Government employees to the relevant legislations and laws which have been uploaded to the County website.

*(b) Responsive, Prompt, Effective, Impartial and Equitable Provision of Services**Situation Analysis*

The Board established that service delivery had not reached satisfactory standards as a result of slow integration of officers having been drawn from diverse organizational culture and work ethics.

Action taken

The Board has been undertaking sensitization workshops on values and principles of public service aimed at transformative leadership, development of teamwork and improvement of service delivery and overall culture change in the public service.

County Ministries/Departments have been encouraged to hold regular management and staff meetings to enhance effectiveness and teamwork in the provision of public services. The County Government has continued the use of Integrated Financial Management Information System (IFMIS), where all financial transactions are processed using the system. This has enhanced the speed of service delivery.

The Board undertakes mystery shopping to assess the quality of services offered in the County public service.

*(c) Fair competition and merit as the basis of appointments and promotions**Situation Analysis*

Appointments and promotions were and continue to be guided by meritocracy and fair competition. They are also guided by other legal provisions such as the need to include communities not adequately represented in appointments to or promotions in the public service, the balance of gender; consideration of minority ethnic groups; and persons living with disabilities.

Action Taken

As at 30th November, 2021, the County Public Service Board had employed a total of 51 female officers representing 54% of the total

staff appointed. The male appointed officers were 44, representing 46%. The County Public Service Board has engaged 1 person living with disability.

The Board has enhanced its recruitment process to adequately capture data on persons living with disability. The Board continues to encourage them to apply for advertised positions, and also register with the Association for persons living with disability.

The Board has made 19 (20%) appointments from outside Kitui County. Meritocracy continues to be the guiding principle in the recruitment process and applicants are accorded equal opportunity. Some officers due for promotion based on meritocracy and the provisions of various schemes of service were promoted.

CHAPTER TWO—IMPEDIMENTS IN THE PROMOTION OF VALUES AND PRINCIPLES

The Board encountered various challenges in ensuring that values and principles were upheld. These included—

- (a) Kitui County has low internet connectivity, making the officers especially those working outside the County Headquarters unable to effectively communicate and access internet;
- (b) Insufficient public awareness on the role of citizens in governance and therefore low citizen participation in development issues;
- (c) Inadequate knowledge on the constitutional provisions on devolution and other relevant legislations among public officers;
- (d) Inadequate budgetary allocation to enhance the promotion of values and principles;
- (e) Frequent power outages within the County;
- (f) High expectation of the public in securing jobs with the County due to high rate of unemployment in the Country and the available few job opportunities;
- (g) Officers from outside the County requesting for inter-county transfers and declining positions in Kitui owing to the vastness of the county, semi-arid climate, insecurity, the difficult terrain thus crushing efforts towards patriotism, national unity and inclusiveness; and
- (h) Persons with disabilities and other special groups not applying for positions in the County while those that apply fail to indicate their status. Many officers and candidates with disabilities are yet to register with the relevant body.

CHAPTER THREE—PLANNED PROGRAMS IN UNDERTAKING PROMOTION OF VALUES AND PRINCIPLES

1. Attend benchmarking exercise at Makueni County on promotion of values and principles;
2. Develop, produce and distribute more information, education and communication material on values and principles in Kitui County;
3. Sensitization workshops on values and principles;
4. Induct new staff with regard to values and principles;
5. Monitor compliance with the values and principles;
6. Advise the County Government on its obligations under international treaties and conventions on need basis;
7. Recruit the required personnel for the full implementation of KCIDP;
8. Finalize Recruitment process for November advert; and
9. Advocate and lead in the finalization of staff establishment to ensure that any recruitment is within optimal staffing level.

CHAPTER FOUR—RECOMMENDATIONS

The Board recommendations are as follows:

- (a) Partnering with the County Assembly for public awareness creation on the role of citizens in governance and the need for

full participation in development agenda and activities and employment creation;

- (b) Facilitation in creation of an enabling environment for the exploitation of natural resources to create jobs for Kitui County residents;
- (c) Observation of OSHA guidelines in public offices;
- (d) Provision of adequate budgetary allocation to carry out activities that enhance promotion of values and principles in the County public service;
- (e) Establishing points for public services at Huduma Centre;
- (f) Establishment of Public Service Centres at every Sub County headquarter;
- (g) Partnering with Internet service providers for better internet connectivity; and
- (h) Decentralization of the National Council for Persons with Disabilities offices for easy access of its services.

CONCLUSION

The County public service registered substantial levels of compliance with the values and principles referred to in Articles 10 and 232 of the Constitution of Kenya 2010. However, there is still room for improvement in order to ensure that citizens of Kitui County fully benefit from the gains envisaged by the Constitution of Kenya 2010.

The Board appreciates the co-operation accorded by the office of the Governor, the office of the County Secretary, County Ministries/Departments and Sub County Administration during evaluation of the extent to which values and principles have been complied with in Kitui County public service.

Further, the Board appreciates the members of the Kitui County Assembly for the oversight role and their periodic advisories towards ensuring compliance with the values and principles.

IN CHAMBERS ON 19TH JULY, 2022

BEFORE HON. LADY JUSTICE E.N. MAINA

ORDER

THIS matter coming up before Honourable Lady Justice E. Maina on the 19th July, 2022 for directions on originating motion dated 18th July, 2022 brought by Counsel for the Applicant under sections 81 and 82 of the Proceeds of Crime and Anti-Money Laundering Act and Order 51 Rule 1 of the Civil Procedure Rules and upon reading the supporting affidavit of No. 62047 Cpl. Fredrick Muriuki and annexures thereof: -

Exparte

IT IS HEREBY ORDERED: -

1. THAT a preservation order be and is hereby issued prohibiting the Respondent and/or his agents or representatives from the sale, transfer, charging/mortgaging or disposal off or other dealings in respect of motor vehicle registration number KCV 877W.
2. THAT the Respondent be and is hereby directed to surrender the original logbook of the motor vehicle registration number KCV 877W to the Applicant within 7 days herein.
3. THAT an order be and is hereby issued directing the Director General of National Transport and Safety Authority to register a caveat against the record of the motor vehicle registration number KCV 877W.
4. THAT the motor vehicle registration number KCV 877W be and is hereby surrendered to the applicant with immediate effect.
5. THAT the preservation orders shall be for a period of (90) days as provided in section 84 of Proceeds of Crime and Anti-Money Laundering Act (POCAMLA).
6. THAT the orders be served upon the Respondent within 21 days of today's date.
7. THAT there be a mention on 7th November, 2022.

GIVEN under my hand and seal of the Honorable court this 18th day of July, 2022

ISSUED at Nairobi this 19th day of July, 2022

DEPUTY REGISTRAR,
*High Court,
Anti Corruption and Economic Crimes Division.*

PENAL NOTICE

Take Notice that if you, the above named respondents or your Servants/Agents disobey this order, you will be cited for contempt of Court and shall be liable to imprisonment for a period of not more than six months.

Dated the 20th July, 2022.

PTG 176/22-23

ALICE M. MATE,
Director.

GAZETTE NOTICE NO. 8979

THE KENYA INFORMATION AND COMMUNICATIONS ACT

(No. 2 of 1998)

APPLICATION FOR LICENCES

NOTICE is given that the following applicants have, pursuant to the provisions of the Kenya Information and Communications Act, made applications to the Communications Authority of Kenya for grant of the licences as shown in the Table below:

Name	Station Identity	Licence Category
Mwaniki Media Limited, P.O. Box 555-40200, Kisii	Engako Television Network	Commercial Free to Air Television
Progressive Mountain Media Network Limited, P.O. Box 35-20100, Nakuru	Mountain of Glory Redeemed TV	Commercial Free to Air Television
Shammah Centre, P.O. Box 38-40413, Kehancha	Pure Africa Radio	Commercial Free to Air Radio
Honey Grapa's Enterprise Limited, P.O. Box 52256-00100, Nairobi	Lokoi FM	Commercial Free to Air Radio
Catholic Diocese of Malindi, P.O. Box 1573-80200, Malindi	Bayana FM	Commercial Free to Air Radio
Topaz Driving College Limited, P.O. Box 8511-00300, Nairobi	Githima FM	Commercial Free to Air Radio
Catholic Diocese of Ngong, P.O. Box 24801-00502, Karen	Radio Osotua	Commercial Free to Air Radio
Waumini Communication Limited, P.O. Box 1373-00606, Nairobi	Radio Waumini	Commercial Free to Air Radio
Blessings Parcel Services Company Limited, P.O. Box 1129-00600, Nairobi		National Postal/Courier Operator Licence
Holden Logistics Company, P.O. Box 104021-00101, Nairobi		International Postal/Courier Operator Licence
Ibuqua Capital Limited, P.O. Box 23156-00604, Kabete		National Postal/Courier Operator Licence
Makueni Transporters Sacco Limited, P.O. Box 234-90300, Makueni		National Postal/Courier Operator Licence
Doon Carrier and Logistics Limited, P.O. Box 6960-00610, Nairobi		International Postal/Courier Operator Licence
Rembo Classic Services, P.O. Box 482-00242, Kitengela		National Postal/Courier Operator Licence
Fimnet Communications Limited, P.O. Box 1061-00610, Nairobi		Network Facilities Provider Tier Three (NFP-T3)
Pepea Internet Limited, P.O. Box 11710-00100, Nairobi		Network Facilities Provider Tier Three (NFP-T3)
Esurf System Limited, P.O. Box 123-20422, Bomet		Network Facilities Provider Tier Three (NFP-T3)

The licences, if granted, will enable the applicants to operate and provide the services as indicated in the Table above. The grant of these licences may affect the public and local authorities, companies, persons or bodies of persons within the country.

The Authority wishes to notify the general public that any legal or natural person, or group of individuals, who are desirous of making any representation and/or any objection to the said applications, to do so *vide* a letter addressed to: The Director-General, Communications Authority of Kenya, CA Centre, Waiyaki Way, P.O. Box 14448-00800, Nairobi indicating the Licence Category on the cover enclosing it.

The said representation and/or objection must be filed on or before expiry of thirty (30) days from the date of publication of this notice and a copy of the same be forwarded to the applicants.

Dated the 27th July, 2022.

THE STATUTORY INSTRUMENTS ACT

(No. 23 of 2013)

REGULATORY IMPACT STATEMENT ON THE DRAFT CAPITAL MARKETS
(CREDIT RATING AGENCIES) REGULATIONS, 2022

PURSUANT to section 8 of the Statutory Instruments Act, 2013, the Capital Markets Authority hereby notifies the public that a Regulatory Impact Statement on the proposed Draft Capital Markets (Credit Rating Agencies) Regulations, 2022 has been prepared to assess the impact of the Regulation on the related business.

The overarching objective of the frameworks is to:

- Clarify and emphasize the scope of applicability of requirements for approval for an entity operating credit rating agency irrespective of its size or international profile;
- Enhance disclosure requirements for the rating agencies following gaps witnessed during the 2008 global financial crisis, while making them more facilitative, taking into consideration IOSCO Principles on Credit Rating Agencies;
- Provide clear requirements for both locally incorporated as well as foreign incorporated rating agents; and
- Inform refinement of Credit Rating Agencies guidelines.

The Draft Capital Markets (Credit Rating Agencies) Regulations, 2022 provides for:

- The eligibility criteria for approval of rating agencies established in Kenya and approval of foreign registered companies.
- Responsibilities and obligations of rating agencies including on the rating process, procedure for review of rating and disclosures.
- Role of the Capital Markets Authority in regulation of credit rating agencies.

The Regulatory Impact Statement and proposed Regulations are available on www.cma.or.ke, and upon request through comments@cma.or.ke or physically at the Capital Markets Authority offices during normal working hours.

Any person likely to be affected by the proposed Regulations may submit their comments within thirty (30) days from the date of publication of this notice to comments@cma.or.ke or to the address below:

The Chief Executive, Capital Markets Authority, P.O. Box 74800-00200 Nairobi, 3rd Floor, Embankment Plaza, Longonot Road, Upperhill. Nairobi.

WYCKLIFFE SHAMIAH,
CEO, Capital Markets Authority.

GAZETTE NOTICE NO. 8982

THE CROPS ACT, 2013

PROPOSED GRANT OF LICENSES

NOTICE is given that pursuant to section 20 (6), (7) and (8) of the Crops Act, the Agriculture and Food Authority proposes to grant a license to the following applicants:

Name of Applicant	Purpose of Licence	Location
Mweki Global Sourcing and Supplies Limited	Coffee Exports imports and value addition/roasting and packaging.	L.R. No./12596 Market Road Kasarani Nairobi City County
Tigoy International Connect Limited	Coffee Exports imports and value addition/roasting and packaging.	L.R. No./Nairobi/Block 82/1597 Radheshyam Properties Outering Road Nairobi City County
Bursho Company Limited	Coffee Exports imports and value addition/roasting and packaging.	L.R. No. 36/VIII/1058 9th Street-Eastleigh Mega Shopping Mall Nairobi City County
Double Space Trading Limited	Coffee Exports imports and value addition/roasting and packaging.	L.R. No./Ruiu Township/84 Temani Business Centre Nairobi City County

Any objections to the proposed grant of license with respect to the applicant, should be lodged in writing with the Agriculture and Food Authority, Coffee Directorate, Coffee Plaza Building, along the Exchange lane, Off Haile Selassie Avenue and of P.O. Box 30566-0100, Nairobi, within fourteen days (14) from the date of this notice.

The objection should clearly state the name, address and telephone number of the person/s or entity objecting, the reasons for the objection to the grant of the license and should be signed by the objector.

The Agriculture and Food Authority proposes to issue the license to the applicants who will have complied with the Crops Act of 2013, the Crops (Coffee) (General) Regulations, 2019 and any other relevant written law by 29th August, 2022.

Dated the 26th July, 2022.

BEATRICE NYAMWAMU,
Ag. Director-General,
MR/3883102
Agriculture and Food Authority.

GAZETTE NOTICE NO. 8983

THE CROPS ACT, 2013

PROPOSED GRANT OF LICENSES

NOTICE is given pursuant to section 20 (6), (7) And (8) of The Crops Act, the Agriculture and Food Authority proposes to grant Certificate/License to the following applicants;

Name of Applicant	Purpose of Licence	Location
Tiryu Sugar Mills Limited	Sugar Mill Letter of Comfort	Kimwani, Tinderet Sub-Country, Nandi County
Seal Sugar Mills Limited	Sugar Mill Letter of Comfort	Boro, Alego Usonga Sub-Country, Siaya County

Any objections to the proposed grant of certificate/license with respect to the applicant, should be lodged in writing with the Agriculture and Food Authority, Sugar Directorate, off Waiyaki Way and of P.O. Box 51500-00200, Nairobi, within fourteen (14) days from the date of this notice.

The objection(s) should state clearly the name, address and telephone number of the person(s) or entity objecting, the reasons for the objection to the grant of the certificate/license and should be signed by the objector.

The Agriculture and Food Authority proposes to issue the Letter of Comfort to the applicant who will have complied with the Crops Act of 2013 and any other relevant written law on 22nd August, 2022. Upon successful completion of construction of the Mill within two (2) years from the date of grant of Letter of Comfort in compliance to the Crops Act, 2013, the Authority intends to issue a milling license to the applicant.

Dated the 26th July, 2022.

Ag. Director General,
Agriculture and Food Authority.

GAZETTE NOTICE NO. 8984

THE ENVIRONMENTAL MANAGEMENT AND
CO-ORDINATION ACT

(No. 8 of 1999)

NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY
ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED CONSTRUCTION OF RESIDENTIAL
APARTMENT DEVELOPMENT ON PLOT L.R No. 209/6880,
ALONG GATUNDU CRESCENT, KILELESHA, WESTLANDS
SUB COUNTY, NAIROBI CITY COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponents, Minara Homes Limited, proposes to construct a Residential Apartment with a total of One Hundred and Sixty Five (165) units. The project will consist of 15 floors excluding the ground floor and basement, 15 units of 1 Bedroom Apartments, 30 units of 2 Bedroom Apartments, 30 units of 3 Bedroom Apartments, 76 units of 4 Bedroom Apartments, and 14 units of 4 Bedroom Duplex Apartments and all its associated infrastructures and amenities on plot L.R. No 209/6880 along Gatundu Crescent Kileleshwa, Westlands Sub-County, Nairobi City County.

Possible Impacts *Mitigation Measures*

Noise pollution	<ul style="list-style-type: none"> • Complying with the Environmental Management and Co-ordination (Noise and Excessive Vibration Pollution (Control) Regulations, 2009 including: <ul style="list-style-type: none"> • Observe normal working hours during noisy construction works (00800 to 1700) hours. • Ensure that all generators and heavy duty equipment are insulated or placed in enclosures. • Sensitize drivers to avoid unnecessary gunning of vehicle engines. • Regular servicing of engines and other machines. • Site workers to wear ear muffs if working in noisy areas.
Air/dust pollution	<ul style="list-style-type: none"> • Ensure strict enforcement of on-site speed limit regulations. • Avoid excavation works in extremely dry weathers if possible. • Sprinkle water on graded access routes whenever necessary to reduce dust generation by construction vehicles. • Enclosing the structures under construction with dust proof nets.

Possible Impacts

Mitigation Measures

Working at high heights	<ul style="list-style-type: none"> • Using efficient machines with low emission technologies for the ones that burn fossil fuels. • Regular maintenance and services of machines and engines. • Use of clean fuels e.g. unleaded and low Sulphur fuels. • Educate and raise awareness of construction workers on emission reduction techniques. • Providing First Aid facilities at site. • Use construction barrier tape to isolate and guard site visitors from accidents and injuries. • Implement a fall protection program that includes training in climbing techniques and use of fall protection measures. • Use of helmets and other PPEs to mitigate against injuries.
Generation of solid waste	<ul style="list-style-type: none"> • Following Environmental management and co-ordination (Waste Management,) Regulation 2006 including: <ul style="list-style-type: none"> • Using waste minimization techniques such as buying required quantities in bulk. • Identifying all sources of wastes, and ensuring wastes are handled by licensed personnel. • Making available suitable facilities for the collection, segregation and safe disposal of the wastes. • All construction materials left over at the end of construction should be used in other projects or sold. • Ensure proper handling and storage of construction materials to reduce damage. • Accurately estimate the sizes and quantities of materials required to reduce amounts left. • Excavated upgrading waste should be re-used or backfilled.
Occupational health and safety risks	<ul style="list-style-type: none"> • Provide all workers with the necessary protective gears. • Ensure all workers are in protective gears all the time when on site. • Place fire extinguishers in strategic areas within the deport. • Designate and mark smoking areas. • Workers to be trained as fire marshals. • Fire escape routes to be shown clearly. • Provide enough first aid kits within the project site. • Train workers in administering first aid. • Ensuring all potential hazards such as movable machine parts are labelled. • Raising awareness and educating workers on risks from equipment and ensuring they

<i>Possible Impacts</i>	<i>Mitigation Measures</i>	<i>Possible Impacts</i>	<i>Mitigation Measures</i>
	<ul style="list-style-type: none"> receive adequate training on the use of the equipment. Placing visible and readable signs around where there are risks. Ensuring there is security in and around the site to control the movement of people. Providing safe and secure storage for equipment and materials in the site. Placing visible and readable signs to control the movement of vehicles and notify motorists and pedestrians around the, and workers in the site. 	Increased traffic	<ul style="list-style-type: none"> Placing signs around the site notifying other vehicles about the heavy traffic and to set the speed limit around the site. Ensuring all drivers for the project comply to speed regulations. Making sure the construction doesn't occupy the road reserves and complying with traffic and land demarcation obligations. Ensuring all vehicles used for the project are in good working condition both legally and commensurate to their intended use.
Change in soil characteristics	<ul style="list-style-type: none"> Sprinkling water on the soil to prevent dust from rising. Creating specific paths for the trucks. Ensuring there is enough space for normal percolation of water. Preventing pollution from construction wastes by having specific sites for collection, sorting and transport of wastes. Proper installation and configuration of drainage structures to ensure their efficiency. Installing cascades to break the impact of water flowing into the drains. Controlling the earthworks and ensuring the management of excavation activities. Compacting areas with loose soil. Landscaping. Providing soil erosion control structures on the steeper areas of the site and controlling activities during the rainy season. 	Fire hazards and accidents	<ul style="list-style-type: none"> Keep well stocked and functional first aid box. Ensure proper storage of inflammables at the site. Maintain fire-fighting equipment and ensure that they are regularly inspected Create awareness among residents on proper safety measures.
		Surface run-off and waste water disposal	<ul style="list-style-type: none"> Waste water should empty to the septic tank via well laid sewage pipes. Empty septic tank whenever its full by a licensed exhauster services. Landscaping to ensure there are areas where water will percolate underground. Constructing proper drains and monitoring them to ensure there are no blockages.
Pressure on utilities	<ul style="list-style-type: none"> Employing water conservation techniques and using the required amounts of water to prevent wastage. Employing power saving techniques such as switching off equipment when not in use, using natural light whenever possible. Using machines with power saving technologies. Providing proper sanitary facilities for construction workers. Inspecting the drainage facilities regularly to ensure they are free of debris that may reduce their efficiency. 	Socio-cultural impacts	<ul style="list-style-type: none"> Integrating Equal Opportunity Principles in human resource policies. Promoting social cohesion and integration among people in the area. Creating awareness towards the diversity of cultures and different economic background of the people within residents. Allowing the residents and businesses to form social groups and networks that build social capital. Targeting social investment programs towards the local communities and region.
Population influx	<ul style="list-style-type: none"> Workers to be issued with jobs cards to monitor their movements in the site area. Only authorized personnel should be allowed entrance to the site Presence of a work registry book where workers sign in and out. Educating the workers on proper sanitation methods Sensitizing the worker on HIV/AIDS. Making available suitable facilities for the collection, segregation and safe disposal of the wastes. Ensuring all waste is dumped in their designated areas and legally acceptable methods. 	Insecurity impacts	<ul style="list-style-type: none"> Employing competent security firm at the premises. Security to always searching all vehicles and people entering the premises. Use of CCTV cameras to monitor security within the premises. Collaborating with the local police on security matters. Placing alarms around the premises and establishing emergency preparedness and response procedures.
		Increase in value and land use changes	<ul style="list-style-type: none"> Complying to zoning bylaws. Collaborating with public and planning officials on current and future developments. Aligning the project's objectives with those of National and County Development Policies.

The full report of the proposed project is available for inspection during working hours at:

- (a) Principal Secretary, Ministry of Environment and Forestry, NHIF Building, 12th Floor, Ragati Road, Upper Hill, P.O. Box 30126-00100, Nairobi.
- (b) Director-General, NEMA, Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.
- (c) County Director of Environment, Nairobi City County.

A copy of the report can be downloaded at www.nema.go.ke

The National Environment Management Authority invites members of the public to submit oral or written comments within thirty (30) days from the date of publication of this notice to the Director-General, NEMA, to assist the Authority in the decision making process regarding this project.

Comments can also be emailed to dgnema@nema.go.ke

MAMO B. MAMO,
Director-General,

MR/3883071 National Environment Management Authority.

GAZETTE NOTICE NO. 8985

THE ENVIRONMENTAL MANAGEMENT AND
CO-ORDINATION ACT

(No. 8 of 1999)

NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY
ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED MIXED USE DEVELOPMENT ON PLOT
L.R. NO. ELDORET MUNICIPALITY BLOCK 7/162 LOCATED
AT THE JUNCTION OF RONALD NGALA STREET AND NANDI
ROAD IN ELDORET MUNICIPALITY, UASIN GISHU COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent Tarita Trocadero Limited to construct a mixed use Development which will comprise of 22 floors (2 basements, ground floor, mezzanine floor and typical 1-22 floors). The development will have a total of 274 rooms including Shops, Restaurants, Alfresco, Food Trucks, Gym and Spa, Juice Bar, Sauna, Conference Rooms, Lodging Rooms, Bar and Club, Laundry Room and Market Stalls. The proposed project site is located at the junction of Nandi road and Ronald Ngala Street on land L.R No. Eldoret Municipality Block 7/162.

The following are the anticipated impacts and proposed mitigation measures:

<i>Impact</i>	<i>Mitigation Measures</i>
Noise generation	<ul style="list-style-type: none"> • Use of attenuated equipment. • Ensure that all equipment are insulated or placed in enclosures to minimize ambient noise levels. • Statutory inspection and certification of all mobile machinery and equipment. • Restriction of construction activities to day time between 8.00 a.m.–5.00 p.m. • Annual Medical examinations (audiometric tests) to be done on construction workers.
Air and dust pollution	<ul style="list-style-type: none"> • Installation of safety nets during construction. • Sprinkle dust using water. • Erection of speed signs/bumps at the access road leading to project site to reduce speed and emissions of dust.

<i>Impact</i>	<i>Mitigation Measures</i>
Soil erosion	<ul style="list-style-type: none"> • Dust sheets over the surface of stockpiled materials and positioning of stockpiles to minimize the effect of wind. • The Contractor will ensure proper demarcation of the project area to be affected by the construction works.
Interference with the physical condition	<ul style="list-style-type: none"> • The tower construction shall adhere to all relevant permit conditions. • The proponent shall as much as possible complete the project in a way that natural aesthetics is retained. • Restoration shall be undertaken to ensure that the original setting is retained. • Velocity and increase infiltration of storm water into the soil, e.g. silt traps. • Strict control of construction vehicles to ensure that they operate only within the area to be disturbed.
Increased traffic congestion and road traffic accidents	<ul style="list-style-type: none"> • Supplier should time heavy traffic flows, wherever practicable to avoid periods of heavy traffic flow. • Clear signs, flagmen, and signals will be set up where necessary. Where temporary traffic signals are required, the details and locations of the signs shall be agreed to with the relevant authorities. • Any road closures will be properly signposted and flag men positions to guide road users. • Speed limits will be established and enforced over all traffic routes.
Hazardous waste e.g. soil contaminate with petroleum product and waste oil	<ul style="list-style-type: none"> • Segregate hazardous from non-hazardous ones and avoid mixing waste to reduce the volume of hazardous waste. • Label hazardous waste containers in accordance with national regulations • Provide personal protective equipment suitable for handling each waste type, in line with waste characteristics. • Use legitimate NEMA authorized waste carriers to transport hazardous waste. • Provide a dedicated hazardous waste storage area in a safe area with the limited exposure. • Use a secondary containment system for liquid volumes greater than 220 litres in line with good international industry practice. • Provide sanitary conveniences for the construction workers for control of sewage waste.
Waste storage	<ul style="list-style-type: none"> • Use containers that are compatible with wastes and allow space between containers to allow inspection for leaks and spills.
Machinery safety	<ul style="list-style-type: none"> • Only Licensed and competent operators involved in machinery operations. • All moving parts of machinery should be adequately guarded and shut down of machinery during maintenance.

<i>Impact</i>	<i>Mitigation Measures</i>	<i>Impact</i>	<i>Mitigation Measures</i>
Waste transportation	<ul style="list-style-type: none"> Use NEMA authorized waste carriers that operate in line with national regulations. Select appropriate waste transport containers and ensure these are properly labelled and secured. Use labelled and covered vehicles to prevent litter/dust. 	Fire hazards and accidents	<ul style="list-style-type: none"> with neighbours and police. Provision of fit for purpose firefighting and fire detection facilities that are easily accessible. Frequent Servicing of firefighting equipment by a reputable service provider. Appoint and train Fire Marshals. Fire safety awareness training for all employees and annual fire drills.
Increased water demand	<ul style="list-style-type: none"> Install water-saving equipment in toilets such as low flow toilets and regular maintenance of plumbing systems. Sensitizing construction staff to avoid irresponsible water use. Rainwater harvesting and water storage facilities. 	Emergencies	<ul style="list-style-type: none"> Design documented Emergency Preparedness and Response Plan for all project emergencies and accidents. All employees and personnel on site to be oriented on all emergency response and evacuation procedures. Ensure that adequate provisions are in place to immediately stop any operations where there is an imminent and serious danger to health and safety and to evacuate workers. Ensure that the most current emergency telephone numbers posters are prominently and strategically displayed within the construction site. Provide measures to deal with emergencies and accidents including adequate first aid arrangements. Engage a full-time resident nurse on site. Sensitize the public on potential emergency situations. Regular inspection and servicing of the equipment must be undertaken by a reputable service provider and records of such inspections maintained. Appointment of First Aiders. Minimum 1:60 employees, who shall undergo training by a recognized body.
Increased energy demand	<ul style="list-style-type: none"> Sensitization of staff to conserve electricity by switching off electrical equipment when they are not being used. Energy consumption to be monitored, analyzed and all records kept. Soundproofed stand -by generators shall be installed and form part of the power supply at the site. 	Increased water consumption	<ul style="list-style-type: none"> Install self-closing taps to ensure water conserving and water-saving equipment in toilets. Frequent maintenance of plumbing systems. Rainwater harvesting.
Increase in HIV/AIDS prevalence and other STIs	<ul style="list-style-type: none"> Education and sensitization of workers and the local communities on STIs including the provision of condoms. HIV/AIDS awareness campaigns by erecting and maintaining information posters at prominent locations. 	Increased energy consumption	<ul style="list-style-type: none"> Monitor energy use during the operation of the project and set targets for efficient energy use. Regular comparison and monitoring of energy consumption with targets to identify where action should be taken to reduce consumption. Promptly repair of distribution system leaks. Appropriate power transformers and accessories shall be installed by power distribution company.
Occupational Health and Safety risks	<ul style="list-style-type: none"> The hiring of site EHS Manager and developing and displaying SHE policy for construction works. To reduce the workers' accidents and hazards the Contractors should comply to Occupational Health and Safety rules and regulations as per the Occupational Safety and Health Act, 2007. Safety induction and training for all workers and personnel on site. Ensure that machinery, equipment, personal protective equipment and hand tools used in construction to comply with the prescribed safety and health standards and be appropriately installed maintained. Where construction activities interfere with the traffic movement, the site should be signed and controlled by trained flagmen/flag women and lit at night. Pinned signage all throughout the site onsite safety instructions and safe working procedures. Provision of suitable personal protection equipment (PPE) (footwear, masks, protective clothing and goggles in appropriate areas), emergency eyewash and shower stations, ventilation systems, and sanitary facilities. 	Security	<ul style="list-style-type: none"> Stand -by generators shall be installed and form part of the power supply system. These generators shall

<i>Impact</i>	<i>Mitigation Measures</i>
	be soundproofed and kept in good running condition by regular servicing.
	<ul style="list-style-type: none"> Carry out Energy Audits as required by EPRA.
Increased traffic congestion in the area	<ul style="list-style-type: none"> Providing adequate acceleration and deceleration lanes. Obtain authorization from KURA.
General waste	<ul style="list-style-type: none"> Use of recyclable glass bottles as opposed to plastic. Dispose waste through county government waste handling trucks. Ensure that contractors handling and disposing of waste licensed by NEMA. Undertake INTERNAL audits of waste segregation, tracking waste, characterization and disposal methods. Maintain completed waste transfer log the type of materials, physical state solid/liquid/gas, quantity, date dispatched, date received, any repacking, treatment/disposal details.
Liquid waste/effluent	<ul style="list-style-type: none"> All waste water- both black and gray shall be channeled to public sewer that is connected to the proposed site. Annual Environmental audits as required by EIA/EA regulations.
Organic kitchen waste	<ul style="list-style-type: none"> Food and perishable wastes to be sealed containers (bags, bins) to reduce odour. County waste collection trucks can also be used to transport waste to county disposal sites. Label vehicles with correct signage in accordance with waste. Ensure each waste shipment is accompanied by shipping paper or manifest.
Increased non-compostable kitchen waste	<ul style="list-style-type: none"> Grease traps to be used in drain pipes to separate the fat, oil and grease from the wastewater and the grease retained in the traps to be collected by a licensed waste oil collector at regular intervals. The grease traps shall be frequently serviced and maintained and written records of maintenance kept. Waste management training of all employees working in restaurants and hotel component. Use of waste containers that are compatible with hazardous waste types and in line with national regulations and good practice. Containers to be sealed and kept in good condition.
Emergency preparedness	<ul style="list-style-type: none"> Develop a comprehensive Emergency Response Plan for the tower. A fire detection system shall be provided with an annunciator panel located in the Control Room. A digitalized public address system with pre-recorded evacuation warning messages will also be integrated with the building's communication systems including security, life safety,

<i>Impact</i>	<i>Mitigation Measures</i>
	monitoring and control systems.
	<ul style="list-style-type: none"> Posting of all emergency contacts and evacuation procedures in all floors of the building. The building system shall be able to initiate the shutdown of the air conditioning and mechanical ventilation in the event of a fire. All emergency and evacuation procedures must be tested at least annually and e.g. fire drills. Installation of fire protection; extinguishers, sprinkler systems, wet risers and automatic gaseous fire suppression system. Frequent servicing of all fire detection and firefighting equipment by a reputable company.

The full report of the proposed project is available for inspection during working hours at:

- Principal Secretary, Ministry of Environment and Forestry, NHIF Building, 12th Floor, Ragati Road, Upper Hill, P.O. Box 30126-00100, Nairobi.
- Director-General, NEMA, Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.
- County Director of Environment, Uasin Gishu County.

A copy of the report can be downloaded at www.nema.go.ke

The National Environment Management Authority invites members of the public to submit oral or written comments within thirty (30) days from the date of publication of this notice to the Director-General, NEMA, to assist the Authority in the decision making process regarding this project.

Comments can also be emailed to dgnema@nema.go.ke

GAZETTE NOTICE No. 8986

THE ENVIRONMENTAL MANAGEMENT AND
CO-ORDINATION ACT

(No. 8 of 1999)

NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY
ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED RESIDENTIAL APARTMENTS
DEVELOPMENT ON PLOT L.R. NO. 209/16019 (ORIGINAL NO.
209/9675/7), ALONG NYERI ROAD, KILELESHA AREA,
NAIROBI CITY COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponents, Adornhomes Investments Kenya Limited, proposes to develop single residential apartments on plot L.R. No. 209/16019 (Original No. 209/9675/7) along Nyeri Road in Kileleshwa, Nairobi County. The project will involve the construction of a single residential block of 18 storey with a total of 216 units.

Possible Impacts *Mitigation Measures*

- | | |
|------------------|---|
| Soil disturbance | <ul style="list-style-type: none"> Control earthworks and compact loose soils. |
|------------------|---|

<i>Possible Impacts</i>	<i>Mitigation Measures</i>	<i>Possible Impacts</i>	<i>Mitigation Measures</i>
	<ul style="list-style-type: none"> • Ensure the geo-technical survey is conducted before commencement of any excavations. • Install drainage structures properly. • Landscaping on project completion. • Control and manage excavation activities. • Control activities especially during rainy conditions. • Provide soil erosion control and conservation structures/means where necessary. • Ensure standard appropriate practices on the provided gardens. 		<ul style="list-style-type: none"> • should be carried out in the contractors yard (off the site). • Provide oil interceptors along the drains leading from car park and potentially oil risk areas.
Change in hydrology	<ul style="list-style-type: none"> • Proper installation of drainage structures commensurate with the new development. • Install cascades to break the impact of water flowing in the drains. • Ensure efficiency of drainage structures through proper design and maintenance. • Provide gratings to the drainage channels. 	Water resources	<ul style="list-style-type: none"> • Management of water usage. Avoid unnecessary wastage. • Recycling of water at the construction phase where possible. Make use of roof catchments to provide water i.e. for general purposes.
Liquid waste	<ul style="list-style-type: none"> • Ensure sanitary facilities are kept clean always through regular cleaning. • Ensure regular maintenance of foul water drainage works at the premises to prevent clogging and fore-stall breakdowns. • Frequent monitoring of the internal drainage system. 	Public health, occupational health and safety.	<ul style="list-style-type: none"> • Train staff/workers on occupational health and safety. • Provide full protective gear and workmen's compensation cover in addition to the right tools and operational instructions and manuals during construction. • Adopt sound housekeeping practices. • Sensitize residents on environmental management. • Design of sewerage system should be as provided in the plans. • Post strategically the Occupational Safety and Health Act, 2007 Abstract and provide material safety data sheets. • Post clear warning signs e.g. 'No unauthorized use of machines', ensure there are guards on moving parts e.t.c. • Provide fully equipped First Aid kits and train staff on its use. Ensure adherence with the legal requirements -OSH Act, 2007.
Increased energy use	<ul style="list-style-type: none"> • Solar energy will be used as an alternative source of energy. • Use energy efficient appliances such as LED bulbs for lighting. • Switch off electrical appliances when not in use. • Regular maintenance of all the electrical components. • Regular inspection and maintenance of the solar panels. 	Fire	<ul style="list-style-type: none"> • Install firefighting equipment as provided elsewhere in the report. Conduct training on firefighting, evacuation and emergency response. • Sensitize the residents on fire risks i.e. conduct regular fire drills. • Adapt effective emergency response plan. • Maintain service firefighting machinery regularly. • Provide emergency numbers at strategic points.
Solid waste	<ul style="list-style-type: none"> • Use of an integrated solid waste management system through a hierarchy of options: source reduction, recycling, composting and reuse, will facilitate waste handling. • Ensure segregation of waste (organic and inorganic) at source. • Provide clearly marked dustbins cubicles to serve the specified use. • Ensure that wastes generated are efficiently managed through recycling, reuse and proper disposal procedures. • Engage services of a registered NEMA waste handler to dispose the waste regularly at approved disposal points. 	Water quality and waste management	<ul style="list-style-type: none"> • Follow NEMA regulations.
Oil pollution	<ul style="list-style-type: none"> • Proper storage, handling and disposal of new oil and used oil wastes as per waste regulations. • Maintain plant and equipment to avoid leaks. • Maintenance of construction vehicles 	Traffic management	<ul style="list-style-type: none"> • Conduct a traffic Impact Assessment and generate a traffic management plan. • The Traffic management plan should be followed throughout the project cycle.
		Security	<ul style="list-style-type: none"> • Provide security guards and facilities during the entire project cycle.
		<p>The full report of the proposed project is available for inspection during working hours at:</p> <p>(a) Principal Secretary, Ministry of Environment and Forestry, NHIF Building, 12th Floor, Ragati Road, Upper Hill, P.O. Box 30126-00100, Nairobi.</p> <p>(b) Director-General, NEMA, Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.</p> <p>(c) County Director of Environment, Nairobi City County.</p> <p>A copy of the report can be downloaded at www.nema.go.ke</p>	

The National Environment Management Authority invites members of the public to submit oral or written comments within thirty (30) days from the date of publication of this notice to the Director-General, NEMA, to assist the Authority in the decision making process regarding this project.

MAMO B. MAMO,
Director-General,

MR/3882905 National Environment Management Authority.

GAZETTE NOTICE NO. 8987

THE ENVIRONMENTAL MANAGEMENT AND
CO-ORDINATION ACT

(No. 8 of 1999)

NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY
ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED AIR TRAVEL AND RELATED STUDIES
CENTRE COLLEGE ON LR NOS. NGONG/NGONG/95258, 94875
AND 94876 IN KIBIKO, KAJIADO WEST SUB COUNTY,
KAJIADO COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponents, the Air Travel and Related Studies Limited is proposing to construct a Collage on Plot L.R. Nos. Ngong/Ngong 9528, 94875 and 94876, along Baboon Crescent Road. The proposed development will comprise of the administration block and students hostels block that will accommodate 1050 students and associated ancillary. The common land uses adjacent to the site are educational, town houses and public purpose (churches).

Possible Impacts	Proposed Mitigation Measures
Vegetation disturbance	<ul style="list-style-type: none"> Minimize vegetation loss especially trees. Ensure proper demarcation and delineation of the project area to be affected by construction works. Introduction of vegetation (trees, shrubs and grass) on open spaces and around the project site and their maintenance. Design and implement an appropriate landscaping programme to help in re-vegetation of part of the project area after construction.
High demand of raw material	<ul style="list-style-type: none"> Ensure accurate budgeting and estimation of actual construction material required to minimize wastage. Local suppliers can supply the building materials to the site. Recycled, refurbished or salvaged materials can be used to reduce the use of new raw materials and divert the materials that would be dumped at the dumpsites.
Increased storm water, runoff and soil erosion	<ul style="list-style-type: none"> A storm water management plan that minimizes impervious area infiltration by use of recharge areas and use of detention and/or retention with graduated outlet control structure will be designed. Minimize vegetation clearing as much as possible. Apply soil erosion control measures e.g., levelling project site to reduce run-off velocity and increase infiltration of storm water into the soil. Construct rainwater harvesting and storage mechanism to reduce surface water runoff.

Possible Impacts	Proposed Mitigation Measures
Solid waste generation	<ul style="list-style-type: none"> Construction of water storage tanks to collect storm water for domestic uses. Reuse and recycle of material should be encouraged all the time especially from the demolished building. Non-recyclable or reused wastes generated should be collected by licensed waste collectors/transporters to be taken for dumping at NEMA licensed dumping sites. Provide facilities for proper handling and storage of construction materials to reduce the amount of waste caused by damage or exposure to the elements. Through accurate estimation of the sizes and quantities of materials required, order materials in the sizes and quantities they will be needed, rather than cutting them to size, or having large quantities of residual materials. Reuse packaging materials such as cartons, cement bags, empty metal and plastic containers to reduce waste at the site. Waste collection bins to be provided at designated points on site.
Sewage and effluent	<ul style="list-style-type: none"> Provide means for handling sewage generated by construction workers. Sewage to be deposited in onsite constructed a waste water treatment plant (WWTP), wastewater into soak pit and storm water into drainage Channel and waste water to be directed into soak pit. Regular checks should be conducted on the waste handling facility for pipe blockages or damages to avoid release of the effluent into the environment.
Noise pollution and vibrations	<ul style="list-style-type: none"> Construction to be carried out between 8 a.m. and 5 p.m. Provide appropriate PPEs like earmuffs to workers in high-noise level areas. Suppressors or silencers on equipment and noise shields such as iron sheets around the structure should be used. Construction vehicles and machinery engines are to be switch off if not being used. Comply with maximum permissible noise levels for constructions sites as per Environmental Management and Co-ordination (Noise and Excessive Vibration Pollution) (Control) Regulations, 2009. Apply for a License from NEMA whereby maximum permissible noise levels are to be exceeded.
Dust emission	<ul style="list-style-type: none"> Provide workers with personal protective equipment like the dust masks. Avoid excavation works in extremely dry weathers. Water project site periodically during construction. Provide dust screens or boundary wall along site boundary.
Water demand	<ul style="list-style-type: none"> Construct rainwater harvesting and storage mechanisms (overhead water tanks). Encourage wise use of water during construction and install water saving mechanism such as self-closing taps.

<i>Possible Impacts</i>	<i>Proposed Mitigation Measures</i>	<i>Possible Impacts</i>	<i>Proposed Mitigation Measures</i>
	<ul style="list-style-type: none"> Promote recycling and reuse of water as much as possible. Install a discharge meter at water outlets to determine and monitor total water usage. Promptly detect and repair of water pipe and tank leaks. 		Recycling 3. Composting and reuse 4. Combustion 5. Sanitary land filling.
Energy consumption	<ul style="list-style-type: none"> Ensure electrical equipment, appliances and lights are switched off when not being used. Ensure electrical equipment, appliances and lights are switched off when not being used. Monitor energy use during construction and set targets for reduction of energy use. 		<ul style="list-style-type: none"> All buildings, equipment, structures and partitions that will not be used for other purposes must be removed and recycled/reused as far as possible. All foundations must be removed and recycled, reused or disposed of at a licensed disposal site. Where recycling/reuse of the machinery, equipment, implements, structures, partitions and other demolition waste is not possible, the materials should be taken to a licensed waste disposal site.
Fire outbreak	<ul style="list-style-type: none"> Provide fire hazard signs such as "NO SMOKING" and no open fires especially next to fuels, inflammable materials and electric wires. Adopt an emergence response plans such as an assembly point, trained first aiders etc. Ensure that all firefighting equipment are installed regularly, inspected and well maintained. 	Rehabilitation of project site Vegetation disturbance; Land deformation: soil erosion, drainage problems	<ul style="list-style-type: none"> Implement an appropriate re-vegetation Programme to restore the site to its original status. During the re-vegetation period, appropriate surface water run off controls should be implemented to prevent surface erosion. Monitoring and inspection of the area for indications of erosion should be conducted and appropriate measures taken to correct any occurrences. Fencing and signs restricting access should be posted to minimize disturbance to newly-vegetated areas. Comprehensive Landscaping.
Occupational health and safety risks	<ul style="list-style-type: none"> Erect warning signs warning of heavy machinery at construction site. Ensure that safety requirements as relates to factory and other places of work Act, 2005 and Occupational Health and safety Act, 2007. All workers should use appropriate personal protective equipment. All work at height should be done under strict supervision. All scaffolding, hoist and body harnesses should be inspected by approved government inspector. Construct perimeter fence around the site. Have fully stocked first aid kits and trained first aiders. Ensure workers wear personal protective equipment on site at all the times. 	Loss of income; Reduced ability to support dependants; Loss of quality of life; Loss of benefits i.e., medical, insurance cover etc.	<ul style="list-style-type: none"> Compensate and suitably recommend the workers to help in seeking opportunities elsewhere. Assist with re-employment and job-seeking of the involved workforce. Offer advice and counselling on issues such as financial matters. The safety of the workers should surpass as a priority of all other objectives in the decommissioning project. Adapt a project – completion policy: identifying key issues to be considered.
Occupational health and safety impacts	<ul style="list-style-type: none"> Sanitary facilities should be provided with respect to gender. Standard cleanliness of the facilities should be maintained. Material safety data sheets to be made available for all chemicals/substances in the college. Occupiers should always be sensitized on social issues such as drugs, alcohol, HIV/AIDS etc. 		
General safety and security of the premises and surrounding areas	<ul style="list-style-type: none"> Ensure the general safety and security at all times by providing day and night security guards and adequate lighting within and around the premises. 		
Environmental monitoring of the project	<ul style="list-style-type: none"> Undertake continuous environmental monitoring of the project for all the phases in liaison with the National Environment Management Authority and the proponent. This will ensure that environmental concerns are integrated into the project at every stage of implementation. 		
Demolition waste	<ul style="list-style-type: none"> Use of an integrated solid waste management system i.e. through a hierarchy of options: 1. Source reduction 2. 		

The full report of the proposed project is available for inspection during working hours at:

- Principal Secretary, Ministry of Environment and Forestry, NHIF Building, 12th Floor, Ragati Road, Upper Hill, P.O. Box 30126-00100, Nairobi.
- Director-General, NEMA, Popo Road, off Mombasa Road, P.O. Box 67839-00200, Nairobi.
- County Director of Environment, Nairobi City County.

A copy of the report can be downloaded at www.nema.go.ke

The National Environment Management Authority invites members of the public to submit oral or written comments within thirty (30) days from the date of publication of this notice to the Director-General, NEMA, to assist the Authority in the decision making process regarding this project.

**IMPORTANT NOTICE TO SUBSCRIBERS TO
THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement, etc.*:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the National or county Governments. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly, Senate or County Assemblies.
- (4) *Act Supplement* contains Acts passed by the National Assembly, Senate or County Assemblies.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typed with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE HUMAN RESOURCE POLICIES AND PROCEDURES MANUAL FOR THE PUBLIC SERVICE —

Kenya Gazette

A.30 (1) All communication for publication in the *Kenya Gazette* should reach the Government Printer not later than Friday of the week before publication is desired.

(2) A State Department will be required to meet the cost of advertising in the *Kenya Gazette*.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
